LOAN ARRANGEMENT AND REIMBURSEMENT AGREEMENT, dated January 20, 2010 (this "Agreement"), between the UNITED STATES DEPARTMENT OF ENERGY, an agency of the United States of America ("DOE") and TESLA MOTORS, INC. (the "Borrower"), a corporation organized under the laws of Delaware.

PRELIMINARY STATEMENTS

A. DOE has been authorized to arrange for FFB (as that and other capitalized terms used herein without definition are defined in Annex A to this Agreement) to make loans to manufacturers of advanced technology vehicles and components pursuant to the Advanced Technology Vehicles Manufacturing Incentive Program, as set forth in Section 136 of the Energy Independence and Security Act of 2007.

B. The Borrower submitted an Application dated November 17, 2008, which was deemed substantially complete on December 15, 2008 and was amended and restated on May 4, 2009, for a multi-draw term loan facility to be authorized and approved by DOE under the ATVM Program, subject to the requirements of Section 136 and the Applicable Regulations (the "Application").

C. The Borrower and DOE entered into a Conditional Commitment Letter on June 23, 2009 pursuant to which DOE agreed to arrange for FFB to purchase Notes from the Borrower in an aggregate amount not to exceed $465,047,000 and to make Advances from time to time thereunder, in each case upon the terms and subject to the conditions of this Agreement and the other Loan Documents.

D. Subject to the terms and conditions hereof, DOE will, in connection with arranging financing for the Borrower from FFB, issue and deliver to FFB the Principal Instruments.

E. Pursuant to the terms of the Program Financing Agreement, DOE will be obligated to reimburse FFB for any liabilities, losses, costs or expenses incurred by FFB from time to time with respect to the Notes or the related Note Purchase Agreement.

F. The Borrower's obligations to DOE and FFB will be secured by the Liens granted under the Security Documents, to the extent provided therein.

G. The parties hereto desire (i) to specify, among other things, the terms and conditions for (x) the delivery by DOE of the Principal Instruments required for FFB to purchase the Notes pursuant to the Note Purchase Agreement, (y) the delivery by DOE of Advance Request Approval Notices and (z) certain indemnity and reimbursement obligations of the Borrower to DOE and (ii) to provide for certain other matters related thereto.

NOW, THEREFORE, in consideration of the promises and other agreements herein contained, the parties hereby agree as follows:

ARTICLE I

DEFINITIONS AND OTHER RULES OF CONSTRUCTION

1.1 Terms Generally. Capitalized terms used herein, including in the preliminary statements, without definition shall have the respective meanings assigned to such terms in Annex A hereto.

1.2 Other Rules of Construction. Unless the contrary is expressly stated herein:

(a) words in this Agreement denoting one gender only shall be construed to include the other gender;

(b) when used in this Agreement, the words "including", "includes" and "include" shall be deemed to be followed in each instance by the words "without limitation";

(c) when used in this Agreement, the words "herein", "hereby", "hereunder", "hereof", "hereto", "hereinbefore", and "hereinafter", and words of similar import, unless otherwise specified, shall refer to this Agreement in its entirety and not to any particular section, subsection, paragraph, clause or other subdivision, exhibit, schedule or appendix of this Agreement;

(d) each reference in this Agreement to any article, section, subsection, paragraph, clause or other subdivision, exhibit, schedule or appendix shall mean, unless otherwise specified, the respective article, section, subsection, paragraph, clause or other subdivision, exhibit, schedule or appendix of this Agreement;

(e) capitalized terms in this Agreement referring to any Person or party to any Loan Document or to any other agreement, instrument, deed or other document shall refer to such Person or party together with its successors and permitted assigns, and in the case of any Governmental Authority, any Person succeeding to its functions and capacities;

(f) each reference in this Agreement to any Loan Document or to any other agreement, instrument, deed or other document, shall be deemed to be a reference to such Loan Document or such other agreement, instrument, deed or document, as the case may be, as the same may be amended, supplemented, novated or otherwise modified from time to time in accordance with the terms hereof and thereof;

(g) each reference in this Agreement to any Requirements of Law shall be construed as a reference to such Requirements of Law, as applied, amended, modified, extended or re-enacted from time to time, and includes any rules or regulations promulgated thereunder;

(h) each reference in this Agreement to any provision of any other Loan Document will include reference to any definition or provision incorporated by reference within that provision;

(i) except where expressly provided otherwise, whenever any matter is required to be satisfactory to, or determined or approved by, DOE, or DOE is required or permitted to exercise any discretion (including any discretion to waive, select, require, deem appropriate, deem necessary, permit, determine or approve any matter), the satisfaction, determination or approval of DOE, or the exercise by DOE of such discretion, shall be in its sole and absolute discretion;

(j) the words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, Capital Stock, securities, revenues, accounts, leasehold interests, Intellectual Property and contract rights; and

(k) the word "will" shall be construed as having the same meaning and effect as the word "shall".

1.3 Definitions in Other Written Communications. Unless the contrary intention appears, any capitalized term used without definition in any notice or other written communication given under or pursuant to this Agreement shall have the same meaning in that notice or other written communication as in this Agreement.

1.4 Conflict with Funding Agreements. In the case of any conflict between the terms of this Agreement and the terms of any Funding Agreement (other than the Program Financing Agreement), the terms of such Funding Agreement, as between the Borrower and the Lender Parties party thereto, shall control, unless expressly stated to the contrary herein.

1.5 Accounting Terms; Calculations. Except as otherwise expressly provided herein, all accounting terms not otherwise defined herein shall have the meanings assigned to them in conformity with GAAP. If at any time any change in GAAP or in the policies, procedures or methodologies used in the application thereof from those used in the preparation of the Historical Financial Statements (collectively, the "Historical Principles") would affect the computation of any financial ratio or financial covenant set forth in any Loan Document (but without limiting the Borrower's obligation to comply with the restrictions on making such changes set forth in Section 9.15), and the Borrower or DOE shall so request, DOE and the Borrower shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change, provided that, both prior to and after such request is made until so amended, such ratio or requirement shall continue to be computed in accordance with Historical Principles and the Borrower shall provide to DOE reconciliation statements requested by DOE (reconciling the computations of such financial ratios and requirements from the then-current computations to the computations under the Historical Principles) in connection therewith. Financial Statements required to be delivered by the Borrower to DOE pursuant to Section 8.1 shall be prepared in accordance with GAAP as in effect at the time of such preparation applied in a manner consistent with the Historical Principles except to the extent of any change in GAAP or any change in the application thereof that DOE was notified of in

accordance with Section 8.1(e) (and delivered together with the reconciliation statements provided for in Section 8.1(e)). Subject to the foregoing, calculations in connection with the definitions, covenants and other provisions hereof shall utilize accounting principles and policies in conformity with the Historical Principles.

ARTICLE II

FUNDING

2.1 Loans.

(a) Purchase of Notes. Subject to the terms and conditions hereof and of the Funding Agreements, on the Principal Instrument Delivery Date, DOE agrees to deliver to FFB the Principal Instruments required, in accordance with Section 4.2 of the Note Purchase Agreement, in connection with the offer to FFB to purchase on the Financial Closing Date:

requirement or other applicable provisions of this Agreement and each Loan Document, permanently reduce the Loan Commitment Amount, in whole or in part, but only if:

(a) DOE is satisfied that the proposed reduction or cancellation would not cause a Default or an Event of Default;

(b) the Borrower shall have delivered to DOE, by an Acceptable Delivery Method, a certificate, in form and substance satisfactory to DOE, with respect to the matters set forth in clause (a) above; and

(c) to the extent permitted by applicable Requirements of Law, upon such cancellation or reduction, the Borrower shall pay all expenses and other amounts then due with respect to such cancellation or reduction under this Agreement.

(i) (A) the amount (if any) of the Advance requested under Note P and (B) the amount (if any) of the Advance requested under Note S; *provided* that in each of clauses (A) and (B), such amounts shall be in the minimum amounts required by this Agreement, the Note Purchase Agreement and the relevant Note;

(ii) the Requested Advance Date, which, subject to the requirements of Section 2.3(a), shall be any Business Day during the Availability Period;

(iii) the aggregate amount, on a prospective basis after giving effect to the requested Advances, of (A) all Advances outstanding under Note P (if any), (B) all Advances outstanding under Note S (if any) and (C) all Borrower Project Payments made by the Borrower with respect to each Project, *provided* that (x) the aggregate amount requested with respect to clauses (A) and (B) above may not in any event exceed the amount permitted pursuant to Sections 2.7 and 2.12 and (y) the aggregate Borrower Project Payments with respect to each Project shall be not less than the amount required pursuant to Sections 2.8 and 5.3(j);

(iv) a summary of the Eligible Project Costs being financed with the proceeds of the requested Advance or Advances, together with (x) copies of invoices or other reasonable documentation evidencing such Project Costs (or alternatively in the case of such invoices, a listing thereof which sets forth, for each invoice, the invoice number, date, vendor and amount and the portion of such amount that relates to Eligible Project Costs, it being understood that the Borrower shall deliver to DOE copies of such invoices promptly upon DOE's request), (y) a breakdown of the allocation of such Project Costs among any requested Site-Dependent and non-Site Dependent Advances and (z) an identification of any such Project Costs that are for equipment that has been the subject of a title transfer to CAEATFA together with a copy of the fully executed documentation required for the conveyance and reconveyance of title to such equipment pursuant to Section 9.5(q);

(v) a certification by a Responsible Officer of the Borrower that (A) the proceeds of the requested Project P Advances will be used to pay or reimburse the Borrower for Eligible Project P Costs incurred from and after December 15, 2008 and due and payable not later than thirty (30) days following the date of such Advance Request and (B) the proceeds of the requested Project S Advances will be used to pay or reimburse the Borrower for Eligible Project S Costs incurred from and after December 15, 2008 and due and payable not later than thirty (30) days following the date of such Advance Request, in each case in accordance with the Business Plan for the applicable Project;

(vi) either (A) a certification by a Responsible Officer of the Borrower that the most recent Project Forecasts previously delivered pursuant to this Section 2.3(b)(vi), Section 5.1(m) or Section 8.2(b) continue to be applicable, based on good faith estimates and assumptions made by management of the Borrower and that management of the Borrower believes that such Project Forecasts are still reasonable and attainable, or (B) in lieu of the certification described in clause (A), (x) at the Borrower's option or (y) upon DOE's request, an updated Project P Forecast and Project S Forecast, each substantially in the form of the document titled "Sample Project Forecast and Overrun Calculation" included in the Forms Supplement, together with a certification by a Responsible Officer of the Borrower that such Project Forecasts are based on good faith estimates and assumptions made by management of the Borrower and that management of the Borrower believes that such Project Forecasts are reasonable

and attainable; *provided* that, in either case, all Project Forecasts must be satisfactory to DOE (it being understood that a waiver, granted in DOE's sole discretion, of the requirements of this Section 2.3(b)(vi) in connection with any Advance shall not be deemed to indicate DOE's approval of any Project Forecast);

(vii) a certification by a Responsible Officer of the Borrower setting forth in reasonable detail (A) whether an Equity Offering has closed (x) in the case of the initial Advance Request, since the Principal Instrument Delivery Date or (y) for all subsequent Advance Requests, since the date of the previously delivered Advance Request (or, in either case (x) or (y), is expected to close prior to funding of the current Advance Request) and, if so, the facts necessary to determine compliance with Sections 2.12(d) and 9.27 in connection therewith; (B) the amount then on deposit in each subaccount of the Dedicated Account and a reconciliation of any changes in each such subaccount since the last Advance Request (both before and after giving effect to the provisions of Section 2.12); (C) the amount of any Undrawn Deferred Amounts relating to each Project both before and after giving effect to the Advance contemplated by such Advance Request; and (D) if such Advance is an Interim True-Up Advance, a statement to that effect together with a specific identification of the Deferred Requests to which such Interim True-Up Advance relates and the portion thereof required to be deposited into the Dedicated Account in accordance with Section 2.12(j); and

(viii) such other documentation, certificates and information specified in this Agreement (including Sections 5.3, 5.4 and 5.5, as applicable, and, prior to the Principal Instrument Delivery Date and the Financial Closing Date, Sections 5.1 and 5.2, respectively).

(c) Contents of FFB Advance Requests. Each FFB Advance Request shall contain all other information required by the Form of FFB Advance Request.

2.4 Mechanics for Funding Advances.

(a) Advance Funding.

(i) Satisfaction of Conditions. Promptly after receipt of an Advance Request complying with Sections 2.3(a) and (b), DOE shall review such Advance Request and the attachments thereto to determine whether all certificates and documentation required under Section 2.3 have been delivered to it. At such time as DOE has determined that it has received all such required certificates and documentation, but in any event not more than seven (7) Business Days after receipt of such Advance Request, DOE shall so notify FFB and the Borrower.

(ii) Advance Request Approval Notice. With respect to any Advance or Advances under the Funding Agreements, if DOE determines that all conditions precedent set forth in Sections 5.3 and 5.4, as applicable, in respect of the requested Advance or Advances have been satisfied (or waived in writing),

then no later than three (3) Business Days prior to the Requested Advance Date, DOE shall issue to FFB and the Borrower an Advance Request Approval Notice, subject to adjustment as provided in Section 2.12(f) to the extent applicable.

(iii) Funding. For any requested Advance for which an Advance Request Approval Notice has been issued pursuant to this Section 2.4(a) and for which no Drawstop Notice has been issued pursuant to Section 2.4(b), FFB shall fund such Advance on the Requested Advance Date in accordance with the Note Purchase Agreement and the relevant Note. Such funds shall be applied as specified in the Funding Agreements and in accordance with Section 2.4(d) hereof, *provided* that if any Drawstop Notice has been issued and is in effect on the Requested Advance Date with respect to any funds received by the Borrower, such funds shall be returned by the Borrower to FFB pursuant to Section 2.4(b).

(b) Drawstop Notices.

(i) Issuance. Following the issuance of any Advance Request Approval Notice by DOE pursuant to Section 2.4(a) and on or prior to the Requested Advance Date, DOE or FFB may, from time to time, issue a notice substantially in the form attached hereto as Exhibit C (a "Drawstop Notice") to the Borrower and to DOE or FFB, as the case may be, if and only if DOE or FFB, as the case may be, determines that:

(A) the conditions Sections 5.3 or 5.4, as applicable, the Note Purchase Agreement or the Notes with respect to such Advance or Advances are not met, or having been met, are no longer met; or

(B) to the extent the Advance Request Approval Notice has been issued for any Advance under the relevant Note and the Note Purchase Agreement, the conditions precedent to such Advance contained in such Note and the Note Purchase Agreement are not met, or having been met, are no longer met.

(ii) Consequences. If a Drawstop Notice is issued, FFB shall not be obligated to make the requested Advance or Advances set forth on such Drawstop Notice, *provided* that, if FFB makes any such Advance or Advances to the Borrower following the issuance of a Drawstop Notice, the Borrower shall return such Advance or Advances to FFB immediately upon receipt thereof, and *provided further* that, any amount required to be returned by the Borrower pursuant to this Section 2.4(b)(ii) shall accrue interest at the Late Charge Rate from the date such Advance or Advances are made until such Advance or Advances are returned. Following the return of such Advance or Advances, FFB shall deliver an invoice to the Borrower setting forth the interest due and payable with respect to such returned amount. The Borrower hereby agrees promptly, but in no event later than five (5) Business Days following delivery of such invoice, to pay such interest amounts as directed by FFB.

(c) No Liability. (i) The Borrower acknowledges and agrees that DOE shall only be required to use reasonable efforts to provide FFB with the necessary Advance Requests and Advance Request Approval Notices within the time-frames specified in Sections 2.4(a)(i) and (ii), but DOE shall in any event ensure that the FFB receives all such Advance Requests and Advance Request Approval Notices as soon as practicable following receipt from the Borrower of the applicable Advance Requests and necessary certificates and other documentation specified above (subject to the Borrower satisfying all necessary conditions precedent specified in this Agreement, including, without limitation Sections 5.3 and 5.4, as applicable and, prior to the Principal Instrument Delivery Date and the Financial Closing Date, Sections 5.1 and 5.2, respectively).

(ii) Subject to Section 2.4(c)(i), no Lender Party shall have any liability for any action taken (including the delivery of a Drawstop Notice) or omitted to be taken (including the failure to fund any Advance or Advances following the issuance of a Drawstop Notice) or for any loss or injury resulting from its actions or its performance or lack of performance of any of its other duties hereunder if such Lender Party acted reasonably in exercising or interpreting its statutory authority and applicable regulations in taking any such action, omitting to take any action or performing its duties hereunder. Except to the extent, if any, set forth in Section 2.4(c)(i), in no event shall any Lender Party be liable (A) for acting in accordance with or relying upon any entitlement order, instruction, notice, demand, certificate or document from the Obligors or any entity acting on behalf of the Obligors, (B) for any indirect, consequential, punitive or special damages, regardless of the form of action and whether or not any such damages were foreseeable or contemplated, or (C) in the case of FFB or any subsequent holder of any Note, for acting in accordance with or relying upon any Drawstop Notice issued by DOE.

(iii) Notwithstanding anything contained in this Agreement to the contrary, no Lender Party shall incur any liability to the Borrower or any Affiliate thereof or to any other Lender Party for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any circumstance beyond the control of such Lender Party or its agents (including any act or provision of any present or future law or regulation of any Governmental Authority (other than FFB or DOE, unless DOE or FFB, as the case may be, is issuing such regulation in compliance with Requirements of Law), any act of God, fire, flood, severe weather, epidemic, quarantine restriction, explosion, sabotage, act of war, act of terrorism, riot, civil commotion, lapse of the statutory authority of the United States Department of the Treasury to raise cash through the issuance of Treasury debt instruments, the unavailability of the Federal Reserve Bank wire, disruption or failure of the Treasury Financial Communications System or facsimile or other wire or communication facility, closure of the Federal Government, unforeseen or unscheduled closure or evacuation of such Lender Party's office or any other similar event) (each such circumstance, a "Lender Party Force Majeure Event"); it being understood that any such Lender Party shall resume performance hereunder as soon as such

Lender Party Force Majeure Event ceases to prevent such Lender Party from performing hereunder.

(d) Disbursement of Proceeds. (i) The Borrower shall apply (x) Project P Loan proceeds solely to pay, or be reimbursed for, those portions of the Total Project P Costs that are Eligible Project P Costs in accordance with the Business Plan, including (but only to the extent provided in this Agreement) Excess Cost Overruns, and (y) Project S Loan proceeds solely to pay, or be reimbursed for, those portions of the Total Project S Costs that are Eligible Project S Costs in accordance with the Business Plan, including (but only to the extent provided in this Agreement) Excess Cost Overruns.

(ii) For the avoidance of doubt, in no event will the proceeds of any Loan be (A) applied towards any portion of Total Project Costs incurred prior to December 15, 2008, (B) used to pay interest payments on the Loans, administrative or other fees relating to the Loans or any other amounts under the Loan Documents or (C) applied to finance or acquire, or reimburse the Borrower for the cost of, any property unless concurrently therewith the Collateral Trustee obtains a First Priority Lien on such property (it being understood for purposes of this clause (C) that, in the case of any such cost that is part of an Eligible Progress Payment, the property acquired with the proceeds of the Loan used to pay such cost shall consist of all contract rights, claims against the vendor and all other rights of the Borrower (including any rights in the related equipment) that arise in connection with such Eligible Progress Payment, and all such property shall be deemed to be Program Assets for all purposes of this Agreement).

(iii) The Borrower shall use proceeds of the Advances in accordance with the terms of this Agreement to pay Eligible Costs by making all such disbursements as are necessary directly to those persons to whom the Borrower is obligated to make payment or retaining payment for Eligible Costs in the nature of payroll costs or similar internal costs that are being funded.

(iv) The Borrower acknowledges and agrees that notwithstanding any other provision of this Agreement to the contrary, (x) DOE shall not be required to approve any Advance unless the same has been requested and will be applied to pay the costs of services rendered, materials delivered and required deposits incurred from and after December 15, 2008 and due and payable not later than thirty (30) days following the date of any Advance Request, and (y) no costs or expenses relating to any Project shall constitute Eligible Costs to the extent such costs or expenses were funded with Federal Funding (other than the Loans).

(v) Pending use as set forth in clauses (i) through (iv) above, the proceeds of any Advance may be invested only in Limited Cash Equivalents (it being understood that this Section 2.4(d)(v) shall not apply to the proceeds of any Advance to the extent funded to reimburse the Borrower for Eligible Project Costs paid by the Borrower prior to the funding of such Advance).

2.5 Advance Requirements under the Funding Agreements. Notwithstanding anything to the contrary contained in this Article II, the Borrower shall comply with each disbursement requirement set forth in the Funding Agreements. Unless otherwise specified in the Funding Agreements, all determinations to be made with respect to the Funding Agreements shall be made by DOE.

2.6 No Approval of Work. The making of any Advance or Advances under the Loan Documents shall not be deemed an approval or acceptance by any Lender Party of any work, labor, supplies, materials or equipment furnished or supplied with respect to any Project.

2.7 Determination of Advance Amounts.

(a) Maximum Loan Amounts. The aggregate principal amount of the Loans from time to time outstanding shall not be more than:

(i) with respect to the Project P Loan, the lesser of (x) eighty percent (80%) of all Eligible Project P Costs (excluding Excess Cost Overruns unless and to the extent provided for in Section 2.9(c)(i)(B) or in an approved Corrective Plan) incurred as of any date of determination and (y) One Hundred One Million One Hundred Eighty-Six Thousand and 00/100 Dollars ($101,186,000) (such lesser amount, the "Project P Maximum Loan Amount"); *provided, however*, that subject to the Project P Maximum Loan Amount and Sections 2.7(b) and 2.12, Advances shall be in the following amounts (but only if, in each case, all applicable conditions have been met):

(A) initially in an amount equal to one hundred percent (100%) of Eligible Project P Costs incurred on or after December 15, 2008;

(B) reduced to an amount equal to eighty percent (80%) of Eligible Project P Costs incurred during the period beginning on February 1, 2010, in the event Borrower has not satisfied all conditions precedent to a Site-Dependent Advance of the Project P Loan, and ending on the date that such conditions are satisfied; *provided, however*, that in no event shall DOE or FFB be required to make any Advances of the Project P Loan after June 1, 2010 unless all conditions precedent to a Site-Dependent Advance of the Project P Loan, as set forth in Section 5.4, have been satisfied; and

(C) after such all conditions precedent to a Site-Dependent Advance of the Project P Loan have been satisfied, in an amount equal to one hundred percent (100%) of Eligible Project P Costs thereafter incurred.

In addition, subject to the Project P Maximum Loan Amount and Sections 2.7(b) and 2.12 (and only if all applicable conditions have been met):

(X) upon the satisfaction of the conditions precedent to a Site-Dependent Advance of the Project P Loan, a single Advance shall be made pursuant to an Advance Request, in an amount equal to the excess, if any, of (I) one hundred percent (100%) of all Eligible Project P Costs incurred on or after December 15, 2008, as to which an Advance of less than one hundred percent (100%) was made pursuant to clause (B) of this Section 2.7(a)(i) over (II) the amount of such Advance actually made pursuant to such clause; and

(Y) upon Final Completion of Project P, a single Advance (the "Project P Final True-Up Advance") shall be made pursuant to an Advance Request, in an amount equal to the excess, if any, of (I) the least of (A) eighty percent (80%) of all Eligible Project P Costs, (B) one hundred percent (100%) of all Eligible Project P Costs incurred on or after December 15, 2008, and (C) One Hundred One Million One Hundred Eighty-Six Thousand and 00/100 Dollars ($101,186,000) over (II) the aggregate amount of all Advances made with respect to Project P (including all Interim True-Up Advances with respect to Project P other than an Interim True-Up Advance to be made as part of such Project P Final True-Up Advance);

(ii) with respect to the Project S Loan, the lesser of (x) eighty percent (80%) of all Eligible Project S Costs (excluding Excess Cost Overruns unless and to the extent provided for in Section 2.9(c)(i)(B) or in an approved Corrective Plan) incurred as of any date of determination and (y) Three Hundred Sixty-Three Million Eight Hundred Sixty-One Thousand and 00/100 Dollars ($363,861,000) (such lesser amount, the "Project S Maximum Loan Amount"); *provided, however*, that subject to the Project S Maximum Loan Amount and Sections 2.7(b) and 2.12, Advances shall be in the following amounts (but only if, in each case, all applicable conditions have been met):

(A) initially in an amount equal to ninety-two percent (92%) of Eligible Project S Costs incurred on or after December 15, 2008;

(B) reduced to an amount equal to seventy-two percent (72%) of Eligible Project S Costs incurred during the period beginning on October 1, 2010, in the event Borrower has not satisfied all conditions precedent to a Site-Dependent Advance of the Project S Loan, and ending on the date that such conditions are satisfied; *provided, however*, that in no event shall DOE or FFB be required to make any Advances of the Project S Loan after January 1, 2011 unless all conditions precedent to a Site-Dependent Advance of the Project S Loan, as set forth in Section 5.4, have been satisfied, and

(C) after all such conditions precedent to a Site-Dependent Advance of the Project S Loan have been satisfied, in an

amount equal to ninety-two percent (92%) of Eligible Project S Costs thereafter incurred.

In addition, subject to the Project S Maximum Loan Amount and Sections 2.7(b) and 2.12 (and only if all applicable conditions have been met):

(X) upon the satisfaction of the conditions precedent to a Site-Dependent Advance of the Project S Loan, a single Advance shall be made in an amount equal to the excess, if any, of (I) ninety-two percent (92%) of all Eligible Project S Costs incurred on or after December 15, 2008, as to which an Advance of less than ninety-two percent (92%) was made pursuant to clause (B) of this Section 2.7(a)(ii) over (II) the amount of such Advance actually made pursuant to such clause; and

(Y) upon Final Completion of Project S, a single Advance (the "Project S Final True-Up Advance") shall be made in an amount equal to the excess, if any, of (I) the least of (A) eighty percent (80%) of all Eligible Project S Costs, (B) one hundred percent (100%) of all Eligible Project S Costs incurred on or after December 15, 2008, and (C) Three Hundred Sixty-Three Million Eight Hundred Sixty-One Thousand and 00/100 Dollars ($363,861,000) over (II) the aggregate amount of all Advances made with respect to Project S (including all Interim True-Up Advances with respect to Project S other than an Interim True-Up Advance to be made as part of such Project S Final True-Up Advance);

(b) Historical Costs.

(i) For purposes of determining the percentages contained in Section 2.7(a) the parties have assumed that the Historical Costs (as defined in clause (iii) below) on account of Project P consist of an amount equal to Fifty-Two Million Five Hundred Ten Thousand and 00/100 Dollars ($52,510,000) and that the Historical Costs on account of Project S consist of an amount equal to Fifty-Seven Million Three Hundred Thirty-Two Thousand and 00/100 Dollars ($57,332,000) (each such amount, an "Historical Costs Assumption").

(ii) In the event DOE determines in its sole discretion that the Historical Costs Assumption with respect to either Project does not accurately reflect the actual Historical Costs incurred by the Borrower with respect to such Project, (A) the percentages set forth in Section 2.7(a), shall be modified in DOE's sole discretion to reflect the percentages which would have been applied had such Historical Costs Assumption accurately reflected the actual Historical Costs with respect to such Project, (B) the next Advance(s) shall be reduced by an amount equal to (x) the aggregate amount of Advances theretofore made (as determined in accordance with the incorrect Historical Costs Assumption) minus (y) the aggregate amount of such Advances that would have been made had they been determined in accordance with the actual Historical Costs, and (C) the

Borrower shall certify that the Cash Equity Condition is being satisfied notwithstanding the effects of the foregoing clauses (A) and (B).

(iii) The term "Historical Costs" means those Total Project Costs incurred prior to December 15, 2008 that, if they had been incurred instead on or after December 15, 2008, would have been eligible for funding as Eligible Project Costs.

2.8 Borrower Commitments; Cash Equity Condition.

(a) Project P Borrower Commitment. The Borrower hereby commits to pay all costs and expenses incurred to complete Project P in excess of the amounts permitted to be advanced as of any date under the terms of the Project P Loan. Immediately prior to FFB making any Advance in connection with the Project P Loan, the Borrower shall make payments and/or provide evidence of payments made on account of Total Project P Costs (the "Project P Borrower Payments"), on the terms and conditions set forth in the Loan Documents, in an aggregate amount (the "Project P Borrower Commitment") equal to (i) all Total Project P Costs incurred as of the date of such determination ***minus*** (ii) the Project P Maximum Loan Amount.

(b) Project S Borrower Commitment. The Borrower hereby commits to pay all costs and expenses incurred to complete Project S in excess of the amounts permitted to be advanced as of any date under the terms of the Project S Loan. Immediately prior to FFB making any Advance in connection with the Project S Loan, the Borrower shall make payments and/or provide evidence of payments made on account of Total Project S Costs (the "Project S Borrower Payments", and together with the Project P Borrower Payments, the "Borrower Project Payments"), on the terms and conditions set forth in the Loan Documents, in an aggregate amount (the "Project S Borrower Commitment"; and together with the Project P Borrower Commitment, the "Borrower Commitments") equal to (i) all Total Project S Costs incurred as of the date of such determination ***minus*** (ii) an amount equal to the Project S Maximum Loan Amount.

(c) Cash Equity Condition. The Borrower shall at all times satisfy the "Cash Equity Condition", which shall mean that the Borrower has and shall for the remaining Availability Period have an amount of available cash and Cash Equivalents (taking into account current cash flows and cash on hand (including any amounts on deposit in the Dedicated Account), and reasonable projections of future generation of net cash from operations, losses and expenditures during the Availability Period, but specifically excluding loan proceeds (other than, without duplication, any Undrawn Deferred Amounts or any Interim True-Up Advances) and cash that the Borrower is restricted from using for Total Project P Costs or Total Project S Costs by contract, legal requirement or otherwise) ("Cash Equity") not less than one hundred five percent (105%) of the aggregate amounts required to fund the remaining Borrower Commitments through Final Completion of both Project P and Project S. The Borrower shall certify to DOE in connection with each Advance that the Cash Equity Condition is then being satisfied. If at any time the Cash Equity Condition is not being satisfied, then the Borrower shall

comply with the procedures set forth in Section 2.9(c) for submission and approval of a Corrective Plan.

2.9 Cost Overruns.

(a) Definitions.

"Budgeted Project P Contingency Amount" means the Project P Contingency Amount shown in the Project P Budget.

"Budgeted Project S Contingency Amount" means the Project S Contingency Amount shown in the Project S Budget.

"Budgeted Total Costs" means, as applicable, the Total Project P Costs or Total Project S Costs shown in the Project P Budget or Project S Budget, including the Budgeted Project P Contingency Amount or the Budgeted Project S Contingency Amount.

"Forecasted Total Costs" means, as of the applicable Measurement Date, the Paid or Committed Costs with respect to Project P or Project S, as applicable, plus the Remaining Uncommitted Costs for such Project, as shown in the most recent Project P Forecast or Project S Forecast, as applicable, approved by DOE (or, at DOE's sole option, the most recent Project P Forecast or Project S Forecast submitted for approval but not approved).

"Measurement Date" means the last day of each fiscal quarter (or, at DOE's sole option, the date on which an updated Project Forecast is submitted to DOE in connection with an Advance Request if such Project Forecast has not been approved by DOE).

"Net Budgeted Total Costs" means the Budgeted Total Costs with respect to Project P or Project S, as applicable, excluding the Budgeted Project P Contingency Amount or the Budgeted Project S Contingency Amount.

"Net Forecasted Total Costs" means, as of the applicable Measurement Date, the Paid or Committed Costs with respect to Project P or Project S, as applicable, plus the Net Remaining Uncommitted Costs for such Project, as shown in the most recent Project P Forecast or Project S Forecast, as applicable, approved by DOE (or, at DOE's sole option, the most recent Project P Forecast or Project S Forecast submitted for approval but not approved).

"Net Remaining Uncommitted Costs" means, as of the applicable Measurement Date, the costs required to complete Project P or Project S, as applicable, as shown in the most recent Project P Forecast or Project S Forecast approved by DOE (or, at DOE's sole option, the most recent Project P Forecast or Project S Forecast submitted for approval but not approved), excluding the

Remaining Project P Contingency Amount or the Remaining Project S Contingency Amount.

"Paid or Committed Costs" means, as applicable, Total Project P Costs or Total Project S Costs that either have been paid in full or otherwise committed pursuant to binding agreements with suppliers, contractors or other third parties delivering materials or services in connection with Project P or Project S.

"Remaining Project P Contingency Amount" means the Project P Contingency Amount shown in the most recent Project P Forecast approved by DOE (or, at DOE's sole option, the most recent Project P Forecast or Project S Forecast submitted for approval but not approved).

"Remaining Project S Contingency Amount" means the Project S Contingency Amount shown in the most recent Project S Forecast approved by DOE (or, at DOE's sole option, the most recent Project P Forecast or Project S Forecast submitted for approval but not approved).

"Remaining Uncommitted Costs" means, as of the applicable Measurement Date, the costs required to complete Project P or Project S, as applicable, as shown in the most recent Project P Forecast or Project S Forecast approved by DOE (or, at DOE's sole option, the most recent Project P Forecast or Project S Forecast submitted for approval but not approved), including the Remaining Project P Contingency Amount or the Remaining Project S Contingency Amount.

(b) Testing of Excess Cost Overruns.

(i) Project P Excess Cost Overruns. On each Measurement Date (as reported fifteen (15) business days after such Measurement Date), the Borrower shall calculate the Remaining Project P Contingency Amount as a percentage of the Net Remaining Uncommitted Costs (such percentage, the "Project P Contingency Percentage") with respect to Project P. In the event that the Project P Contingency Percentage is less than the percentage (the "Project P Required Contingency Percentage") set forth under such heading in the following schedule opposite the applicable percentage of Net Forecasted Total Costs for Project P constituting Paid or Committed Costs:

Percentage of Net Forecasted Total Costs for Project P constituting Paid or Committed Costs	Project P Required Contingency Percentage
50% or less	7.5%
More than 50%	5.0%

then a "Project P Excess Cost Overrun" shall exist in an amount equal to the amount that would be required to be added to the Remaining Project P Contingency Amount such that the Project P Contingency Percentage would equal

the Project P Required Contingency Percentage as of such Measurement Date, and the provisions of Section 2.9(c) shall apply. Such calculations shall be made in accordance with the document titled "Sample Project Forecast and Overrun Calculation" included in the Forms Supplement.

(ii) Project S Excess Cost Overruns. On each Measurement Date (as reported fifteen (15) business days after such Measurement Date), the Borrower shall calculate the Remaining Project S Contingency Amount as a percentage of the Net Remaining Uncommitted Costs (such percentage, the "Project S Contingency Percentage") with respect to Project S. In the event that the Project S Contingency Percentage is less than the percentage (the "Project S Required Contingency Percentage") set forth under such heading in the following schedule opposite the applicable percentage of Net Forecasted Total Costs for Project S constituting Paid or Committed Costs:

Percentage of Net Forecasted Total Costs for Project S constituting Paid or Committed Costs	Project S Required Contingency Percentage
50% or less	7.5%
More than 50%	5.0%

then a "Project S Excess Cost Overrun" shall exist in an amount equal to the amount that would be required to be added to the Remaining Project S Contingency Amount such that the Project S Contingency Percentage would equal the Project S Required Contingency Percentage as of such Measurement Date, and the provisions of Section 2.9(c) shall apply. Such calculations shall be made in accordance with the document titled "Sample Project Forecast and Overrun Calculation" included in the Forms Supplement.

(c) Corrective Plan.

(i) In the event of a Project P Excess Cost Overrun or a Project S Excess Cost Overrun (each, an "Excess Cost Overrun"), the following terms and conditions shall apply:

(A) the Borrower shall promptly (and in no event more than fifteen (15) Business Days after the applicable Measurement Date) notify DOE in writing of such Excess Cost Overrun, and within ten (10) Business Days thereafter shall deliver a proposed "Action Plan" demonstrating any projected cost savings and the amount required to be contributed by the Borrower to satisfy the Excess Cost Overrun;

(B) If the Borrower shall commit in writing in connection with the Action Plan to pay from Cash Equity the amount of the Excess Cost Overrun over the ensuing ninety (90) day period (or from time to time as and when the same becomes due) and provide evidence of the availability of Cash Equity for such payments satisfactory to DOE (the "Correction by Commitment Condition"), then DOE shall approve

Advances in the amounts otherwise required under this Agreement as if there were no such Excess Cost Overrun, and the Borrower shall provide cash to cover Excess Cost Overruns required to be paid with cash in respect of each Advance;

(C) If the Borrower fails to meet the Correction by Commitment Condition in respect of an Excess Cost Overrun, or in the event at any time the Cash Equity Condition is not being satisfied, the Borrower shall submit to DOE not later than thirty (30) days following the applicable date of determination a written plan of corrective action intended to satisfy such Excess Cost Overrun or the failure of the Cash Equity Condition, either through obtaining additional equity investment, through generation of net cash from operations, or achieving cost savings under other line items in the applicable Project Budget or otherwise (a "Corrective Plan"), together with such documentation supporting such Corrective Plan as may reasonably be required by DOE;

(D) DOE shall either approve or disapprove, in its sole discretion (but subject to the safe harbor provisions of Section 2.10), any Corrective Plan within thirty (30) days following the date upon which it receives such Corrective Plan from the Borrower, together with any documentation supporting such Corrective Plan reasonably required by DOE; and

(E) In the event DOE disapproves a Corrective Plan, the parties shall cooperate in good faith to develop a Corrective Plan satisfactory to DOE in its sole discretion.

(ii) Adjustment of Remaining Contingency Amounts; Running Balance Calculation. The following calculations shall be made in accordance with the document titled "Sample Project Forecast and Overrun Calculation" included in the Forms Supplement.

(A) Permitted Overruns. Any amounts the Borrower commits to pay with respect to a Project pursuant to a Correction by Commitment Condition or a Corrective Plan are "Permitted Overruns." The initial Permitted Overrun is the "Initial Contribution"

(B) Permitted Corrections. After the Initial Contribution (and thereafter only assuming there is a positive balance in the Running Balance Calculation as set forth below), any amount by which the Remaining Project P Contingency Amount or Remaining Project S Contingency Amount, as applicable, exceeds the amount of contingency required as calculated using the applicable Required Contingency Percentage, once reviewed and approved by the DOE, is a "Permitted Correction". In the event of a Permitted Correction, the parties shall adjust

any prior Correction by Commitment Condition or Corrective Plan to their mutual satisfaction.

(C) Any Permitted Overruns shall be added to Remaining Project P Contingency Amount or Remaining Project S Contingency Amount, as applicable, in the subsequent Project P Forecast or Project S Forecast. Any Permitted Corrections shall be subtracted from Remaining Project P Contingency Amount or Remaining Project S Contingency Amount, as applicable, in the subsequent Project P Forecast or Project S Forecast.

(D) Beginning on the first Measurement Date after the Borrower has made the Initial Contribution, the Borrower shall provide DOE with the Running Balance Calculation. The "Running Balance Calculation" shall be a running balance of all Permitted Overruns less all Permitted Corrections.

(d) Consequence of Cost Overrun or Cash Equity Condition Event. In the event of an Excess Cost Overrun or the failure of the Cash Equity Condition that is continuing, then (A) DOE shall not be required to approve any further Advances unless and until the Borrower shall complete an Excess Cost Overrun Cure, (B) a Default that is not yet an Event of Default shall be deemed to exist until either the Borrower shall complete an Excess Cost Overrun Cure or an Event of Default shall exist and (C) if the Borrower shall fail to complete such Excess Cost Overrun Cure in a timely manner, an Event of Default shall exist. For purposes of this Section 2.9(d), the Borrower shall complete an "Excess Cost Overrun Cure" if (i) either (x) the Borrower satisfies the Correction by Commitment Condition (solely with respect to an Excess Cost Overrun) or (y) a Corrective Plan to remedy such Excess Cost Overrun or Cash Equity Condition is approved by DOE as provided above, and (ii) the Borrower thereafter complies with such Correction by Commitment Condition or such Corrective Plan, as applicable (it being understood that compliance with a Correction by Commitment Condition or Corrective Plan shall include making any payments required from time to time thereunder). In the event of an Excess Cost Overrun, any Advances approved by DOE shall be made contingent on the Borrower paying any additional amounts required to be paid by the Borrower in connection with the Correction by Commitment Condition or such approved Corrective Plan and, to the extent provided in the Correction by Commitment Condition or such approved Corrective Plan, the amount of each such Advance as otherwise determined in accordance with this Agreement shall be reduced by such additional amounts payable by the Borrower.

2.10 Safe Harbor Corrective Plans. In order to provide a "safe harbor" to the Borrower in devising a Corrective Plan to address the amount by which the Borrower fails to meet the Correction by Commitment Condition in respect of an Excess Cost Overrun or fails to meet the Cash Equity Condition (any such amount, a "Project Shortfall"), and without limiting DOE's discretion in considering any other Corrective Plan (and without prejudice thereto), DOE agrees that it will approve, in accordance with Section 2.9(c)(i)(D), a Corrective Plan (each, a "Safe Harbor Corrective Plan") received from the Borrower in a timely manner, to address a

particular Project Shortfall, which Safe Harbor Corrective Plan shall require a cash contribution of equity to be received by the Borrower in an amount at least equal to such Project Shortfall, which contribution may be in consideration of the issuance of Capital Stock of the Borrower on terms that comply with the applicable provisions of the Loan Documents (including the anti-dilution provisions of the Warrants); provided, that (i) neither the Borrower or any of its Subsidiaries shall incur or otherwise become liable (directly or indirectly) for any Indebtedness in respect of such contribution or such Capital Stock, whether on the basis of subrogation or otherwise, and (ii) until Final Completion of both Projects, the proceeds of any such contribution may be used only to pay Total Project Costs for the Projects (or, in the case of a Corrective Plan to address an Excess Cost Overrun, used only to pay Total Project Costs for the Project giving rise to such Excess Cost Overrun), and not for any other purpose.

2.11 DOE's Consultant.

(a) DOE reserves the right to retain independent consultants (financial, engineering and otherwise) to review Advance Requests, verify the Borrower's application of the proceeds of the Loans, confirm the Borrower's completion of the Milestones and perform such other similar tasks in connection with the administration of the Loans as may be required by DOE (any such independent consultant, "DOE's Consultant").

(b) The Borrower shall, and shall cause each of its Subsidiaries to, (i) cooperate in all respects with DOE's Consultant (if DOE elects to retain one in accordance with Section 2.11(a)) and (ii) ensure that DOE's Consultant is provided with all information requested and reasonably required by DOE's Consultant and ensure that any information that it may supply to DOE's Consultant is accurate and not, by omission of information or otherwise, misleading in any material respect at the time such information is provided.

2.12 Dedicated Account.

(a) Establishment of Account. On the Principal Instrument Delivery Date, the Borrower shall establish, and thereafter maintain, with the Collateral Trustee (or an Affiliate thereof designated by the Collateral Trustee for this purpose) a separately identifiable deposit or securities account in the name of the Borrower entitled the "ATVM Tesla Dedicated Account" (the "Dedicated Account"). The Dedicated Account shall be pledged to the Collateral Trustee for the benefit of the Secured Parties pursuant to the Security Agreement and shall be subject to a Blocked Account Control Agreement. Amounts on deposit in the Dedicated Account may not be withdrawn by the Borrower except as provided in this Section 2.12. Any permitted withdrawals may only be made by delivery to the Collateral Trustee of an appropriately completed withdrawal request substantially in the form attached to Exhibit P hereto which has been signed by a Responsible Officer of the Borrower and countersigned by DOE (a "Withdrawal Request") and any permitted transfers may only be made by delivery to the Collateral Trustee of an appropriately completed transfer request substantially in the form attached to Exhibit P hereto which has been signed by a Responsible Officer of the Borrower (a "Transfer Request").

(b) Administrative Subaccounts. The Borrower shall track amounts deposited into and withdrawn from the Dedicated Account on the basis of the following administrative subaccounts within the Dedicated Account:

(i) an "Equity Proceeds Subaccount" into which a portion of the proceeds from each Equity Offering shall be deposited to the extent provided in Section 2.12(d);

(ii) two "Interim True-Up Subaccounts", one for each Project, into which the proceeds of Interim True-Up Advances shall be deposited to the extent provided in Section 2.12(j);

(iii) two "Designated Overrun Subaccounts", one for each Project, to which any Designated Overrun Amounts for such Project shall be transferred as provided in Section 2.12(e); and

(iv) an "Investment Earnings Subaccount" into which all earnings on temporary investments in the Dedicated Account shall be deposited as provided in Section 2.12(c).

(c) Temporary Investments. Pending use as provided in this Section 2.12, the Borrower may cause amounts on deposit in the Dedicated Account to be invested in Limited Cash Equivalents so long as any such investments mature not later than the date on which such funds need to be available in accordance with this Section 2.12. Any interest or dividends earned on such investments shall be deposited into the Investment Earnings Subaccount. Any balance in the Investment Earnings Subaccount may be withdrawn by the Borrower from time to time so long as no Default or Event of Default has occurred and is continuing (and the Borrower so certifies in writing to DOE at the time the applicable Withdrawal Request is submitted to DOE for review and countersignature). Neither the Collateral Trustee nor any other Secured Party shall be responsible for any diminution in funds resulting from such investments or any liquidation thereof prior to maturity or shall have any obligation to invest any amounts in the Dedicated Account.

(d) Equity Proceeds. No later than one (1) Business Day following the closing of any Equity Offering that closes prior to the Final Completion of both Projects and the full funding of the Initial Debt Service Account in accordance with Section 2.13(c), the Borrower shall deposit into the Equity Proceeds Subaccount 50% of the Net Offering Proceeds received by the Borrower in connection with such Equity Offering in accordance with Section 9.27 until the total amount that has been deposited into the Equity Proceeds Subaccount pursuant to this Section 2.12(d) equals $100,000,000.

(e) Availability for Excess Cost Overruns. If there are any Excess Cost Overruns with respect to a Project at any time when any amounts are on deposit in the Equity Proceeds Subaccount or in the Interim True-Up Subaccount for such Project (collectively, the "Applicable Subaccounts"), the Borrower may designate all or any

portion of such amounts as a source of cash for purposes of completing an Excess Cost Overrun Cure in accordance with Section 2.9. Such designation shall be effected by transferring the designated amounts (the "Designated Overrun Amounts") into the Designated Overrun Subaccount for such Project, *first*, from amounts then available in the Equity Proceeds Subaccount and, *second*, from amounts then available in the Interim True-Up Subaccount for such Project. Such Designated Overrun Amounts may be withdrawn by the Borrower for use to fund such Excess Cost Overruns in accordance with such Excess Cost Overrun Cure if the Cash Equity Condition is met at such time after giving effect to such withdrawal and no Default or Event of Default has occurred and is continuing (and the Borrower so certifies to DOE in writing at the time the applicable Withdrawal Request is submitted to DOE for review and countersignature). All Designated Overrun Amounts shall be used for such purpose prior to any further Advances being made with respect to such Project.

(f) Deferral of Certain Advance Requests. If the Borrower wishes to submit an Advance Request with respect to a Project (other than for a True-Up Advance) at a time when there are any amounts on deposit in the Applicable Subaccounts for such Project, the Borrower shall divide such Advance Request into two parts (the "Current Request" and the "Deferred Request", respectively). The portion requested in the Deferred Request (the "Deferred Amount") shall equal the lesser of (x) 50% of the amount of such Advance Request and (y) the amounts then on deposit in the Applicable Subaccounts for such Project (after giving effect to any concurrent Interim True-Up Advance Request and any transfer of Designated Overrun Amounts), except as provided in Section 2.12(l). The portion requested in the Current Request shall equal the balance of such Advance Request. The Current Request and the Deferred Request shall each comply with the requirements of Section 2.3, with an applicable amount of Eligible Project Costs specifically identified to each. DOE's obligation under Section 2.4 to issue an Advance Request Approval Notice to FFB with respect to such Advance Request if DOE confirms that all conditions to borrowing have been met shall be limited to the portion requested in the Current Request. Further action on the Deferred Amount shall be deferred until it is resubmitted as a new Advance (an "Interim True-Up Advance") in accordance with Section 2.12(i). Except in connection with such an Interim True-Up Advance, any Eligible Project Costs that have been the basis for any Current Request or Deferred Request cannot be the basis for any other Advance Request.

(g) Withdrawal Requests for Deferred Amounts. The Borrower may include with its submission of any Deferred Request a completed Withdrawal Request (subject to DOE countersignature) for an amount up to the related Deferred Amount to be withdrawn, *first*, from amounts then available in the Equity Proceeds Subaccount and, *second*, from amounts then available in the Interim True-Up Subaccount for such Project; *provided* that the amount so requested to be withdrawn shall not exceed the aggregate amount then on deposit in the Applicable Subaccounts for such Project (after giving effect to any concurrent Interim True-Up Advance Request and any transfer of Designated Overrun Amounts). Promptly upon the Requested Advance Date for the related Current Request, if the Advance Request Approval Notice relating thereto has been issued to FFB and no Drawstop Notice has been issued to the Borrower, DOE shall countersign such Withdrawal Request.

(h) Undrawn Deferred Amounts. As of any date of determination, any Deferred Amounts for which an Interim True-Up Advance has not yet been made on or before such date are referred to as "Undrawn Deferred Amounts". For purposes of the Project Maximum Loan Amount for a Project (when such term is used in connection with any Advance for such Project other than a True-Up Advance), all Undrawn Deferred Amounts relating to such Project shall be taken into account as though an Advance or Advances had been made for such Undrawn Deferred Amounts. For purposes of the Maximum Total Loan Amount (when such term is used in connection with any Advance other than a True-Up Advance), all Undrawn Deferred Amounts relating to both Projects shall be taken into account as though Advances had been made for such Undrawn Deferred Amounts.

(i) Timing of Interim True-Up Advances. The Borrower shall not be entitled to submit a new Advance Request (an "Interim True-Up Advance Request") for an Interim True-Up Advance in the amount of the Undrawn Deferred Amounts relating to any Project as of any date unless and until one of the following conditions is met as of such date prior to the end of the Availability Period (and all other applicable conditions to borrowing set forth in Article V have been met at that time):

(i) the balances in both the Equity Proceeds Subaccount and the Interim True-Up Subaccount for such Project have been reduced to zero (or, in the case of such Interim True-Up Subaccount, would have been reduced to zero by a concurrent Withdrawal Request contemplated by Section 2.12(g)); or

(ii) such Interim True-Up Advance is to be made as part of the Final True-Up Advance for such Project.

For the avoidance of doubt, more than one Interim True-Up Advance Request may be submitted for a Project during the Availability Period so long as, with respect to each such submission, one of the conditions set forth in either clause (i) or (ii) of this Section 2.12(i) is met on such date and the amount of the Interim True-Up Advance requested in such submission does not exceed the aggregate amount of the Undrawn Deferred Amounts relating to such Project as of such date. Each Interim True-Up Advance Request shall identify with specificity the Deferred Requests to which it relates.

(j) Application of Interim True-Up Advance Proceeds. Unless made as part of the Final True-Up Advance for a Project, the proceeds of an Interim True-Up Advance relating to such Project shall be applied as follows:

(i) the following amount shall be deposited into the Interim True-Up Subaccount for such Project: the lesser of (x) 30% of the aggregate amount of the remaining costs required to complete such Project (whether committed or uncommitted) as shown in the most recent Project Forecast for such Project approved by DOE (or, at DOE's sole option, the most recent Project Forecast submitted for approval for such Project but not approved), including the Remaining Project P Contingency Amount or Remaining Project S Contingency

Amount, as applicable for such Project, and (y) (A) $100,000,000 *minus* (B) any balance at that time in the Interim True-Up Subaccount for the other Project; and

(ii) the balance shall be available to the Borrower to pay, or be reimbursed for, a corresponding portion of the Eligible Project Costs for such Project that were the subject of the related Deferred Requests.

(k) Withdrawals Upon Final Completion. On the Requested Advance Date for the Final True-Up Advance for a Project (if the related Advance Request Approval Notice has been issued to FFB and no Drawstop Notice has been issued to the Borrower), the Borrower shall be entitled to withdraw any balance then remaining in the Interim True-Up Subaccount for such Project. If Final Completion of both Projects has occurred on or before such date and no Default or Event of Default has occurred and is continuing (and the Borrower so certifies to DOE in writing at the time the applicable Transfer and/or Withdrawal Request is submitted to DOE for review and countersignature), any amounts then on deposit in the Equity Proceeds Subaccount shall be transferred to the Initial Debt Service Account up to the amount required to be deposited therein pursuant to Section 2.13 and any remaining balance in the Equity Proceeds Subaccount may be withdrawn by the Borrower.

(l) Adjustments for Certain Eligible Progress Payment Fundings. The parties acknowledge that the primary intention of Section 2.12(f) is that, at any time when and to the extent there is a sufficient balance in the Dedicated Account, any Eligible Costs that would otherwise be eligible for funding with Advances will instead be 50% funded with Advances at that time, with 50% matched by a withdrawal from the Dedicated Account. To the extent, however, that any Eligible Progress Payment is more than 50% funded from the Dedicated Account solely as a result of such Eligible Progress Payment not meeting the requirements of Section 2.4(d)(ii) for a First Priority Lien prior to the date on which title to the related equipment passes to the Borrower, then on request of the Borrower on the next Requested Advance Date, the amount of the next Advance shall be adjusted (to the extent possible) such that, after giving effect to such Advance, the parties shall have effectively shared in the funding of such Eligible Progress Payment (including any Eligible Progress Payment funded solely from the Dedicated Account) on a 50/50 basis, but solely to the extent that such allocation can be made without allocating DOE's portion to any Eligible Progress Payment not meeting the requirements of Section 2.4(d)(ii) for a First Priority Lien, and subject to all other applicable conditions to borrowing set forth in Article V having been met at that time.

2.13 Initial Debt Service Account.

(a) Establishment of Account. On the Principal Instrument Delivery Date, the Borrower shall establish, and thereafter maintain, with the Collateral Trustee (or an Affiliate thereof designated by the Collateral Trustee for this purpose) a separately identifiable deposit or securities account in the name of the Borrower entitled the "ATVM Tesla Initial Debt Service Account" (the "Initial Debt Service Account"). The Initial Debt Service Account shall be pledged to the Collateral Trustee for the benefit of the Secured Parties pursuant to the Security Agreement and shall be subject to a Blocked

Account Control Agreement. Amounts on deposit in the Initial Debt Service Account may not be withdrawn by the Borrower except as provided in this Section 2.13. Any permitted withdrawals may only be made by delivery to the Collateral Trustee of an appropriately completed request substantially in the form attached to Exhibit P hereto which has been signed by a Responsible Officer of the Borrower and countersigned by DOE (an "Initial Debt Service Withdrawal Request").

(b) Temporary Investments. Pending use as provided in this Section 2.13, the Borrower may cause amounts on deposit in the Initial Debt Service Account to be invested in Limited Cash Equivalents so long as any such investments mature not later than the date on which such funds need to be available in accordance with this Section 2.13. Any interest or dividends earned on such investments shall remain in the Initial Debt Service Account until all amounts referred to in Section 2.13(d) have been paid with respect to both Initial Debt Service Payment Dates, after which the Borrower may withdraw such interest and dividends so long as no Default or Event of Default has occurred and is continuing (and the Borrower so certifies in writing to DOE at the time the applicable Initial Debt Service Withdrawal Request is submitted to DOE for review and countersignature). Neither the Collateral Trustee nor any other Secured Party shall be responsible for any diminution in funds resulting from such investments or any liquidation thereof prior to maturity or shall have any obligation to invest any amounts in the Initial Debt Service Account.

(c) Required Deposit. On or before December 31, 2012, the Borrower shall deposit into the Initial Debt Service Account cash in an aggregate amount (the "Initial Debt Service Requirement") equal to all Note Installments and all accrued interest on the Loans that, in each case, will become due and payable on each of the first two Quarterly Payment Dates that occur after Final Completion of both Projects on which a Note Installment is due (each, an "Initial Debt Service Payment Date"). If the amount to be transferred to the Initial Debt Service Account pursuant to Section 2.12(k) from the Equity Proceeds Subaccount is less than the Initial Debt Service Requirement, or if such transfer does not occur on or before December 31, 2012, the Borrower shall be required to use other sources of cash (excluding any proceeds of the Loans) to fund the Initial Debt Service Requirement in full on or before December 31, 2012.

(d) Application of Proceeds. No less than five (5) and no more than ten (10) Business Days prior to each Initial Debt Service Payment Date, the Borrower shall deliver, by an Acceptable Delivery Method, to DOE a completed Initial Debt Service Withdrawal Request (subject to DOE countersignature) instructing the Collateral Trustee to withdraw funds from the Initial Debt Service Account (to the extent of the funds available therein) in amounts sufficient to pay the Note Installments and accrued interest due and payable on such Initial Debt Service Payment Date (which amounts shall be specified in such Initial Debt Service Withdrawal Request) and to remit such funds directly to FFB on such Initial Debt Service Payment Date. Promptly upon receipt and confirmation by DOE that such Initial Debt Service Withdrawal Request has been properly completed, DOE shall countersign it and submit it to the Collateral Trustee.

ARTICLE III
PAYMENTS; PREPAYMENTS

3.1 Place and Manner of Payments.

(a) All payments due under any Note shall be made by the Borrower to FFB pursuant to the terms of the Funding Agreements.

(b) All payments to be made to DOE under this Agreement shall be made to DOE in lawful currency of the United States of America in immediately available funds before 1:00 p.m. (District of Columbia time) on the date when due to such account as DOE shall direct by written notice to the Borrower not less than five (5) Business Days prior to the date when due.

(c) In the event that the date of any payment to DOE or the expiration of any time period hereunder occurs on a day which is not a Business Day, then such payment or expiration of time period shall be made or occur on the next succeeding Business Day and such extension of time shall in such cases be included in computing interest or fees, if any, in connection with such payment.

3.2 Payment of the Facility Fee. The Borrower shall pay to DOE, on the Principal Instrument Delivery Date, a Facility Fee in the aggregate amount of $465,047. Once paid, the Facility Fee shall not be refundable under any circumstances.

3.3 Maturity and Amortization.

(a) Maturity Dates. The Borrower shall repay (i) all outstanding Project P Loans on the Note P Stated Maturity Date and (ii) all outstanding Project S Loans on the Note S Stated Maturity Date.

(b) Quarterly Payments.

(i) Note P shall (A) be stated to mature on the Note P Stated Maturity Date and provide that each Advance under Note P amortizes in twenty-eight (28) (or, in the case of any Advance made after December 15, 2012, twenty-six (26)) equal consecutive quarterly installments of principal (each, a "Note P Installment") payable on each Quarterly Payment Date, commencing on December 15, 2012 (or, in the case of any Advance made after December 15, 2012, commencing on June 15, 2013), and (B) provide for the payment of interest in accordance with Section 3.5 and the Funding Agreements.

(ii) Note S shall (A) be stated to mature on the Note S Stated Maturity Date and provide that each Advance under Note S amortizes in forty (40) (or, in the case of any Advance made after December 15, 2012, thirty-eight (38)) equal consecutive quarterly installments of principal (each, a "Note S Installment") payable on each Quarterly Payment Date, commencing on December 15, 2012 (or, in the case of any Advance made after December 15,

2012, commencing on June 15, 2013), and (B) provide for the payment of interest in accordance with Section 3.5 and the Funding Agreements.

3.4 Evidence of Debt.

(a) Records. DOE shall maintain, or cause to be maintained, in accordance with its usual practice, internal records evidencing the amounts from time to time (i) advanced by FFB under the Note Purchase Agreement and the Notes, (ii) paid by DOE to FFB pursuant to Section 6.3 of the Program Financing Agreement and (iii) paid by or on behalf of the Borrower from time to time in respect thereof.

(b) Prima Facie Evidence. Except as otherwise provided in any Loan Document, the entries made in the internal records maintained by or on behalf of DOE pursuant to paragraph (a) above shall constitute *prima facie* evidence of the existence and amount of the Note P Obligations or the Note S Obligations of the Borrower as therein recorded.

3.5 Interest Provisions Relating to All Advances.

(a) Interest Account and Interest Computations. Interest shall accrue on the unpaid principal amount of each Advance from the date such Advance is disbursed to the Borrower or otherwise disbursed or deemed disbursed pursuant to the Note Purchase Agreement and the relevant Note, to the date such Advance is due, at a rate per annum as specified in the Funding Agreements. All overdue amounts in respect of any Advance will (x) accrue interest at the Late Charge Rate and (y) be payable by the Borrower in accordance with the Funding Agreements. The Borrower hereby authorizes FFB to record in an account or accounts maintained by FFB on its books (i) the interest rates applicable to all Advances, (ii) the date and amount of each principal and interest payment on each Advance outstanding, and (iii) such other information as FFB may determine is necessary for the computation of interest payable by the Borrower under the relevant Note. The Borrower agrees that all computations of interest by FFB pursuant to this Section 3.5 shall, in the absence of manifest error, be *prima facie* evidence of the amount thereof. All computations of interest shall be made as set forth in the relevant Funding Agreement.

(b) Interest Payment Dates. Subject to the terms of the Note Purchase Agreement and the relevant Note, the Borrower shall pay accrued interest on the outstanding principal amount of each Advance on each Quarterly Payment Date, on each prepayment (to the extent thereof), and at maturity (whether by acceleration or otherwise).

3.6 Prepayments.

(a) Terms of All Prepayments.

(i) With respect to any prepayment of any Advance, whether such prepayment is voluntary or mandatory, including a prepayment upon

acceleration, the Borrower shall comply with all applicable terms and provisions of this Agreement and the Funding Agreements.

(ii) All prepayments of any Note shall be (A) applied to Advances as specified in the relevant Prepayment Election Notice (subject to Sections 3.6(b) and 3.6(c)(vii) to the extent applicable) and (B) due in an amount equal to the Prepayment Price calculated by FFB in accordance with the terms of the respective Note; *provided* that, in the event FFB fails to deliver a notice of the applicable Prepayment Price in accordance with the terms of the applicable Note by 12:00 PM (New York City time) on the Business Day immediately preceding the applicable Intended Prepayment Date, the Borrower shall on such Business Day use commercially reasonable efforts to contact FFB to determine the applicable Prepayment Price, or, if Borrower is unable to determine such Prepayment Price with FFB, then Borrower shall either (x) (1) in good faith calculate the applicable Prepayment Price due in connection with such prepayment and (2) make a payment on such prepayment date to FFB in an amount equal to the amount so calculated or (y) in the case of any Mandatory Prepayment, make a payment on such prepayment date to FFB in an amount equal to the applicable Net Cash Proceeds, Reinvestment Prepayment Amount, Excess Advance Amount, Excess Project Loan Amount or Excess Loan Amount, as the case may be, together, in each case, with accrued and unpaid interest on such amount; *provided further* that, if the actual applicable Prepayment Price under the applicable Note calculated by FFB (1) is greater than the amount paid by the Borrower, the Borrower shall promptly, but in no event later than two Business Day following delivery by FFB to the Borrower of notice of the amount of such applicable Prepayment Price, make a payment to FFB in an amount equal to the difference between such Prepayment Price and the amount actually paid by the Borrower, it being understood that if the Borrower shall fail to pay any portion of such amount in accordance with the foregoing, the Borrower shall pay FFB a Late Charge on any such unpaid amount from such aforementioned prepayment date to the date on which payment is made, computed in accordance with the provisions of the relevant Note, or (2) is less than the amount paid by the Borrower, the amount equal to the difference between the applicable Prepayment Price and the amount paid by the Borrower shall be (a) credited to the payment due by the Borrower to FFB on the Quarterly Payment Date immediately following the date of such payment by the Borrower or (b) following any prepayment by the Borrower pursuant to which the full amount of all of the Advances outstanding under each Loan has been paid, returned by FFB or its designee to the Borrower within two (2) Business Days following the date on which FFB shall have delivered to Borrower notice of the amount of the actual Prepayment Price under each applicable Note.

(iii) The Borrower may not reborrow the principal amount of any Advance that is prepaid, nor shall any such prepayment create availability for further borrowings during the Availability Period.

(iv) If the Borrower shall fail to make a prepayment to FFB on any Intended Prepayment Date in accordance with this Section 3.6 with respect to any notice of prepayment delivered to DOE and FFB, the Borrower shall pay to FFB a Late Charge on any unpaid amount from the Intended Prepayment Date to the date on which payment is made, computed in accordance with the provisions of the relevant Note.

(b) Voluntary Prepayments.

(i) The Borrower may at any time and from time to time prepay all or any portion of the outstanding principal amount of any Advance under any Note, or prepay such Note in its entirety, upon prior submission of a Prepayment Election Notice by the Borrower to DOE and FFB not less than five (5) Business Days prior to the Intended Prepayment Date in accordance with the terms hereof and the relevant Note. Voluntary prepayments of any Advance shall be subject to a minimum amount equal to $100,000 of principal or, if less, the total principal amount of such Advance then outstanding; provided that the aggregate amount of Advances being prepaid on the same date that are part of the same Loan shall also be subject to the minimums set forth in clause (ii) below. Voluntary prepayments of any Advance shall be applied to principal installments of such Advance in the inverse order of maturity in accordance with the terms of the relevant Note.

(ii) Voluntary prepayments made under this Section 3.6(b) shall be subject to a minimum principal amount equal to (A) with respect to the Project P Loan, an aggregate of $1,000,000 and integral multiples of $100,000 in excess of that amount and (B) with respect to the Project S Loan, an aggregate of $1,000,000 and integral multiples of $100,000 in excess of that amount or, in each case, if less, the total principal amount of such Loan then outstanding.

(c) Mandatory Prepayments.

(i) Net Cash Proceeds from Specified Dispositions or Recovery Events. Within ten (10) Business Days of the date on which the Borrower or any Subsidiary shall receive Net Cash Proceeds from any permitted Specified Disposition or from any Recovery Event, then, unless a Reinvestment Notice (which, in the case of any Recovery Event, is permitted under Section 7.5, if applicable) shall be delivered in respect thereof, the Borrower shall deliver to DOE and FFB a Prepayment Election Notice on such date specifying that it elects to prepay the Advances under the Notes in a principal amount equal to such Net Cash Proceeds in accordance with Section 3.6(c)(vi) and shall make such prepayment within five (5) Business Days after the delivery of such Prepayment Election Notice; *provided* that, following any Reinvestment Prepayment Date arising from a Specified Disposition or Recovery Event, the Reinvestment Prepayment Amount, if any, related to such Specified Disposition or Recovery Event shall be required to be prepaid, and the Borrower shall on such date deliver to DOE and FFB a Prepayment Election Notice specifying that it elects to prepay

the Advances under the Notes in a principal amount equal to such Reinvestment Prepayment Amount in accordance with Section 3.6(c)(vi) and shall make such prepayment within five (5) Business Days after the delivery of such Prepayment Election Notice; and *provided further* that, notwithstanding anything to the contrary herein, the Borrower shall not be required to make any prepayment under this Section 3.6(c)(i) to the extent of any Net Cash Proceeds from any permitted Specified Disposition or Recovery Event until the aggregate cumulative amount of Net Cash Proceeds from any Specified Dispositions and/or Recovery Events that have not been reinvested in accordance with this Section 3.6(c)(i) and have not been previously applied by the Borrower to prepay Advances in accordance with this Section 3.6(c)(i) is equal to or greater than $5,000,000.

(ii) Excess Advances. If on any Quarterly Reporting Date there is an Excess Advance Amount, the Borrower shall, within five (5) Business Days following the request therefor by DOE in its sole discretion, deliver to DOE and FFB a Prepayment Election Notice specifying it elects to prepay the Advances under the Notes in a principal amount equal to such Excess Advance Amount in accordance with Section 3.6(c)(vi) and shall make such prepayment within five (5) Business Days after the delivery of such Prepayment Election Notice; *provided* that if no request is made by DOE prior to the making of an Advance by FFB on the next succeeding Advance Date, such repayment amount shall be deducted by the Borrower from future Advances under the Funding Agreements pursuant to Section 5.6.

(iii) Excess Project Loan Amount. If, on any date, the aggregate outstanding principal amount of all Advances corresponding to any Project exceeds the Project Maximum Loan Amount for such Project (such excess amount, the "Excess Project Loan Amount"), the Borrower shall, within five (5) Business Days, deliver to DOE and FFB a Prepayment Election Notice specifying that it elects to prepay the Advances under the Notes in a principal amount equal to such Excess Project Loan Amount in accordance with Section 3.6(c)(vi) and shall make such prepayment within five (5) Business Days after the delivery of such Prepayment Election Notice.

(iv) Excess Loan Amount. If, on any date, the aggregate outstanding principal amount of all Advances under each of the Notes exceeds the Maximum Total Loan Amount (such excess amount, the "Excess Loan Amount"), the Borrower shall, within five (5) Business Days, deliver to DOE and FFB a Prepayment Election Notice specifying that it elects to prepay the Advances under the Notes in a principal amount equal to such Excess Loan Amount in accordance with Section 3.6(c)(vi) and shall make such prepayment within five (5) Business Days after the delivery of such Prepayment Election Notice.

(v) Delivery of a Prepayment Election Notice to DOE. Any Prepayment Election Notice required to be delivered pursuant to this Section 3.6(c) shall be delivered by an Authorized Transmitter of the Borrower and by Acceptable Delivery Method to DOE and FFB on the dates and/or within the time

frames provided in this Section 3.6(c), and shall include all information required pursuant to the applicable Funding Agreements.

(vi) Timing of Mandatory Prepayments. Any Mandatory Prepayments of Advances made under the Notes shall be made on the Intended Prepayment Date set forth in the relevant Prepayment Election Notice delivered pursuant to Section 3.6(c)(v), which Intended Prepayment Dates shall occur within the applicable time frames provided in this Section 3.6(c).

(vii) Application of Mandatory Prepayments. Any mandatory prepayment of any Advance pursuant to Section 3.6(c) shall be applied as follows:

ARTICLE IV

REIMBURSEMENT OBLIGATIONS

4.1 Reimbursement and Other Payment Obligations.

(a) The Borrower agrees to pay to DOE or to such other Person as DOE shall direct as follows:

(i) a sum, in U.S. Dollars, equal to the total of all amounts payable by DOE to FFB pursuant to Section 6.3.1 of the Program Financing

Agreement which relate to, or arise out of, FFB providing or having provided financing under the Notes (such amounts, "Reimbursement Amounts");

(ii) to the extent permitted by applicable Requirements of Law, any and all charges, fees, reasonable and documented costs and expenses which DOE may pay or incur, including attorneys', accountants' and other consultants' fees and expenses, and any and all recording and filing fees that may be payable or determined to be payable, in connection with (i) the enforcement, defense or preservation of any rights in respect of any of the Loan Documents during the continuance of a Default or Event of Default, including defending, monitoring or participating in any litigation or proceeding (including any bankruptcy proceeding in respect of any party to any Loan Document or any Subsidiary thereof) relating to any of the Loan Documents or the transactions contemplated thereby, (ii) the foreclosure against, sale or other disposition of collateral, if any, securing any obligations under any of the Loan Documents, or pursuit of any other remedies under any of the Loan Documents, to the extent such costs and expenses are not recovered from such foreclosure, sale or other disposition, (iii) any review or approval by DOE in connection with the delivery of collateral or substitute collateral, if any, under any of the Loan Documents, or (iv) any amendment, supplement or modification of any Loan Document, or any waiver or consent under any Loan Document; and

(b) All amounts payable under this Section 4.1 shall be payable within five (5) Business Days after a demand therefor, in U.S. Dollars, in full, without any requirement on the part of DOE to seek reimbursement from any other sources of indemnity therefor.

4.2 Subrogation. In furtherance of and not in limitation of DOE's right of subrogation, the Borrower acknowledges that, to the extent of any payment made by DOE of Reimbursement Amounts, DOE shall be fully subrogated to the extent of any such payment, and any additional interest due on any late payment, to the rights of FFB under the Notes, the Note Purchase Agreement and any other Loan Documents. The Borrower agrees to such subrogation and agrees to execute such instruments and to take such actions as DOE may reasonably request to evidence such subrogation and to perfect the right of DOE to receive any amounts paid or payable thereunder. If and to the extent that DOE shall be fully and indefeasibly reimbursed in cash or immediately available funds by the Borrower pursuant to Section 4.1 in respect of any payment made by DOE of Reimbursement Amounts, such reimbursement shall be deemed to constitute an equal and corresponding payment in respect of DOE's rights of subrogation hereunder in respect of such payment of Reimbursement Amounts.

4.3 Obligations Absolute.

(a) The obligations of the Borrower under this Article IV shall be absolute and unconditional, and shall be paid or performed strictly in accordance with this Agreement under all circumstances irrespective of:

(vi) any breach by the Borrower of any representation, warranty or covenant contained in any of the Loan Documents;

(vii) except to the extent prohibited by mandatory provisions of applicable Requirements of Law, status as, and any other rights of, a "debtor" under the UCC as in effect from time to time in the State of New York or under the applicable Requirements of Law of any other relevant jurisdiction;

(viii) any duty on the part of DOE to disclose any matter, fact or thing relating to the business, operations or financial or other condition of the Borrower now known or hereafter known by DOE;

(ix) any disability or other defense of the Borrower or any other Person;

(x) any act or omission by DOE that directly or indirectly results in or aids the discharge of the Borrower or any other Person, by operation of law or otherwise;

(xi) any change in the time, manner or place of payment of, or in any other term of, all or any of its obligations or liabilities hereunder or any compromise, renewal, extension, acceleration or release with respect thereto, any change in the collateral subject to its obligations or liabilities hereunder or any

amendment or waiver of or any consent to departure from any other guarantee for all or any of its obligations or liabilities hereunder;

(xii) any change in the corporate structure or existence of the Borrower or any Subsidiary or release of any Guarantor;

(xiii) any exchange, taking, or release of Collateral;

(xiv) any application of Collateral to the Secured Obligations; or

(xv) any other circumstances or conditions, foreseen or unforeseen, now existing or hereafter occurring, which might otherwise constitute a defense available to, or discharge of, the Borrower in respect of any Loan Document (other than a defense of payment or performance).

(b) The Borrower and any and all others who may become liable for all or part of the obligations of the Borrower under this Agreement agree to be bound by this Article IV and, to the extent permitted by Requirements of Law:

(i) waive and renounce any and all redemption and exemption rights and the benefit of all valuation and appraisement privileges against the indebtedness and obligations evidenced by any Loan Documents or by any extension or renewal thereof;

(ii) waive presentment and demand for payment, notices of nonpayment and of dishonor, protest of dishonor and notice of protest, except as expressly provided otherwise in this Agreement;

(iii) waive all notices in connection with the delivery and acceptance hereof and all other notices in connection with the performance, default or enforcement of any payment hereunder except as required hereby or by the other Loan Documents;

(iv) waive all rights of abatement, diminution, postponement or deduction, and any defense (other than a defense of payment or performance), that any party to any Loan Document or any beneficiary thereof may have at any time against DOE or any other Person, or out of any obligation at any time owing to DOE or FFB;

(v) agree that its liabilities hereunder shall be unconditional and without regard to any setoff, counterclaim or the liability of any other Person for the payment hereof;

(vi) agree that any consent, waiver or forbearance hereunder with respect to an event shall operate only for such event and not for any subsequent event;

(vii) consent to any and all extensions of time that may be granted by DOE or FFB with respect to any payment hereunder or other provisions hereof and to the release of any security at any time given for any payment hereunder, or any part thereof, with or without substitution, and to the release of any Person or entity liable for any such payment;

(viii) waive all defenses and allegations based on or arising out of any contradiction or incompatibility among its obligations or liabilities hereunder and any of its other obligations;

(x) waive any benefit of, or any right to participate in, any guarantee or insurance whatsoever now or in the future held by DOE or FFB;

(xi) waive the benefit of any statute of limitations affecting its liability hereunder; and

(xii) consent to the addition of any and all other makers, endorsers, guarantors and other obligors for any payment hereunder, and to the acceptance of any and all other security for any payment hereunder, and agree that the addition of any such obligors or security shall not affect the liability of the parties hereto for any payment hereunder.

(c) The Borrower shall remain liable for its reimbursement and other payment obligations under this Agreement and the other Loan Documents until such obligations have been irrevocably paid or otherwise satisfied and discharged in full in accordance with this Agreement and the other Loan Documents, and nothing except irrevocable payment, satisfaction or discharge in full thereof in accordance with this Agreement and the other Loan Documents shall release the Borrower from such obligations.

(d) Except as expressly provided herein, the obligations and liabilities of the Borrower under this Agreement or the other Loan Documents shall not be conditioned or contingent upon the pursuit or exercise by DOE, FFB or any other Person at any time of any right or remedy (nor shall such obligations and liabilities be affected, released or modified by any action, failure, delay or omission by DOE, FFB or any other Person in the enforcement or exercise of any right or remedy under applicable Requirements of Law) against any Person that may be or become liable in respect of all or any part of the obligations and liabilities of the Borrower under this Agreement or the other Loan Documents.

4.4 Evidence of Payment. In the event of any payment by DOE that is required to be reimbursed or indemnified by the Borrower, the Borrower agrees to accept evidence of payment by DOE as *prima facie* evidence of the amount thereof.

(b) If an event permitting the acceleration of any Advance and/or any Note shall at any time have occurred and be continuing, and such acceleration of any Advance and/or any Note shall at such time be prevented by reason of the pendency against the Borrower or any other Person of a case or proceeding under a bankruptcy or insolvency law, the Borrower agrees that, for purposes of this Agreement and its obligations hereunder, in respect of any payment made by DOE to FFB, such Advance and/or such Note shall be deemed to have been accelerated with the same effect as if such Advance and/or such Note had been accelerated in accordance with the terms of the Funding Agreements.

ARTICLE VI

REPRESENTATIONS AND WARRANTIES OF THE BORROWER

To induce DOE to enter into this Agreement and to arrange for FFB to purchase the Notes and offer extensions of credit thereunder, the Borrower hereby represents and warrants to and in favor of DOE and FFB as of (w) the date hereof, (x) the Principal Instrument Delivery Date, (y) the Financial Closing Date and (z) each Advance Date that:

6.1 Organization and Existence. Each of the Borrower and its Subsidiaries (a) is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization (except in the case of any Subsidiary where the failure to be in good standing, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect) and (b) is duly qualified and in good standing in each jurisdiction where the failure to so qualify and be in good standing, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

6.2 Power; Authorization; Enforceable Obligations. Each of the Borrower and its Subsidiaries has all requisite power and authority to (a) own or hold under lease and operate the property it purports to own or hold under lease, (b) carry on its business as now being conducted and as proposed to be conducted in respect of the Projects and the Business Plan, (c) incur Indebtedness and create Liens on its properties pursuant to the Transaction Documents, and (d) execute, deliver, perform and observe its obligations under each of the Transaction Documents to which it is a party (which includes the issuance of the Warrants and the shares issuable upon exercise of the Warrants). Each of the Borrower and its Subsidiaries has taken all necessary corporate or other action to authorize the execution, delivery, performance and observance of each of the Transaction Documents to which it is a party and has duly executed and delivered each Transaction Document to which it is a party. Each such Transaction Document constitutes a legal, valid and binding obligation of such Person enforceable against each such Person in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the

enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

6.3 Capitalization. As of the Principal Instrument Delivery Date, (a) Schedule A-7 to the Information Certificate sets forth for the Borrower and each of its Subsidiaries all stock, limited liability company membership interests, partnership interests, trust interests, options, warrants and other equity interests, whether or not evidenced by certificates or instruments, that are (i) owned by such Person or (ii) issued by such Person and currently outstanding and (b) except as set forth on Schedule A-7 to the Information Certificate, neither the Borrower nor any Subsidiary is party to or bound by any subscription, voting trust, registration rights or other agreements relating to equity securities of such Person.

6.4 Solvency. Each Obligor is and, upon and after giving effect to all transactions contemplated by the Transaction Documents, will be Solvent.

6.5 Eligibility of Borrower, Projects. The Borrower has satisfied each of the conditions contained in the Program Requirements (a) to be classified as an Eligible Applicant and (b) required to classify each Project as an Eligible Project.

6.6 No Conflicts; Consents.

(a) The execution, delivery, performance and observance of this Agreement and the other Loan Documents, the issuance of the Notes, the Warrants and the shares issuable upon exercise of the Warrants, the borrowings under the Funding Agreements and Reimbursement Obligations hereunder do not and will not (i) violate, contravene or result in any breach or constitute any default under any Requirements of Law, any Organizational Document or any material Contractual Obligation of the Borrower, (ii) violate, contravene or result in any breach or constitute any default under (x) any Requirements of Law or any Contractual Obligation of any Subsidiary of the Borrower, except to the extent any such violation, contravention, breach or default, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect, or (y) any Organizational Document of any Subsidiary of the Borrower, (iii) result in or require the creation of any Lien upon any of its revenues, properties or assets pursuant to any Requirements of Law or Contractual Obligation, except for Liens created by the Security Documents, or (iv) require the consent or approval of, or any notice to or filing with, any Governmental Authority, any Equity Owner of the Borrower or any other Person other than those items set forth in Schedule 6.6 to the Information Certificate or, in the case of an Additional Guarantor, in the applicable Subsidiary Joinder Agreement, each of which has been obtained and is in full force and effect.

(b) The use of the proceeds from the Advances do not and will not (i) violate, contravene or result in any breach or constitute any default under (x) any Requirements of Law or any Contractual Obligation of the Borrower or any of its Subsidiaries, except to the extent any such violation, contravention, breach or default, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect, or (y) any Organizational Document of the Borrower or any of its Subsidiaries, (ii) result in or require the creation of any Lien upon any of its revenues,

properties or assets pursuant to any Requirements of Law or Contractual Obligation, except for Liens created by the Security Documents, or (iii) require the consent or approval of, or any notice to or filing with, any Governmental Authority, any Equity Owner of the Borrower or any other Person other than those items required as of the Principal Instrument Delivery Date or, to the Knowledge of the Borrower, required thereafter, in each case as set forth on Schedule 6.6 to the Information Certificate (collectively, together with any consents or approvals described in clause (a)(iii) above, "Required Consents"), each of which has been obtained and is in full force and effect (or, in the case of those required after the Principal Instrument Delivery Date, will be obtained when so required and will thereafter be in full force and effect).

6.7 Material Contracts. As of the Principal Instrument Delivery Date, the applicable schedules to the Information Certificate set forth all of the Material Contracts of the Borrower and its Subsidiaries. Neither the Borrower nor any of its Subsidiaries is in default under any of its Contractual Obligations (now existing or hereafter entered into) in any respect which, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

6.8 Permits, etc. Each of the Borrower and its Subsidiaries has, and is in compliance with, all Governmental Approvals required for such Person lawfully to own, lease, manage or operate, or to acquire, each business currently or proposed to be owned, leased, managed or operated, or to be acquired, by such Person, which, individually or in the aggregate, if not obtained, could not reasonably be expected to have a Material Adverse Effect. No condition exists or event has occurred which, in itself or with the giving of notice or lapse of time or both, would result in the suspension, revocation, impairment, forfeiture or non-renewal of any such Governmental Approval and there is no claim that any thereof is not in full force and effect, except, to the extent any such condition, event or claim, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

6.9 Litigation. Except for any Adverse Proceeding described in Schedule D-6 to the Information Certificate (as to which this Section 6.9 shall apply to adverse developments therein), there are no Adverse Proceedings pending or threatened in writing against or affecting the Borrower or any of its Subsidiaries or any of their respective property that, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect or that have not otherwise been disclosed to and expressly waived in writing by DOE.

6.10 Indebtedness. Neither the Borrower nor any of its Subsidiaries has any outstanding Indebtedness other than Permitted Indebtedness.

6.11 Liens. Except for Permitted Liens, (a) the assets of the Borrower and each of its Subsidiaries are owned and held free and clear of any Liens and (b) no financing statement or other similar notice of any Lien with respect to any assets of the Borrower or any Subsidiary, which such Person has authorized any other Person to sign or file or record, is on file or of record with any public office.

6.12 Financial Statements. The Historical Financial Statements were prepared in conformity with GAAP and fairly present, in all material respects, the financial position, on a

consolidated basis, of the Borrower and its Subsidiaries as at the respective dates thereof and the results of operations and cash flows, on a consolidated basis, of the Borrower and its Subsidiaries for each of the periods then ended, subject, in the case of any such unaudited Financial Statements, to the absence of notes to the financial statements and changes resulting from normal audit and year end adjustments. As of the Principal Instrument Delivery Date, neither the Borrower nor any of its Subsidiaries has any contingent liability or liability for taxes, long term lease or unusual forward or long term commitment that is not reflected in the Historical Financial Statements or the notes thereto and which in any such case is material in relation to the business, operations, properties, assets or condition (financial or otherwise) of the Borrower and any of its Subsidiaries taken as a whole.

6.13 Information Certificate; Project Budgets and Business Plans.

(a) As of the Principal Instrument Delivery Date, the Information Certificate and the Collateral Schedules are true, correct and complete and contain no material misstatements or omissions.

(b) The Project Budgets, the Project Forecasts and the Business Plan, as amended or supplemented with the approval of DOE in accordance with the provisions of this Agreement, (i) are complete and based on reasonable assumptions made in good faith, (ii) are consistent with the provisions of the Transaction Documents, and (iii) fairly represent the Borrower's expectation as to the matters covered thereby as of the date of the representation.

6.14 Security Documents. The provisions of the Security Documents are effective to create legal, valid and enforceable security interests in the Collateral described therein in favor of the Collateral Trustee, for the benefit of the Secured Parties. Such security interests (i) constitute perfected and continuing security interests on the Collateral upon the taking of all actions referred to in Section 3.1(a)(iii) of the Security Agreement (except to the extent expressly provided in this Agreement or the Security Agreement with respect to certain assets other than Program Assets), and (ii) are First Priority Liens on such Collateral.

6.15 Properties.

(a) Each of the Borrower and its Subsidiaries owns or holds (i) good and marketable legal and beneficial title to (in the case of fee interests in real property), (ii) valid leasehold interests in (in the case of leasehold interests in real or personal property), (iii) valid rights licensed from third parties in (in the case of licensed interests in Intellectual Property), and (iv) good title (in the case of all other personal property) in all material property and assets of such Person, in each case free and clear of any Lien of any kind except for Permitted Liens. The Borrower and each of its Subsidiaries has or will obtain in a timely manner all rights or property required for the design, construction and operation of the Projects.

(b) Except for changes not prohibited by the Loan Documents, (i) Schedule B-1 to the Information Certificate sets forth for the Borrower and each of its Subsidiaries the location (including county and zip code) of all real property owned or

leased by such Person; if such property is leased, the landlord and the term of the lease; if such property is held in fee, the holder of any mortgage on such real property; and where such Person's chief executive office and chief operating office is located, and (ii) the books and records of the Borrower and each of its Subsidiaries pertaining to accounts, contract rights, inventory and other assets are located at such Person's chief executive office except as indicated on Schedule B-1 to the Information Certificate.

6.16 Intellectual Property.

(a) The Borrower is the sole and exclusive owner of the entire right, title and interest in and to that Intellectual Property purported to be owned by the Borrower, and the Borrower and its Subsidiaries otherwise have the right pursuant to a valid written license or other agreement to use all Intellectual Property necessary for the construction, operation and use of their respective businesses as currently operated and as proposed to be operated, free and clear of all Liens, except for Permitted Liens.

(b) All of the registrations, issuances and applications set forth on the IP Schedules are valid, in full force and effect and have not expired or been cancelled, abandoned or otherwise terminated, and payment of all renewal and maintenance fees and expenses in respect thereof, and all filings related thereto, have been duly made, except as otherwise permitted under this Agreement. The Borrower and each of its Subsidiaries has adequate and appropriate security measures and safeguards in place to protect each item of Intellectual Property (including, without limitation, Trade Secrets) owned by the Borrower and each of its Subsidiaries from illegal or unauthorized access or use by its personnel or third parties. The Borrower and each of its Subsidiaries has adopted a written information security program designed to protect all confidential information and Trade Secrets. No Person has gained unauthorized access to or made any unauthorized use of any confidential information or Trade Secret of the Borrower or any of its Subsidiaries. All registrations, issuances and applications set forth on the IP Schedules are in the name of the Borrower. Except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, the Borrower and each of its Subsidiaries use appropriate statutory notices of registration in connection with their respective use of registered Trademarks owned by the Borrower and proper marking practices in connection with the use of Borrower's issued patents. The Borrower is diligently prosecuting all patent applications it has filed, except as otherwise permitted under this Agreement. The Borrower is diligently preparing and filing patent applications for all identified inventions that have come to the attention of senior management which the Borrower, in its reasonable business judgment, believes to be patentable and better protected under a patent as opposed to any other form of Intellectual Property. To the Knowledge of the Borrower, it has complied with its duties of candor and good faith with respect to its dealings with the U.S. Patent and Trademark Office and similar foreign authorities.

(c) Each license or contract set forth on the IP Schedules is a legal, valid and binding obligation of the Borrower or one of its Subsidiaries, as the case may be, is in full force and effect and is enforceable against the Borrower or one of its Subsidiaries, as the case may be, and, to the Knowledge of the Borrower, the other parties

thereto, subject to any applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights generally and general principles of equity. None of the Borrower and its Subsidiaries is in material breach, violation or default under any such license or contract and no event has occurred that, with notice or lapse of time or both, would constitute such a material breach, violation or default by the Borrower or any of its Subsidiaries, or, to the Knowledge of the Borrower, the other parties thereto. 7.6 Additional Subsidiaries and Collateral; Further Assurances.

(a) Except as provided in Section 7.6(b) with respect to certain Foreign Subsidiaries, all Subsidiaries of the Borrower (whether now existing or hereafter created or acquired) shall become Guarantors either pursuant to Section 5.1(a)(iii), to the extent applicable, or this Section 7.6. If the Borrower or any of its Subsidiaries shall at any time after the Principal Instrument Delivery Date (and otherwise in accordance with the terms and provisions of this Agreement) create or acquire any new Subsidiary, the

Borrower shall so notify DOE in writing. With respect to each Subsidiary required to become a Guarantor pursuant to this Section 7.6 (each, an "Additional Guarantor"), the Borrower shall, and shall cause its applicable Subsidiaries to, at the Borrower's expense, promptly (but in any event within ten (10) Business Days or such longer period as DOE may agree to in writing after so becoming required), do all of the following:

(i) execute and deliver to DOE and the Collateral Trustee a Collateral Supplement executed by the owner of the Capital Stock of such Subsidiary or such other documentation as DOE or the Collateral Trustee reasonably deems necessary or advisable to grant a First Priority security interest in 100% of the Capital Stock of such Subsidiary;

(ii) deliver to the Collateral Trustee the certificates representing such Capital Stock, if any, together with undated stock powers, in blank, executed and delivered by a Responsible Officer of the relevant holder;

(iii) cause such Subsidiary to become a party to the Guarantee, the Security Agreement, the Collateral Trust Agreement and the Subordination Agreement and each other Loan Document to which all Guarantors are parties by executing and delivering to DOE and the Collateral Trustee (A) a Subsidiary Joinder Agreement (or, in the case of the first date on which any Subsidiaries become Guarantors, by executing and delivering the Guarantee and the Subordination Agreement in addition to a Subsidiary Joinder Agreement with respect to the Security Agreement, the Collateral Trust Agreement and any other applicable Loan Document) and (B) a Collateral Supplement reflecting all assets of the types referenced in the Collateral Schedules that are owned by such Subsidiary;

(iv) take such actions necessary or advisable to grant a First Priority security interest in all Collateral owned by such Subsidiary in favor of the Collateral Trustee;

(v) deliver to DOE all such documents, instruments, agreements and certificates as are similar to those described in Sections 5.1(d) and 5.1(h); and

(vi) deliver to DOE and the Collateral Trustee legal opinions relating to the matters described above, which opinions shall be in form and substance, and from counsel, reasonably satisfactory to DOE and the Collateral Trustee.

(b) No Foreign Subsidiary shall be required to become a Guarantor (i) if becoming a Guarantor would be illegal under the law of such Foreign Subsidiary's jurisdiction of formation or the jurisdiction where it operates or if becoming a Guarantor would subject any employee, officer or director of such Foreign Subsidiary to personal liability that results solely from such Foreign Subsidiary becoming a Guarantor (other than any immaterial liability as to which such employee, officer or director is indemnified

by such Foreign Subsidiary), or (ii) unless and to the extent requested by DOE from time to time with respect to any Foreign Subsidiary (whether now existing or hereafter created or acquired) the value of which DOE determines at such time to be material to the interests of DOE and FFB as lender. In determining whether to require a Foreign Subsidiary to become a Guarantor at any time, DOE will consider in good faith whether it believes at such time that the incremental costs, including incremental tax costs, if any, of doing so are not likely to be excessive in relation to the value of the security to be afforded thereby. The Borrower shall cooperate with DOE in providing information sufficient to enable DOE to make any such determination. Promptly upon such request of DOE with respect to any Foreign Subsidiary if clause (i) of the first sentence of this Section 7.6(b) is not applicable, the Borrower shall, at the Borrower's expense, cause all the actions described in Section 7.6(a) to be taken by or with respect to such Foreign Subsidiary. In addition, in the case of any First-Tier Foreign Subsidiary (whether now existing or hereafter acquired) which is not so required to become a Guarantor, the Borrower shall, and shall cause its applicable Subsidiaries to, at the Borrower's expense, promptly (but in any event within twenty (20) Business Days or such longer period as DOE may agree to in writing) do all of the following:

(i) execute and deliver a Collateral Supplement or such other documentation as DOE or the Collateral Trustee reasonably deems necessary or advisable to grant a First Priority security interest in that portion of the Capital Stock of such Foreign Subsidiary that is required to be included in the Collateral pursuant to Section 7.6(e)(ii);

(ii) deliver to the Collateral Trustee the certificates representing such Capital Stock, if any, together with undated stock powers, in blank, executed and delivered by a Responsible Officer of the relevant holder; and

(iii) deliver to DOE and the Collateral Trustee legal opinions relating to the matters described above, which opinions shall be in form and substance, and from counsel, reasonably satisfactory to DOE and the Collateral Trustee.

The grant of the First Priority security interest referred to in the preceding sentence with respect to the Capital Stock of any Foreign Subsidiary that is not required to be a Guarantor shall be made under U.S. law and, if and to the extent request by DOE from time to time, under applicable foreign law in the case of any Foreign Subsidiary the value of which DOE determines at such time to be material to the interests of DOE and FFB as lender.

(c) If the Borrower or any of its Subsidiaries shall at any time acquire any After Acquired Material Real Property, the Borrower shall, and shall cause the applicable Subsidiaries to, immediately deliver notice thereof to DOE in the form of a Collateral Supplement, setting forth with specificity a description of the interest acquired, the location of the real property, any structures or improvements thereon, the nature of the business to be conducted thereat and the approximate fair market value of the Collateral to be located thereon. At any time thereafter, DOE may notify the Borrower

(and any applicable Subsidiaries that are or are required by DOE to become Guarantors), if DOE intends to require a Mortgage on such After Acquired Material Real Property, and upon receipt of such notice, the Person which has acquired such interest in the After Acquired Material Real Property shall promptly (but in any event within thirty (30) days) furnish to DOE, at the Borrower's expense all of the following:

(i) a Mortgage with respect to such real property and related assets located at the After Acquired Material Real Property, duly executed by the Borrower and/or its applicable Subsidiaries and in recordable form;

(ii) evidence of the recording of the Mortgage referred to in clause (i) above in such office or offices as may be necessary or, in the opinion of DOE, desirable to create and perfect a valid and enforceable First Priority Lien; and

(iii) such title insurance policies, surveys, lien searches, landlord estoppel agreements, easements, fixture filings, certificates, legal opinions and other deliverables of the type referred to in Section 5.4 as DOE may reasonably request with respect to such After Acquired Material Real Property and the Mortgage thereon;

provided, that in no event shall the Borrower or any Guarantor be required to deliver a Mortgage pursuant to this Section 7.6(c) with respect to, and the Collateral shall not include, any leasehold interest relating solely to retail stores or distribution facilities.

(d) The Borrower shall include information in the Collateral Schedules and each Collateral Supplement sufficient to identify each leased or third party location at which the aggregate value of the inventory, equipment and other assets of the Obligors at such location at any time exceeds (i) if such location is in the United States, $1,000,000, or (ii) if such location is outside the United States, $5,000,000. The Borrower shall use commercially reasonable efforts to cause to be executed and delivered to the Collateral Trustee, at the Borrower's expense, a Collateral Access Agreement with respect to each leased or third party location of Collateral (whether now existing or hereafter acquired) at which the aggregate value of the inventory, equipment and other assets of the Obligors at such location at any time exceeds (i) if such location is in the United States, $5,000,000 (except that, upon reasonable notice to the Borrower, DOE shall have the right to request a Collateral Access Agreement with respect to any such location in the United States if such value exceeds $1,000,000), or (ii) if such location is outside the United States, $10,000,000 (except that, upon reasonable notice to the Borrower, DOE shall have the right to request a Collateral Access Agreement with respect to any such location outside the United States if such value exceeds $5,000,000); *provided*, that no Collateral Access Agreement shall be required from Elite Logistics for the warehouse location located at 26261 Research Place, Hayward, California or from the landlord for the leased location at 1050 Bing Street, San Carlos, California, if (x) all property of the Obligors is removed from such locations and transferred to a property owned by the Borrower or otherwise subject to a Collateral Access Agreement within three (3) months of the Principal Instrument Delivery Date (or such longer period as DOE may agree to in writing) and (y)

the Borrower shall make all rental and other payments due and payable under such leases when due.

(e) The Borrower shall, and shall cause each of the Guarantors to, at the Borrower's expense, promptly take all other actions that have been or shall be requested by DOE, or that the Borrower knows or reasonably should have known are necessary to create, maintain, protect, perfect and continue the perfection of the First Priority security interests of the Collateral Trustee for the benefit of the Secured Parties in the following property (all of which shall be included in the Collateral), except to the extent it constitutes Excluded Property, and shall furnish timely notice of the necessity of any such action, together with such instruments, in execution form, and such other information as may be required to enable any appropriate Secured Party to effect any such action.

(i) all assets financed or acquired with (or the cost of which is reimbursed to the Borrower with) the proceeds of the Loans and the Borrower Commitments;

(ii) (w) all Capital Stock of each Domestic Subsidiary; (x) all Capital Stock of each Foreign Subsidiary that is a Guarantor; (y) with respect to each First-Tier Foreign Subsidiary that is a "controlled foreign corporation" (as defined in section 957 of the Code) but is not a Guarantor, 65% of all Capital Stock of such Subsidiary entitled to vote (within the meaning of Treasury Regulations Section 1.956-2(c)(2)) and 100% of all other Capital Stock of such Subsidiary; *provided* that immediately upon any amendment of the Code that allows the pledge of a greater percentage of voting Capital Stock without adverse tax consequences, the Collateral shall include such greater percentage of Capital Stock of each Subsidiary referred to in this clause (y); and (z) all Capital Stock of each other First-Tier Foreign Subsidiary;

(iii) all Intellectual Property, technical data including software, licenses, general intangibles and goodwill of the Obligors;

(iv) all fee real property interests of the Obligors, all leasehold real property interests relating to the Projects, any other future leasehold real property interests that DOE determines are material to the interests of DOE and FFB as lender and all related fixtures, easements, rights-of-way and licenses; *provided* that the Collateral shall not include leasehold interests existing on the date of this Agreement and described in Schedule B-1 to the Information Certificate (other than as required by Section 5.4(c) with respect to the Site for Project S), any leases relating solely to retail stores or distribution facilities or any other fee interests or leases acquired after the date hereof other than as required by Section 7.6(c);

(v) all equipment, inventory, receivables, investment property, insurance policies, deposit accounts, contract rights, books and records and all other property of the Obligors; and

(vi) all proceeds of the foregoing.

For the avoidance of doubt, it is understood that all of the assets described in clauses (ii) through (vi) of this Section 7.6 shall be included in the Collateral whether or not financed or acquired with the proceeds of the Loans and the Borrower Commitments. The Borrower shall include information in the Collateral Schedules and each Collateral Supplement that reasonably identifies any material Excluded Property (except for any Excluded Property described in clause (a) of the definition thereof the loss of which could not reasonably be expected to have a Material Adverse Effect).

(f) Without limiting the generality of the foregoing, the Borrower shall, and shall cause each of the Guarantors to, at the Borrower's expense, promptly (i) execute or cause to be executed and shall file or cause to be filed or register or cause to be registered such financing statements, grants of security interest, continuation statements and, if requested by DOE, fixture filings and mortgages or deeds of trust, in all places necessary to establish, maintain and perfect such security interests and in all other places that DOE shall reasonably request and such other documents as shall be necessary and appropriate to protect the interests of the Secured Parties in the Collateral in the case of any Default or Event of Default, including ensuring availability (and delivery in the case of technical data including software and any other applicable assets) of all Intellectual Property rights, technical data including software, other books and records, real property, physical assets and all other rights necessary for any Person, including DOE, to complete, operate, convey and dispose of any part of the Collateral, (ii) discharge all other Liens (other than Permitted Liens) or other claims adversely affecting the rights of the Secured Parties in the Collateral, (iii) with respect to receivables from or other commercial contract rights or claims against any Governmental Authorities in an aggregate amount in excess of $1,000,000 at any time outstanding (collectively, the "Applicable Governmental Claims"), (A) notify DOE and the Collateral Trustee thereof by delivery of a Collateral Supplement describing such Applicable Governmental Claims and (B) take all steps required under applicable Requirements of Law to permit the Lien created pursuant to the Security Documents therein to be recognized by such Governmental Authorities and to have such Applicable Governmental Claims assigned to the Collateral Trustee and to be effective to cause such Governmental Authorities to be obligated to make payments under such Applicable Governmental Claims directly to the Collateral Trustee as assignee if the Collateral Trustee so elects at any time while an Event of Default has occurred and is continuing, and (iv) deliver or publish all notices to third parties that may be required to establish or maintain the validity, perfection or priority of any Lien created pursuant to the Security Documents. In furtherance of the foregoing, the Borrower hereby authorizes, and shall direct each of its Subsidiaries to authorize, DOE or the Collateral Trustee to file or cause to be filed or register or cause to be registered any such financing statements, grants of security interest, continuation statements, fixture filings and mortgages or deeds of trust on its behalf. Furthermore, the Borrower shall, and shall cause each of its Subsidiaries to, cause to be delivered promptly to DOE at Borrower's expense such opinions of counsel and other related documents as may be reasonably requested by DOE to assure compliance with this Section 7.6. The Borrower agrees not to effect or permit any change referred to in the preceding sentence unless all filings have been made under the UCC or otherwise that are required in order for the Collateral Trustee to continue at all times following such change to have a valid, legal and perfected First Priority security interest in all the Collateral and for the Collateral at all times following such change to have a valid, legal and perfected First Priority security interest as contemplated in the Security Documents. Upon the effective date of any such change, the Borrower shall deliver to DOE and the Collateral Trustee a completed Collateral Supplement reflecting an updated Organizational Information Schedule.

for any reason, or has been determined adversely to DOE or FFB, then and in every such case, subject, in each case, to any determination in such proceeding, (i) the parties hereto shall be restored to their respective former positions hereunder, and, (ii) thereafter, all rights and remedies of DOE or FFB, as the case may be, shall continue as though no such proceeding had been instituted.

(f) Whenever an Event of Default has occurred and is continuing, DOE shall have the right in its sole discretion to deliver a Notice of Default (as defined in the Collateral Trust Agreement) to the Collateral Trustee. If thereafter all Events of Default have been cured or waived in accordance with this Agreement, the upon written request of the Borrower, DOE agrees to promptly deliver to the Collateral Trustee a notice of cancellation of any Notice of Default previously delivered to the Collateral Trustee if and to the extent permitted by Section 2.1(c) of the Collateral Trust Agreement.

(g) DOE shall have the right, to be exercised (or not) in its complete discretion, to waive any covenant, Default or Event of Default by a writing setting forth the terms, conditions and extent of such waiver signed by DOE and delivered to the other parties hereto. Any such waiver may only be effected in writing duly executed by DOE, and no other course of conduct shall constitute a waiver of any provision hereof. Unless such writing expressly provides to the contrary, any waiver so granted shall extend only to the specific event or occurrence so waived and not to any other similar event or occurrence that occurs subsequent to the date of such waiver.

(h) For the purpose of enabling DOE to exercise the rights and remedies under this Section 10.2, Borrower and each of its Subsidiaries hereby grant to DOE an irrevocable, non-exclusive, worldwide license (exercisable upon the occurrence of and during the continuance of an Event of Default) without payment of royalty or other compensation to Borrower or any of its Subsidiaries, subject, in the case of Trademarks owned by the Borrower or any of its Subsidiaries, to sufficient rights to quality control and inspection in favor of the Borrower or such Subsidiary, as the case may be, to avoid the risk of invalidation of said Trademarks, to use, operate under, license, or sublicense any of the Intellectual Property now owned or hereafter acquired by the Borrower, wherever the same may be located, including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof.

10.3 Accelerated Advances. Upon the delivery of a notice of acceleration, the accelerated amount due and payable under the Notes shall be the Prepayment Price (as defined in and determined pursuant to the relevant Note) under such Notes.

ARTICLE XI

THE COLLATERAL TRUSTEE

11.1 Appointment. DOE hereby irrevocably designates and appoints, and, by accepting the benefits of this Agreement and the other Loan Documents, each of FFB and each holder of the Notes hereby irrevocably designates and appoints, the Collateral Trustee as its

agent under the Collateral Trust Agreement and the other Loan Documents, and irrevocably authorize the Collateral Trustee, in such capacity, to (a) take such action on its behalf under the provisions of the Collateral Trust Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Trustee by the terms of the Collateral Trust Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto and (b) enter into any and all Security Documents and the Collateral Trust Agreement and such other documents and instruments as shall be necessary to give effect to (A) the ranking and priority of Indebtedness and other extensions of credit and obligations contemplated by the Collateral Trust Agreement, (B) the security interests in the Collateral purported to be created by the Security Documents and (C) the other terms and conditions of the Collateral Trust Agreement. Each of DOE, FFB and each holder of the Notes further hereby agrees to be bound by the terms of the Collateral Trust Agreement to the same extent as if it were a party thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Trustee shall not have any duties or responsibilities, except those expressly set forth herein, in the Collateral Trust Agreement or in any other Loan Document to which it is a party, or any fiduciary relationship with DOE, FFB or any holder of the Notes, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement, the Collateral Trust Agreement or any other Loan Document or otherwise exist against the Collateral Trustee.

11.2 Delegation of Duties. The Collateral Trustee may execute any of the trusts or powers hereof and perform any duty its duties under this Agreement and the other Loan Documents directly or by or through agents or attorneys-in-fact. The Collateral Trustee shall be entitled to advice of counsel concerning all matters pertaining to such trusts, powers and duties. The Collateral Trustee shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it without gross negligence or willful misconduct.

11.3 Exculpatory Provisions. Neither the Collateral Trustee nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of DOE, FFB or any holder of the Notes for any recitals, statements, representations or warranties made by any Obligor or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Collateral Trustee under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Obligor party thereto to perform its obligations hereunder or thereunder. The Collateral Trustee shall not be under any obligation to DOE, FFB or any holder of any Note to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Obligor.

11.4 Non-Reliance on the Collateral Trustee. Each of DOE, FFB and each holder of the Notes expressly acknowledges that neither of the Collateral Trustee nor any of its

officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representations or warranties to it and that no act by the Collateral Trustee hereafter taken, including any review of the affairs of an Obligor or an affiliate of an Obligor, shall be deemed to constitute any representation or warranty by the Collateral Trustee to DOE, FFB or any holder of the Notes. Each of DOE, FFB and each holder of the Notes represents to the Collateral Trustee that it has, independently and without reliance upon the Collateral Trustee, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Obligors and their affiliates and made its own decision to make its Loans and other extensions of credit hereunder and enter into this Agreement. Each of DOE, FFB and each holder of the Notes also represents that it will, independently and without reliance upon the Collateral Trustee, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Obligors and their affiliates.

11.5 Collateral Trustee in Its Individual Capacity. The Collateral Trustee and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Obligor as though it were not the Collateral Trustee.

ARTICLE XII

MISCELLANEOUS

12.1 Amendments, etc. This Agreement and each other Loan Document may be amended, modified or terminated only by written instrument or written instruments signed by the parties hereto or thereto, as applicable, and, if DOE is not a party thereto, with the prior written consent of DOE. To the fullest extent permitted by applicable Requirements of Law, no act or course of dealing shall be deemed to constitute an amendment, modification or termination hereof.

12.2 Delay and Waiver. No delay or omission in exercising any right, power, privilege or remedy under this Agreement or any other Loan Document, including any rights and remedies in connection with the occurrence of a Default or Event of Default shall impair any such right, power, privilege or remedy of the Lender Parties, nor shall it be construed to be a waiver of any right, power, privilege or remedy or of any breach or default, or an acquiescence therein, or in any similar breach or default thereafter occurring, nor shall any waiver of any single right, power, privilege or remedy, or of any breach or default be deemed a waiver of any other right, power, privilege or remedy or of any other breach or default therefore or thereafter occurring. Any waiver, permit, consent or approval of any kind or character on the part of any of the Lender Parties of any right, power, privilege or remedy including any rights and remedies in connection with the occurrence of a Default or Event of Default or of any other breach or default under this Agreement or any other Loan Document, or any waiver on the part of any of the Lender Parties of any provision or condition of this Agreement or any other Loan Document, must be in writing and shall be effective only to the extent in such writing specifically set forth.

All rights, powers, privileges and remedies, either under this Agreement or any other Loan Document or by law or otherwise afforded to any of the Lender Parties, shall be cumulative and not alternative and not exclusive of any other rights, powers, privileges and remedies that such Lender Parties may otherwise have.

12.3 Right of Set-Off. In addition to any rights now or hereafter granted under Requirements of Law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each of DOE, FFB and each subsequent holder of any Note or any portion of any Note is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to the Borrower or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special, time or demand, provisional or final) and any other Indebtedness at any time held or owing by DOE, FFB or any such subsequent holder, as the case may be, (including by any of its branches and agencies wherever located) to or for the credit or the account of the Borrower or any Subsidiary against and on account of the Secured Obligations and liabilities of the Borrower or any Subsidiary to DOE, FFB or any such subsequent holder, as the case may be, under this Agreement or any other Loan Document. Each of DOE, FFB and each subsequent holder of any Note or any portion of any Note agrees promptly to notify the Borrower after any such setoff and application made by it; *provided*, that the failure to give such notice shall not affect the validity of such setoff and application.

12.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or thereto or in connection herewith or therewith (including the Information Certificate or any Advance Request) shall survive the execution and delivery of this Agreement and the making of the Advances under the Funding Agreements.

12.5 Notices. Except to the extent otherwise expressly provided herein or as required by applicable Requirements of Law, all notices, reports, requests and demands to or upon the respective parties hereto shall not be effective unless given or made in writing (including by facsimile or electronic transmission in Electronic Format) and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when (i) delivered by hand, if signed for by or on behalf of the receiving party, (ii) if delivered by mail, three (3) Business Days after being deposited in the mail, postage prepaid, provided that an email shall be sent concurrently to the addressee notifying it of such mail, (iii) if deposited with an internationally recognized overnight courier service for overnight delivery to the receiving party, one (1) Business Day after being deposited with such service, provided that an email shall be sent concurrently to the receiving party notifying it of such overnight delivery, (iv) if delivered by facsimile transmission, when receipt thereof has been confirmed by telephone or facsimile by the receiving party, and (v) if transmitted electronically, upon receipt of electronic, telephone or facsimile confirmation of the recipient's receipt thereof, in each case when sent to the relevant party at the facsimile number or address set forth with respect to such Person below:

12.6 Severability; Consents.

(a) The holding by any court of competent jurisdiction that any remedy pursued by DOE hereunder is unavailable or unenforceable shall not affect in any way the ability of DOE to pursue any other remedy available to it. In the event any

provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, the parties hereto agree that such provision shall be ineffective only to the extent of such invalidity or unenforceability without invalidating the remainder of such provision or any other provisions of this Agreement and shall not invalidate or render unenforceable any other provision hereof.

(b) In the event that DOE's consent is required under any of the Loan Documents, the determination whether to grant or withhold such consent shall be made by DOE in its sole discretion without any implied duty towards any other Person, except as otherwise expressly provided therein.

12.7 Judgment Currency. The Borrower agrees, to the fullest extent permitted under applicable Requirements of Law, to indemnify DOE and FFB against any loss incurred by DOE or FFB, as the case may be, as a result of any judgment or order being given or made for any amount due DOE or FFB hereunder or under any other Loan Document and such judgment or order being expressed and to be paid in a currency (the "Judgment Currency") other than U.S. Dollars (the "Currency of Denomination") and as a result of any variation between (i) the rate of exchange at which amounts in the Currency of Denomination are converted into Judgment Currency for the purpose of such judgment or order, and (ii) the rate of exchange at which DOE or FFB would have been able to purchase the Currency of Denomination with the amount of the Judgment Currency actually received by DOE or FFB, as the case may be, had DOE or FFB, as the case may be, utilized the amount of Judgment Currency so received to purchase the Currency of Denomination as promptly as practicable upon receipt thereof. The foregoing indemnity shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant Currency of Denomination that are documented and reasonable in light of market conditions at the time of such conversion.

12.8 Indemnification.

(a) In addition to any and all rights of reimbursement, indemnification, subrogation or any other rights pursuant to this Agreement or under law or in equity, the Borrower hereby agrees that it will pay, and will protect, indemnify, and hold harmless DOE, FFB, each other governmental agency and instrumentality of the United States and each other holder or holders of the Notes or any portion thereof, the Collateral Trustee and their respective designees, agents and contractors, and all of their respective directors, officers and employees (each, an "Indemnified Person"), on an after-tax basis, from and against (and will reimburse each Indemnified Person as the same are incurred for) any and all losses, claims, damages, liabilities or other expenses (including, to the extent permitted by applicable Requirements of Law, the reasonable fees, disbursements and other charges of counsel but not including the expenses incurred by DOE in connection with the preparation, negotiation, execution and delivery of any Transaction Documents) to which such Indemnified Person may become subject arising out of or relating to any or all of the following (each, an "Indemnified Liability"): (i) the execution or delivery of this Agreement, any Transaction Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto or thereto of their respective obligations hereunder or thereunder or the consummation of the transactions

contemplated hereby or thereby, (ii) the enforcement or preservation of any rights under this Agreement, any Transaction Document or any agreement or instrument prepared in connection herewith or therewith, (iii) any Loan or the use or proposed use of the proceeds thereof, (iv) any actual or alleged presence or Release of Hazardous Substance, on, under or originating from any property owned, occupied or operated by the Borrower or any of its Affiliates, or any environmental liability related in any way to the Borrower or any of its Affiliates or any of its properties, or (v) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by any third party or by the Borrower or any of its Affiliates or otherwise, and regardless of whether any Indemnified Person is a party thereto, such items (i) through (v) including, to the extent permitted by applicable Requirements of Law, the fees of counsel selected by such Indemnified Person incurred in connection with any investigation, litigation or other proceeding or in connection with enforcing the provisions of this Section 12.8, *provided* that the Borrower shall not have any obligation under this Section 12.8 to any Indemnified Person with respect to Indemnified Liabilities to the extent (i) they arise from the gross negligence or willful misconduct of such Indemnified Person or a material breach of such Indemnified Person's obligations hereunder (as determined pursuant to a final, non-appealable judgment by a court of competent jurisdiction) or (ii) the alleged Indemnified Liability arises out of any actual or alleged presence or Release of Hazardous Substance, on, under or originating from the Los Angeles Property and either the Indemnified Person is the United States federal agency that is a former owner or operator of the Los Angeles Property or the Indemnified Person's liability arises out of its relationship with that United States federal agency rather than through the Borrower, its Subsidiaries, the Projects or the Loan Documents. Any claims under this Section 12.8 in respect of any Indemnified Liabilities are referred to herein, collectively, as "Indemnity Claims".

(b) All sums paid and costs incurred by any Indemnified Person with respect to any matter indemnified hereunder shall bear interest at the Late Charge Rate applicable to Advances made under the Funding Agreements as set forth in Section 12.8(f), and all such sums and costs shall be added to the Note P Secured Obligations and the Note S Secured Obligations, as applicable, and be secured by the Security Documents and shall be immediately due and payable on demand. Each such Indemnified Person shall promptly notify the Borrower in a timely manner of any such amounts payable by the Borrower hereunder, *provided* that any failure to provide such notice shall not affect the Borrower's obligations under this Section 12.8.

(c) Each Indemnified Person within ten days after the receipt by it of notice of the commencement of any action for which indemnity may be sought by it, or by any Person controlling it, from the Borrower on account of the agreements contained in this Section 12.8, shall notify the Borrower in writing of the commencement thereof, but the failure of such Indemnified Person to so notify the Borrower of any such action shall not release the Borrower from any liability that it may have to such Indemnified Person.

(d) To the extent that the undertaking in the preceding clauses of this Section 12.8 may be unenforceable because it is violative of any law or public policy, and

to provide for just and equitable contribution in the event of any such unenforceability (other than due to application of this Section 12.8), the Borrower shall contribute the maximum portion that it is permitted to pay and satisfy under Requirements of Law to the payment and satisfaction of such undertakings, on the basis of the relative fault of the Borrower, on the one hand, and the Indemnified Person, on the other hand.

(e) The provisions of this Section 12.8 shall survive foreclosure under the Security Documents and satisfaction or discharge of the Secured Obligations, and shall be in addition to any other rights and remedies of any Indemnified Person.

(f) Any amounts payable by the Borrower pursuant to this Section 12.8 shall be payable within the later to occur of (i) ten (10) Business Days after the Borrower receives an invoice for such amounts from any applicable Indemnified Person, and (ii) five (5) Business Days prior to the date on which such Indemnified Person expects to pay such costs on account of which the Borrower's indemnity hereunder is payable, and if not paid by such applicable date shall bear interest at the Late Charge Rate from and after such applicable date until paid in full.

(g) The Borrower shall be entitled, at its expense, to participate in the defense of any Indemnity Claim, provided that such Indemnified Person shall have the right to retain its own counsel, at the Borrower's expense, and such participation by the Borrower in the defense thereof shall not release the Borrower of any liability that it may have to the applicable Indemnified Person. Any Indemnified Person against whom any Indemnity Claim is made shall be entitled, after consultation with the Borrower and upon consultation with legal counsel wherein such Indemnified Person is advised that such Indemnity Claim is meritorious, to compromise or settle any such Indemnity Claim, provided that, with respect to settlements relating to an Indemnified Liability of $5,000,000 or more, the Borrower shall not be liable for any such compromise or settlement effected without its prior written consent (not to be unreasonably withheld) unless, in the case of an Indemnified Person that is a branch or agency of the United States federal government only, (i) such Indemnified Person is required by law (other than any regulation issued by DOE or FFB, unless DOE or FFB, as the case may be, is required pursuant to applicable law to issue regulations requiring it to compromise or settle such Indemnity Claim) to compromise or settle such Indemnity Claim, (ii) such Indemnified Person shall have provided a legal opinion to the Borrower from DOE's Office of the General Counsel or the United States Department of Justice or outside counsel reasonably acceptable to the Borrower that such Indemnified Person is required by law to compromise or settle such Indemnity Claim and (iii) such settlement or compromise is reasonable in light of the defenses available to such Indemnified Person and the probability of such Indemnified Person prevailing at trial. Any such compromise or settlement shall be binding upon the Borrower for purposes of this Section 12.8.

(h) Upon payment of any Indemnity Claim by the Borrower pursuant to this Section 12.8, the Borrower, without any further action, shall be subrogated to any and all claims that the applicable Indemnified Person may have relating thereto, and such Indemnified Person shall at the request and expense of the Borrower cooperate with the

Borrower and give at the request and expense of the Borrower such further assurances as are necessary or advisable to enable the Borrower vigorously to pursue such claims.

(i) No Indemnified Person shall be obliged to pursue first any recovery under any other indemnity or reimbursement obligation before seeking recovery under the indemnification and reimbursement obligations of the Borrower under this Agreement.

(j) If and to the extent that DOE (i) shall be fully paid in cash or immediately-available funds by the Borrower for any Reimbursement Obligations in respect of any payments of Reimbursement Amounts, DOE shall not be entitled to be indemnified in respect of such payments under this Section 12.8 and (ii) shall be fully paid in cash or immediately available funds in respect of any Indemnified Liability pursuant to this Section 12.8, DOE shall not be entitled to be reimbursed under Section 4.1 for such Indemnified Liability, *provided* that in the event that DOE shall be entitled at any time to seek reimbursement and indemnification in respect of any item pursuant to both Section 4.1 and this Section 12.8, then DOE shall be entitled to be paid, and may elect, in its sole and absolute discretion, to seek recovery, under either of such sections, either sequentially, concurrently or in the alternative, and *provided further* that in the event that any amount that DOE shall be entitled to be paid under either Section 4.1 or this Section 12.8, as applicable, shall not be equal to the amount that DOE is entitled to be paid under the other such section, then DOE shall be entitled to be paid the lesser amount under either applicable section, at its option as set forth in the preceding proviso, and DOE shall be entitled to be paid the excess amount under the applicable section.

12.9 Limitation on Liability. No claim shall be made by the Borrower or any of its Affiliates against any Lender Party or any of their respective Affiliates, directors, employees, attorneys or agents for any special, indirect, consequential or punitive damages (whether or not the claim therefor is based on contract, tort or duty imposed by law), in connection with, arising out of or in any way related to the transactions contemplated by this Agreement or the other Loan Documents or any act or omission or event occurring in connection therewith; and the Borrower hereby waives, releases and agrees not to sue upon any such claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

12.10 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

(b) The Borrower may not assign or otherwise transfer (whether by operation of law or otherwise) any of its rights or obligations under this Agreement or under any other Loan Document without the prior written consent of DOE and/or FFB, as the case may be.

(c) FFB may assign any or all of its rights, benefits and obligations under the Loan Documents and with respect to the Collateral in accordance with the

provisions of the Funding Agreements; *provided* that such assignee, by accepting the benefits of this Agreement and the other Loan Documents, (x) hereby irrevocably designates and appoints DOE to act as its agent hereunder and under the Loan Documents, (y) hereby irrevocably authorizes DOE to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are necessary or appropriate, as determined by DOE, under the Loan Documents and (z) hereby authorizes DOE to enter into all such amendments or modifications of any Loan Document on behalf of such assignee and or grant all waivers as are necessary or appropriate, as determined by DOE, under the Loan Documents (other than amendments to the Note, which amendments shall also require the consent of such assignee), provided further, however, that (i) neither DOE nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (A) liable to any assignee for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document or (B) responsible in any manner to any assignee for any recitals, statements, representations or warranties made by any Obligor or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by DOE under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Obligor party thereto to perform its obligations hereunder or thereunder and (ii) DOE may conclusively rely upon information supplied by FFB or such assignee in taking any action, or exercising any rights, in accordance with the terms of this Section 12.10.

12.11 Participations. FFB may from time to time sell or otherwise grant participations in any or all of its rights and obligations under the Loan Documents and with respect to the Collateral without the consent of the Borrower or any Collateral Trustee; *provided*, however, that, notwithstanding the foregoing, following the grant of any participation, FFB shall continue to remain fully liable for its duties and obligations hereunder and under the Note and the Borrower and the Lender Parties shall continue to deal solely and directly with FFB in connection with FFB's rights and obligations under this Agreement and the other Loan Documents.

12.12 Further Assurances and Corrective Instruments. To the extent permitted by Requirements of Law, the Borrower shall, upon the written request of DOE, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, within a reasonable period of such request, such amendments or supplements hereto, and such further instruments, and take such further actions, as may be necessary in DOE's reasonable judgment to effectuate the intention, performance and provisions hereof.

12.13 Reinstatement. Where any discharge is made in whole or in part, or any arrangement is made on the faith of, any payment, security or other disposition which is avoided or must be repaid, whether upon the insolvency, bankruptcy, liquidation or other similar proceeding or otherwise pursuant to any applicable Requirements of Law, the liability of the Borrower under this Agreement shall, to the fullest extent permitted under applicable Requirements of Law, continue as if there had been no such discharge or arrangement. DOE

shall be entitled to concede or compromise any claim that any such payment, security or other disposition is liable to avoidance or repayment.

12.14 Governing Law; Waiver Of Jury Trial.

(a) THIS AGREEMENT, AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, FEDERAL LAW AND NOT THE LAW OF ANY STATE OR LOCALITY. TO THE EXTENT THAT A COURT LOOKS TO THE LAWS OF ANY STATE TO DETERMINE OR DEFINE THE FEDERAL LAW, IT IS THE INTENTION OF THE PARTIES HERETO THAT SUCH COURT SHALL LOOK ONLY TO THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE RULES OF CONFLICTS OF LAWS.

(b) THE PARTIES HERETO EACH HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY TRANSACTION RELATED HERETO OR THERETO TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW.

12.15 Submission to Jurisdiction, Etc.

(a) Any legal action or proceeding against the Borrower with respect to or arising out of this Agreement or any other Loan Document may, to the fullest extent permitted by applicable law, be brought in or removed to the U.S. District Court for the District of Columbia or any other federal court of competent jurisdiction in any other jurisdiction where the Borrower or any of its property may be found. By execution and delivery of this Agreement, the Borrower accepts, for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid court for legal proceedings arising out of or in connection with this Agreement or any other Loan Document. The Borrower hereby waives, to the fullest extent permitted by applicable law, any right to stay or dismiss any action or proceeding under or in connection with this Agreement or any other Loan Document brought before the foregoing courts on the basis of forum non-conveniens or improper venue. The Borrower agrees that a judgment obtained in any such action may be enforced in any other federal court of competent jurisdiction, by suit upon such judgment, a certified copy of which shall be conclusive evidence of the judgment and of the fact and of the amount of its obligation.

(b) The Borrower hereby agrees that process may be served on it by certified mail, return receipt requested, to its address as specified in Section 12.5 and that such mailing is sufficient to confer personal jurisdiction over the Borrower in any proceeding in any court referred to in Section 12.15(a) and otherwise constitutes effective and binding service in every respect. Nothing in this Section 12.15 shall affect the right of DOE to serve process in any other manner permitted by law.

12.16 Entire Agreement. This Agreement and the other Loan Documents constitute the entire agreement and understanding, and supersede all prior agreements and

understandings (both written and oral), between the parties hereto with respect to the subject matter hereof and thereof.

12.17 Benefits of Agreement. Nothing in this Agreement or any other Loan Document, express or implied, shall give to any Person, other than the parties hereto, FFB, each subsequent holder of any Note or any portion thereof and the Collateral Trustee (and, with respect to Section 12.8 only, the Indemnified Persons), and their respective successors and permitted assigns hereunder or thereunder, any benefit or any legal or equitable right or remedy under this Agreement.

12.18 Headings. Paragraph headings have been inserted in the Loan Documents as a matter of convenience for reference only and it is agreed that such paragraph headings are not a part of the Loan Documents and shall not be used in the interpretation of any provision of the Loan Documents.

12.19 Counterparts. This Agreement may be executed in counterparts of the parties hereof, and each such counterpart shall be considered an original and all such counterparts shall constitute one and the same instrument. The parties may deliver such counterparts by facsimile or electronic transmission in Electronic Format. Each party hereto agrees to deliver a manually executed original promptly following such facsimile or electronic transmission.

12.20 No Partnership; Etc. The Lender Parties and the Borrower intend that the relationship between them shall be solely that of creditor and debtor. Nothing contained in this Agreement or in any other Loan Document shall be deemed or construed to create a partnership, tenancy-in-common, joint tenancy, joint venture or co-ownership by, between or among the Lender Parties and the Borrower or any other Person. The Lender Parties shall not be in any way responsible or liable for the indebtedness, losses, obligations or duties of the Borrower or any other Person with respect to the Projects or otherwise. All obligations to pay real property or other taxes, assessments, insurance premiums, and all other fees and expenses in connection with or arising from the ownership, operation or occupancy of any Project or any other assets of any Obligor and to perform all obligations under the agreements and contracts relating to any Project or any other assets of any Obligor shall be the sole responsibility of the Borrower.

12.21 Releases of Guarantees and Liens.

Annex 9.4

ADDITIONAL CONDITIONS TO PERMITTED EQUITY PROCEEDS INVESTMENTS

The following conditions apply to any Permitted Equity Proceeds Investment, in addition to those set forth in Section 9.4(m).

(a) Such Investment does not and will not divert resources of the Borrower or any of its Subsidiaries, or their respective management's time or attention, reasonably required to, as their top priority, achieve Final Completion of the Projects as soon as possible in a manner consistent with the Business Plan and, thereafter, operate the Projects profitably during the term of the Loans.

(b) If such Investment is made or committed to be made prior to Final Completion of both Projects, the Borrower's Cash Equity after giving effect to such Investment and any commitment to make such Investment is no less than one hundred forty percent (140%) of the amount required to be maintained under Section 2.8(c) to satisfy the Cash Equity Condition, taking into account, among other things, the following:

(i) the reasonably expected liquidity impact of owning such Investment (and any outstanding, planned or expected other Permitted Equity Proceeds Investments) throughout Final Completion of both Projects;

(ii) any encumbrance or restrictions under the agreements relating to such Investment on the ability of any Subsidiary to make Restricted Payments or payments in respect of Indebtedness, make loans, advances or other credit extensions or transfer any of its assets to the Borrower or any other Subsidiary; and

(iii) any planned or expected other Permitted Equity Proceeds Investments.

(c) The liquidity of the Borrower and each of its Subsidiaries after giving effect to such Investment and any commitment to make such Investment is reasonably expected to be sufficient to satisfy their respective liquidity needs during the term of the Loans, taking into account, among other things, the following:

(i) the reasonably expected liquidity impact of owning such Investment (and any existing, planned or expected other Permitted Equity Proceeds Investments) throughout such term;

(ii) any encumbrance or restrictions under the agreements relating to such Investment on the ability of any Subsidiary to make Restricted Payments or

payments in respect of Indebtedness, make loans, advances or other credit extensions or transfer any of its assets to the Borrower or any other Subsidiary; and

(iii) any planned or expected other Permitted Equity Proceeds Investments).

(d) Both before and after giving effect to such Investment, the Borrower is in compliance on a Pro Forma Basis with each of the covenants set forth on Annex 9.1 that are applicable at the time such Investment is made for the period referred to in the definition of Pro Forma Basis and is projected to be in compliance with such financial covenants for the four fiscal quarter period ending one year later.

(e) No Indebtedness or Liens of the Borrower or any Subsidiary (including any Subsidiary acquired pursuant to such Investment) is incurred, created, assumed or permitted to exist in connection with or as a result of such Investment (including any Indebtedness in the nature of acquisition financing, assumption of debt whether or not created in contemplation of such Investment, deferred purchase price, earn-outs or obligations of partnerships in which any such Investment is made) except to the extent permitted pursuant to Section 9.2 or 9.3, as applicable.

(f) Neither the Borrower nor any Subsidiary, as a result of or in connection with any such Investment or any commitment to make such Investment, has created, assumed or incurred or will create, assume or incur any direct or contingent liabilities that are not of a type created, assumed or incurred in the ordinary course of business or that could reasonably be expected, as of the date such Investment is made or as of the date of any commitment to make such Investment, to result in the existence or occurrence of a Material Adverse Effect.

(g) All transactions related to such Investment have been or will be consummated in all material respects in accordance with applicable Requirements of Law.

(h) Such Investment has not been preceded by, or effected pursuant to, a hostile offer by the Borrower (or any Subsidiary or Affiliate thereof).

(i) All actions required under Section 7.6 with respect to such Investment shall have been or will, at the time such Investment is made, be taken (without regard to any time period provided in Section 7.6 within which such actions are required to be completed), or such longer period as DOE may agree to in writing.

(j) Such actions required under Section 7.6, including the grant in favor of the Collateral Trustee of a First Priority security interest in all property and assets acquired by the Borrower or any Guarantor pursuant to such Investment, and in all property and assets owned by any Domestic Subsidiary acquired pursuant to such Investment, will not violate, contravene or result in any breach or constitute any default, or result in or require

the creation of any Lien on any of the revenues, properties or assets of the Borrower, any Guarantor or such Domestic Subsidiary under any agreements related to such Investment (including joint venture agreements and shareholder agreements), subject to customary rights of any party to such agreements that would be applicable solely upon a foreclosure of such security interest.

(k) Prior to or concurrently with the making of such Investment, DOE shall have received, by an Acceptable Delivery Method, a certificate duly executed and delivered by a Responsible Officer of the Borrower confirming that such Investment constitutes a Permitted Equity Proceeds Investment and setting forth in reasonable detail the facts demonstrating the same.

[FORM OF] COLLATERAL ACCESS AGREEMENT
(Landlord)

THIS COLLATERAL ACCESS AGREEMENT (this "Agreement"), dated as of [_____], 20[__] by and among [_____] (the "Landlord"), MIDLAND LOAN SERVICES, INC., a Delaware corporation (the "Collateral Trustee"), in its capacity as collateral trustee for the benefit of the United States Department of Energy, an agency of the United States of America ("DOE") and other Secured Parties (including, without limitation, the Federal Financing Bank, an instrumentality of the United States government created by the Federal Financing Bank Act of 1973 that is under the general supervision of the Secretary of the Treasury) named in the Loan Documents (hereinafter defined), and TESLA MOTORS, INC., a Delaware corporation (the "Company").

RECITALS

A. WHEREAS, the undersigned is the landlord under that certain Lease Agreement, dated as of [_____], 20[__] (the "Lease"), between the Landlord and the Company, as tenant. The Lease covers certain premises more particularly described on Exhibit A attached hereto and incorporated herein by this reference (the "Premises"). The Landlord is the owner of the indefeasible, fee simple title to the Premises.

B. WHEREAS, the Company, is party to a Loan Arrangement and Reimbursement Agreement, dated January 20, 2010 (as amended, supplemented or otherwise modified from time to time, the "Arrangement Agreement" and, together with any other document entered into in connection therewith or the transactions contemplated thereby, as any of the same may be amended, supplemented or otherwise modified from time to time, collectively, the "Loan Documents") with DOE pursuant to DOE's Advanced Technology Vehicles Manufacturing Incentive Program authorized by Section 136 of the Energy Independence and Security Act of 2007, as amended from time to time; and

C. WHEREAS, as a condition to DOE's arranging the financing for the Company pursuant to the Arrangement Agreement, each of the Company and certain of its subsidiaries has granted to the Collateral Trustee a security interest in all of its right, title and interest in, to and under all of its assets, including, without limitation, its inventory, work in process, accounts receivable, accounts, contract rights, general intangibles, goods, merchandise, equipment, chattel paper, instruments, contract rights, permits, software, books and records, investment property, intellectual property, documents, equipment, machinery, fixtures, furnishings, tools, furniture and trade fixtures now owned or hereafter acquired, and all additions, modifications, alterations, improvements, upgrades, accessions, components, parts, appurtenances, substitutions and/or replacements of, to or for any of the foregoing, and all proceeds and products of the same (all such assets and personal property, the "Encumbered Property").

NOW, THEREFORE, in consideration of the premises and covenants herein contained and as an inducement to DOE to enter into the Arrangement Agreement and the other Loan

Documents and to arrange the loans and provide other financial accommodations to the Company thereunder, the parties hereto agree as follows:

1. Landlord represents to Collateral Trustee, with the understanding that DOE is relying on such representations in arranging the loans under the Arrangement Agreement, that:

a. The Lease is in full force and effect, creates a valid and subsisting leasehold interest and estate in and to the Premises, is enforceable in accordance with its terms and has not been modified or amended.

b. The Lease embodies the entire agreement between the Landlord and the Company with respect to the construction, occupancy and use of the Premises. There are no other agreements or understandings between the Landlord and the Company with regard to the construction, occupancy or use of the Premises, and no other agreements or understandings whatsoever between the Landlord and the Company pertaining in any way to the Premises except for the Lease.

c. Rent is payable under the Lease at a rate calculated as provided in the Lease. The Company has no monetary obligation to the Landlord in respect of the use or occupancy of the Premises except for the rent and other charges specifically set forth in the Lease. All rent and other charges due and payable under the Lease through all periods through and including the date hereof have been paid in full.

d. The term of the Lease commenced upon [_____], 20[__] and is scheduled to expire on [_____], 20[__] (other than to the extent termination rights may be available under the Lease).

e. To the knowledge of the undersigned, there are no uncured defaults, breaches or events of default by the Company in the observance or performance of any of its obligations, or facts or circumstances which would, with the passage of time or the delivery of notice, or both, constitute a default, breach or event of default thereunder.

2. The Landlord acknowledges that the Company has entered into the Arrangement Agreement and the other Loan Documents and agrees that the transactions contemplated thereby will not result in a default under the Lease.

3. The Landlord acknowledges that DOE has entered into various financing arrangements with the Company pursuant to the Arrangement Agreement and the other Loan Documents and, as a condition thereto, the Company has granted to the Collateral Trustee for the benefit of the Secured Parties a security interest in all of the Company's right, title and interest in, to and under the Encumbered Property, which may include fixtures that become a part of the Premises demised under the Lease. The Landlord acknowledges the validity of the liens in favor of the Collateral Trustee for the benefit of the Secured Parties on the Encumbered Property and, until such time as the obligations of the Company to DOE under the Loan Documents are paid in full in cash, the Landlord agrees to subordinate any interest it may now or hereafter have in the Encumbered Property including, without limitation, any and all existing liens, whether

contractual or statutory, in favor of the Landlord, and agrees not to distrain or levy upon any Encumbered Property or to assert any landlord lien, right of distraint or other claim against the Encumbered Property for any reason.

4. The Landlord hereby agrees to deliver written and electronic notice to the Collateral Trustee, with a copy to DOE, of any default or event of default by the Company under the Lease, which notice shall specifically describe each alleged default or event of default of the Company, including, without limitation, if any such default or event of default by the Company is a failure to pay any of the Company's monetary obligations under the Lease and, if so, the exact amount owed by the Company to the Landlord. Unless required by applicable law, all notices, requests, demands or other communications given to the Collateral Trustee or DOE (or its designees) shall be given in writing (including by facsimile or electronic transmission) and shall be deemed to have been duly given when (i) delivered by hand, if signed for by or on behalf of the receiving party, (ii) if delivered by mail, three (3) Business Days after being deposited in the mail, postage prepaid, (iii) if deposited with an internationally recognized overnight courier service for overnight delivery to the receiving party, one (1) Business Day after being deposited with such service, (iv) if delivered by facsimile transmission, when receipt thereof has been confirmed by telephone or facsimile by the receiving party, and (v) if transmitted electronically, upon receipt of electronic, telephone or facsimile confirmation of the recipient's receipt thereof, in each case when sent to the relevant party at the facsimile number or address set forth below, or, at such other facsimile number or address as shall be designated by such party in a written notice to each other party hereto.

5. Upon a termination of the Lease, Landlord will permit the Collateral Trustee and its representatives and invitees to occupy and remain on the Premises; provided that such period of occupation (the "Disposition Period") shall not exceed one hundred days (120) days following receipt by the Collateral Trustee of a written notice of such termination or, if the Lease has expired by its own terms (absent a default thereunder), sixty (60) days following the Collateral Trustee's receipt of written notice of such expiration. If any injunction or stay is issued that prohibits the Collateral Trustee from removing the Encumbered Property, the commencement of the Disposition Period will be deferred or the expiration of the Disposition Period shall be tolled, as the case may be, until such injunction or stay is lifted or removed.

6. At any time during the term of the Lease or the Disposition Period, the Collateral Trustee and its representatives and invitees may inspect, repossess, remove and otherwise deal with the Encumbered Property, and the Collateral Trustee may advertise and conduct public auctions or private sales of the Encumbered Property at the Premises, in each case without interference by Landlord or liability of the Collateral Trustee to Landlord. During the Disposition Period, the Collateral Trustee shall make the Premises available for inspection by Landlord and prospective tenants and shall cooperate in Landlord's reasonable efforts to re-lease the Premises. If the Collateral Trustee conducts a public auction or private sale of the Encumbered Property at the Premises, the Collateral Trustee shall use reasonable efforts to notify Landlord first and to hold such auction or sale in a manner which would not unduly disrupt Landlord's or any other tenant's use of the Premises.

7. The Landlord represents and warrants to the Collateral Trustee that the Encumbered Property is not subject to any lien or claim in favor of any mortgagee of the Premises and the Landlord agrees that any future mortgage or lien in favor of any mortgagee of the Premises will not create a security interest or lien against the Encumbered Property.

8. In no event shall the Collateral Trustee be: (a) liable or responsible for any act or omission of the Company that occurred prior to the Collateral Trustee's taking possession of the Premises; (b) subject to any claims or defenses which the Landlord might have against the Company; (c) liable or responsible for any rent due under the Lease (or any use or occupancy

charge in lieu thereof) or any default by the Company under the Lease, or obligated to cure any prior default by the Company under the Lease; (d) liable or responsible for any agreement of the Company to indemnify or defend the Landlord, or to reimburse the Landlord for any sums expended by the Landlord; (e) bound by any amendment to the Lease not approved by the Collateral Trustee in writing; or (f) required to occupy or operate in, or to cause tenants to occupy or operate in, the Premises.

9. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICTS OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

10. THE PARTIES HERETO EACH HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY TRANSACTION RELATED HERETO OR THERETO TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW.

11. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns. Any right of Collateral Trustee provided for in this Agreement may be exercised by DOE or any department or instrumentality of the United States of America, or by any successor collateral trustee or agent, on behalf of the Secured Parties.

12. Any party hereto shall have the right to record this Agreement and no such recording shall be an event of default under the Lease.

IN WITNESS WHEREOF, this Collateral Access Agreement has been executed and delivered as of the date first above written.

[FORM OF] BLOCKED ACCOUNT CONTROL AGREEMENT

This Blocked Account Control Agreement, dated as of [_____], 20[__] (this "Agreement") among TESLA MOTORS, INC., a Delaware corporation (the "Debtor"), PNC BANK, NATIONAL ASSOCIATION, a national banking association, in its capacity as a "securities intermediary" as defined in Section 8-102 of the UCC (in such capacity, the "Financial Institution"), and MIDLAND LOAN SERVICES, INC., a Delaware corporation, as collateral trustee (in such capacity, the "Collateral Trustee") under the Collateral Trust Agreement, dated as of January 20, 2010, among the Debtor, the other grantors party thereto and the Collateral Trustee for the benefit of the United States Department of Energy ("DOE") and the other secured parties referred to therein. All references herein to the "UCC" shall mean the Uniform Commercial Code as in effect in the State of New York.

ARTICLE I
THE BLOCKED ACCOUNT

1.1 Establishment of Blocked Account. The Financial Institution hereby confirms and agrees that:

(a) the Financial Institution has established account number [IDENTIFY ACCOUNT NUMBER] in the name "ATVM Tesla [Dedicated] [Initial Debt Service] Account" (such account and any successor account, the "Blocked Account") [containing subaccounts entitled "Equity Proceeds Subaccount", "Project P Interim True-Up Subaccount", "Project S Interim True-Up Subaccount", "Project P Designated Overrun Subaccount", "Project S Designated Overrun Subaccount" and "Investment Earnings Subaccount" and such other subaccounts as may be required][1];

(b) the Financial Institution shall not change the name or account number of the Blocked Account without prompt written notice to the Collateral Trustee;

(c) all funds and securities underlying any financial assets credited to the Blocked Account shall be registered in the name of the Financial Institution, indorsed to the Financial Institution or in blank or credited to another securities account maintained in the name of the Financial Institution and in no case will any financial asset credited to the Blocked Account be registered in the name of the Debtor, payable to the order of the Debtor or specially indorsed to the Debtor except to the extent the foregoing have been specially indorsed to the Financial Institution or in blank;

(d) All funds and securities delivered to the Financial Institution by the Debtor will be promptly credited to the Blocked Account; and

(e) the Blocked Account is a "securities account" within the meaning of Section 8-501 of the UCC.

---

[1] Use bracketed language for Dedicated Account only.

1.2 Control of the Blocked Account. Subject to Section 5.3, if the Financial Institution shall receive any entitlement orders originated by the Collateral Trustee directing the disposition of funds or transfer or redemption of any financial asset relating to the Blocked Account, the Financial Institution shall comply with such entitlement orders without further consent by the Debtor or any other person. The Financial Institution hereby acknowledges that it has received notice of the security interest of the Collateral Trustee in the Blocked Account and hereby acknowledges and consents to such lien. If the Debtor is otherwise entitled to issue entitlement orders and such entitlement orders conflict with any entitlement orders issued by the Collateral Trustee, the Financial Institution shall follow the entitlement orders issued by the Collateral Trustee.

1.3 "Financial Assets" Election. The Financial Institution hereby agrees that each item of property (including, without limitation, any financial asset, security, instrument or cash) credited to the Blocked Account shall be treated as a "financial asset" within the meaning of Section 8-102(a)(9) of the UCC.

ARTICLE II
SUBORDINATION AND WAIVER

2.1 Subordination of Lien; Waiver of Set-Off. In the event that the Financial Institution has or subsequently obtains by agreement, by operation of law or otherwise a security interest in the Blocked Account or any financial assets credited thereto, the Financial Institution hereby agrees that such security interest shall be subordinate to the security interest of the Collateral Trustee. The Financial Assets credited to the Blocked Account will not be subject to deduction, set-off, banker's lien, or any other right in favor of any person other than the Collateral Trustee (except that the Financial Institution may set off (i) all unpaid amounts due to the Financial Institution in respect of customary fees and expenses for the routine maintenance and operation of the Blocked Account and (ii) the face amount of any checks which have been credited to such Blocked Account but are subsequently returned unpaid because of uncollected or insufficient funds).

ARTICLE III
CONFLICTS AND ADVERSE CLAIMS

3.1 Conflict with Other Agreements.

(a) With respect to the matters set forth herein, in the event of any conflict between this Agreement (or any portion thereof) and any other agreement now existing or hereafter entered into relating to the subject matter hereof, the terms of this Agreement shall prevail.

(b) The Financial Institution hereby confirms and agrees that:

(i) it has not entered into, and until the termination of this Agreement, will not enter into, any agreement with any other person relating to the Blocked Account and/or any financial assets credited thereto pursuant to which it has agreed to comply with entitlement orders originated by such persons; and

(ii) it has not entered into, and until the termination of this Agreement, will not enter into, any agreement with the Debtor or the Collateral Trustee purporting to limit or condition the obligation of the Financial Institution to comply with entitlement orders as set forth in this Agreement.

(c) The Financial Institution shall not make, be required to make, or be liable in any manner for its failure to make, any determination under any other agreement between the Debtor, the Collateral Trustee and DOE, including any determination as to whether any party thereto has complied with the terms of such agreement or is entitled to payment or to exercise any other right or remedy thereunder.

3.2 Adverse Claims. Except for the claims and interest of the Collateral Trustee and of the Debtor in the Blocked Account, the Financial Institution has not received notice of any liens, claims or encumbrances relating to the Blocked Account or any financial assets credited thereto. If any person asserts any lien, encumbrance or adverse claim (including any writ, garnishment, judgment, warrant of attachment, execution or similar process) against the Blocked Account or any financial assets credited thereto, the Financial Institution will promptly notify the Collateral Trustee and the Debtor thereof.

ARTICLE IV
MAINTENANCE OF BLOCKED ACCOUNT

In addition to, and not in lieu of, the obligation of the Financial Institution to honor entitlement orders as set forth in Section 1.2 hereof, the Financial Institution agrees to maintain the Blocked Account as follows:

4.1 Sole Control. Subject to Sections 4.4, 4.5 and 5.3, the Financial Institution agrees that it will take all instruction with respect to the Blocked Account solely from the Collateral Trustee.

4.2 Statements and Confirmations.

(a) The Financial Institution will promptly send copies of all notifications described in Article III, account statements and other correspondence concerning the Blocked Account and/or any financial assets credited thereto simultaneously to each of the Debtor and the Collateral Trustee at the address for each set forth in Section 5.3 of this Agreement, including monthly statements listing all securities transactions, receipts and disbursements during the applicable month, together with a current listing of all financial assets held in the Blocked Account.

(b) The Debtor and the Collateral Trustee acknowledge that Federal Regulations require the Financial Institution, without charge and within one (1) business day of its receipt of a broker/dealer confirmation for each security transaction in the Blocked Account to forward to the Debtor a written notification which discloses, among other things: the Financial Institution's name, the Debtor's name, the capacity or capacities in which the Financial Institution is acting, the date (and time, within a reasonable period, upon written request of Debtor) of execution, the identity, price,

number of shares or units or principal amount of debt securities purchased or sold by Debtor, the name of the broker/dealer, the amount of any remuneration received by such broker/dealer from the Debtor and the amount of any remuneration received by the Financial Institution. The Debtor agrees that the period statements described in clause (a) above shall satisfy the Financial Institution's obligation to provide the written notification under this clause (b); *provided* that, upon request, the Financial Institution will provide to the Debtor (with copies to the Collateral Trustee), within a reasonable time and at the Financial Institution's sole expense, all additional information as may be required by Federal Regulations.

4.3 Tax Reporting. All items of income, gain, expense and loss recognized in the Blocked Account, shall be reported to the Internal Revenue Service (and all state and local taxing authorities, to the extent such state and local reporting is otherwise made by Financial Institution) under the name and taxpayer identification number of the Debtor.

4.4 Withdrawal Requests. If the Debtor requests withdrawal of funds from the Blocked Account, the Financial Institution shall honor such request only if the Financial Institution has received a request substantially in the form attached to this Agreement as Exhibit A which has been signed by a Responsible Officer of the Borrower and has been countersigned by DOE (a "Withdrawal Request"). The parties agree that no securities may be withdrawn from the Blocked Account.

4.5 Transfer Requests. If the Debtor requests transfer of funds from the subaccounts within the Blocked Account into another subaccount within the Blocked Account or into the securities account in the name "ATVM Tesla Initial Debt Service Account" with number [_____], the Financial Institution shall honor such request only if the Financial Institution has received a request substantially in the form attached to this Agreement as Exhibit B which has been signed by a Responsible Officer of the Borrower (a "Transfer Request"). The parties agree that no securities may be transferred from the Blocked Account.

4.6 Permitted Investments. The Debtor shall direct the Financial Institution with respect to the selection of investments to be made for the Blocked Account; *provided, however*, all investments shall be of a type described on Exhibit D hereto. Unless otherwise instructed by the Collateral Trustee, the Financial Institution shall cause all interest and investment earnings on the Blocked Account to be deposited into the Investment Earnings Subaccount.

ARTICLE V
MISCELLANEOUS

5.1 Limitations of Financial Institution's Liability.

(a) The Debtor and the Collateral Trustee hereby agree that the Financial Institution is released from any and all liabilities to the Debtor and the Collateral Trustee arising from the terms of this Agreement and the compliance of the Financial Institution with the terms hereof, except to the extent that such liabilities arise from the Financial Institution's gross negligence or gross willful misconduct.

(b) The Debtor, its successors and assigns shall at all times indemnify and save harmless the Financial Institution from and against any and all claims, actions and suits of others arising out of the terms of this Agreement or the compliance of the Financial Institution with the terms hereof, except to the extent that such arises from the Financial Institution's gross negligence or willful misconduct, and from and against any and all liabilities, losses, damages, costs, charges, counsel fees and other expenses of every nature and character arising by reason of the same, until the termination of this Agreement. The provisions of this Section 5.1(b) shall survive the termination of this Agreement and the resignation or removal of the Financial Institution.

(c) Should any dispute arise with respect to this Agreement or the Blocked Account, whether such dispute arises between the parties hereto and others, or between the parties hereto themselves, it is understood and agreed that the Financial Institution may petition (by means of an interpleader or any other appropriate measure) any court of competent jurisdiction for instructions with respect to such dispute and the other parties hereto will hold the Financial Institution harmless and indemnify it against all consequences and expenses that may be incurred by the Financial Institution in connection therewith, which indemnity shall survive the termination of this Agreement or the resignation or removal of Financial Institution.

(d) In the administration of its powers and duties hereunder, the Financial Institution may execute any of its powers and perform its duties hereunder directly or through agents or attorneys and may consult with counsel, including in-house counsel, accountants and other skilled persons to be selected and retained by it. The Financial Institution shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled persons, including in-house counsel.

(e) Anything in this Agreement to the contrary notwithstanding, in no event shall the Financial Institution be liable for special, indirect, incidental, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Financial Institution has been advised of the likelihood of such loss or damage and regardless of the form of action.

5.2 Termination.

(a) The Financial Institution may terminate this Agreement on thirty (30) days' prior written notice to Collateral Trustee and the Debtor. The Collateral Trustee may terminate this Agreement by written notice to the Financial Institution and the Debtor. The Debtor may not terminate this Agreement.

(b) The obligations of the Financial Institution to the Collateral Trustee pursuant to this Agreement shall continue in effect until the security interest of the Collateral Trustee in the Blocked Account has been terminated and the Collateral Trustee has notified the Financial Institution of such termination in writing, countersigned by DOE.

(c) The Collateral Trustee agrees to provide Notice of Termination in substantially the form of Exhibit C hereto to the Financial Institution upon the request of the Debtor on or after the termination of the Collateral Trustee's security interest in the Blocked Account.

(d) On or within two (2) Business Days (or such longer period as the Collateral Trustee may agree in writing) of the effective date of a termination of this Agreement by the Financial Institution pursuant to Section 5.2(a), the Financial Institution agrees to transfer all funds and property in the Blocked Account, less any amounts then owing to Financial Institution, to such party and account as shall be directed by the Collateral Trustee in writing, countersigned by DOE.

(e) The termination of this Agreement shall not terminate the Blocked Account or alter the obligations of the Financial Institution to the Debtor pursuant to any other agreement with respect to the Blocked Account.

5.3 Notices. Except to the extent otherwise required by applicable law, all notices, reports, requests and demands to or upon the respective parties hereto shall not be effective unless given or made in writing (including by facsimile or electronic transmission, which facsimile or electronic transmission shall, upon request of the Collateral Trustee, be followed by an executed original of such writing) and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when (i) delivered by hand, if signed for by or on behalf of the receiving party, (ii) if delivered by mail, three (3) business days after being deposited in the mail, postage prepaid, (iii) if deposited with an internationally recognized overnight courier service for overnight delivery to the receiving party, one (1) business day after being deposited with such service, (iv) if delivered by facsimile transmission, when receipt thereof has been confirmed by telephone or facsimile by the receiving party, and (v) if transmitted electronically, upon receipt of electronic, telephone or facsimile confirmation of the recipient's receipt thereof, in each case when sent to the relevant party at the number or address set forth with respect to such person below:

As the Deputy General Counsel of the United States Department of Energy (the "*Department*"), I am familiar with (*i*) the Program Financing Agreement dated as of September 16, 2009 (the "*Program Financing Agreement*") between the Federal Financing Bank ("*FFB*") and the Secretary of Energy (the "*Secretary*") and the transactions contemplated thereby and (*ii*) the Secretary's Affirmation dated as of September 16, 2009 (the "*Secretary's Affirmation*") issued by the Secretary relating to: (*x*) Future Advance Promissory Note A dated September 16, 2009, issued by Ford Motor Company (the "*Borrower*"), a corporation organized and existing under the laws of the State of Delaware, to FFB in the maximum principal amount of $4,377,000,000; and (*y*) Future Advance Promissory Note B dated as of September 16, 2009, issued by the Borrower to FFB in the maximum principal amount of $1,560,000,000 (together, the "*Notes*"). Capitalized terms not defined herein have the meanings assigned to them in the Program Financing Agreement.

For the purposes of rendering this opinion, I (or members of my staff) have reviewed: (*i*) section 136 of the Energy Independence and Security Act of 2007 (Pub. L. No. 110-140, 121 Stat. 1492, 1514), as amended, including without limitation as amended by section 129(c) of the Consolidated Security, Disaster Assistance, and Continuing Appropriations Act, 2009 (Pub. L. No. 110-329, 122 Stat. 3574, 3578) ("*Section 136*") and the regulations promulgated thereunder, (*ii*) an executed original counterpart of the Program Financing Agreement, (*iii*) the executed original of the Secretary's Affirmation and (*iv*) the originals, or copies certified or otherwise identified to our satisfaction, of such other agreements, instruments, certificates, records, and other documents as in my judgment are necessary or appropriate to enable me to render the opinion expressed below.

This opinion is delivered to you pursuant to: (*i*) section 3.1.2 of the Program Financing Agreement; and (*ii*) section 3.3.2 of the Note Purchase Agreement dated as of September 16, 2009 (the "*Note Purchase Agreement*") by and among FFB, the Borrower and the Secretary.

Based on the foregoing and upon such further investigation as I have deemed necessary, I am of the opinion that:

1. The execution and delivery of the Program Financing Agreement on behalf of the Secretary, the consummation by the Department of the transactions contemplated thereby, and the performance by the Department of the Secretary's obligations thereunder are authorized by applicable law.

2. The execution and delivery of the Secretary's Affirmation on behalf of the Secretary, the consummation by the Department of the transactions contemplated thereby, and the performance by the Department of the Secretary's obligations thereunder are authorized by applicable law.

Failure on the part of FFB to deliver any billing statement or failure on the part of the Borrower to receive any billing statement shall not, however, relieve the Borrower of any of its payment obligations under the Note or this Agreement.

Section 9.3 FFB Billing Determinations Conclusive.

9.3.1 Acknowledgment and Consent. The Borrower acknowledges that FFB has described to it:

(a) the rounding methodology employed by FFB in calculating the amount of accrued interest owed at any time on each Note; and

(b) the methodology employed by FFB in calculating the equal principal installments payment schedule for amounts due and payable on each Note;

and the Borrower consents to these methodologies.

9.3.2 Agreement. The Borrower agrees that any and all determinations made by FFB shall, absent manifest error, be conclusive and binding upon the Borrower with respect to:

(a) the amount of accrued interest owed on each Note determined using this rounding methodology; and

(b) the amount of any equal principal installments payment due and payable on each Note determined using this methodology.

ARTICLE 10

PAYMENTS TO FFB

Each amount that becomes due and owing on each Note purchased under this Agreement shall be paid when and as due, as provided in the respective Note.

ARTICLE 11

SECRETARY'S RIGHT TO PURCHASE ADVANCES OR ANY NOTE

Notwithstanding the provisions of each of the Notes, the Borrower acknowledges that, under the terms of the Program Financing Agreement, the Secretary may purchase from FFB all or any portion of any Advance that has been made under any Note, or

may purchase from FFB any Note in its entirety, in the same manner, at the same price, and subject to the same limitations as shall be applicable, under the terms of such Note, to a prepayment by the Borrower of all or any portion of any Advance made under such Note, or a prepayment by the Borrower of such Note in its entirety, as the case may be.

ARTICLE 12

EFFECTIVE DATE, TERM, SURVIVAL

Section 12.3 Survival.

12.3.1 Representations, Warranties, and Certifications. Except to the extent waived by both FFB and the Secretary, all representations, warranties, and certifications made by the Borrower in this Agreement, or in any agreement, instrument, or certificate delivered pursuant hereto, shall survive the execution and delivery of this Agreement, the purchasing of the Notes hereunder, and the making of Advances thereunder.

12.3.2 Remainder of Agreement. Notwithstanding the occurrence and passage of the Last Day for an Advance, the remainder of this Agreement shall remain in full force and effect until all amounts owed under this Agreement and each of the Notes purchased by FFB under this Agreement have been paid in full.

Section 13.2 Amendments.

No provision of this Agreement may be amended, modified, supplemented, waived, discharged, or terminated orally but only by an instrument in writing duly executed by each of the parties hereto and consented to in writing by or on behalf of the Secretary.

Section 13.3 Successors and Assigns.

This Agreement shall be binding upon and inure to the benefit of each of FFB, the Borrower, and the Secretary, and each of their respective successors and assigns.

Section 13.4 Sale or Assignment of Note.

13.4.1 Sale or Assignment Permitted. FFB may sell, assign, or otherwise transfer all or any part of any Note or any participation share thereof; provided, however, that, notwithstanding the foregoing, following any such sale, assignment or transfer, FFB shall continue to be fully liable for its duties and obligations hereunder and under such Note.

(b) Sale, Etc., to Other Than a Federal Entity. In the case of any sale, assignment, or other transfer by FFB of all or any part of any Note or any participation share thereof to a purchaser, assignee, or transferee that is not an agency or instrumentality of the United States or a trust fund or other government account under the authority or control of the United States or any officer or officers thereof, FFB will deliver to the Borrower and the Department written notice of such sale, assignment, or other transfer at least 45 calendar days in advance of such sale, assignment, or other transfer.

13.4.3 Manner of Payment after Sale. Any sale, assignment, or other transfer of all or any part of any Note may provide that, following such sale, assignment, or other transfer, payments on such Note shall be made in the manner specified by the respective purchaser, assignee, or transferee, as the case may be.

13.4.4 Replacement Notes. The Borrower agrees:

Section 13.5 Forbearance Not a Waiver.

Any forbearance on the part of FFB from enforcing any term or condition of this Agreement shall not be construed to be a waiver of such term or condition or acquiescence by FFB in any failure on the part of Borrower to comply with or satisfy such term or condition.

Section 13.6 Rights Confined to Parties.

Nothing expressed or implied herein is intended or shall be construed to confer upon, or to give to, any Person other than FFB, the Borrower, and the Secretary, and their respective successors and permitted assigns, any right, remedy or claim under or by reason of this Agreement or of any term, covenant or condition hereof, and all of the terms, covenants, conditions, promises, and agreements contained herein shall be for the sole and exclusive benefit of FFB, the Borrower, and the Secretary, and their respective successors and permitted assigns.

FUTURE ADVANCE PROMISSORY NOTE
NOTE P

1. Promise to Pay.

FOR VALUE RECEIVED, TESLA MOTORS, INC. (the "Borrower", which term includes any successors or assigns), promises to pay the **FEDERAL FINANCING BANK** ("FFB"), a body corporate and instrumentality of the United States of America (FFB, for so long as it shall be the holder of this Note, and any successor or assignee of FFB, for so long as such successor or assignee shall be the holder of this Note, being the "Holder"), at the times, in the manner, and with interest at the rates to be established as hereinafter provided, such amounts as may be advanced from time to time by FFB to or for the account of the Borrower under this Note (each such amount being an "Advance" and more than one such amounts being "Advances").

2. **Reference to Certain Agreements.**

(a) Program Financing Agreement. This Note is one of the "Notes" referred to in, and entitled to the benefits of, the Program Financing Agreement dated as of September 16, 2009, made by and between FFB and the Secretary of Energy (the "Secretary") (such agreement, as it may be amended, supplemented, and restated from time to time in accordance with its terms, being the "Program Financing Agreement").

(b) Note Purchase Agreement. This Note is one of the "Notes" referred to in, and entitled to the benefits of, the Note Purchase Agreement dated as of even date herewith, made by and among FFB, the Borrower, and the Secretary (such agreement, as it may be amended, supplemented, and restated from time to time in accordance with its terms, being the "Note Purchase Agreement").

3. **Advances; Advance Requests; Last Day for Advances.**

(a) Subject to the terms and conditions of the Note Purchase Agreement, FFB shall make Advances under this Note in the amounts, at the times, and to the accounts requested by the Borrower from time to time, in each case upon delivery to FFB of a written request by the Borrower for an Advance under this Note, in the form of request attached to the Note Purchase Agreement as Exhibit A thereto (each such request being an "Advance Request"), completed as prescribed in the Note Purchase Agreement.

(b) To be effective, an Advance Request must first be delivered to the Department of Energy for approval and be approved by or on behalf of the Secretary in writing, and such Advance Request, together with written notification of the Secretary's approval thereof, must be received by FFB on or before the third Business Day before the particular calendar date specified in such Advance Request that the Borrower requests to be the date on which the respective Advance is to be made.

(c) The Borrower hereby agrees that FFB, for its purposes, may consider any Advance Request approved by or on behalf of the Secretary and delivered to FFB in accordance with the terms of the Note Purchase Agreement to be an accurate representation of the Borrower's request for an Advance under this Note and the Secretary's approval of that Advance Request.

4. **Principal Amount of Advances; Maximum Principal Amount.**

The principal amount of each Advance shall be the amount specified in the respective Advance Request; provided, however, that the aggregate principal amount of all Advances made under this Note may not exceed the particular amount specified on page 1 of this Note as the "Maximum Principal Amount."

5. **Maturity Date.**

This Note, and each Advance made hereunder, shall mature on the particular date specified on page 1 of this Note as the "Maturity Date" (such date being the "Maturity Date").

6. **Computation of Interest on Each Advance.**

(a) Subject to paragraphs 11 and 14 of this Note, interest on the outstanding principal of each Advance shall accrue from the date on which the respective Advance is made to the date on which such principal is due.

(b) Interest on each Advance shall be computed on the basis of (1) actual days elapsed from (but not including) the date on which the respective Advance is made (for the first payment of interest due under this Note for the respective Advance) or the date on which the payment of interest was last due (for all other payments of interest due under this Note for the respective Advance), to (and including) the date on which payment is next due, and (2) a year of 365 days.

(c) The interest rate applicable to each Advance shall be established by FFB at the time that the respective Advance is made on the basis of the determination made by the Secretary of the Treasury pursuant to section 136 of the Energy Independence and Security Act of 2007 (Pub. L. No. 110-140, 121 Stat. 1492, 1514), as amended (the "Program Authority"); provided, however, that the shortest maturity used as the basis for any basic interest rate determination shall be the remaining maturity of the most recently auctioned United States Treasury bills having the shortest maturity of all United States Treasury bills then being regularly auctioned.

7. **Payment of Interest; Payment Dates.**

Interest accrued on the outstanding principal balance of each Advance shall be due and payable on each of the particular

dates specified on page 1 of this Note as "Payment Dates" (each such date being a "Payment Date"), beginning on the first Payment Date to occur after the date on which such Advance is made, up through and including the Maturity Date.

8. **Payment of Principal.**

(a) The principal amount of each Advance shall be payable in installments, which payments shall be due beginning on the particular date specified as the "First Principal Payment Date" on page 1 of this Note (such date being the "First Principal Payment Date"), and shall be due on each Payment Date to occur thereafter until the principal of the respective Advance is repaid in full on or before the Maturity Date; provided, however, that with respect to each Advance that is made after the First Principal Payment Date, principal installments shall be due beginning on the second Payment Date to occur after the date on which the respective Advance is made.

(b) With respect to each Advance, the amount of principal due on the First Principal Payment Date, on each Payment Date to occur thereafter, and on the Maturity Date shall be, in each case, substantially equal to the amount of every other quarterly installment of principal and shall be sufficient, when added to all other such quarterly installments of equal principal, to repay the principal amount of the respective Advance in full on the Maturity Date.

9. **Business Days.**

(a) Whenever any Payment Date or the Maturity Date shall fall on a day on which either FFB or the Federal Reserve Bank of New York is not open for business, the payment which would otherwise be due on such Payment Date or the Maturity Date shall be due on the first day thereafter on which FFB and the Federal Reserve Bank of New York are both open for business (any such day being a "Business Day").

(b) In the case of a Payment Date falling on a day other than a Business Day, the extension of time for making the payment that would otherwise be due on such Payment Date shall (1) be taken into account in establishing the interest rate for each Advance, and (2) be included in computing interest due in connection with such payment and excluded in computing interest due in connection with the next payment.

(c) In the case of the Maturity Date falling on a day other than a Business Day, the extension of time for making the payment that would otherwise be due on the Maturity Date shall (1) be taken into account in establishing the interest rate for each Advance, and (2) be included in computing interest due in connection with such payment.

10. Manner of Making Payments.

(a) For so long as FFB is the Holder of this Note, each payment under this Note shall be paid in immediately available funds by electronic funds transfer to the account of the United States Treasury (for credit to the subaccount of FFB) maintained at the Federal Reserve Bank of New York specified by FFB in a written notice to the Borrower, or to such other account as may be specified from time to time by FFB in a written notice to the Borrower.

(b) In the event that FFB is *not* the Holder of this Note, then each payment under this Note shall be made in immediately available funds by electronic funds transfer to such account as shall be specified by the Holder in a written notice to the Borrower.

11. Late Payments.

(a) In the event that any payment of any amount owing under this Note is not made when and as due (any such amount being then an "Overdue Amount"), then the amount payable shall be such Overdue Amount plus interest thereon (such interest being the "Late Charge") computed in accordance with this subparagraph (a):

(1) The Late Charge shall accrue from the scheduled date of payment for the Overdue Amount (taking into account paragraph 9 of this Note) to the date on which payment is made.

(2) The Late Charge shall be computed on the basis of (A) actual days elapsed from (but not including) the scheduled date of payment for such Overdue Amount (taking into account paragraph 9 of this Note) to (and including) the date on which payment is made, and (B) a year of 365 days.

(3) The Late Charge shall accrue at a rate (the "Late Charge Rate") equal to one and one-half times the rate to be

determined by the Secretary of the Treasury taking into consideration the prevailing market yield on the remaining maturity of the most recently auctioned 13-week United States Treasury bills.

(4) The initial Late Charge Rate shall be in effect until the earlier to occur of either (A) the date on which payment of the Overdue Amount and the amount of the accrued Late Charge is made, or (B) the first Payment Date to occur after the scheduled date of payment for such Overdue Amount. In the event that the Overdue Amount and the amount of the accrued Late Charge are not paid on or before the such Payment Date, then the amount payable shall be the sum of the Overdue Amount and the amount of the accrued Late Charge, plus a Late Charge on such sum accruing at a new Late Charge Rate to be then determined in accordance with the principles of clause (3) of this subparagraph (a). For so long as any Overdue Amount remains unpaid, the Late Charge Rate shall be re-determined in accordance with the principles of clause (3) of this subparagraph (a) on each Payment Date to occur thereafter, and shall be applied to the Overdue Amount and all amounts of the accrued Late Charge to the date on which payment of the Overdue Amount and all amounts of the accrued Late Charge is made.

(b) Nothing in subparagraph (a) of this paragraph 11 shall be construed as permitting or implying that the Borrower may, without the written consent of the Holder, modify, extend, alter or affect in any manner whatsoever (except as explicitly provided herein) the right of the Holder to receive any and all payments on account of this Note on the dates specified in this Note.

12. Final Due Date.

Notwithstanding anything in this Note to the contrary, all amounts outstanding under this Note remaining unpaid as of the Maturity Date shall be due and payable on the Maturity Date.

13. Application of Payments.

Each payment made on this Note shall be applied first to the payment of Late Charges (if any) payable under paragraphs 11 and 15 of this Note, then to the payment of premiums (if any) payable under paragraph 14 of this Note, then to the payment of accrued interest, then on account of outstanding principal of this Note.

14. Prepayments.

(a) The Borrower may elect to prepay all or any portion of the outstanding principal amount of any Advance made under this Note, or to prepay this Note in its entirety, in the manner, at the price, and subject to the limitations specified in this paragraph 14 (each such election being a "Prepayment Election").

(b) The Borrower shall deliver to FFB (and if FFB is not the Holder, then also to the Holder) written notification of each Prepayment Election (each such notification being a "Prepayment Election Notice"), specifying:

(1) the Advance Identifier that FFB assigned to the respective Advance (as provided in the Note Purchase Agreement);

(2) the particular date on which the Borrower intends to prepay the respective Advance (such date being the "Intended Prepayment Date" for the respective Advance), which date must be a Business Day; and

(3) the amount of principal of the respective Advance that the Borrower intends to prepay, which amount may be either:

(A) the total outstanding principal amount of such Advance; or

(B) an amount less than the total outstanding principal amount of such Advance (any such amount being a "Portion").

(c) To be effective, a Prepayment Election Notice must be received by FFB (and if FFB is not the Holder, then also by the Holder) on or before the fifth Business Day before the date specified therein as the Intended Prepayment Date for the respective Advance or Portion.

(d) The Borrower shall pay to the Holder a price for the prepayment of any Advance or Portion (such price being the "Prepayment Price" for such Advance or Portion) determined as follows:

(1) in the event that the Borrower elects to prepay the entire outstanding principal amount of any Advance, then the

Borrower shall pay to the Holder a Prepayment Price for such Advance equal to the sum of:

(A) the price for such Advance that would, if such Advance (including all unpaid interest accrued thereon through the Intended Prepayment Date) were purchased by a third party and held to the Maturity Date, produce a yield to the third-party purchaser for the period from the date of purchase to the Maturity Date substantially equal to the interest rate that would be set on a loan from the Secretary of the Treasury to FFB to purchase an obligation having a payment schedule identical to the payment schedule of such Advance for the period from the Intended Prepayment Date to the Maturity Date; and

(B) all unpaid Late Charges (if any) accrued on such Advance through the Intended Prepayment Date;

(2) in the event that the Borrower elects to prepay a Portion of any Advance, then the Borrower shall pay to the Holder a Prepayment Price for such Portion that would equal such Portion's pro rata share of the Prepayment Price that would be required for a prepayment of the entire principal amount of such Advance (determined in accordance with the principles of clause (1) of this subparagraph (d)); and

(3) in the event that the Borrower elects to prepay this Note in its entirety, then the Borrower shall pay to the Holder an amount equal to the sum of the Prepayment Prices for all outstanding Advances (determined in accordance with the principles of clause (1) of this subparagraph (d)).

The price described in subclause (A) of clause (1) of this subparagraph (d) shall be calculated by the Secretary of the Treasury as of the close of business on the second Business Day before the Intended Prepayment Date, using standard calculation methods of the United States Department of the Treasury. FFB shall deliver by facsimile transmission (fax) to the Borrower a written notice by 12:00 noon (Washington, DC, time) on the Business Day immediately preceding the Intended Prepayment Date specifying the Prepayment Price for the Advance or Portion and setting out separately principal, accrued interest, premium (if any), and Late Charges (if any); provided, however, that failure on the part of FFB to deliver any notice of the Prepayment Price

by 12:00 noon (Washington, DC, time) or failure on the part of the Borrower to receive any notice of the Prepayment Price shall not relieve the Borrower of the payment obligation described in subparagraph (e) of this paragraph 14, but rather shall give rise to a responsibility on the part of the Borrower to make inquiry to FFB for the Purchase Price.

(e) Payment of the Prepayment Price for any Advance or any Portion shall be due to the Holder before 3:00 p.m. (Washington, DC, time) on the Intended Prepayment Date for such Advance or Portion.

(f) Each prepayment of a Portion shall, as to the principal amount of such Portion, be subject to a minimum amount equal to $100,000.00 of principal; except that the minimum principal amount limitation shall not apply to a prepayment of a Portion if:

(1) the prepayment is made to satisfy the Borrower's obligation to make a mandatory prepayment under the "Security Instruments" (as that term is defined in paragraph 19 of this Note); and

(2) the Borrower has certified to that fact in the respective Prepayment Election Notice.

(g) In the event that the Borrower makes a Prepayment Election with respect to any Portion of an Advance, then the Prepayment Price paid for such Portion will be applied as provided in paragraph 13 of this Note, and, with respect to application to outstanding principal, such Prepayment Price shall be applied to principal installments in the inverse order of maturity.

(h) In the event that the Borrower makes a Prepayment Election with respect to any Portion of an Advance, then the outstanding principal amount of such Advance, from and after such partial prepayment, shall be due and payable in accordance with this subparagraph (h).

(1) The amount of the quarterly principal installments that will be due after such partial prepayment shall be equal to the quarterly installments of equal principal that were due in accordance with the level principal repayment schedule that applied to such Advance immediately before such partial prepayment.

(2) The equal payments of principal shall be due beginning on the first Payment Date to occur after such partial prepayment, and shall be due on each Payment Date to occur thereafter up through and including the date on which the entire principal amount of such Advance and all unpaid interest (and Late Charges, if any) accrued thereon, are paid.

15. Rescission of Prepayment Elections; Late Charges for Late Payments of Prepayment Prices.

(a) The Borrower may rescind any Prepayment Election made in accordance with paragraph 14 of this Note, but only in accordance with this paragraph 15.

(b) The Borrower shall deliver to FFB written notification of each rescission of a Prepayment Election (each such notification being an "Election Rescission Notice") specifying the particular Advance for which the Borrower wishes to rescind such Prepayment Election, which specification must make reference to the particular "Advance Identifier" (as that term is defined in the Note Purchase Agreement) that FFB assigned to such Advance (as provided in the Note Purchase Agreement). The Election Rescission Notice may be delivered by facsimile transmission to FFB at (202) 622-0707 or at such other facsimile number or numbers as FFB may from time to time communicate to the Borrower.

(c) To be effective, an Election Rescission Notice must be received by FFB not later than 3:30 p.m. (Washington, DC, time) on the second Business Day before the Intended Prepayment Date.

(d) In the event that the Borrower (1) makes a Prepayment Election in accordance with paragraph 14 of this Note, (2) does not rescind such Prepayment Election in accordance with this paragraph 15, and (3) does not, before 3:00 p.m. (Washington, DC, time) on the Intended Prepayment Date, pay to FFB the Prepayment Price described in paragraph 14(d) of this Note, then a Late Charge shall accrue on any such unpaid amount from the Intended Prepayment Date to the date on which payment is made, computed in accordance with the principles of paragraph 11 of this Note.

16. Amendments to Note.

To the extent not inconsistent with applicable law, this Note shall be subject to modification by such amendments,

extensions, and renewals as may be agreed upon from time to time by the Holder and the Borrower, with the approval of the Secretary.

17. Certain Waivers.

The Borrower hereby waives any requirement for presentment, protest, or other demand or notice with respect to this Note.

18. Effective Until Paid.

Except as provided in section 6.2 of the Note Purchase Agreement, this Note shall continue in full force and effect until all amounts due and payable hereunder have been paid in full.

19. Security Instruments; Secretary as "Holder" of Note for Purposes of the Security Instruments.

This Note is one of the notes permitted to be executed and delivered by, and is entitled to the benefits and security of, the particular security instruments specified on page 1 of this Note (such security instruments, as they may have heretofore been, and as they may hereafter be, amended, supplemented, restated, or consolidated from time to time in accordance with its or their terms, being, collectively, the "Security Instruments"), whereby the Borrower pledged and granted a security interest in certain property of the Borrower, described therein, to secure the payment and performance of certain obligations owed to the Secretary and any other Holder of this Note or participation share hereof, as set forth in the Security Instruments. For purposes of the Security Instruments, in consideration of the undertakings by the Secretary set forth in the Program Financing Agreement and the Note Purchase Agreement, and the affirmation by the Secretary dated as of even date herewith, delivered by the Secretary to FFB as provided in the Note Purchase Agreement (the "Secretary's Affirmation"), the Secretary shall be considered to be, and shall have the rights, powers, privileges, and remedies of, the Holder of this Note.

20. Default and Enforcement.

In case of a default by the Borrower under this Note or the occurrence of an event of default under the Security Instruments, then, in consideration of the undertakings by the Secretary set forth in the Program Financing Agreement and the Note Purchase

Agreement, and the Secretary's Affirmation, the Secretary, in his own name, shall have all rights, powers, privileges, and remedies of the Holder of this Note, in accordance with the terms of this Note and the Security Instruments, including, without limitation, the right to enforce or collect all or any part of the obligation of the Borrower under this Note or arising as a result of the Secretary's Affirmation, to file proofs of claim or any other document in any bankruptcy, insolvency, or other judicial proceeding, and to vote such proofs of claim.

21. Acceleration.

The entire unpaid principal amount of this Note, and all interest thereon, may be declared, and upon such declaration shall become, due and payable to the Secretary, under the circumstances described, and in the manner and with the effect provided, in the Security Instruments.

22. Governing Law.

This Note shall be governed by, and construed and interpreted in accordance with, Federal law and not the law of any state or locality. To the extent that a court looks to the laws of any state to determine or define the Federal law, it is the intention of the parties hereto that such court shall look only to the laws of the State of New York without regard to the rules of conflicts of laws.

IN WITNESS WHEREOF, the Borrower has caused this Note to be signed in its corporate name and its corporate seal to be hereunder affixed and attested by its officers thereunto duly authorized, all as of the day and year first above written.

FUTURE ADVANCE PROMISSORY NOTE
NOTE S

1. **Promise to Pay.**

FOR VALUE RECEIVED, TESLA MOTORS, INC. (the "Borrower", which term includes any successors or assigns), promises to pay the **FEDERAL FINANCING BANK** ("FFB"), a body corporate and instrumentality of the United States of America (FFB, for so long as it shall be the holder of this Note, and any successor or assignee of FFB, for so long as such successor or assignee shall be the holder of this Note, being the "Holder"), at the times, in the manner, and with interest at the rates to be established as hereinafter provided, such amounts as may be advanced from time to time by FFB to or for the account of the Borrower under this Note (each such amount being an "Advance" and more than one such amounts being "Advances").

2. **Reference to Certain Agreements.**

(a) Program Financing Agreement. This Note is one of the "Notes" referred to in, and entitled to the benefits of, the Program Financing Agreement dated as of September 16, 2009, made by and between FFB and the Secretary of Energy (the "Secretary") (such agreement, as it may be amended, supplemented, and restated from time to time in accordance with its terms, being the "Program Financing Agreement").

(b) Note Purchase Agreement. This Note is one of the "Notes" referred to in, and entitled to the benefits of, the Note Purchase Agreement dated as of even date herewith, made by and among FFB, the Borrower, and the Secretary (such agreement, as it may be amended, supplemented, and restated from time to time in accordance with its terms, being the "Note Purchase Agreement").

3. **Advances; Advance Requests; Last Day for Advances.**

(a) Subject to the terms and conditions of the Note Purchase Agreement, FFB shall make Advances under this Note in the amounts, at the times, and to the accounts requested by the Borrower from time to time, in each case upon delivery to FFB of a written request by the Borrower for an Advance under this Note, in the form of request attached to the Note Purchase Agreement as Exhibit A thereto (each such request being an "Advance Request"), completed as prescribed in the Note Purchase Agreement.

(b) To be effective, an Advance Request must first be delivered to the Department of Energy for approval and be approved by or on behalf of the Secretary in writing, and such Advance Request, together with written notification of the Secretary's approval thereof, must be received by FFB on or before the third Business Day before the particular calendar date specified in such Advance Request that the Borrower requests to be the date on which the respective Advance is to be made.

(c) The Borrower hereby agrees that FFB, for its purposes, may consider any Advance Request approved by or on behalf of the Secretary and delivered to FFB in accordance with the terms of the Note Purchase Agreement to be an accurate representation of the Borrower's request for an Advance under this Note and the Secretary's approval of that Advance Request.

4. **Principal Amount of Advances; Maximum Principal Amount.**

The principal amount of each Advance shall be the amount specified in the respective Advance Request; provided, however, that the aggregate principal amount of all Advances made under this Note may not exceed the particular amount specified on page 1 of this Note as the "Maximum Principal Amount."

5. **Maturity Date.**

This Note, and each Advance made hereunder, shall mature on the particular date specified on page 1 of this Note as the "Maturity Date" (such date being the "Maturity Date").

6. **Computation of Interest on Each Advance.**

(a) Subject to paragraphs 11 and 14 of this Note, interest on the outstanding principal of each Advance shall accrue from the date on which the respective Advance is made to the date on which such principal is due.

(b) Interest on each Advance shall be computed on the basis of (1) actual days elapsed from (but not including) the date on which the respective Advance is made (for the first payment of interest due under this Note for the respective Advance) or the date on which the payment of interest was last due (for all other payments of interest due under this Note for the respective Advance), to (and including) the date on which payment is next due, and (2) a year of 365 days.

(c) The interest rate applicable to each Advance shall be established by FFB at the time that the respective Advance is made on the basis of the determination made by the Secretary of the Treasury pursuant to section 136 of the Energy Independence and Security Act of 2007 (Pub. L. No. 110-140, 121 Stat. 1492, 1514), as amended (the "Program Authority"); provided, however, that the shortest maturity used as the basis for any basic interest rate determination shall be the remaining maturity of the most recently auctioned United States Treasury bills having the shortest maturity of all United States Treasury bills then being regularly auctioned.

7. **Payment of Interest; Payment Dates.**

Interest accrued on the outstanding principal balance of each Advance shall be due and payable on each of the particular

dates specified on page 1 of this Note as "Payment Dates" (each such date being a "Payment Date"), beginning on the first Payment Date to occur after the date on which such Advance is made, up through and including the Maturity Date.

8. Payment of Principal.

(a) The principal amount of each Advance shall be payable in installments, which payments shall be due beginning on the particular date specified as the "First Principal Payment Date" on page 1 of this Note (such date being the "First Principal Payment Date"), and shall be due on each Payment Date to occur thereafter until the principal of the respective Advance is repaid in full on or before the Maturity Date; provided, however, that with respect to each Advance that is made after the First Principal Payment Date, principal installments shall be due beginning on the second Payment Date to occur after the date on which the respective Advance is made.

(b) With respect to each Advance, the amount of principal due on the First Principal Payment Date, on each Payment Date to occur thereafter, and on the Maturity Date shall be, in each case, substantially equal to the amount of every other quarterly installment of principal and shall be sufficient, when added to all other such quarterly installments of equal principal, to repay the principal amount of the respective Advance in full on the Maturity Date.

9. Business Days.

(a) Whenever any Payment Date or the Maturity Date shall fall on a day on which either FFB or the Federal Reserve Bank of New York is not open for business, the payment which would otherwise be due on such Payment Date or the Maturity Date shall be due on the first day thereafter on which FFB and the Federal Reserve Bank of New York are both open for business (any such day being a "Business Day").

(b) In the case of a Payment Date falling on a day other than a Business Day, the extension of time for making the payment that would otherwise be due on such Payment Date shall (1) be taken into account in establishing the interest rate for each Advance, and (2) be included in computing interest due in connection with such payment and excluded in computing interest due in connection with the next payment.

(c) In the case of the Maturity Date falling on a day other than a Business Day, the extension of time for making the payment that would otherwise be due on the Maturity Date shall (1) be taken into account in establishing the interest rate for each Advance, and (2) be included in computing interest due in connection with such payment.

10. Manner of Making Payments.

(a) For so long as FFB is the Holder of this Note, each payment under this Note shall be paid in immediately available funds by electronic funds transfer to the account of the United States Treasury (for credit to the subaccount of FFB) maintained at the Federal Reserve Bank of New York specified by FFB in a written notice to the Borrower, or to such other account as may be specified from time to time by FFB in a written notice to the Borrower.

(b) In the event that FFB is *not* the Holder of this Note, then each payment under this Note shall be made in immediately available funds by electronic funds transfer to such account as shall be specified by the Holder in a written notice to the Borrower.

11. Late Payments.

(a) In the event that any payment of any amount owing under this Note is not made when and as due (any such amount being then an "Overdue Amount"), then the amount payable shall be such Overdue Amount plus interest thereon (such interest being the "Late Charge") computed in accordance with this subparagraph (a):

(1) The Late Charge shall accrue from the scheduled date of payment for the Overdue Amount (taking into account paragraph 9 of this Note) to the date on which payment is made.

(2) The Late Charge shall be computed on the basis of (A) actual days elapsed from (but not including) the scheduled date of payment for such Overdue Amount (taking into account paragraph 9 of this Note) to (and including) the date on which payment is made, and (B) a year of 365 days.

(3) The Late Charge shall accrue at a rate (the "Late Charge Rate") equal to one and one-half times the rate to be

determined by the Secretary of the Treasury taking into consideration the prevailing market yield on the remaining maturity of the most recently auctioned 13-week United States Treasury bills.

(4) The initial Late Charge Rate shall be in effect until the earlier to occur of either (A) the date on which payment of the Overdue Amount and the amount of the accrued Late Charge is made, or (B) the first Payment Date to occur after the scheduled date of payment for such Overdue Amount. In the event that the Overdue Amount and the amount of the accrued Late Charge are not paid on or before the such Payment Date, then the amount payable shall be the sum of the Overdue Amount and the amount of the accrued Late Charge, plus a Late Charge on such sum accruing at a new Late Charge Rate to be then determined in accordance with the principles of clause (3) of this subparagraph (a). For so long as any Overdue Amount remains unpaid, the Late Charge Rate shall be re-determined in accordance with the principles of clause (3) of this subparagraph (a) on each Payment Date to occur thereafter, and shall be applied to the Overdue Amount and all amounts of the accrued Late Charge to the date on which payment of the Overdue Amount and all amounts of the accrued Late Charge is made.

(b) Nothing in subparagraph (a) of this paragraph 11 shall be construed as permitting or implying that the Borrower may, without the written consent of the Holder, modify, extend, alter or affect in any manner whatsoever (except as explicitly provided herein) the right of the Holder to receive any and all payments on account of this Note on the dates specified in this Note.

12. Final Due Date.

Notwithstanding anything in this Note to the contrary, all amounts outstanding under this Note remaining unpaid as of the Maturity Date shall be due and payable on the Maturity Date.

13. Application of Payments.

Each payment made on this Note shall be applied first to the payment of Late Charges (if any) payable under paragraphs 11 and 15 of this Note, then to the payment of premiums (if any) payable under paragraph 14 of this Note, then to the payment of accrued interest, then on account of outstanding principal of this Note.

14. Prepayments.

(a) The Borrower may elect to prepay all or any portion of the outstanding principal amount of any Advance made under this Note, or to prepay this Note in its entirety, in the manner, at the price, and subject to the limitations specified in this paragraph 14 (each such election being a "Prepayment Election").

(b) The Borrower shall deliver to FFB (and if FFB is not the Holder, then also to the Holder) written notification of each Prepayment Election (each such notification being a "Prepayment Election Notice"), specifying:

(1) the Advance Identifier that FFB assigned to the respective Advance (as provided in the Note Purchase Agreement);

(2) the particular date on which the Borrower intends to prepay the respective Advance (such date being the "Intended Prepayment Date" for the respective Advance), which date must be a Business Day; and

(3) the amount of principal of the respective Advance that the Borrower intends to prepay, which amount may be either:

(A) the total outstanding principal amount of such Advance; or

(B) an amount less than the total outstanding principal amount of such Advance (any such amount being a "Portion").

(c) To be effective, a Prepayment Election Notice must be received by FFB (and if FFB is not the Holder, then also by the Holder) on or before the fifth Business Day before the date specified therein as the Intended Prepayment Date for the respective Advance or Portion.

(d) The Borrower shall pay to the Holder a price for the prepayment of any Advance or Portion (such price being the "Prepayment Price" for such Advance or Portion) determined as follows:

(1) in the event that the Borrower elects to prepay the entire outstanding principal amount of any Advance, then the

Borrower shall pay to the Holder a Prepayment Price for such Advance equal to the sum of:

(A) the price for such Advance that would, if such Advance (including all unpaid interest accrued thereon through the Intended Prepayment Date) were purchased by a third party and held to the Maturity Date, produce a yield to the third-party purchaser for the period from the date of purchase to the Maturity Date substantially equal to the interest rate that would be set on a loan from the Secretary of the Treasury to FFB to purchase an obligation having a payment schedule identical to the payment schedule of such Advance for the period from the Intended Prepayment Date to the Maturity Date; and

(B) all unpaid Late Charges (if any) accrued on such Advance through the Intended Prepayment Date;

(2) in the event that the Borrower elects to prepay a Portion of any Advance, then the Borrower shall pay to the Holder a Prepayment Price for such Portion that would equal such Portion's pro rata share of the Prepayment Price that would be required for a prepayment of the entire principal amount of such Advance (determined in accordance with the principles of clause (1) of this subparagraph (d)); and

(3) in the event that the Borrower elects to prepay this Note in its entirety, then the Borrower shall pay to the Holder an amount equal to the sum of the Prepayment Prices for all outstanding Advances (determined in accordance with the principles of clause (1) of this subparagraph (d)).

The price described in subclause (A) of clause (1) of this subparagraph (d) shall be calculated by the Secretary of the Treasury as of the close of business on the second Business Day before the Intended Prepayment Date, using standard calculation methods of the United States Department of the Treasury. FFB shall deliver by facsimile transmission (fax) to the Borrower a written notice by 12:00 noon (Washington, DC, time) on the Business Day immediately preceding the Intended Prepayment Date specifying the Prepayment Price for the Advance or Portion and setting out separately principal, accrued interest, premium (if any), and Late Charges (if any); provided, however, that failure on the part of FFB to deliver any notice of the Prepayment Price

by 12:00 noon (Washington, DC, time) or failure on the part of the Borrower to receive any notice of the Prepayment Price shall not relieve the Borrower of the payment obligation described in subparagraph (e) of this paragraph 14, but rather shall give rise to a responsibility on the part of the Borrower to make inquiry to FFB for the Purchase Price.

(e) Payment of the Prepayment Price for any Advance or any Portion shall be due to the Holder before 3:00 p.m. (Washington, DC, time) on the Intended Prepayment Date for such Advance or Portion.

(f) Each prepayment of a Portion shall, as to the principal amount of such Portion, be subject to a minimum amount equal to $100,000.00 of principal; except that the minimum principal amount limitation shall not apply to a prepayment of a Portion if:

(1) the prepayment is made to satisfy the Borrower's obligation to make a mandatory prepayment under the "Security Instruments" (as that term is defined in paragraph 19 of this Note); and

(2) the Borrower has certified to that fact in the respective Prepayment Election Notice.

(g) In the event that the Borrower makes a Prepayment Election with respect to any Portion of an Advance, then the Prepayment Price paid for such Portion will be applied as provided in paragraph 13 of this Note, and, with respect to application to outstanding principal, such Prepayment Price shall be applied to principal installments in the inverse order of maturity.

(h) In the event that the Borrower makes a Prepayment Election with respect to any Portion of an Advance, then the outstanding principal amount of such Advance, from and after such partial prepayment, shall be due and payable in accordance with this subparagraph (h).

(1) The amount of the quarterly principal installments that will be due after such partial prepayment shall be equal to the quarterly installments of equal principal that were due in accordance with the level principal repayment schedule that applied to such Advance immediately before such partial prepayment.

(2) The equal payments of principal shall be due beginning on the first Payment Date to occur after such partial prepayment, and shall be due on each Payment Date to occur thereafter up through and including the date on which the entire principal amount of such Advance and all unpaid interest (and Late Charges, if any) accrued thereon, are paid.

15. Rescission of Prepayment Elections; Late Charges for Late Payments of Prepayment Prices.

(a) The Borrower may rescind any Prepayment Election made in accordance with paragraph 14 of this Note, but only in accordance with this paragraph 15.

(b) The Borrower shall deliver to FFB written notification of each rescission of a Prepayment Election (each such notification being an "Election Rescission Notice") specifying the particular Advance for which the Borrower wishes to rescind such Prepayment Election, which specification must make reference to the particular "Advance Identifier" (as that term is defined in the Note Purchase Agreement) that FFB assigned to such Advance (as provided in the Note Purchase Agreement). The Election Rescission Notice may be delivered by facsimile transmission to FFB at (202) 622-0707 or at such other facsimile number or numbers as FFB may from time to time communicate to the Borrower.

(c) To be effective, an Election Rescission Notice must be received by FFB not later than 3:30 p.m. (Washington, DC, time) on the second Business Day before the Intended Prepayment Date.

(d) In the event that the Borrower (1) makes a Prepayment Election in accordance with paragraph 14 of this Note, (2) does not rescind such Prepayment Election in accordance with this paragraph 15, and (3) does not, before 3:00 p.m. (Washington, DC, time) on the Intended Prepayment Date, pay to FFB the Prepayment Price described in paragraph 14(d) of this Note, then a Late Charge shall accrue on any such unpaid amount from the Intended Prepayment Date to the date on which payment is made, computed in accordance with the principles of paragraph 11 of this Note.

16. Amendments to Note.

To the extent not inconsistent with applicable law, this Note shall be subject to modification by such amendments,

extensions, and renewals as may be agreed upon from time to time by the Holder and the Borrower, with the approval of the Secretary.

17. **Certain Waivers.**

The Borrower hereby waives any requirement for presentment, protest, or other demand or notice with respect to this Note.

18. **Effective Until Paid.**

Except as provided in section 6.2 of the Note Purchase Agreement, this Note shall continue in full force and effect until all amounts due and payable hereunder have been paid in full.

19. **Security Instruments; Secretary as "Holder" of Note for Purposes of the Security Instruments.**

This Note is one of the notes permitted to be executed and delivered by, and is entitled to the benefits and security of, the particular security instruments specified on page 1 of this Note (such security instruments, as they may have heretofore been, and as they may hereafter be, amended, supplemented, restated, or consolidated from time to time in accordance with its or their terms, being, collectively, the "Security Instruments"), whereby the Borrower pledged and granted a security interest in certain property of the Borrower, described therein, to secure the payment and performance of certain obligations owed to the Secretary and any other Holder of this Note or participation share hereof, as set forth in the Security Instruments. For purposes of the Security Instruments, in consideration of the undertakings by the Secretary set forth in the Program Financing Agreement and the Note Purchase Agreement, and the affirmation by the Secretary dated as of even date herewith, delivered by the Secretary to FFB as provided in the Note Purchase Agreement (the "Secretary's Affirmation"), the Secretary shall be considered to be, and shall have the rights, powers, privileges, and remedies of, the Holder of this Note.

20. **Default and Enforcement.**

In case of a default by the Borrower under this Note or the occurrence of an event of default under the Security Instruments, then, in consideration of the undertakings by the Secretary set forth in the Program Financing Agreement and the Note Purchase

Agreement, and the Secretary's Affirmation, the Secretary, in his own name, shall have all rights, powers, privileges, and remedies of the Holder of this Note, in accordance with the terms of this Note and the Security Instruments, including, without limitation, the right to enforce or collect all or any part of the obligation of the Borrower under this Note or arising as a result of the Secretary's Affirmation, to file proofs of claim or any other document in any bankruptcy, insolvency, or other judicial proceeding, and to vote such proofs of claim.

21. Acceleration.

The entire unpaid principal amount of this Note, and all interest thereon, may be declared, and upon such declaration shall become, due and payable to the Secretary, under the circumstances described, and in the manner and with the effect provided, in the Security Instruments.

22. Governing Law.

This Note shall be governed by, and construed and interpreted in accordance with, Federal law and not the law of any state or locality. To the extent that a court looks to the laws of any state to determine or define the Federal law, it is the intention of the parties hereto that such court shall look only to the laws of the State of New York without regard to the rules of conflicts of laws.

IN WITNESS WHEREOF, the Borrower has caused this Note to be signed in its corporate name and its corporate seal to be hereunder affixed and attested by its officers thereunto duly authorized, all as of the day and year first above written.

Ladies and Gentlemen:

We have acted as special counsel to Tesla Motors, Inc., a Delaware corporation ("**Borrower**"), in connection with the execution and delivery of the Note Purchase Agreement, made as of January 20, 2010 (the "**Note Purchase Agreement**"), by and among Federal Financing Bank ("**FFB**"), the Borrower and the Secretary of Energy, acting through the United States Department of Energy, an agency of the United States of America. This opinion is rendered to you pursuant to Section 3.2.2 of the Note Purchase Agreement. All capitalized terms used but not defined herein shall have the respective meanings assigned to such terms in the Note Purchase Agreement.

In rendering the opinions expressed below, we have examined executed originals or copies of the following documents:

(a) the Note Purchase Agreement;

dated January 6, 2010, with respect to the standing of Borrower as a foreign corporation qualified to do business in the State of Colorado, (iv) a certificate of the Department of State of the State of Florida, dated January 6, 2010, with respect to the standing of Borrower as a foreign corporation qualified to do business in the State of Florida, (v) a certificate of the Secretary of State of the State of Illinois, dated January 6, 2010, with respect to the standing of Borrower as a foreign corporation qualified to do business in the State of Illinois, (vi) a certificate of the Secretary of State of the State of New York, dated January 6, 2010, with respect to the standing of Borrower as a foreign corporation qualified to do business in the State of New York, (vii) a certificate of the Secretary of State of the State of Washington, dated January 8, 2010, with respect to the standing of Borrower as a foreign corporation qualified to do business in the State of Washington;

(g) each of the judgments and decrees that are expressly identified on Schedule A hereto, if any (the "**Reviewed Judgments**"); and

(h) each of the agreements that would be listed as exhibits to the Borrower's Form S-1 if it were filed with the Securities and Exchange Commission on the date hereof, that would be included therein pursuant to the requirements of clauses (2), (4), (9) or (10) of Item 601(b) of Regulation S-K (other than those which have expired, terminated or are otherwise no longer in effect), which agreements are expressly identified on Schedule B hereto (the "**Reviewed Agreements**").

In addition, we have reviewed originals or copies of such corporate records of Borrower, certificates of public officials and such other documents that we consider necessary or advisable for the purpose of rendering the opinions and statements set forth below. We have not independently established the facts stated therein. The Note Purchase Agreement and the Note are sometimes referred to herein as the "**Transaction Documents**."

We have assumed the following for purposes of rendering the opinions set forth herein:

(i) The genuineness of all signatures, the authenticity and completeness of all documents submitted to us as originals and the conformity to original documents of all copies submitted to us.

(ii) That each party to any document that we have examined (other than Borrower in connection with the Transaction Documents) has satisfied those requirements that are

applicable to it to the extent necessary to make such document a valid and binding obligation of such party, enforceable against such party in accordance with its terms.

(iii) That (A) the representations and warranties as to factual matters made by the parties to the Transaction Documents and pursuant thereto are correct, (B) the representations and warranties made by officers of Borrower as to factual matters made in the certificates delivered in connection with the Transaction Documents are correct; and (C) the parties to the Transaction Documents have complied and will comply with their obligations under the Transaction Documents.

As used in the opinions or statements set forth below, the expressions "to our knowledge," "known to us" or similar language with reference to matters of fact refer to the current actual knowledge of the attorneys of this firm who have rendered legal services in connection with the representation described in the first paragraph of this opinion letter. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any fact, and no inference as to our knowledge of the existence or absence of any fact should be drawn from our representation of Borrower or the rendering of the opinions or statements set forth below.

On the basis of the foregoing and in reliance thereon, and based upon examination of such questions of law as we have deemed appropriate, and subject to the assumptions, exceptions, qualifications, and limitations set forth herein, we advise you that in our opinion:

1. Borrower is a corporation duly incorporated and validly existing under the laws of the State of Delaware and is in good standing under such laws. Borrower has requisite corporate power to carry on its business as currently conducted. Borrower is qualified to do business as a foreign corporation in the State of California, Colorado, Florida, Illinois, New York and Washington.

2. The Borrower has the corporate power to execute and deliver the Transaction Documents and to carry out and perform its obligations under the terms of the Transaction Documents.

3. All corporate action on the part of Borrower, its directors and shareholders necessary for the authorization, execution and delivery of the Transaction Documents by Borrower, and the performance by Borrower of its obligations under the Transaction Documents has been taken.

4. Each of the Transaction Documents has been duly and validly executed and delivered by Borrower and constitutes a valid and binding obligation of Borrower, enforceable against Borrower in accordance with its terms.

5. The execution, delivery and performance by Borrower of the Transaction Documents do not (a) violate any provision of the Certificate of Incorporation or Bylaws of Borrower; (b) violate any applicable United States federal or New York state law, rule or regulation known to us to be customarily applicable to transactions of this nature; (c) violate any Reviewed Judgment; or (d) violate or constitute a default under any Reviewed Agreement.

6. No consent, approval or authorization of, and no designation, declaration or filing with, any governmental authority on the part of Borrower is required in connection with the valid execution, delivery or performance by Borrower of the Transaction Documents, except such that have been made or obtained.

The opinions set forth above are subject to the following exceptions, qualifications, limitations, comments and additional assumptions:

A. We express no opinion as to any matter relating to laws of any jurisdiction other than the federal laws of the United States of America, the General Corporation Law of the State of Delaware, and the laws of the State of New York, as such are in effect on the date hereof, and we have made no inquiry into, and we express no opinion as to, the statutes, regulations, treaties, common laws or other laws of any other nation, state or jurisdiction or whether the laws of any particular jurisdiction govern any aspect of the Transaction Documents. As you know, we are not licensed to practice law in the State of Delaware and, accordingly, our opinions as to General Corporation Law of the State of Delaware are based solely on a review of the official statutes of the State of Delaware.

B. We express no opinion as to (i) the effect of any bankruptcy, insolvency, reorganization, arrangement, fraudulent transfer, moratorium or other similar laws relating to or affecting the rights of creditors generally, or (ii) the effect of general principles of equity, including without limitation, concepts of materiality, reasonableness, good faith and fair dealing, and the possible unavailability of specific performance or injunctive relief, whether considered in a proceeding in equity or at law.

C. For purposes of our opinions in paragraph 4, we have assumed that a court would apply the laws of the State of New York. We express no opinion as to the governing law clause of any Transaction Document to the extent that it purports to choose the federal laws of the United States with respect to any matter not governed by such laws.

D. We express no opinion as to the enforceability of any provision of the Transaction Documents (i) purporting to waive broadly or vaguely stated rights, unknown future defenses, rights to damages, or the benefits of other statutory, regulatory or constitutional rights that cannot be waived or, if they can be waived, cannot be waived prospectively; or

(ii) prescribing or varying rules of evidence, method or quantum of proof or other legal standards in a manner contrary to applicable statutes and rules of law.

E. We express no opinion as to the enforceability of any provisions in the Transaction Documents (i) giving rights or remedies, or permitting the exercise of rights or remedies, in a manner not in compliance with applicable statutes and rules of law, (ii) providing that rights or remedies are not exclusive, that every right or remedy is cumulative and may be exercised in addition to any other right or remedy, or that the election of some particular remedy does not preclude recourse to one or more other remedies, or (iii) providing for rights of set-off.

F. We express no opinion as to the applicability or effect of compliance or non-compliance by any lender (or its agent) with any state, federal or other laws applicable to such lender (or its agent) or to the transactions contemplated by the Transaction Documents because of the nature of its business, including its legal or regulatory status.

G. In rendering the opinions set forth in paragraph 1 as to due incorporation, valid existence, good standing and qualification to do business, we have relied solely upon documents and certificates referenced in paragraphs (c) and (e) above.

H. In rendering the opinion set forth in paragraph 5 above concerning violations of and defaults under Reviewed Agreements and violations of Reviewed Judgments, we have relied solely upon an examination of the Reviewed Agreements and Reviewed Judgments in the forms provided to us by Borrower. With regard to the opinion in paragraph 5 above concerning violations of and defaults under Reviewed Agreements, we have assumed that such Reviewed Agreements would be interpreted and enforced in accordance with their plain meaning. Our opinion in clause (b) of paragraph 5 above is intended to express our opinion that the execution and delivery by Borrower of the Transaction Documents, the undertaking of the covenants set forth in the Transaction Documents and the borrowing of Advances in accordance with the Note Purchase Agreement and the Note and repayment of any Advances by the Borrower will not result in a violation of any law, rule, regulation of the State of New York or United States federal law that a lawyer practicing in the State of New York exercising customary professional diligence would reasonably recognize to be applicable to Borrower and the transactions contemplated by the Transaction Documents. We express no opinion regarding compliance or non-compliance (or the effect thereof) with any federal or state securities laws.

I. This opinion speaks only at and as of its date and is based solely on the facts and circumstances known to us at and as of such date. We express no opinion as to the effect on any lender's (or its agent's) rights under the Transaction Documents of any statute,

rule, regulation or other law which is enacted or becomes effective after, or of any court decision which changes the law relevant to such rights which is rendered after, the date of this opinion or the conduct of the parties following the closing of the contemplated transaction. In addition, in rendering this opinion, we assume no obligation to revise or supplement this opinion should the present laws of the jurisdictions mentioned herein be changed by legislative action, judicial decision or otherwise.

* * *

We advise you that, to our knowledge, there are no lawsuits pending against Borrower that seek to challenge the enforceability of any of the Transaction Documents nor, to our knowledge, has Borrower received any written threat thereof. We note that we have not conducted a docket search in any jurisdiction with respect to lawsuits that may be pending against Borrower.

* * *

This opinion is made with the knowledge and understanding that you (but no other person) may rely thereon in entering into the Note Purchase Agreement and is solely for your benefit, and this opinion may not be disclosed to or relied upon by any person other than you.

Very truly yours,

Line item 4	0	0	0	80,000	80,000	80,000	-	
Total Costs without Contingency	0	0	0	320,000 (n)	320,000 (f)	320,000 (g)	-	Note definitions
Contingency	0	0	0	32,000 (c)	32,000	32,000 (d)	-	Here, the remaining contingency is equal to the starting contingency, as set forth in the Budget. Going forward, the remaining contingency will be equal to the contingency of the period immediately prior to the instant period, plus the change in Project Status between the two periods
Total	$ -	$ -	$ -	$ 352,000 (e)	$ 352,000 (a)	$ 352,000 (b)	$ -	
Contingency %				10.0%				Note % contingency remaining is a function of remaining uncommitted costs. Note contingency is at 10%
				NO EXCESS COST OVERRUN	$ -			
				Tesla Contribution Starting Balance	-			This will become important later, when we have multiple cost overruns, or an overrun followed by good news in a subsequent period.
				Permitted Overrun (Correction)	$ -			
				New Balance	$ -			Note also that our test is really evaluating what the excess cost overrun is at any given time period, and does not automatically adjust for overruns incurred in prior periods. We will be adjusting the contingency later to take this into account

Definitions in Term Sheet:
(a) = Forecasted Total Costs (note that this now includes the contingency)
(b) = Budgeted Total Costs (note that this now includes the contingency)
(c) = Remaining Project Contingency
(d) = Budgeted Project Contingency
(e) = Remaining Uncommitted Costs

(f) = Net Forecasted Total Costs = Forecasted Total Costs - Remaining Project Contingency
(g) = Net Budgeted Total Costs = Budgeted Total Costs - Budget Project Contingency
(h) = Net Remaining Uncommitted Costs

Note: all blue cells are changes from prior periods so we can track the project progression.

Line item 2	0	0	0	50,000	80,000	80,000	30,000	Note that project cost overruns in one area are balanced by savings in another

Contingency	0	0	0	73,500	73,500	32,000	(41,500)	Contingency increases by the change in project status, and will go up and down each period depending on performance against budget each period

Contingency %				33.1%				Note that having a growth in contingency is OK, as (a) forecast is still equal to budget and (b) over the life of the project, cost underruns in one area will likely be offset by overruns in another area.

GUARANTEE

GUARANTEE, dated as of January 20, 2010 (this "Guarantee"), made by each of the signatories hereto (together with any other entity that may become a party hereto as provided herein, the "Guarantors"), in favor of the United States Department of Energy ("DOE"), the Federal Financing Bank, an instrumentality of the United States government created by the Federal Financing Bank Act of 1973 that is under the general supervision of the Secretary of the Treasury ("FFB"), and each holder from time to time of the Notes (as hereinafter defined) issued pursuant to the Note Purchase Agreement (as hereinafter defined).

PRELIMINARY STATEMENTS

A. Pursuant to the Loan Arrangement and Reimbursement Agreement, dated as of January 20, 2010 (as amended, supplemented or otherwise modified from time to time, the "Arrangement Agreement"), between TESLA MOTORS, INC. (the "Borrower") and DOE, DOE agreed to arrange for FFB to purchase certain future advance promissory notes (as amended, supplemented or otherwise modified from time to time, the "Notes") to be issued by the Borrower pursuant to the Note Purchase Agreement, dated as of January 20, 2010, among the Borrower, DOE and FFB (as amended, supplemented or otherwise modified from time to time, the "Note Purchase Agreement") and to make extensions of credit to the Borrower from time to time upon the terms and subject to the conditions set forth in the Notes and the other Loan Documents.

B. Pursuant to the Program Financing Agreement, dated as of September 16, 2009, between DOE and FFB, DOE will be obligated to reimburse FFB for any liabilities, losses, costs or expenses incurred by FFB from time to time with respect to the Notes or the related Note Purchase Agreement.

C. The proceeds of the extensions of credit under the Funding Agreements will be used by the Borrower to fund Eligible Project Costs incurred by the Borrower under the Advanced Technology Vehicles Manufacturing Incentive Program administered by DOE.

D. Each of the Guarantors is a Subsidiary of the Borrower, the Borrower and the Guarantors are engaged in related businesses, and each Guarantor will derive substantial direct and indirect benefit from such proceeds.

E. It is a condition precedent to the obligation of DOE under the Arrangement Agreement to deliver the Principal Instruments required for FFB to purchase the Notes under the Note Purchase Agreement that the Guarantors shall have executed and delivered this Guarantee.

NOW, THEREFORE, in consideration of the premises and to induce DOE to enter into the Arrangement Agreement and FFB to enter into the Note Purchase

Agreement, purchase the Notes and make extensions of credit to the Borrower from time to time thereunder, each Guarantor hereby agrees as follows:

ARTICLE II

GUARANTEE

2.1 Guarantee.

(a) Each Guarantor hereby, jointly and severally, unconditionally, absolutely and irrevocably, guarantees, as primary obligor and not merely as surety, to each of the Guaranteed Parties, for the ratable benefit of each, the prompt and complete payment and performance by the Borrower when due (whether at the stated maturity, by acceleration or otherwise) of the Guaranteed Obligations.

(b) Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable federal and state laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 2.2).

(c) Each Guarantor agrees that the Guaranteed Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing this Guarantee or affecting the rights and remedies of the Guaranteed Parties hereunder.

(d) This Guarantee is continuing and shall remain in full force and effect until all the Guaranteed Obligations and the obligations of each Guarantor under this Guarantee shall have been paid in full (other than unasserted contingent indemnity obligations, which shall nonetheless survive termination of this Guarantee in accordance with Section 3.8) and all Loan Commitment Amounts have been reduced to zero, notwithstanding that from time to time during the term of the Arrangement Agreement, the Note Purchase Agreement or the Notes the Borrower may be free from any Guaranteed Obligations.

(e) No payment made by any of the Guarantors, any other guarantor or any other Person or received or collected by any Guaranteed Party from any of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Guaranteed Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor in respect of the Guaranteed Obligations or any payment received or collected from such Guarantor in respect of the Guaranteed Obligations), remain liable for the Guaranteed Obligations up to the maximum liability of such Guarantor hereunder until the Guaranteed Obligations are paid in full (other than unasserted contingent indemnity obligations) and all Loan Commitment Amounts have been reduced to zero.

(f) Each Guarantor understands and agrees that if acceleration of the time for payment of any Guaranteed Obligations by the Borrower under the Loan Documents is stayed upon the insolvency, bankruptcy or reorganization of the Borrower (or proceedings similar thereto), all such amounts otherwise subject to acceleration under the terms of the Arrangement Agreement shall nonetheless be payable by the Guarantors hereunder immediately upon demand by the Guaranteed Parties.

2.2 Right of Contribution. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 2.3. The provisions of this Section 2.2 shall in no respect limit the obligations and liabilities of any Guarantor to any Guaranteed Party, and each Guarantor shall remain liable to such Guaranteed Party for the full amount guaranteed by such Guarantor hereunder.

2.3 No Subrogation. Notwithstanding any payment made by any Guarantor hereunder or any set-off or application of funds of any Guarantor by any Guaranteed Party, no Guarantor shall be entitled to be subrogated to any of the rights of any Guaranteed Party against any of the Borrower or any other Guarantor or any collateral security or guarantee or right of offset held by the Collateral Trustee, DOE, FFB or any other Guaranteed Party for the payment of the Guaranteed Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Guaranteed Parties by the Borrower on account of the Guaranteed Obligations are paid in full (other than unasserted contingent indemnity obligations) and all Loan Commitment Amounts have been reduced to zero. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guaranteed Obligations shall not have been paid in full (other than unasserted contingent indemnity obligations) or all Loan Commitment Amounts have not been reduced to zero, such amount shall be held by such Guarantor in trust for the Guaranteed Parties, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Collateral Trustee (or, if all Liens on the Collateral granted under the Security Documents shall have been released, to DOE) in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Collateral Trustee (or DOE, as applicable), to be applied against the relevant Guaranteed Obligations, whether matured or unmatured, in such order as specified in the relevant Loan Documents.

2.4 Amendments, etc. with respect to the Guaranteed Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, (a)any demand for payment of any of the Guaranteed Obligations made by any Guaranteed Party may be rescinded by such Guaranteed Party and any of the Guaranteed Obligations continued, (b)the Guaranteed Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by any Guaranteed Party, (c)any Loan Document and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, from time to time, and (d)any collateral security, guarantee or right of offset at any time held by any Guaranteed Party for the payment of the Guaranteed Obligations may be sold, exchanged, waived, surrendered or released. No Guaranteed Party shall have any obligation to any Guarantor to protect, secure, perfect or insure any Lien at any time held by it as security for the Guaranteed Obligations or for this Guarantee or any property subject thereto.

2.5 Guarantee Absolute and Unconditional.

(a) Each Guarantor waives any and all notice of the creation, renewal, extension or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Guaranteed Party upon this Guarantee or acceptance

of this Guarantee. The Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon this Guarantee. All dealings between any of the Borrower and any of the Guarantors, on the one hand, and the Guaranteed Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon this Guarantee.

(b) Each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrower or any of the Guarantors with respect to the Guaranteed Obligations.

(c) Each Guarantor understands and agrees that this Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment and performance, and not of collection, without regard to (i) the validity, regularity or enforceability against the Borrower or any Guarantor of the Loan Documents, any of the Guaranteed Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by any Guaranteed Party, (ii)any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by the Borrower or any other Person against any Guaranteed Party, (iii)any waiver or consent by any Guaranteed Party except as expressly stated therein, (iv) any extension, renewal, increase, decrease, settlement, compromise or release in respect of the Guaranteed Obligations, (v) any release or substitution of any other guarantor or collateral security, (vi)any delay or omission or lack of diligence or care in exercising any rights or powers with respect to any of the foregoing, (vii)any change in the corporate existence, structure or ownership of the Borrower or any other guarantor or any insolvency, bankruptcy, reorganization or other similar proceedings affecting the Borrower or any other guarantor or its assets or any resulting release or discharge of any Guaranteed Obligations, or (viii)any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge or defense of a surety or guarantor or any other obligor on any obligation of the Borrower for its Guaranteed Obligations, or of such Guarantor under this Guarantee, in bankruptcy or in any other instance. Each Guarantor hereby absolutely, unconditionally and irrevocably waives any and all rights to assert any defense based on any of the foregoing (i) through (viii).

(d) When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, any Guaranteed Party may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any other Guarantor or any other Person or against any collateral security or guarantee for the Guaranteed Obligations or any right of offset with respect thereto, and any failure by any Guaranteed Party to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or

guarantee or to exercise any such right of offset, or any release of the Borrower, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of any Guaranteed Party against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

2.6 Reinstatement. This Guarantee shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Guaranteed Obligations is rescinded or must otherwise be restored or returned by any Guaranteed Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization (or proceedings similar thereto) of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made. The provisions of this Section 2.6 shall survive termination of this Guarantee.

2.7 Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to DOE, FFB or any other applicable holder of Guaranteed Obligations without set-off or counterclaim in Dollars, at the payment office specified by DOE, FFB or any such holder, as the case may be, to such Guarantor.

2.8 Payment of Loan Document Amounts. Anything in this Guarantee to the contrary notwithstanding, amounts payable by Guarantor for Secured Obligations owed by Borrower under Section 4.1 of the Arrangement Agreement shall be without duplication of any amounts payable by Guarantor for Secured Obligations owed by the Borrower pursuant to (v) the Arrangement Agreement, (w) the Notes, (x) the Note Purchase Agreement, (y) the subrogation rights referred to in Section 4.2 of the Arrangement Agreement or (z) the provisions of Section 12.8 of the Arrangement Agreement.

ARTICLE III

MISCELLANEOUS

3.1 Amendments in Writing. None of the terms or provisions of this Guarantee may be waived, amended, supplemented or otherwise modified except in accordance with Section 12.1 of the Arrangement Agreement.

3.2 Delay and Waiver. No delay or omission in exercising any right, power, privilege or remedy under this Guarantee or any other Loan Document, including any rights and remedies in connection with the occurrence of a Default or Event of Default shall impair any such right, power, privilege or remedy of the Guaranteed Parties, nor shall it be construed to be a waiver of any right, power, privilege or remedy or of any breach or default, or an acquiescence therein, or in any similar breach or default thereafter occurring, nor shall any waiver of any single right, power, privilege or remedy,

or of any breach or default be deemed a waiver of any other right, power, privilege or remedy or of any other breach or default therefore or thereafter occurring. All rights, powers, privileges and remedies, either under this Guarantee or any other Loan Document or by law or otherwise afforded to any of the Guaranteed Parties, shall be cumulative and not alternative and not exclusive of any other rights, powers, privileges and remedies that any of the Guaranteed Parties may otherwise have.

3.3 Right of Set-Off. In addition to any rights now or hereafter granted under any Requirements of Law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each Guaranteed Party is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Guarantor or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special, time or demand, provisional or final) and any other Indebtedness at any time held or owing by such Guaranteed Party (including by any branches and agencies of such Guaranteed Party wherever located) to or for the credit or the account of any Guarantor against and on account of the Guaranteed Obligations and liabilities of any Guarantor to such Guaranteed Party under this Guarantee or any other Loan Documents. The Guaranteed Parties agree to promptly notify such Guarantor after any such setoff and application made by it; *provided* that the failure to give such notice shall not affect the validity of such setoff and application

3.4 Representations and Warranties; Covenants. Each Guarantor hereby represents and warrants that all of the representations and warranties in the Arrangement Agreement regarding such Guarantor and its property and assets are true and correct in all material respects (except such representations and warranties that by their terms are qualified by materiality or Material Adverse Effect, which representations and warranties shall be true and correct in all respects). All representations and warranties made hereunder and in any document, certificate or statement delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery of this Guarantee and the making of the Advances under the Funding Agreements. Notwithstanding anything contained herein to the contrary, each Guarantor hereby covenants and agrees to comply with each of the affirmative and negative covenants set forth in the Arrangement Agreement applicable to such Guarantor and its property and assets.

3.5 Notices. All notices, requests and demands to or upon the DOE or any Guarantor hereunder shall be effected in the manner provided for in Section 12.5 of the Arrangement Agreement; provided that any such notice, request or demand to or upon any Guarantor shall be addressed to such Guarantor at its notice address set forth on Schedule 1 or in the case of any Additional Guarantor, on its Subsidiary Joinder Agreement.

3.6 Severability. The holding by any court of competent jurisdiction that any remedy pursued by any Guaranteed Party hereunder is unavailable or unenforceable shall not affect in any way the ability of any Guaranteed Party to pursue

any other remedy available to it. In the event any provision of this Guarantee shall be held invalid or unenforceable by any court of competent jurisdiction, the parties hereto agree that such provision shall be ineffective only to the extent of such invalidity or unenforceability without invalidating the remainder of such provision or any other provisions of this Guarantee and shall not invalidate or render unenforceable any other provision hereof.

3.7 Judgment Currency. Each Guarantor agrees, to the fullest extent permitted under applicable law, to indemnify each Guaranteed Party against any loss incurred by such Guaranteed Party as a result of any judgment or order being given or made for any amount due such Guaranteed Party under the Loan Documents and such judgment or order being expressed and to be paid in a Judgment Currency other than the Currency of Denomination and as a result of any variation between (i) the rate of exchange at which amounts in the Currency of Denomination are converted into Judgment Currency for the purpose of such judgment or order, and (ii) the rate of exchange at which such Guaranteed Party would have been able to purchase the Currency of Denomination with the amount of the Judgment Currency actually received by such Guaranteed Party had it utilized the amount of Judgment Currency so received to purchase the Currency of Denomination as promptly as practicable upon receipt thereof. The foregoing indemnity shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant Currency of Denomination that are documented and reasonable in light of market conditions at the time of such conversion.

3.8 Indemnification.

(a) Each Guarantor, jointly and severally, agrees to pay or reimburse each Guaranteed Party for all its costs and expenses incurred in collecting the Guaranteed Obligations against the Guarantors or otherwise enforcing or preserving any rights under this Guarantee and the other Loan Documents, including the reasonable fees and other charges of counsel to each Guaranteed Party.

(b) Each Guarantor, jointly and severally, agrees to pay, indemnify and hold the Secured Parties and each other Indemnified Person harmless from and against any and all Indemnified Liabilities to the fullest extent as the Borrower would be required to do so pursuant to Section 12.8 of the Arrangement Agreement.

(c) The provisions of this Section 3.8 shall survive any exercise of remedies under this Guarantee and satisfaction or discharge of the Guaranteed Obligations and termination of this Guarantee, and shall be in addition to any other rights and remedies of any Indemnified Person.

3.9 Limitation on Liability. No claim shall be made by any Guarantor or any of its Affiliates against any Guaranteed Party or any of their Affiliates, directors,

employees, attorneys or agents for any special, indirect, consequential or punitive damages (whether or not the claim therefor is based on contract, tort or duty imposed by law), in connection with, arising out of or in any way related to the transactions contemplated by this Guarantee or the other Loan Documents or any act or omission or event occurring in connection therewith; and each Guarantor hereby waives, releases and agrees not to sue upon any such claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

3.10 Successors and Assigns. This Guarantee shall be binding upon each Guarantor, its successors and assigns, and inure to the benefit of the Guaranteed Parties and their respective successors and assigns; *provided* that no Guarantor may assign, transfer or delegate any of its rights or obligations under this Guarantee without the prior written consent of DOE.

3.11 Further Assurances and Corrective Instruments. To the extent permitted by Requirements of Law, each of the parties hereto shall, upon the written request of any other party, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, within a reasonable period of such request, such amendments or supplements hereto, and such further instruments, and take such further actions, as may be necessary in such party's reasonable judgment to effectuate the intention, performance and provisions hereof.

3.12 Governing Law; Waiver Of Jury Trial.

(a) THIS GUARANTEE, AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, FEDERAL LAW AND NOT THE LAW OF ANY STATE OR LOCALITY. TO THE EXTENT THAT A COURT LOOKS TO THE LAWS OF ANY STATE TO DETERMINE OR DEFINE THE FEDERAL LAW, IT IS THE INTENTION OF THE PARTIES HERETO THAT SUCH COURT SHALL LOOK ONLY TO THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE RULES OF CONFLICTS OF LAWS.

(b) THE PARTIES HERETO EACH HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY TRANSACTION RELATED HERETO OR THERETO TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW.

3.13 Submission to Jurisdiction, Etc.

(a) Any legal action or proceeding against any Guarantor with respect to or arising out of this Guarantee may, to the fullest extent permitted by applicable law, be brought in or removed to the U.S. District Court for the District

of Columbia or any other federal court of competent jurisdiction in any other jurisdiction where the Guarantor or any of its property may be found. By execution and delivery of this Guarantee, each Guarantor accepts, for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid court for legal proceedings arising out of or in connection with this Guarantee. Each Guarantor hereby waives, to the fullest extent permitted by applicable law, any right to stay or dismiss any action or proceeding under or in connection with this Guarantee brought before the foregoing courts on the basis of forum non-conveniens or improper venue. Each Guarantor agrees that a judgment obtained in any such action may be enforced in any other federal court of competent jurisdiction, by suit upon such judgment, a certified copy of which shall be conclusive evidence of the judgment and of the fact and of the amount of its obligation.

(b) Each Guarantor hereby agrees that process may be served on it by certified mail, return receipt requested, to its address as specified in Section 3.5 and that such mailing is sufficient to confer personal jurisdiction over such Guarantor in any proceeding in any court referred to in Section 3.13(a) and otherwise constitutes effective and binding service in every respect. Nothing in this Section 3.13(b) shall affect the right of the Guaranteed Parties to serve process in any other manner permitted by law.

3.14 Entire Agreement. This Guarantee and the other Loan Documents constitute the entire agreement and understanding, and supersede all prior agreements and understandings (both written and oral), between the parties hereto with respect to the subject matter hereof and thereof.

3.15 Benefits of Agreement. Nothing in this Guarantee or any other Loan Document, express or implied, shall give to any Person, other than the parties hereto and thereto and their successors and permitted assigns hereunder or thereunder, any benefit or any legal or equitable right or remedy under this Guarantee.

3.16 Headings. Paragraph headings have been inserted in the Loan Documents as a matter of convenience for reference only and it is agreed that such paragraph headings are not a part of the Loan Documents and shall not be used in the interpretation of any provision of the Loan Documents.

3.17 Counterparts. This Guarantee may be executed in counterparts of the parties hereof, and each such counterpart shall be considered an original and all such counterparts shall constitute one and the same instrument. The parties may deliver such counterparts by facsimile or electronic transmission in Electronic Format. Each party hereto agrees to deliver a manually executed original promptly following such facsimile or electronic transmission.

3.18 No Partnership; Etc. The Guaranteed Parties and the Guarantors intend that the relationship between them shall be solely that of creditor and debtor. Nothing contained in this Guarantee shall be deemed or construed to create a partnership,

tenancy-in-common, joint tenancy, joint venture or co-ownership by, between or among the Guaranteed Parties and the Guarantors or any other Person. The Guaranteed Parties shall not be in any way responsible or liable for the indebtedness, losses, obligations or duties of the Guarantors or any other Person with respect to the Projects or otherwise. All obligations to pay real property or other taxes, assessments, insurance premiums, and all other fees and expenses in connection with or arising from the ownership, operation or occupancy of any Project or any other assets and to perform all obligations under the agreements and contracts relating to any Project or any other assets shall be the sole responsibility of the Guarantors.

3.19 Releases. A Guarantor shall be released from its obligations hereunder in the event that the provisions of Section 12.21 of the Arrangement Agreement shall be satisfied with respect to such Guarantor.

3.20 Independence of Covenants. All covenants under this Guarantee and the other Loan Documents shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

3.21 Additional Guarantors. Each Subsidiary of the Borrower that is required to become a party to this Guarantee as an Additional Guarantor pursuant to Section 7.6 of the Arrangement Agreement, or that the Borrower desires to become a party to this Guarantee, shall become a Guarantor for all purposes of this Guarantee upon execution and delivery by such Subsidiary of a Subsidiary Joinder Agreement.

3.22 Authority of DOE. Each Guarantor acknowledges that, for so long as FFB is the holder of the Notes, the rights and responsibilities of DOE and FFB under this Guarantee with respect to any action taken by DOE or FFB or the exercise or non-exercise by DOE or FFB of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Guarantee shall, as among the Guaranteed Parties, be governed by the Program Financing Agreement or the Arrangement Agreement, as applicable, and by such other agreements with respect thereto as may exist from time to time among them, but, as between DOE and the Guarantors, DOE shall be conclusively presumed to be acting as agent for FFB (a) if any Note is in Default, in respect of acceleration of such Note, the exercise of other available remedies, and the disposition of sums or property recovered and (b) in the event that FFB shall become subject to any duties under any applicable law or regulation solely because of its providing or having provided financing under a Note purchased under a Note Purchase Agreement entered into under the Program Financing Agreement, DOE shall serve as agent for FFB to the fullest extent permitted under that law or regulation in connection with satisfying the requirements of that law or regulation, in either case with full and valid authority so to act or refrain from acting, and no Guarantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

INTERCOMPANY SUBORDINATION AGREEMENT

THIS INTERCOMPANY SUBORDINATION AGREEMENT (this "Agreement"), dated as of January 20, 2010, is made by TESLA MOTORS, INC., a Delaware corporation (the "Borrower") and each of the Guarantors listed on the signature pages hereof or that becomes a party hereto as provided herein (together with the Borrower, collectively, the "Subordinated Parties" and each, a "Subordinated Party"), in favor of MIDLAND LOAN SERVICES, INC., a Delaware corporation (the "Collateral Trustee"), in its capacity as collateral trustee for the ratable benefit of the United States Department of Energy, an agency of the United States of America ("DOE") and the other Secured Parties (as defined in the Arrangement Agreement referred to below).

PRELIMINARY STATEMENTS

A. Pursuant to the Loan Arrangement and Reimbursement Agreement, dated as of January 20, 2010 (as amended, supplemented or otherwise modified from time to time, the "Arrangement Agreement"), between the Borrower and DOE, DOE has agreed to arrange for the Federal Financing Bank, an instrumentality of the United States government created by the Federal Financing Bank Act of 1973 that is under the general supervision of the Secretary of the Treasury ("FFB"), to purchase certain future advance promissory notes (as amended, supplemented or otherwise modified from time to time, the "Notes") to be issued by the Borrower pursuant to the Note Purchase Agreement, dated as of January 20, 2010, among the Borrower, DOE and FFB (as amended, supplemented or otherwise modified from time to time, the "Note Purchase Agreement"), and to make extensions of credit to the Borrower from time to time upon the terms and subject to the conditions set forth in the Notes and the other Loan Documents.

B. Pursuant to the Program Financing Agreement, dated as of September 16, 2009, between DOE and FFB, DOE will be obligated to reimburse FFB for any liabilities, losses, costs or expenses incurred by FFB from time to time with respect to the Notes or the related Note Purchase Agreement.

C. The proceeds of the extensions of credit under the Funding Agreements will be used by the Borrower to fund Eligible Project Costs incurred by the Borrower under the Advanced Technology Vehicles Manufacturing Incentive Program administered by DOE.

D. Each Subordinated Party has entered into or may enter into Intercompany Arrangements from time to time with one or more other Subordinated Parties.

E. Each Subordinated Party has agreed to the subordination of the obligations of each other Subordinated Party under such Intercompany Arrangements to such Subordinated Party, upon the terms and subject to the conditions set forth in this Agreement.

F. It is a condition precedent to the obligation of DOE under the Arrangement Agreement to deliver the Principal Instruments required for FFB to purchase the Notes under the Note Purchase Agreement that the Subordinated Parties shall have executed and delivered this Agreement to the Collateral Trustee for the ratable benefit of the Secured Parties.

NOW, THEREFORE, in consideration of the premises and to induce DOE to enter into the Arrangement Agreement and to induce FFB to enter into the Note Purchase Agreement, purchase the Notes and make extensions of credit to the Borrower thereunder, each Subordinated Party hereby agrees with the Collateral Trustee, for the ratable benefit of the Secured Parties, as follows:

(b) the agreements of any other Subordinated Party with respect to the Loan Documents may from time to time be modified by such other Subordinated Party and the Secured Parties for the purpose of adding any requirements thereto or changing in any manner the rights and obligations of such other Subordinated Party or the Secured Parties thereunder;

(c) the manner, place, or terms for payment of Secured Obligations or any portion thereof may be altered or the terms for payment extended, or the Secured Obligations may be renewed in whole or in part in accordance with the terms of any present or future agreement by any other Subordinated Party and the Secured Parties;

(d) the maturity of the Secured Obligations may be accelerated in accordance with the terms of any present or future agreement by any other Subordinated Party and the Secured Parties;

(e) any Collateral may be sold, exchanged, released, or substituted in accordance with the terms of any present or future agreement by any other Subordinated Party and the Secured Parties and any Lien in favor of the Collateral Trustee may be terminated, subordinated, or fail to be perfected or become unperfected;

(f) any Person liable in any manner for Secured Obligations may be discharged, released, or substituted; and

(g) all other rights against any other Subordinated Party, any other Person, or with respect to any Collateral may be exercised (or the Secured Parties may waive or refrain from exercising such rights).

6.6 Rights of the Collateral Trustee and the Other Secured Parties Not to Be Impaired. No right of the Collateral Trustee or any other Secured Party to enforce the subordination provided for herein or to exercise its other rights hereunder shall at any time in any way be prejudiced or impaired by any act or failure to act by any Subordinated Party, the Collateral Trustee or any other Secured Party hereunder or under or in connection with any other Loan Document or by any noncompliance by any Subordinated Party with the terms and provisions and covenants herein or in any other Loan Document, regardless of any knowledge thereof the Collateral Trustee or any other Secured Party may have or otherwise be charged with.

6.7 Financial Condition of the Subordinated Parties. Except as provided under the Arrangement Agreement or any other Loan Document, no Subordinated Party shall have any right to require the Collateral Trustee or any other Secured Party to obtain or disclose any information with respect to: (a) the financial condition or character of any other Subordinated Party or the ability of any other Subordinated Party to pay and perform the Secured Obligations; (b) the Secured Obligations; (c) the Collateral or other security for any or all of the Secured Obligations; (d) the existence or nonexistence of any guarantees of, or any other subordination agreements with respect to, all or any part of the Secured Obligations; (e) any action or inaction on the part of the Collateral Trustee, any other Secured Party or any other Person; or (f) any other matter, fact, or occurrence whatsoever.

ARTICLE VII
SUBROGATION

7.1 Subrogation. Until the payment and performance in full of all Secured Obligations (other than any unasserted contingent indemnity obligations under Section 12.8 of the Arrangement Agreement), no Subordinated Party shall have, nor shall it directly or indirectly exercise, any rights that such Subordinated Party may acquire by way of subrogation under this Agreement, by any payment or distribution to the Secured Parties hereunder or otherwise. Upon the payment and performance in full of all Secured Obligations (other than any unasserted contingent indemnity obligations under Section 12.8 of the Arrangement Agreement), each Subordinated Party shall be subrogated to the rights of the Secured Parties to receive payments or distributions applicable to the Secured Obligations until the Subordinated Debt shall be paid in full. For the purposes of the foregoing subrogation, no payments or distributions to the Collateral Trustee or any other Secured Party of any cash, property, or securities to which any Subordinated Party would be entitled except for the provisions of Section 2.2 or Articles III or IV shall, as among such Subordinated Party, its creditors (other than the Secured Parties), and any other Subordinated Party, be deemed to be a payment by any other Subordinated Party to or on account of the Secured Obligations.

7.2 Payments Over to the Subordinated Parties. If any payment or distribution to which any Subordinated Party would otherwise have been entitled but for the provisions of Section 2.2 or Articles III or IV shall have been applied pursuant to the provisions of Section 2.2 or Articles III or IV to the payment of all amounts payable under the Secured Obligations, such Subordinated Party shall be entitled to receive from the Secured Parties any payments or distributions received by the Secured Parties in excess of the amount sufficient to pay in full all amounts payable under or in respect of the Secured Obligations (other than any unasserted contingent indemnity obligations under Section 12.8 of the Arrangement Agreement). If any such excess payment is made to the Secured Parties, the Secured Parties shall promptly remit such excess payment to such Subordinated Party and until so remitted shall hold such excess payment for the benefit of such Subordinated Party.

ARTICLE VIII
NO TRANSFER OF SUBORDINATED DEBT

No Subordinated Party may assign or transfer its rights and obligations in respect of the Subordinated Debt without the prior written consent of the Collateral Trustee, and any such assignment without the Collateral Trustee's prior written consent shall be null and void unless such transfer is otherwise permitted by the Arrangement Agreement. Any such transferee or assignee, as a condition to acquiring an interest in the Subordinated Debt shall agree to be bound hereby in a manner satisfactory to the Collateral Trustee.

ARTICLE IX
OBLIGATIONS OF THE SUBORDINATED PARTIES NOT AFFECTED

The provisions of this Agreement are intended solely for the purpose of defining the relative rights of each Subordinated Party against the other Subordinated Parties, on the one hand, and of the Secured Parties against the Subordinated Parties, on the other hand. Nothing contained in this Agreement shall (a) impair, as between each Subordinated Party and the other Subordinated Parties, the obligation of each other Subordinated Party to pay its respective obligations with respect to the Subordinated Debt as and when the same shall become due and payable, or (b) otherwise affect the relative rights of each Subordinated Party against the other Subordinated Parties, on the one hand, and of the creditors (other than the Secured Parties) of the other Subordinated Parties against the other Subordinated Parties, on the other hand.

ARTICLE X
ENDORSEMENT OF SUBORDINATED PARTY DOCUMENTS

At the request of the Collateral Trustee, all documents and instruments evidencing any of the Subordinated Debt, if any, shall be endorsed with a legend noting that such documents and instruments are subject to this Agreement, and each Subordinated Party shall promptly deliver to the Collateral Trustee evidence of the same.

ARTICLE XI
MISCELLANEOUS

11.1 Amendments, etc. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with Section 6.1 of the Collateral Trust Agreement.

11.2 Delay and Waiver. No delay or omission in exercising any right, power, privilege or remedy under this Agreement or any other Loan Document, including any rights and remedies in connection with the occurrence of a Default or Event of Default shall impair any such right, power, privilege or remedy of the Collateral Trustee or the other Secured Parties, nor shall it be construed to be a waiver of any right, power, privilege or remedy or of any breach or default, or an acquiescence therein, or in any similar breach or default thereafter occurring, nor shall any waiver of any single right, power, privilege or remedy, or of any breach or default be deemed a waiver of any other right, power, privilege or remedy or of any other breach or default therefore or thereafter occurring. All rights, powers, privileges and remedies, either under this Agreement or any other Loan Document or by law or otherwise afforded to any of the Collateral Trustee or the other Secured Parties, shall be cumulative and not alternative and not exclusive of any other rights, powers, privileges and remedies that any of the Collateral Trustee or the other Secured Parties may otherwise have.

11.3 Survival of Representations and Warranties. All representations and warranties made hereunder and in any document, certificate or statement delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery of this Agreement and the making of the Advances under the Funding Agreements.

11.4 Notices. All notices, requests and demands to or upon the Collateral Trustee or any Subordinated Party hereunder shall be effected in the manner provided for in Section 6.3 of the Collateral Trust Agreement; *provided* that any such notice, request or demand to or upon any Additional Subordinated Party shall be addressed to such Subordinated Party at its notice address set forth on its Subsidiary Joinder Agreement, or, as to each party hereto, such other address or number as shall be designated by such party in a written notice to each other party hereto.

11.5 Severability.

(a) The holding by any court of competent jurisdiction that any remedy pursued by the Collateral Trustee or any other Secured Party hereunder is unavailable or unenforceable shall not affect in any way the ability of the Collateral Trustee or any other Secured Party to pursue any other remedy available to it. In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, the parties hereto agree that such provision shall be ineffective only to the extent of such invalidity or unenforceability without invalidating the remainder of such provision or any other provisions of this Agreement and shall not invalidate or render unenforceable any other provision hereof.

(b) In the event that DOE's consent is required under any of the Loan Documents, the determination whether to grant or withhold such consent shall be made by DOE in its sole discretion without any implied duty towards any other Person, except as otherwise expressly provided therein.

11.6 Judgment Currency. Each Subordinated Party agrees, to the fullest extent permitted under applicable law, to indemnify each Secured Party against any loss incurred by such Secured Party as a result of any judgment or order being given or made for any amount due such Secured Party under the Loan Documents and such judgment or order being expressed and to be paid in a Judgment Currency other than the Currency of Denomination and as a result of any variation between (i) the rate of exchange at which amounts in the Currency of Denomination are converted into Judgment Currency for the purpose of such judgment or order, and (ii) the rate of exchange at which such Secured Party would have been able to purchase the Currency of Denomination with the amount of the Judgment Currency actually received by such Secured Party had it utilized the amount of Judgment Currency so received to purchase the Currency of Denomination as promptly as practicable upon receipt thereof. The foregoing indemnity shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant Currency of Denomination that are documented and reasonable in light of market conditions at the time of such conversion.

11.7 Indemnification.

(a) Each Subordinated Party, jointly and severally, agrees to pay or reimburse each Secured Party for all its costs and expenses incurred in collecting the Secured Obligations against the Subordinated Parties or otherwise enforcing or preserving any rights under this Agreement and the other Loan Documents, including the reasonable fees and other charges of counsel to each Secured Party.

(b) Each Subordinated Party, jointly and severally, agrees to pay, indemnify and hold each Secured Party harmless from and against any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay from the Subordinated Parties in paying, all stamp, excise, sales and other taxes that may be payable or determined to be payable in connection with any of the transactions contemplated by this Agreement and the other Loan Documents.

(c) Each Subordinated Party, jointly and severally, agrees to pay, indemnify and hold the Secured Parties and each other Indemnified Person harmless from and against any and all Indemnified Liabilities to the fullest extent as the Borrower would be required to do so pursuant to Section 12.8 of the Arrangement Agreement.

(d) The provisions of this Section 12.8 shall survive foreclosure under this Agreement and satisfaction or discharge of the Secured Obligations and termination of this Agreement, and shall be in addition to any other rights and remedies of any Indemnified Person.

11.8 Limitation on Liability. No claim shall be made by any Subordinated Party or any of its Affiliates against any Secured Party or any of their Affiliates, directors, employees, attorneys or agents for any special, indirect, consequential or punitive damages (whether or not the claim therefor is based on contract, tort or duty imposed by law), in connection with, arising out of or in any way related to the transactions contemplated by this Agreement or the other Loan Documents or any act or omission or event occurring in connection therewith; and each Subordinated Party hereby waives, releases and agrees not to sue upon any such claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

11.9 Successors and Assigns. This Agreement is a continuing agreement of subordination and shall remain in full force and effect until all Secured Obligations have been paid in full (other than unasserted contingent indemnity obligations, which shall nonetheless survive termination of this Agreement in accordance with Section 11.7) and all Loan Commitment Amounts have been reduced to zero, be binding upon each Subordinated Party, its successors and assigns, and inure, together with the rights and remedies of the Collateral Trustee hereunder, to the benefit of the Collateral Trustee and its successors and assigns. The subordinations, agreements and priorities set forth herein shall remain in full force and effect regardless of whether any Subordinated Party hereto in the future seeks to rescind, amend, terminate or reform, by litigation or otherwise, its respective agreements with any other Subordinated Party.

11.10 Further Assurances and Corrective Instruments. To the extent permitted by Requirements of Law, each Subordinated Party hereto shall, upon the written request of the Collateral Trustee, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, within a reasonable period of such request, such amendments or supplements hereto, and such further instruments, and take such further actions, as may be necessary in such party's reasonable judgment to effectuate the intention, performance and provisions hereof.

11.11 Reinstatement. Where any discharge is made in whole or in part, or any arrangement is made on the faith of, any payment, security or other disposition which is avoided or must be repaid, whether upon the insolvency, bankruptcy, liquidation or other similar proceeding or otherwise pursuant to any applicable Requirements of Law, the liability of the Subordinated Parties under this Agreement shall continue as if there had been no such discharge or arrangement. The Secured Parties shall be entitled to concede or compromise any claim that any such payment, security or other disposition is liable to avoidance or repayment.

11.12 Governing Law; Waiver Of Jury Trial.

(a) THIS AGREEMENT, AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE RULES OF CONFLICTS OF LAWS EXCEPT AS REQUIRED BY MANDATORY PROVISIONS OF LAW.

(b) THE PARTIES HERETO EACH HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY TRANSACTION RELATED HERETO OR THERETO TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW.

11.13 Submission to Jurisdiction, Etc.

(a) Any legal action or proceeding against any Subordinated Party with respect to or arising out of this Agreement may, to the fullest extent permitted by applicable law, be brought in or removed to the U.S. District Court for the District of Columbia or any other federal court of competent jurisdiction in any other jurisdiction where the Subordinated Party or any of its property may be found. By execution and delivery of this Agreement, each Subordinated Party accepts, for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid court for legal proceedings arising out of or in connection with this Agreement. Each Subordinated Party hereby waives, to the fullest extent permitted by applicable law, any right to stay or dismiss any action or proceeding under or in connection with this Agreement brought before the foregoing courts on the basis of forum non-conveniens or improper venue. Each Subordinated Party agrees that a judgment obtained in any such action may be enforced in any other federal court of competent jurisdiction, by suit upon such judgment, a certified copy of which shall be conclusive evidence of the judgment and of the fact and of the amount of its obligation.

(b) Each Subordinated Party hereby agrees that process may be served on it by certified mail, return receipt requested, to its address as specified in Section 11.4 and that such mailing is sufficient to confer personal jurisdiction over such Subordinated Party in any proceeding in any court referred to in Section 11.13(a) and otherwise constitutes effective and binding service in every respect. Nothing in this Section 11.13(b) shall affect the right of the Secured Parties to serve process in any other manner permitted by law.

11.14 Entire Agreement. This Agreement and the other Loan Documents constitute the entire agreement and understanding, and supersede all prior agreements and understandings (both written and oral), between the parties hereto with respect to the subject matter hereof and thereof.

11.15 Benefits of Agreement. Nothing in this Agreement or any other Loan Document, express or implied, shall give to any Person, other than the parties hereto and thereto and their successors and permitted assigns hereunder or thereunder, any benefit or any legal or equitable right or remedy under this Agreement.

11.16 Headings. Paragraph headings have been inserted in the Loan Documents as a matter of convenience for reference only and it is agreed that such paragraph headings are not a part of the Loan Documents and shall not be used in the interpretation of any provision of the Loan Documents.

11.17 Counterparts. This Agreement may be executed in counterparts of the parties hereof, and each such counterpart shall be considered an original and all such counterparts shall constitute one and the same instrument. The parties may deliver such counterparts by facsimile or electronic transmission in Electronic Format. Each party hereto agrees to deliver a manually executed original promptly following such facsimile or electronic transmission.

11.18 No Partnership; Etc. The Secured Parties and the Subordinated Parties intend that the relationship between them shall be solely that of creditor and debtor. Nothing contained in this Agreement shall be deemed or construed to create a partnership, tenancy-in-common, joint tenancy, joint venture or co-ownership by, between or among the Secured Parties and the Subordinated Parties or any other Person. The Secured Parties shall not be in any way responsible or liable for the indebtedness, losses, obligations or duties of the Subordinated Parties or any other Person with respect to the Projects or otherwise.

11.19 Independence of Covenants. All covenants under this Agreement and the other Loan Documents shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

11.20 Additional Subordinated Parties. Each Subsidiary of the Borrower that is required to become an Additional Guarantor pursuant to Section 7.6 of the Arrangement Agreement, or that the Borrower desires to become a party to this Agreement, shall become a Subordinated Party (an "Additional Subordinated Party") for all purposes of this Agreement upon execution and delivery by such Subsidiary of a Subsidiary Joinder Agreement.

11.21 Releases. A Subordinated Party shall be released from its obligations hereunder in the event that the Guarantee of such Subordinated Party is released in accordance with the provisions of Section 12.21 of the Arrangement Agreement.

Pursuant to that certain Loan Arrangement and Reimbursement Agreement dated as of January 20, 2010 (the "Arrangement Agreement"), by and between Tesla Motors, Inc., a Delaware corporation (the "Company") and the United States Department of Energy or its permitted assigns (the "Holder"), this Warrant is issued to the Holder.

Capitalized terms not defined herein shall have the meaning set forth in the Arrangement Agreement.

1. **Purchase of Shares.**

(a) Number of Shares and Right to Exercise. Subject to the terms and conditions set forth herein, during the Quarterly Periods specified in the table below through the Expiration Date set forth in Section 8, the Holder is entitled, upon surrender of this Warrant (such date of surrender, the "Exercise Date") at the principal office of the Company (or at such other place as the Company shall notify the Holder in writing), to purchase from the Company up to a number of fully paid and nonassessable shares (the "Shares") of the Company's Series E Preferred Stock equal to (a) the sum of (i) the Incremental Shares (as determined below) for the Quarterly Period in which the Exercise Date occurs and each prior Quarterly Period or (ii) in the event the Exercise Date occurs after December 14, 2022, the Incremental Shares for all Quarterly Periods specified in the table below, less (b) the aggregate number of Shares for which this Warrant has been previously exercised. The number of Shares that become exercisable with respect to a Quarterly Period specified in the table below (the "Incremental Shares") shall be determined by multiplying (x) the Average Quarterly Principal Balance (as defined below) as of

the Calculation Date set forth opposite the relevant Quarterly Period by (y) 0.00726875, such number of Shares subject to adjustment pursuant to Section 7 hereof. "Average Quarterly Principal Balance" as of a Calculation Date means the sum of the principal balances of the Loans (as defined in the Arrangement Agreement) on each day during the three month period ending on such date (calculated after giving effect to the principal payment made, or with respect to future periods, scheduled to be made, on the first day of the period) divided by the number of days in that period.

For the avoidance of doubt, examples of the calculations specified under this Section 1(a) are set forth on Exhibit A hereto.

(b) Notwithstanding the foregoing, if an Event of Default under the Loan Documents occurs which (x) arises from a Change of Control that the DOE has not consented to in writing if the Loans and all other Secured Obligations have not been repaid in full on or before the effective date of the Change of Control, or (y) is any other Event of Default

that has continued for a period of at least 90 days (the "90-Day Period") without being cured to the DOE's reasonable satisfaction or being waived by the DOE in its sole discretion, and the Loans and all other Secured Obligations having not been repaid in full, then this Warrant shall immediately become exercisable for (i) 9,255,035 Shares if such Event of Default occurs prior to December 15, 2018, or (ii) if such Event of Default occurs on or after December 15, 2018, the number of Shares that would be determined according to Section 1(a) as of December 15, 2023 as if no prepayments on the Loans were made after such Event of Default had occurred (but giving effect to any prepayments made prior to such date) (as such number of Shares may have been adjusted pursuant to Section 7 of this Warrant).

(c) Exercise Price. The purchase price for each Share issuable pursuant to this Section 1 shall be $2.5124. The number of Shares and the purchase price of each Share shall be subject to adjustment pursuant to Section 7 hereof. Such purchase price, as adjusted from time to time, is herein referred to as the "Exercise Price."

2. **Exercise Period.** This Warrant shall be exercisable, in whole or in part, at the times and to the extent set forth in Section 1 and prior to (or in connection with) the expiration of this Warrant as set forth in Section 8 (the "Exercise Period").

3. **Method of Exercise.**

(a) While this Warrant remains outstanding and exercisable in accordance with Sections 1 and 2 above, the Holder may exercise, in whole or in part, the purchase rights evidenced hereby. Such exercise shall be effected by:

(i) the surrender of the Warrant, together with a duly executed copy of the Notice of Exercise attached hereto, to the Secretary of the Company at its principal office (or at such other place as the Company shall notify the Holder in writing); and

(ii) the payment to the Company of an amount equal to the aggregate Exercise Price for the number of Shares being purchased.

(b) Each exercise of this Warrant shall be deemed to have been effected immediately prior to the close of business on the day on which this Warrant is surrendered to the Company as provided in Section 3(a) above; provided that the Holder may make any exercise of this Warrant in accordance with Section 3(a) subject to and effective upon the consummation of a Corporate Transaction (as defined in Section 5 below) or the Company's initial public offering. At such time, the person or persons in whose name or names any certificate for the Shares shall be issuable upon such exercise as provided in Section 3(c) below shall be deemed to have become the holder or holders of record of the Shares represented by such certificate.

(c) As soon as practicable after the exercise of this Warrant in whole or in part, the Company at its expense will cause to be issued in the name of, and delivered to, the Holder, or as such Holder (upon payment by such Holder of any applicable transfer taxes) may direct:

(i) a certificate or certificates for the number of Shares to which such Holder shall be entitled, and

(ii) in case such exercise is in part only, a new warrant or warrants (dated the date hereof) of like tenor, calling in the aggregate on the face or faces thereof for the number of Shares equal to the number of such Shares called for on the face of this Warrant minus the number of Shares purchased by the Holder upon all exercises made in accordance with Section 3(a) above or Section 4 below.

4. **Net Exercise.** In lieu of exercising this Warrant for cash, the Holder may elect to receive shares equal to the value of this Warrant (or the portion thereof being exercised) by surrender of this Warrant at the principal office of the Company together with notice of such election (a "Net Exercise"). A Holder who Net Exercises shall have the rights described in Sections 3(b) and 3(c) hereof, and the Company shall issue to such Holder a number of Shares computed using the following formula:

$$X = \frac{Y\,(A - B)}{A}$$

Where

X = The number of Shares to be issued to the Holder.

Y = The number of Shares purchasable under this Warrant or, if only a portion of the Warrant is being exercised, the portion of the Warrant being cancelled (at the date of such calculation).

A = The fair market value of one (1) Share (at the date of such calculation).

B = The Exercise Price (as adjusted to the date of such calculations).

For purposes of this Section 4, the fair market value of a Share shall mean the average of the closing price of the Shares (or equivalent shares of Common Stock underlying the Shares) quoted in the over-the-counter market in which the Shares (or equivalent shares of Common Stock underlying the Shares) are traded or the closing price quoted on any exchange or electronic securities market on which the Shares (or equivalent shares of Common Stock underlying the Warrants) are listed, whichever is applicable, as published in The Wall Street Journal for the thirty (30) trading days prior to the date of determination of fair market value (or such shorter period of time during which such Shares were traded over-the-counter or on such exchange). In the event that this Warrant is exercised pursuant to this Section 4 in connection with the Company's initial public offering, the fair market value per Share shall be the product of (a) the per share offering price to the public of the Company's initial public offering, and (b) the number of shares of Common Stock into which each Share is convertible at the time of such exercise or, if the Shares are shares of Common Stock, one. If the Shares are not traded on the over-the-counter market, an exchange or an electronic securities market, the fair market value shall be the price per Share that the Company could obtain from a willing buyer for Shares sold by the Company from authorized but unissued Shares, as such prices shall be determined in good faith by the Company's Board of Directors.

5. Exchange Right.

(a) In lieu of exercising this Warrant pursuant to Section 3 or Net Exercising it pursuant to Section 4, prior to the closing of a transaction deemed to be a liquidation pursuant to Article IV(B)(2)(c)(i) of the Company's Sixth Amended and Restated Certificate of Incorporation, as amended from time to time (a "Corporate Transaction"), by written notice to the acquiring entity (the "Acquiring Person") at least five (5) days before the date of closing of such Corporate Transaction, the Holder may assign, in whole or in part, this Warrant to the Acquiring Person and receive in exchange from the Acquiring Person immediately prior to such closing, without the payment by the Holder of any additional consideration, an amount and type of consideration equal to the amount and type of consideration that would have been payable by the Acquiring Person in the Corporate Transaction with respect to that number of Warrant Shares that would have been issuable had the portion of the Warrant that is so assigned pursuant to this Section 5 not been assigned but instead been Net Exercised pursuant to Section 4. The Company shall give the Holder written notice of a Corporate Transaction at least fifteen (15) days prior to the consummation of the Corporate Transaction.

(b) The type of consideration paid by the Acquiring Person for the portion of this Warrant that could be Net Exercised into one Share pursuant to Section 4 shall be the same type of consideration, whether stock, securities or other property, paid for one Share in the Corporate Transaction, or if more than one type of consideration is paid for one Share in the Corporate Transaction, the same types and on the same relative basis as is paid for one Share in the Corporate Transaction (assuming, in the case of a Corporate Transaction involving the sale or transfer of all or substantially all of its assets, that the consideration received by the Company is distributed to the stockholders of the Company on the date of closing of such sale or transfer).

6. Covenants of the Company.

(a) Notices of Record Date. In the event of any taking by the Company of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend (other than a stock dividend) or other distribution, the Company shall mail to the Holder, at least ten (10) days prior to such record date, a notice specifying the date on which any such record is to be taken for the purpose of such dividend or distribution.

(b) Covenants as to Exercise Shares. The Company covenants and agrees that all Shares that may be issued upon the exercise of the rights represented by this Warrant will, upon issuance in accordance with the terms hereof, be validly issued and outstanding, fully paid and nonassessable, and free from all taxes, liens and charges with respect to the issuance thereof. If at any time during the Exercise Period the number of authorized but unissued shares of Preferred Stock shall not be sufficient to permit exercise of this Warrant, the Company will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Preferred Stock to such number of shares as shall be sufficient for such purposes.

(c) No Impairment. Except and to the extent waived or consented to by the Holder, or as otherwise permitted under the terms hereof, the Company will not, by amendment of its Certificate of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Warrant (and, in the event that the Company issues Additional Stock as defined in Section 4(d)(i)(B) of Article IV(B) of the Company's Sixth Amended and Restated Certificate of Incorporation, as amended to date and as may be further amended from time to time (the "Restated Certificate"), which would result in a downward adjustment to the Conversion Price of the Series E Preferred Stock pursuant to Section 4(d)(i) of Article IV(B) of the Restated Certificate, then the Shares issuable upon exercise of this Warrant shall receive the benefit of such adjustment to the Conversion Price, as set forth in Section 7(d)(i) hereof) and in the taking of all such action as may be necessary or appropriate in order to protect the exercise rights of the Holder against impairment, including, without limitation, the provisions contained in Section 7 hereof and Section 6(b) and Section 6(c) of Article IV(B) contained in the Restated Certificate, which provisions the Company represents have been duly complied with by the Company's stockholders in connection with the issuance of this Warrant.

7. **Adjustment of Exercise Price and Number of Shares.** The number and kind of Shares purchasable upon exercise of this Warrant and the Exercise Price shall be subject to adjustment from time to time as follows:

(a) Subdivisions, Combinations and Other Issuances. If the Company shall at any time after the issuance but prior to the expiration of this Warrant subdivide its Preferred Stock, by split-up or otherwise, or combine its Preferred Stock, or issue additional shares of its Preferred Stock or Common Stock as a dividend with respect to any shares of its Preferred Stock, the number of Shares issuable on the exercise of this Warrant shall forthwith be proportionately increased in the case of a subdivision or stock dividend, or proportionately decreased in the case of a combination. Appropriate adjustments shall also be made to the Exercise Price payable per share, but the aggregate Exercise Price payable for the total number of Shares purchasable under this Warrant (as adjusted) shall remain the same. Any adjustment under this Section 7(a) shall become effective at the close of business on the date the subdivision or combination becomes effective, or as of the record date of such dividend, or in the event that no record date is fixed, upon the making of such dividend.

(b) Reclassification, Reorganization and Consolidation. In case of any reclassification, capital reorganization or change in the capital stock of the Company (other than as a result of a subdivision, combination or stock dividend provided for in Section 7(a) above), then, as a condition of such reclassification, reorganization or change, lawful provision shall be made, and duly executed documents evidencing the same from the Company or its successor shall be delivered to the Holder, so that the Holder shall have the right at any time prior to the expiration of this Warrant to purchase, at a total price equal to that payable upon the exercise of this Warrant, the kind and amount of shares of stock and other securities or property receivable in connection with such reclassification, reorganization or change by a holder of the same number and type of securities as were purchasable as Shares by the Holder immediately prior to such reclassification, reorganization or change. In any such case appropriate provisions shall be

made with respect to the rights and interest of the Holder so that the provisions hereof shall thereafter be applicable with respect to any shares of stock or other securities or property deliverable upon exercise hereof, and appropriate adjustments shall be made to the Exercise Price per Share payable hereunder, provided the aggregate Exercise Price shall remain the same.

(c) Conversion of Preferred Stock. In the event that all outstanding shares of Preferred Stock are converted to Common Stock, or any other security, in accordance with the terms of the Company's Sixth Amended and Restated Certificate of Incorporation (as amended from time to time) in connection with the Company's initial public offering, a Corporate Transaction or other event, this Warrant shall become exercisable for Common Stock or such other security at the same price per share that the Shares were converted into Common Stock or such other security.

(d) Other Adjustments.

(i) It is hereby acknowledged that the Holder shall be entitled to the benefit of all adjustments in the number of shares of Common Stock of the Company issuable upon conversion of the Shares, as a result of any issuance of securities or any splits, recapitalizations, combinations or other similar transaction affecting the Common Stock underlying the Shares or any other event resulting in an adjustment provided to any other holder of Series E Preferred Stock that occurs prior to the exercise of this Warrant as provided in the Company's Sixth Amended and Restated Certificate of Incorporation (as amended from time to time).

(ii) If an Event of Default under clause (y) of Section 1(b)(i) occurs, and if the Company makes a dividend or distribution on its Common Stock or its Series E Preferred Stock during the 90-Day Period that is not already adjusted for pursuant to Sections 7(a)-(d)(i) hereof or the Company's Sixth Amended and Restated Certificate of Incorporation (as amended from time to time), as applicable, or if for any other reason there is a decline in the value of the Company's Common Stock or Series E Preferred Stock during the 90-Day Period, the number of Shares purchasable upon exercise of this Warrant shall be adjusted such that immediately following such adjustment, the value of the Shares issuable upon full exercise of this Warrant at such time shall be no less than the value of the Shares issuable upon full exercise of this Warrant on the first day of the 90-Day Period (for the purposes of determining such value, if this Warrant is then exercisable for Series E Preferred Stock, it shall be assumed that this Warrant was exercised for Series E Preferred Stock, such shares of Series E Preferred Stock were immediately converted into Common Stock at the then-effective conversion rate for such shares, and all such shares of Common Stock were immediately sold on that day); provided that no such adjustment shall be made to the extent it would result in a decrease in value to the Holder from what such value would have been in the absence of such adjustment).

(e) Notice of Adjustment. When any adjustment is required to be made in the number or kind of shares purchasable upon exercise of the Warrant, or in the Exercise Price, the Company shall promptly notify the Holder of such event and of the number of Shares or other securities or property thereafter purchasable upon exercise of this Warrant.

8. Expiration of Warrant. This Warrant shall expire and shall no longer be exercisable as of the earlier of (the "Expiration Date"):

(a) 5:00 p.m., Pacific time, on December 15, 2023; or

(b) if the Loans and all other obligations under the Loan Documents are paid in full prior to December 15, 2018, the date of such prepayment in full.

9. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant, but in lieu of such fractional shares the Company shall make a cash payment for the value of such fractional share on the basis of the Exercise Price then in effect.

10. No Stockholder Rights. Prior to exercise of this Warrant, the Holder shall not be entitled to any rights of a stockholder with respect to the Shares, including (without limitation) the right to vote such Shares, receive dividends or other distributions thereon, exercise preemptive rights or be notified of stockholder meetings, and except as otherwise provided in this Warrant or the Arrangement Agreement, such Holder shall not be entitled to any stockholder notice or other communication concerning the business or affairs of the Company. When this Warrant is exercised into Shares, the holder of such Shares shall be entitled to all of the rights, and shall be subject to the obligations, generally applicable to holders of the Shares. Notwithstanding the foregoing, nothing contained in this Section 10 shall limit the provisions of Section 7(d)(i).

11. Additional Agreements.

(a) Purchase for Investment. The Holder acknowledges that the Securities have not been registered under the 1933 Act or under any state securities laws. The Holder (i) is acquiring the Warrant pursuant to an exemption from registration under the 1933 Act solely for investment with no present intention to distribute them to any person in violation of the 1933 Act or any applicable U.S. state securities laws, (ii) will not sell or otherwise dispose of the Securities, except in compliance with the registration requirements or exemption provisions of the Securities Act and any applicable U.S. state securities laws, and (iii) has such knowledge and experience in financial and business matters and in investments of this type that it is capable of evaluating the merits and risks of the purchase and of making an informed investment decision.

(b) Legends.

(i) The Holder agrees that all certificates or other instruments representing the Warrant and the Shares (collectively, the "Securities") shall bear a legend substantially to the following effect:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR QUALIFIED UNDER APPLICABLE STATE SECURITIES LAWS AND HAVE BEEN TAKEN FOR INVESTMENT PURPOSES ONLY AND NOT WITH A VIEW TO OR FOR SALE IN CONNECTION WITH ANY DISTRIBUTION THEREOF. THE SECURITIES MAY NOT BE

TRANSFERRED, SOLD OR OTHERWISE DISPOSED OF EXCEPT WHILE A REGISTRATION STATEMENT RELATING THERETO IS IN EFFECT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH LAWS AND, IN THE CASE OF A TRANSFER BY A HOLDER OTHER THAN THE UNITED STATES DEPARTMENT OF ENERGY OR A PERMITTED TRANSFEREE OF THE UNITED STATES DEPARTMENT OF ENERGY PURSUANT TO SECTION 11(c)(i) HEREOF, WITH AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY THAT REGISTRATION IS NOT REQUIRED UNDER SUCH ACT."

(ii) The Holder agrees that all certificates or other instruments representing the Warrant will also bear a legend substantially to the following effect:

"THIS INSTRUMENT IS ISSUED SUBJECT TO THE PROVISIONS OF A WARRANT AGREEMENT BETWEEN THE ISSUER OF THESE SECURITIES AND THE INVESTOR REFERRED TO THEREIN, A COPY OF WHICH IS ON FILE WITH THE ISSUER."

(iii) In the event that any Shares (x) become registered under the Securities Act or (y) are eligible to be transferred without restriction in accordance with Rule 144 or another exemption from registration under the Securities Act (other than Rule 144A), the Company shall issue new certificates or other instruments representing such Shares, which shall not contain the applicable legend in Section 11(b)(i) above; provided that the Holder surrenders to the Company the previously issued certificates or other instruments. Upon transfer of all or a portion of the Warrant in compliance with Section 11(c) below, the Company shall issue new certificates or other instruments representing the Warrant, which shall contain the applicable legends in this Section 11(b) above; provided that the Holder surrenders to the Company the previously issued certificates or other instruments.

(c) Transfer of Warrant. Subject to compliance with applicable federal and state securities laws, this Warrant and all rights hereunder are transferable as follows:

(i) on or prior to December 15, 2018, in whole or in part, at any time by the Holder to any other federal agency of the United States government upon prior written notice of the Company; and

(ii) after December 15, 2018, in whole or in part, at any time by the Holder to any other person or entity upon prior written notice to the Company.

Within a reasonable time after the Company's receipt of an executed Assignment Form in the form attached hereto, the transfer shall be recorded on the books of the Company upon the surrender of this Warrant, properly endorsed, to the Company at its principal offices, and the payment to the Company of all transfer taxes and other governmental charges imposed on such transfer. In the event of a partial transfer, the Company shall issue to the new holders one or more appropriate new warrants. Each holder of Securities and each subsequent transferee consents to the Company making a notation on its records and giving instructions to any transfer agent of the Securities in order to implement the restrictions on transfer established in this Section 11.

12. **Governing Law.** THIS WARRANT, AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, FEDERAL LAW AND NOT THE LAW OF ANY STATE OR LOCALITY. REGISTRATION RIGHTS AGREEMENT

This Registration Rights Agreement (the "Agreement") is made as of January 20, 2010, by and between Tesla Motors, Inc., a Delaware corporation (the "Company") and the United States Department of Energy ("DOE").

RECITALS

A. The Company and the DOE have entered into a Loan Arrangement and Reimbursement Agreement (the "Arrangement Agreement") of even date herewith pursuant to which the Company shall issue the DOE a warrant to purchase up to 9,255,035 shares of Series E Preferred Stock (the "Warrant").

B. A condition to the DOE's obligations under the Arrangement Agreement is that the Company enter into this Agreement to grant the DOE certain rights to register shares of the Company's Common Stock issuable upon conversion of Series E Preferred Stock issuable upon exercise of the Warrant.

C. Capitalized terms not otherwise defined herein shall have the meaning set forth in the Arrangement Agreement.

AGREEMENT

1. **Registration Rights.** The Company and the DOE covenant and agree as follows:

1.1 **Definitions.** For purposes of this Agreement:

(a) The term "Holder" means any person owning or having the rights to acquire Registrable Securities or any assignee thereof in accordance with Section 1.13 of this Agreement;

(b) The terms "register," "registered," and "registration" refer to a registration effected by preparing and filing a registration statement or similar document in compliance with the Securities Act of 1933, as amended (the "Securities Act"), and the declaration or ordering of effectiveness of such registration statement or document;

(c) The term "Registrable Securities" means (i) the shares of Common Stock issuable or issued upon conversion of the Series E Preferred Stock issued or issuable upon exercise of the Warrant (such shares of Common Stock issuable upon exercise and/or conversion of the Warrant, the "Warrant Shares"), and (ii) any other shares of Common Stock of the Company issued as (or issuable upon the conversion or exercise of any warrant, right or other security which is issued as) a dividend or other distribution with respect to, or in exchange for or in replacement of, the shares listed in (i) and (ii); provided, however, that a given Warrant Share

shall not be a Registrable Security hereunder until such time as a given share of Series E Preferred Stock (or the underlying share(s) of Common Stock if the Series E Preferred Stock has converted into Common Stock) become exercisable pursuant to the terms of the Warrant; and provided further, however, that the foregoing definition shall exclude in all cases any Registrable Securities sold by a person in a transaction in which his or her rights under this Agreement are not assigned. Notwithstanding the foregoing, Common Stock or other securities shall only be treated as Registrable Securities if and so long as they have not been sold to or through a broker or dealer or underwriter in a public distribution or a public securities transaction;

(d) The number of shares of "Registrable Securities then outstanding" shall be determined by the number of shares of Common Stock outstanding which are, and the number of shares of Common Stock issuable pursuant to then exercisable or convertible securities which are, Registrable Securities;

(e) The term "Form S-3" means such form under the Securities Act as in effect on the date hereof or any successor form under the Securities Act that permits incorporation by reference of the Company's subsequent public filings under the Securities Exchange Act of 1934, as amended; and

(f) The term "SEC" means the Securities and Exchange Commission.

1.2 **Request for Registration.**

(a) If the Company shall receive at any time after the earlier of (i) the occurrence of an Event of Default under the Loan Documents (and all or any portion of the Warrant has vested) and (ii) six (6) months after the effective date of the first registration statement for a public offering of securities of the Company (other than a registration statement relating either to the sale of securities to employees of the Company pursuant to a stock option, stock purchase or similar plan or an SEC Rule 145 transaction), a written request from the Holder that the Company file a registration statement under the Securities Act covering the resale of Registrable Securities with an anticipated aggregate offering price of at least $10,000,000, then the Company shall, subject to the limitations of subsection 1.2(b), use its best efforts to effect as soon as practicable, and in any event within sixty (60) days of the receipt of such request, the registration of the resale under the Securities Act of all Registrable Securities which the Holder has requested to be registered.

(b) If the Holder intends to distribute the Registrable Securities covered by its request by means of an underwriting, it shall so advise the Company as a part of its request made pursuant to this Section 1.2. The underwriter will be selected by the Company and shall be reasonably acceptable to the Holder. In such event, the right of the Holder to include its Registrable Securities in such registration shall be conditioned upon the Holder's participation in such underwriting and the inclusion of the Holder's Registrable Securities in the underwriting to the extent provided herein. Subject to Section 1.6(e), the Holder and the Company shall enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting; provided, however, that if the Holder does not enter into such underwriting agreement and the Holder's shares are unable to be included in such offering, such

exclusion shall not be deemed to be a breach of the Company's obligations under this Section 1.2. Notwithstanding any other provision of this Section 1.2, if the underwriter advises the Holder in writing that marketing factors require a limitation of the number of shares to be underwritten, then the number of shares of Registrable Securities that may be included in the underwriting shall be allocated among all holders of securities requesting registration thereof, including the Holder, as follows: (i) first, to include Registrable Securities requested to be registered by the Holder; (ii) second, to the Company, which the Company may allocate, at its discretion, for its own account, or for the account of other holders or employees of the Company; and (iii) third, to other holders of the Company's securities requesting inclusion in such registration.

(c) Notwithstanding the foregoing, if the Company shall furnish to the Holder a certificate signed by the President of the Company stating that in the good faith judgment of the Board of Directors of the Company, it would be seriously detrimental to the Company and its stockholders for such registration statement to be filed and it is therefore essential to defer the filing of such registration statement, the Company shall have the right to defer such filing for a period of not more than sixty (60) business days after receipt of the request of the Holder; provided, however, that the Company may not utilize this right more than once in any twenty-four (24) month period and provided further that the Company shall not register any securities for the account of itself or any other stockholder during such sixty (60) business day period (other than a registration relating solely to the sale of securities of participants in a Company stock plan, a registration relating to a corporate reorganization or transaction under Rule 145 of the Securities Act, a registration on any form that does not include substantially the same information as would be required to be included in a registration statement covering the sale of the Registrable Securities, or a registration in which the only Common Stock being registered is Common Stock issuable upon conversion of debt securities that are also being registered).

(d) In addition, the Company shall not be obligated to effect, or to take any action to effect, any registration pursuant to this Section 1.2:

(i) After the Company has effected two (2) registrations pursuant to this Section 1.2 and such registrations have been declared or ordered effective;

(ii) During the period starting with the date sixty (60) days prior to the Company's good faith estimate of the date of filing of, and ending on a date one hundred eighty (180) days after the effective date of, a registration subject to Section 1.3 hereof; provided that the Company is actively employing in good faith all reasonable efforts to cause such registration statement to become effective; or

(iii) If the Holder proposes to dispose of shares of Registrable Securities that may be immediately registered on Form S-3 pursuant to a request made pursuant to Section 1.4 below.

1.3 **Company Registration.** If (but without any obligation to do so) the Company proposes to register (including for this purpose a registration effected by the Company

for stockholders other than the Holder) any of its stock under the Securities Act in connection with the public offering of such securities solely for cash (other than a registration relating solely to the sale of securities to participants in a Company stock plan or a transaction covered by Rule 145 under the Securities Act, a registration in which the only stock being registered is Common Stock issuable upon conversion of debt securities which are also being registered, or any registration on any form which does not include substantially the same information as would be required to be included in a registration statement covering the sale of the Registrable Securities), the Company shall, at such time, promptly give the Holder written notice of such registration. Upon the written request of the Holder given within twenty (20) business days after mailing of such notice by the Company in accordance with Section 2.3, the Company shall, subject to the provisions of Section 1.9, cause to be registered under the Securities Act all of the Registrable Securities that the Holder has requested to be registered.

1.4 **Form S-3 Registration.** If and when the Company is eligible to effect a registration statement on Form S-3 and the Company shall have received from the Holder a written request that the Company effect a registration on Form S-3 and any related qualification or compliance with respect to all or a part of the Registrable Securities owned by the Holder, the Company will, as soon as practicable, effect such registration and all such qualifications and compliances as may be so required or so requested and as would permit or facilitate the sale and distribution of all or such lesser portion of the Holder's Registrable Securities as are specified in such request, it being understood that all Registrable Securities shall be included in such registration unless otherwise specified in writing by the Holder; provided, however, that the Company shall not be obligated to effect any such registration, qualification or compliance, pursuant to this Section 1.4: (i) if Form S-3 is not available for such offering by the Holder; (ii) if the Holder, together with the holders of any other securities of the Company entitled to inclusion in such registration, propose to sell Registrable Securities and such other securities (if any) at an aggregate price to the public (net of any underwriters' discounts or commissions) of less than $1,000,000; (iii) if the Company shall furnish to the Holder a certificate signed by the President of the Company stating that in the good faith judgment of the Board of Directors of the Company, it would be seriously detrimental to the Company and its stockholders for such Form S-3 Registration to be effected at such time, in which event the Company shall have the right to defer the filing of the Form S-3 registration statement for a period of not more than sixty (60) days after the date specified in clause (i) of this Section 1.4 or if any, receipt of the request of the Holder under this Section 1.4; provided, however, that the Company shall not utilize this right more than once in any twenty-four (24) month period and provided further that the Company shall not register any securities for the account of itself or any other stockholder during such sixty (60) day period (other than a registration relating solely to the sale of securities of participants in a Company stock plan, a registration relating to a corporate reorganization or transaction under Rule 145 of the Securities Act, a registration on any form that does not include substantially the same information as would be required to be included in a registration statement covering the sale of the Registrable Securities, or a registration in which the only Common Stock being registered is Common Stock issuable upon conversion of debt securities that are also being registered); or (iv) in any particular jurisdiction in which the Company would be required to qualify to do business or to execute a general consent to service of process in effecting such registration, qualification or compliance.

(a) Subject to the foregoing, the Company shall file a registration statement covering the Registrable Securities and other securities so requested to be registered as soon as practicable after receipt of the request of the Holder. Registrations effected pursuant to this Section 1.4 shall not be counted as demands for registration or registrations effected pursuant to Sections 1.2 or 1.3, respectively.

1.5 **Underwritten Offering.** If the registration referred to in Section 1.2, Section 1.3 or Section 1.4 is proposed to be underwritten, the Company will so notify the Holder in writing and all other persons having similar rights. Each such stockholder will (together with the Holder and the other persons distributing their securities through such underwriting) enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting by the Company; provided that the DOE and any permitted transferee pursuant to Section 11(c)(i) of the Warrant (as opposed to other stockholders) shall not be required to indemnify any person in connection with any registration or to make any representations and warranties. If any participating person disapproves of the terms of the underwriting, such person may elect to withdraw therefrom by written notice to the Company, the managing underwriters and the DOE (if the DOE is participating in the underwriting). Notwithstanding the foregoing, that if the Holder does not enter into such underwriting agreement and the Holder's shares are unable to be included in such offering, such exclusion shall not be deemed to be a breach of the Company's obligations under Section 1.2, Section 1.3 or Section 1.4.

1.6 **Obligations of the Company.** Whenever required under this Section 1 to effect the registration of any Registrable Securities, the Company shall, as expeditiously as reasonably possible:

(a) Prepare and file with the SEC a registration statement with respect to such Registrable Securities and use its best efforts to cause such registration statement to become effective, and, upon the request of the Holder, keep such registration statement effective for up to three hundred sixty five (365) days.

(b) Prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement.

(c) Furnish to the Holder such numbers of copies of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned by it.

(d) Use its best efforts to register and qualify the securities covered by such registration statement under such other securities or Blue Sky laws of such jurisdictions as shall be reasonably requested by the Holder, provided that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions.

(e) In the event of any underwritten public offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the underwriter or underwriters of such offering. If participating in such underwriting (whether pursuant to Section 1.1, Section 1.2 or Section 1.3), the Holder shall also enter into and perform its obligations under such an agreement; provided, however, the DOE and any permitted transferee pursuant to Section 11(c)(i) of the Warrant (as opposed to other stockholders) shall not be required to indemnify any person or make any representations and warranties.

(f) Notify the Holder at any time when a prospectus relating thereto is required to be delivered under the Securities Act of the happening of any event as a result of which the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing; provided, however, the Holder may reasonably request the Company to prepare a supplement or post effective amendment to such registration statement and prospectus in order to correct such misstatement or omission.

(g) Cause all such Registrable Securities registered pursuant hereunder to be listed on each securities exchange on which similar securities issued by the Company are then listed, including preparing necessary listing applications and providing any information reasonably requested by such securities exchange in connection therewith.

(h) Provide a transfer agent and registrar for all Registrable Securities registered pursuant hereunder and a CUSIP number for all such Registrable Securities, in each case not later than the effective date of such registration.

(i) Use its best efforts to furnish, at the request of the Holder, on the date that the registration statement with respect to such securities becomes effective and on the date that such Registrable Securities are delivered to the underwriters for sale in connection with a registration pursuant to this Section 1, if such securities are being sold through underwriters, or, if such securities are not being sold through underwriters, on the date that the registration statement with respect to such securities becomes effective, (i) an opinion (dated the date that such Registrable Securities are delivered to the underwriters for sale in connection with a registration pursuant to this Section 1, if such securities are being sold through underwriters, or, if such securities are not being sold through underwriters, on the date that the registration statement with respect to such securities becomes effective), of the counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering, addressed to the underwriters, if any, and to the Holder and (ii) a letter, dated as of each of such applicable dates, from the independent certified public accountants of the Company, in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering, addressed to the underwriters, if any, and to the Holder.

(j) Permit the Holder (along with the Holder's underwriters, attorneys and accountants) to participate in the preparation of such registration statement and to require the

insertion therein of material, furnished to the Company in writing, which in the reasonable judgment of the Holder and its counsel and counsel for the Company should be included.

(k) Cause senior representatives of the Company to participate in any "road show" or "road shows" reasonably requested by any underwriter of an underwritten or "best efforts" offering of any Registrable Securities.

(l) Promptly make available for inspection by the Holder, any underwriter(s) participating in any disposition pursuant to such registration statement, and any attorney or accountant or other agent retained by any such underwriter or selected by the Holder, all financial and other records, pertinent corporate documents, and properties of the Company, and cause the Company's officers, directors, employees, and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant, or agent, in each case, as necessary or advisable to verify the accuracy of the information in such registration statement and to conduct appropriate due diligence in connection therewith.

1.7 **Furnish Information.** It shall be a condition precedent to the obligations of the Company to take any action pursuant to this Section 1 with respect to the Registrable Securities of the Holder that the Holder shall furnish to the Company such information regarding itself, the Registrable Securities held by it, and the intended method of disposition of such securities as shall be required to effect the registration of the Holder's Registrable Securities. The Company shall have no obligation with respect to any registration requested pursuant to Section 1.2 or Section 1.4 of this Agreement if, as a result of the application of the preceding sentence, the number of shares or the anticipated aggregate offering price of the Registrable Securities to be included in the registration does not equal or exceed the number of shares or the anticipated aggregate offering price required to originally trigger the Company's obligation to initiate such registration as specified in subsection 1.2(a) or subsection 1.4(b)(2), whichever is applicable.

1.8 **Expenses of Registration.**

(a) **Demand Registration.** All expenses other than underwriting discounts and commissions incurred in connection with registrations, filings or qualifications pursuant to Section 1.2, including (without limitation) all registration, filing and qualification fees, printers' and accounting fees, fees and disbursements of counsel for the Company, and the reasonable fees and disbursements of one counsel for the Holder selected by it with the approval of the Company, which approval shall not be unreasonably withheld, shall be borne by the Company; provided, however, that the Company shall not be required to pay for any expenses of any registration proceeding begun pursuant to Section 1.2 if the registration request is subsequently withdrawn at the request of the Holder; provided further, however, that if at the time of such withdrawal, the Holder has learned of a material adverse change in the condition, business, or prospects of the Company from that known to the Holder at the time of its request and have withdrawn the request with reasonable promptness following disclosure by the Company of such material adverse change, then the Holder shall not be required to pay any of such expenses and shall retain its rights pursuant to Section 1.2.

(b) **Company Registration.** All expenses other than underwriting discounts and commissions incurred in connection with registrations, filings or qualifications of Registrable Securities pursuant to Section 1.3 for the Holder (which right may be assigned as provided in Section 1.13), including (without limitation) all registration, filing, and qualification fees, printers' and accounting fees, fees and disbursements of counsel for the Company and the reasonable fees and disbursements of one counsel for the Holder selected by it with the approval of the Company, which approval shall not be unreasonably withheld, shall be borne by the Company.

(c) **Registration on Form S-3.** All expenses other than underwriting discounts and commissions incurred in connection with a registration requested pursuant to Section 1.4, including (without limitation) all registration, filing, qualification, printers' and accounting fees and the reasonable fees and disbursements of one counsel for the Holder selected by it with the approval of the Company, which approval shall not be unreasonably withheld, and counsel for the Company, shall be borne by the Company.

1.9 **Underwriting Requirements.** In connection with any offering involving an underwriting of shares of the Company's capital stock, the Company shall not be required under Section 1.3 to include any of the Holder's securities in such underwriting unless it accepts the terms of the underwriting as agreed upon between the Company and the underwriters selected by it (or by other persons entitled to select the underwriters), and then only in such quantity as the underwriters determine in their sole discretion will not jeopardize the success of the offering by the Company; provided, that in no event shall the DOE or any permitted transferee pursuant to Section 11(c)(i) of the Warrant be required to indemnify any person or make any representations and warranties. If the total amount of securities, including Registrable Securities, requested by stockholders to be included in such offering exceeds the amount of securities sold other than by the Company that the underwriters determine in their sole discretion is compatible with the success of the offering, then the Company shall be required to include in the offering only that number of such securities, including Registrable Securities, which the underwriters determine in their sole discretion will not jeopardize the success of the offering (the securities so included to be apportioned in the same manner as provided in Section 1.2(b) or in such other proportions as shall mutually be agreed to by all such selling stockholders) but in no event shall (i) the amount of securities of the Holder included in the offering be reduced below thirty percent (30%) of the total amount of securities included in such offering (or such lesser percentage so long as all Registrable Securities held by the Holder requested to be included in the offering are so included), unless such offering is the initial public offering of the Company's securities, in which case, the Holder may be excluded only if the underwriters make the determination described above and no other stockholder's securities are excluded or (ii) any securities held by a Founder be included if any securities held by any selling Holder are excluded. For purposes of this Section 1.9, "Founder" shall be abscribed the meaning set forth in Section 1.1(h) of the Fifth Amended and Restated Investors' Rights Agreement, dated as of August 31, 2009, by and among the Company, and certain stockholders of the Company, as may be further amended from time to time (the "Investors' Rights Agreement").

1.10 **Delay of Registration.** The Holder shall not have any right to obtain or seek an injunction restraining or otherwise delaying any such registration as the result of any

controversy that might arise with respect to the interpretation or implementation of this Section 1.

1.11 **Indemnification.** In the event any Registrable Securities are included in a registration statement under this Section 1:

(a) To the extent permitted by law, the Company will indemnify and hold harmless the Holder, any underwriter (as defined in the Securities Act) for the Holder and each person, if any, who controls the Holder or underwriter within the meaning of the Securities Act or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and each officer, director, partner or member of any of the foregoing against any expenses, judgments, losses, claims, damages, or liabilities (joint or several) to which they may become subject under the Securities Act, the Exchange Act or other federal or state law, insofar as such expenses, judgments, losses, claims, damages, or liabilities (or actions in respect thereof) arise out of or are based upon any of the following statements, omissions or violations (collectively a "Violation"): (i) any untrue statement or alleged untrue statement of a material fact contained or incorporated by reference in any prospectus, offering circular or other document (including any related registration statement, notification or the like) incident to any such registration, (ii) the omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein not misleading, or (iii) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any state securities law or any rule or regulation promulgated under the Securities Act, the Exchange Act or any state securities law; and the Company will pay to the Holder, underwriter or controlling person, as incurred, any legal or other expenses reasonably incurred by it in connection with investigating or defending any such expenses, judgments, loss, claim, damage, liability, or action; provided, however, that, so long as the Company is defending in good faith against any such loss, claim, damage, liability or action, the indemnity agreement contained in this subsection 1.11(a) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Company (which consent shall not be unreasonably withheld), nor shall the Company be liable to the Holder, underwriter or controlling person for any such expense, judgment, loss, claim, damage, liability, or action to the extent that it arises out of or is based upon a Violation which occurs in reliance upon and in conformity with written information furnished expressly for use in connection with such registration by the Holder, underwriter or controlling person.

(b) To the extent permitted by law, the Holder (except the DOE and any permitted transferee pursuant to Section 11(c)(i) of the Warrant) will indemnify and hold harmless the Company, each of its directors, each of its officers who has signed the registration statement, each person, if any, who controls the Company within the meaning of the Securities Act, any underwriter, any other person selling securities in such registration statement and any controlling person of any such underwriter or other person, against any expenses, judgments, losses, claims, damages, or liabilities (joint or several) to which any of the foregoing persons may become subject, under the Securities Act, the Exchange Act or other federal or state law, insofar as such expenses, judgments, losses, claims, damages, or liabilities (or actions in respect thereto) arise out of or are based upon any Violation, in each case to the extent (and only to the extent) that such Violation occurs in reliance upon and in conformity with written information furnished

by such Holder expressly for use in connection with such registration; and the Holder (except the DOE and any permitted transferee pursuant to Section 11(c)(i) of the Warrant) will pay, as incurred, any legal or other expenses reasonably incurred by any person intended to be indemnified pursuant to this subsection 1.10(b), in connection with investigating or defending any such expense, judgment, loss, claim, damage, liability, or action; provided, however, that the indemnity agreement contained in this subsection 1.10(b) shall not apply to amounts paid in settlement of any such expense, judgment, loss, claim, damage, liability or action if such settlement is effected without the consent of such Holder, which consent shall not be unreasonably withheld; provided, that in no event shall any indemnity under this subsection 1.10(b) exceed the net proceeds from the offering received by such Holder, except in the case of fraud by such Holder.

(c) Promptly after receipt by an indemnified party under this Section 1.11 of notice of the commencement of any action (including any governmental action), such indemnified party will, if a claim in respect thereof is to be made against any indemnifying party under this Section 1.11, deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume the defense thereof with counsel mutually satisfactory to the parties; provided, however, that an indemnified party (together with all other indemnified parties which may be represented without conflict by one counsel) shall have the right to retain one separate counsel, with the reasonable fees and expenses to be paid by the indemnifying party, if representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential differing interests between such indemnified party and any other party represented by such counsel in such proceeding. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action, if prejudicial to its ability to defend such action, shall, to the extent of any such prejudice, relieve such indemnifying party of any liability to the indemnified party under this Section 1.11, but the omission so to deliver written notice to the indemnifying party will not relieve it of any liability that it may have to any indemnified party otherwise than under this Section 1.11.

(d) If the indemnification provided for in this Section 1.11 is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any loss, liability, claim, damage or expense referred to therein, then the indemnifying party, in lieu of indemnifying such indemnified party hereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such loss, liability, claim, damage, or expense in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other in connection with the statements or omissions that resulted in such loss, liability, claim, damage or expense as well as any other relevant equitable considerations; provided, that in no event shall any contribution by the Holder (except the DOE and any permitted transferee pursuant to Section 11(c)(i) of the Warrant), when combined with any amounts paid by such Holder pursuant to subsection 1.10(b) exceed the net proceeds from the offering received by such Holder, except in the case of fraud by such Holder. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by

the indemnified party and the parties' relative intent, knowledge, access to information, and opportunity to correct or prevent such statement or omission.

(e) Notwithstanding the foregoing, to the extent that the provisions on indemnification and contribution contained in the underwriting agreement entered into in connection with the underwritten public offering are in conflict with the foregoing provisions, the provisions in the underwriting agreement shall control with respect to the Company and such underwriters.

(f) The obligations of the Company and the Holder under this Section 1.11 shall survive the completion of any offering of Registrable Securities in a registration statement under this Section 1, and otherwise.

1.12 **Reports Under Securities Exchange Act of 1934.** With a view to making available to the Holder the benefits of Rule 144 promulgated under the Securities Act and any other rule or regulation of the SEC that may at any time permit the Holder to sell securities of the Company to the public without registration or pursuant to a registration on Form S-3, the Company agrees to:

(a) make and keep public information available, as those terms are understood and defined in SEC Rule 144, at all times after ninety (90) days after the effective date of the first registration statement filed by the Company for the offering of its securities to the general public so long as the Company remains subject to the periodic reporting requirements under Sections 13 or 15(d) of the Exchange Act;

(b) take such action, including the voluntary registration of its Common Stock under Section 12 of the Exchange Act, as is necessary to enable the Holder to utilize Form S-3 for the sale of its Registrable Securities, such action to be taken as soon as practicable after the end of the fiscal year in which the first registration statement filed by the Company for the offering of its securities to the general public is declared effective;

(c) file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act; and

(d) furnish to the Holder, so long as the Holder owns any Registrable Securities, forthwith upon request (i) a written statement by the Company that it has complied with the reporting requirements of SEC Rule 144 (at any time after ninety (90) days after the effective date of the first registration statement filed by the Company), the Securities Act and the Exchange Act (at any time after it has become subject to such reporting requirements), or that it qualifies as a registrant whose securities may be resold pursuant to Form S-3 (at any time after it so qualifies), (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (iii) such other information as may be reasonably requested in availing the Holder of any rule or regulation of the SEC which permits the selling of any such securities without registration or pursuant to such form.

1.13 **Assignment of Registration Rights.** The rights to cause the Company to register Registrable Securities pursuant to this Section 1 may be assigned, in whole or in part (but only with all related obligations), by the Holder to (i) a transferee or assignee of at least 250,000 shares of such securities (subject to adjustment for stock splits, stock dividends, reclassification, combinations, dilutive issuances, deemed issuances or the like), (ii) a transferee or assignee of all of such Registrable Securities held the Holder, if less than 250,000 shares (subject to adjustment for stock splits, stock dividends, reclassification, combinations, dilutive issuances, deemed issuances or the like); provided the Company is, within a reasonable time prior to such transfer, furnished with written notice of the name and address of such transferee or assignee and the securities with respect to which such registration rights are being assigned; provided, further, that such assignment shall be effective only if immediately following such transfer the further disposition of such securities by the transferee or assignee is restricted under the Securities Act and, after such time as the Company has amended the Investors' Rights Agreement to provide that such transferee or assignee shall be treated as a "holder" for all purposes under the Investors' Rights Agreement, such transferee or assignee agrees (x) to be bound by the Investors' Rights Agreement and the Right of First Refusal Agreement (if then in effect), in each case dated as of August 31, 2009, by and among the Company and certain stockholders of the Company and (y) that its rights to cause the Company to register Registrable Securities will be governed by Section 1 of the Investors' Rights Agreement in lieu of its rights hereunder; provided, further that so long as the Company has not amended the Investors' Rights Agreement to include such transferee or assignee thereunder, such assignment shall be automatically effective and such transferee or assignee shall maintain its rights as a "Holder" for all purposes hereunder. The Company shall use its commercially reasonable efforts to cause the Investors' Rights Agreement to be amended in order to allow any such transferee or assignee to be treated as a "holder" for all purposes thereunder. For the purposes of determining the number of shares of Registrable Securities held by a transferee or assignee, the holdings of transferees and assignees of (x) a partnership who are partners or retired partners of such partnership or (y) a limited liability company who are members or retired members of such limited liability company (including immediate family members of such partners or members who acquire Registrable Securities by gift, will or intestate succession) or Affiliates (as defined in the Arrangement Agreement) of such members or retired members shall be aggregated together and with the partnership or limited liability company; provided that all assignees and transferees who would not qualify individually for assignment of registration rights shall have a single attorney-in-fact for the purpose of exercising any rights, receiving notices or taking any action under Section 1.

1.14 **Limitations on Subsequent Registration Rights.** From and after the date of this Agreement, the Company shall not, without the prior written consent of the Holder, enter into any agreement with any holder or prospective holder of any securities of the Company which would allow such holder or prospective holder (a) to include such securities in any registration filed under Section 1.2 hereof, unless under the terms of such agreement, such holder or prospective holder may include such securities in any such registration only to the extent that the inclusion of his securities will not reduce the amount of the Registrable Securities of the Holder which is included or (b) to make a demand registration which could result in such registration statement being declared effective prior to the earlier of either of the dates set forth in

subsection 1.2(a) or within one hundred twenty (120) days of the effective date of any registration effected pursuant to Section 1.2.

1.15 **"Market Stand-Off" Agreement.**

(a) **Market-Standoff Period; Agreement.** If the initial public offering of the Company's securities occurs on or after the initial vesting date of the Warrant, then in connection with the initial public offering of the Company's securities and upon request of the Company or the underwriters managing such offering of the Company's securities, the Holder agrees not to sell, make any short sale of, loan, grant any option for the purchase of, or otherwise dispose of any equity securities of the Company, however or whenever acquired (other than those included in the registration) without the prior written consent of the Company or such underwriters, as the case may be, for such period of time not to exceed one hundred eighty (180) days (or such other period as may be requested by the Company or an underwriter to accommodate regulatory restrictions on (i) the publication or other distribution of research reports and (ii) analyst recommendations and opinions, including, but not limited to, the restrictions contained in FINRA Rule 2711(f)(4) or NYSE Rule 472(f)(4), or any successor provisions or amendments thereto) from the effective date of such registration as may be requested by the Company or such managing underwriters and to execute an agreement reflecting the foregoing as may be requested by the underwriters at the time of the Company's initial public offering in substantially the form attached hereto as Annex A, with such changes as the Holder and the underwriters may agree to. The foregoing provisions of this Section 1.15(a) shall not apply to the sale of any shares to an underwriter pursuant to an underwriting agreement, and shall only be applicable to the Holder if all officers, directors and greater than one percent (1%) stockholders of the Company enter into similar agreements. The underwriters in connection with the public offering of the Company's securities are intended third-party beneficiaries of this Section 1.15(a) and shall have the right, power and authority to enforce the provisions hereof as though they were a party hereto.

(b) **Stop-Transfer Instructions.** In order to enforce the foregoing covenants, the Company may impose stop-transfer instructions with respect to the securities of the Holder; provided, that this provision shall only be enforceable against the Holder to the extent it is enforced by the Company with respect to the securities of every other stockholder subject to similar restrictions contained in the Investors' Rights Agreement.

1.16 **Termination of Registration Rights.** The Holder shall not be entitled to exercise any right provided for in this Section 1 (other than Section 1.11) after the later of (a) the date that is five (5) years following such time as Rule 144 (but not Rule 144A) or another similar exemption under the Securities Act is first available for the sale of all of the Holder's Registrable Securities during a three (3) month period without registration, and (b) the date that is two (2) years following such time as the shares subject to purchase under the Warrant have fully vested in accordance with the terms thereof, except, in the cases of both clauses (a) and (b), if the Holder holds at least two percent (2%) of the outstanding voting stock of the Company.

2. **Miscellaneous.**

2.1 **Amendments and Waivers.** This Agreement may be amended, modified or terminated only by written instrument or written instruments signed by the Company and the DOE. To the fullest extent permitted by applicable Requirements of Law (as defined in the Arrangement Agreement), no act or course of dealing shall be deemed to constitute an amendment, modification or termination hereof.

2.2 **Delay and Waiver.** No delay or omission in exercising any right, power, privilege or remedy under this Agreement shall impair any such right, power, privilege or remedy of the parties, nor shall it be construed to be a waiver of any right, power, privilege or remedy or of any breach or default, or an acquiescence therein, or in any similar breach or default thereafter occurring, nor shall any waiver of any single right, power, privilege or remedy, or of any breach or default be deemed a waiver of any other right, power, privilege or remedy or of any other breach or default therefore or thereafter occurring.

2.3 **Notices.** Except to the extent otherwise expressly provided herein or as required by applicable Requirements of Law, all notices, reports, requests and demands to or upon the respective parties hereto shall not be effective unless given or made in writing (including by facsimile or electronic transmission in Electronic Format (as defined in the Arrangement Agreement)) and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when (i) delivered by hand, if signed for by or on behalf of the receiving party, (ii) if delivered by mail, three (3) Business Days (as defined in the Arrangement Agreement) after being deposited in the mail, postage prepaid, (iii) if deposited with an internationally recognized overnight courier service for overnight delivery to the receiving party, one (1) Business Day after being deposited with such service, (iv) if delivered by facsimile transmission, when receipt thereof has been confirmed by telephone or facsimile by the receiving party, and (v) if transmitted electronically, upon receipt of electronic, telephone or facsimile confirmation of the recipient's receipt thereof, in each case when sent to the relevant party at the number or address set forth with respect to such party below:

In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, the parties hereto agree that such provision shall be ineffective only to the extent of such invalidity or unenforceability without invalidating the remainder of such provision or any other provisions of this Agreement and shall not invalidate or render unenforceable any other provision hereof. 2.5 **Successors and Assigns.** The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

2.6 **Governing Law; Waiver of Jury Trial.**

(b) THE PARTIES HERETO EACH HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY TRANSACTION RELATED HERETO OR THERETO TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW.

2.7 **Submission to Jurisdiction, Etc.**

(a) Any legal action or proceeding against the Company with respect to or arising out of this Agreement may, to the fullest extent permitted by applicable law, be brought in or removed to the U.S. District Court for the District of Columbia or any other federal court of competent jurisdiction in any other jurisdiction where the Company or any of its property may be found. By execution and delivery of this Agreement, the Company accepts, for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid court for legal proceedings arising out of or in connection with this Agreement. The Company hereby waives, to the fullest extent permitted by applicable law, any right to stay or dismiss any action or proceeding under or in connection with this Agreement brought before the foregoing courts on the basis of forum non-conveniens or improper venue. The Company agrees that a judgment obtained in any such action may be enforced in any other federal court of competent jurisdiction, by suit upon such judgment, a certified copy of which shall be conclusive evidence of the judgment and of the fact and of the amount of its obligation.

(b) The Company hereby agrees that process may be served on it by certified mail, return receipt requested, to its address as specified in Section 2.3 and that such mailing is sufficient to confer personal jurisdiction over the Borrower in any proceeding in any court referred to in Section 2.7(a) and otherwise constitutes effective and binding service in every respect. Nothing in this Section 2.7 shall affect the right of Holder to serve process in any other manner permitted by law.

2.8 **Entire Agreement.** This Agreement, the Arrangement Agreement and the other Loan Documents (as defined in the Arrangement Agreement) constitute the entire agreement and understanding, and supersede all prior agreements and understandings (both written and oral), between the parties hereto with respect to the subject matter hereof and thereof.

Tesla Motors, Inc.

Lock-Up Agreement

Ladies and Gentlemen:

The undersigned understands that you, as representatives (the "Representatives"), propose to enter into an Underwriting Agreement on behalf of the several Underwriters named in Schedule I to such agreement (collectively, the "Underwriters"), with Tesla Motors, Inc., a Delaware corporation (the "Company") and the stockholders of the Company named in Schedule II thereto, providing for a public offering of the Common Stock of the Company (the "Shares") pursuant to a Registration Statement on Form S-1 to be filed with the Securities and Exchange Commission (the "SEC").

In consideration of the agreement by the Underwriters to offer and sell the Shares, and of other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the undersigned agrees that, during the period specified in the following paragraph (the "Lock-Up Period"), the undersigned will not offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise dispose of any shares of Common Stock of the Company, or any options or warrants to purchase any shares of Common Stock of the Company, or any securities convertible into, exchangeable for or that represent the right to receive shares of Common Stock of the Company, whether now owned or hereinafter acquired, owned directly by the undersigned (including holding as a custodian) or with respect to which the undersigned has beneficial ownership within the rules and regulations of the SEC (collectively the "Undersigned's Shares"). The foregoing restriction is expressly agreed to preclude the undersigned from engaging in any hedging or other transaction which is designed to or which reasonably could be expected to lead to or result in a sale or disposition of the Undersigned's Shares even if such Shares would be disposed of by someone other than the undersigned. Such prohibited hedging or other transactions would include without limitation any short sale or any purchase, sale or grant of any right (including without limitation any put or call option) with respect to any of the Undersigned's Shares or with respect to any security that includes, relates to, or derives any significant part of its value from such Shares.

The initial Lock-Up Period will commence on the date of this Lock-Up Agreement and continue for 180 days after the public offering date set forth on the final prospectus used to sell the Shares (the "Public Offering Date") pursuant to the Underwriting Agreement; provided, however, that if (1) during the last 17 days of the initial Lock-Up Period, the Company releases earnings results or announces material news or a material event or (2) prior to the expiration of the initial Lock-Up Period, the Company announces that it will release earnings results during the 15-day period following the last day of the initial Lock-Up Period, then in each case the Lock-Up Period will be automatically extended until the expiration of the 18-day period beginning on the

date of release of the earnings results or the announcement of the material news or material event, as applicable, unless each of the Representatives waive, in writing, such extension.

The undersigned hereby acknowledges that the Company has agreed in the Underwriting Agreement to provide written notice of any event that would result in an extension of the Lock-Up Period pursuant to the previous paragraph to the undersigned (in accordance with Section 13 of the Underwriting Agreement) and agrees that any such notice properly delivered will be deemed to have been given to, and received by, the undersigned. The undersigned hereby further agrees that, prior to engaging in any transaction or taking any other action that is subject to the terms of this Lock-Up Agreement during the period from the date of this Lock-Up Agreement to and including the 34th day following the expiration of the initial Lock-Up Period, it will give notice thereof to the Company and will not consummate such transaction or take any such action unless it has received written confirmation from the Company that the Lock-Up Period (as such may have been extended pursuant to the previous paragraph) has expired."

Notwithstanding the foregoing, the undersigned may (a) transfer the Undersigned's Shares (i) acquired in open market transactions after the Public Offering Date, (ii) as a *bona fide* gift or gifts, provided that the donee or donees thereof agree to be bound in writing by the restrictions set forth herein, (iii) to any trust for the direct or indirect benefit of the undersigned or the immediate family of the undersigned, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer shall not involve a disposition for value, (iv) if the undersigned is a corporation, partnership, limited liability company, trust or other business entity (A) to another corporation, partnership limited liability company, trust or other business entity that is a direct or indirect affiliate of the undersigned or (B) as part of a distribution without consideration by the undersigned to its stockholders, partners, members, or other equity holders, provided that in the case of any transfer contemplated in (A) or (B) above, it shall be a condition to the transfer that each transferee executes an agreement stating that the transferee is receiving and holding such capital stock subject to the provisions of this Agreement and there shall be no further transfer of such capital stock except in accordance with this Agreement, (v) by will or intestate succession upon the death of the undersigned, provided that the transferee agrees to be bound in writing by the restrictions set forth herein, (vi) in connection with the "cashless" exercise of options to purchase shares of Common Stock for purposes of exercising such options pursuant to employee benefit plans disclosed in the final prospectus used to sell the Shares, (vii) to the Company in connection with the payment of taxes due, (viii) to the Company in connection with the repurchase of shares of Common Stock issued pursuant to employee benefit plans disclosed in the final prospectus used to sell the Shares or pursuant to the agreements pursuant to which such shares were issued, or (ix) with the prior written consent of each of the Representatives on behalf of the Underwriters, or (b) enter into a written plan meeting the requirements of Rule 10b5-1 under the Exchange Act relating to the sale of securities of the Company, provided that the securities subject to such plan may not be sold until after the expiration of the Lock-Up Period and provided further that the establishment of such plan will not result in any public filing or other public announcement of such plan by the undersigned or the Company during the Lock-Up Period. In addition, with respect to clauses (a)(i) through (vii) above, it shall be a condition to such transfer that no filing under Section 16(a) of the Exchange Act, reporting a

reduction in beneficial ownership of shares of Common Stock, shall be required or shall be voluntarily made during the restricted period referred to above. For purposes of this Lock-Up Agreement, "immediate family" shall mean any relationship by blood, marriage or adoption, not more remote than first cousin. This Lock-Up Agreement shall not apply to shares of Common Stock sold by the undersigned to the Underwriters in the public offering.

The undersigned understands that the Company and the Underwriters are relying upon this Lock-Up Agreement in proceeding toward consummation of the offering. The undersigned further understands that this Lock-Up Agreement is irrevocable and shall be binding upon the undersigned's heirs, legal representatives, successors, and assigns.

Very truly yours,

COLLATERAL TRUST AGREEMENT (this "Agreement"), dated as of January 20, 2010 among TESLA MOTORS, INC., a Delaware corporation (the "Borrower"), the Subsidiaries of the Borrower that may from time to time become parties hereto (together with the Borrower, the "Grantors") and MIDLAND LOAN SERVICES, INC., a Delaware corporation, as collateral trustee (the "Collateral Trustee").

PRELIMINARY STATEMENTS

A. Pursuant to the Loan Arrangement and Reimbursement Agreement, dated as of January 20, 2010 (as amended, supplemented or otherwise modified from time to time, the "Arrangement Agreement"), between the Borrower and the United States Department of Energy ("DOE"), DOE has agreed to arrange for the Federal Financing Bank, an instrumentality of the United States government created by the Federal Financing Bank Act of 1973 that is under the general supervision of the Secretary of the Treasury ("FFB"), to purchase certain future advance promissory notes (as amended, supplemented or otherwise modified from time to time, the "Notes") to be issued by the Borrower pursuant to the Note Purchase Agreement, dated as of January 20, 2010, among the Borrower, DOE and FFB (as amended, supplemented or otherwise modified from time to time, the "Note Purchase Agreement"), and to make extensions of credit to the Borrower from time to time upon the terms and subject to the conditions set forth in the Notes and the other Loan Documents.

B. Pursuant to the Program Financing Agreement, dated as of September 16, 2009, between DOE and FFB, DOE is obligated to reimburse FFB for any liabilities, losses, costs or expenses incurred by FFB from time to time with respect to the Notes or the related Note Purchase Agreement.

C. The proceeds of the extensions of credit under the Funding Agreements will be used by the Borrower to fund Eligible Project Costs incurred by the Borrower under the Advanced Technology Vehicles Manufacturing Incentive Program administered by DOE.

D. Pursuant to FABS GSA Schedule GS-23F-0056T, Order No. DE-DT0000982 (as amended from time to time pursuant to change orders and sub-tasks, the "FI Consulting Agreement"), DOE engaged FI Consulting, Inc. ("FI Consulting") to provide certain services in connection with the Advanced Technology Vehicles Manufacturing Incentive Program, including engaging the Collateral Trustee on behalf of DOE.

E. FI Consulting and the Collateral Trustee are parties to the Contractor Team Arrangement dated as of January 11, 2010 (the "Teaming Agreement"), pursuant to which Collateral Trustee agreed to provide certain collateral trustee services, as more specifically set forth therein.

F. It is a condition precedent to the obligation of DOE under the Arrangement Agreement to deliver the Principal Instruments required for FFB to purchase the Notes under the Note Purchase Agreement that (i) the Grantors shall agree to secure the prompt and complete payment and performance when due of the Secured Obligations and (ii) the Grantors and the Collateral Trustee shall execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the premises and to induce DOE to enter into the Arrangement Agreement and to induce FFB to enter into the Note Purchase Agreement, purchase the Notes and make extensions of credit to the Borrower thereunder, each Grantor hereby agrees with the Collateral Trustee, for the ratable benefit of the Secured Parties, as follows:

DECLARATION OF TRUST

IN ORDER TO SECURE the prompt and complete payment and performance when due of the Secured Obligations and in consideration of the premises and the mutual agreements set forth herein, the Collateral Trustee does hereby declare that it holds and will hold as trustee in trust under this Agreement all of its right, title and interest in, to and under the Trust Security Documents and the collateral granted to the Collateral Trustee thereunder whether now existing or hereafter arising (and the Grantors do hereby consent thereto).

TO HAVE AND TO HOLD the Trust Security Documents and the entire Collateral (the right, title and interest of the Collateral Trustee in the Trust Security Documents and the Collateral being hereinafter referred to as the "Trust Estate") unto the Collateral Trustee and its successors in trust under this Agreement and its assigns forever.

IN TRUST NEVERTHELESS, under and subject to the conditions herein set forth and for the benefit of the Secured Parties, and for the enforcement of the payment of all Secured Obligations, and as security for the performance of and compliance with the covenants and conditions of this Agreement, each of the Loan Documents and each of the Trust Security Documents.

PROVIDED, HOWEVER, that these presents are upon the condition that if the Grantors, their successors or assigns, shall satisfy the conditions set forth in Section 6.15(a), then this Agreement, and the estates and rights hereby assigned, shall cease, determine and be void; otherwise they shall remain and be in full force and effect.

IT IS HEREBY FURTHER COVENANTED AND DECLARED, that the Trust Estate is to be held and applied by the Collateral Trustee, subject to the further covenants, conditions and trusts hereinafter set forth.

REMEDIES

2.1 Notices of Default.

(a) Upon receipt by the Collateral Trustee of a Notice of Default, and so long as such Notice of Default is in effect, the Collateral Trustee shall exercise the rights and remedies provided in this Agreement and in the Trust Security Documents subject to the direction of DOE, as provided herein. Except as otherwise provided in the last sentence of Section 2.2, the Collateral Trustee is not empowered to exercise any remedy hereunder or under any Trust Security Documents unless a Notice of Default is in effect.

(b) A Notice of Default delivered by DOE shall become effective upon receipt thereof by the Collateral Trustee. Notwithstanding anything in this Agreement to the contrary, a Notice of Default shall be deemed to be in effect whenever an Event of Default under Section 10.1(k) of the Arrangement Agreement with respect to the Borrower has occurred and is continuing. A Notice of Default, once effective, shall remain in effect unless and until it is cancelled as provided in Section 2.1(c).

(c) DOE shall be entitled to cancel a Notice of Default by delivering a written notice of cancellation to the Collateral Trustee at any time, provided that no such cancellation shall invalidate any actions taken by the Collateral Trustee to exercise any remedy with respect to the Collateral prior to the time the Collateral Trustee receives such written notice of cancellation in accordance with Section 6.3.

2.2 General Authority of the Collateral Trustee over the Collateral. Each Grantor hereby irrevocably constitutes and appoints the Collateral Trustee and any officer or agent thereof, with full power of substitution, as its true and lawful attorney in fact with full power and authority in its or his own name, from time to time in the Collateral Trustee's discretion, subject to Section 2.1, so long as any Notice of Default is in effect, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to carry out the terms of this Agreement and the Trust Security Documents and accomplish the purposes hereof and thereof and, without limiting the generality of the foregoing, each Grantor hereby gives the Collateral Trustee, subject to Section 2.1, the power and right on behalf of such Grantor, without notice to or further assent by such Grantor, so long as any Notice of Default is in effect, to take any Collateral Enforcement Actions permitted under the Trust Security Documents and to do, at its option and at the expense and for the account of Grantors, all acts and things which the Collateral Trustee deems necessary to protect or preserve the Collateral and to realize upon the Collateral in accordance with the provisions of the Trust Security Documents. Notwithstanding the foregoing, so long as no Notice of Default is in effect, the Collateral Trustee shall take such actions as are contemplated by this Agreement or the Trust Security Documents, subject to the direction of DOE, it being understood that such actions shall not include any action which pursuant to the express terms hereof can only be taken when a Notice of Default is in effect.

2.3 Right to Initiate Judicial Proceedings. If a Notice of Default is in effect, the Collateral Trustee, subject to the provisions of Sections 2.5(b) and 4.6, (a) shall have the right and power to institute and maintain such suits and proceedings as it may deem appropriate to protect and enforce the rights vested in it by this Agreement and each Trust Security Document and (b) may, either after entry, or without entry, proceed by suit or suits at law or in equity to enforce such rights and to foreclose upon the Collateral and to sell all or, from time to time, any of the Collateral under the judgment or decree of a court of competent jurisdiction.

2.4 Right to Appoint a Receiver. If a Notice of Default is in effect, upon the filing of a bill in equity or other commencement of judicial proceedings to enforce the rights of the Collateral Trustee under this Agreement or any Trust Security Document, the Collateral Trustee shall, to the extent permitted by Law, with notice to the Borrower but without notice to any party claiming through the Grantors, without regard to the solvency or insolvency at the time of any Person then liable for the payment of any of the Secured Obligations, without regard to the then value of the Trust Estate, and without requiring any bond from any complainant in such proceedings, be entitled as a matter of right to the appointment of a receiver or receivers (who may be the Collateral Trustee) of the Trust Estate, or any part thereof, and of the rents, issues, tolls, profits, royalties, revenues and other income thereof, pending such proceedings, with such powers as the court making such appointment shall confer, and to the entry of an order directing that the rents, issues, tolls, profits, royalties, revenues and other income of the property constituting the whole or any part of the Trust Estate be segregated, sequestered and impounded for the benefit of the Collateral Trustee and the Secured Parties, and each Grantor irrevocably consents to the appointments of such receiver or receivers and to the entry of such order; *provided* that, notwithstanding the appointment of any receiver, the Collateral Trustee shall be entitled to retain possession and control of all cash and Cash Equivalents held by or deposited with it pursuant to this Agreement or any Trust Security Document.

2.5 Exercise of Powers; Instructions of DOE.

(a) All of the powers, remedies and rights of the Collateral Trustee as set forth in this Agreement may be exercised by the Collateral Trustee in respect of any Trust Security Document as though set forth in full therein and all of the powers, remedies and rights of the Collateral Trustee, DOE and the other Secured Parties as set forth in any Trust Security Document may be exercised from time to time as herein and therein provided.

(b) DOE shall at all times have the right, by one or more notices in writing executed and delivered to the Collateral Trustee (or by telephonic notice promptly confirmed in writing), to direct the time, method and place of conducting any proceeding for any right or remedy available to the Collateral Trustee, or of exercising any trust or power conferred on the Collateral Trustee, or for the appointment of a receiver, or to direct the taking or the refraining from taking of any action authorized by this Agreement or any Trust Security Document; *provided* that (i) such direction shall not conflict with any Requirement of Law, this Agreement or any Trust Security Document and, (ii) the Collateral Trustee shall be adequately secured and indemnified as provided in Section 5.4(d). In the absence of such direction, the Collateral Trustee shall have no duty to take or refrain from taking any action unless explicitly required herein.

(c) Whether or not any Insolvency Proceeding has been commenced by or against any Grantor, no Secured Party (other than DOE) shall do (or direct the Collateral Trustee to do) any of the following without the consent of DOE: (i) take any Collateral Enforcement Action or commence, seek to commence or join any other Person in commencing any Insolvency Proceeding; or (ii) object to, contest or take any other action that is reasonably likely to hinder (A) any Collateral Enforcement Action initiated by the Collateral Trustee, (B) any release of Collateral permitted under Section 6.15, whether or not done in consultation with or with notice to such Secured Party or (C) any decision by DOE to forbear or refrain from bringing or pursuing any such Collateral Enforcement Action or to effect any such release.

2.6 Remedies Not Exclusive.

(a) No remedy conferred upon or reserved to the Collateral Trustee herein or in the Trust Security Documents is intended to be exclusive of any other remedy or remedies, but every such remedy shall be cumulative and shall be in addition to every other remedy conferred herein or in any Trust Security Document or now or hereafter existing at law or in equity or by statute.

(b) No delay or omission by the Collateral Trustee to exercise any right, remedy or power hereunder or under any Trust Security Document shall impair any such right, remedy or power or shall be construed to be a waiver thereof, and every right, power and remedy given by this Agreement or any Trust Security Document to the Collateral Trustee may be exercised from time to time and as often as may be deemed expedient by the Collateral Trustee.

(c) If the Collateral Trustee shall have proceeded to enforce any right, remedy or power under this Agreement or any Trust Security Document and the proceeding for the enforcement thereof shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Collateral Trustee, then the Grantors, the Collateral Trustee and the Secured Parties shall, subject to any determination in such proceeding, severally and respectively be restored to their former positions and rights hereunder or thereunder with respect to the Trust Estate and in all other respects, and thereafter all rights, remedies and powers of the Collateral Trustee shall continue as though no such proceeding had been taken.

(d) All rights of action and of asserting claims upon or under this Agreement and the Trust Security Documents may be enforced by the Collateral Trustee without the possession of any Loan Document or instrument evidencing any Secured Obligation or the production thereof at any trial or other proceeding relative thereto, and any suit or proceeding instituted by the Collateral Trustee shall be, subject to Sections 5.5(c) and 5.10(b)(ii), brought in its name as Collateral Trustee and any recovery of judgment shall be held as part of the Trust Estate.

2.7 Waiver and Estoppel.

(a) Each Grantor agrees, to the extent it may lawfully do so, that it will not at any time in any manner whatsoever claim, or take the benefit or advantage of, any appraisement, valuation, stay, extension, moratorium, turnover or redemption Law, or any Requirement of Law permitting it to direct the order in which the Collateral shall be sold, now or at any time hereafter in force, which may delay, prevent or otherwise affect the performance or enforcement of this Agreement or any Trust Security Document and hereby waives all benefit or advantage of all such Requirements of Law and covenants that it will not hinder, delay or impede the execution of any power granted to the Collateral Trustee in this Agreement or any Trust Security Document but will suffer and permit the execution of every such power as though no such Requirement of Law were in force.

(b) Each Grantor, to the extent it may lawfully do so, on behalf of itself and all who may claim through or under it, including without limitation any and all subsequent creditors, vendees, assignees and lienors, waives and releases all rights to demand or to have any marshalling of the Collateral upon any sale, whether made under any power of sale granted herein or in any Trust Security Document or pursuant to judicial proceedings or upon any foreclosure or any enforcement of this Agreement or any Trust Security Document and consents and agrees that all the Collateral may at any such sale be offered and sold as an entirety.

(c) Each Grantor waives, to the extent permitted by applicable Requirements of Law, presentment, demand, protest and any notice of any kind (except notices explicitly required hereunder, under any Loan Document or under any other Trust Security Document) in connection with this Agreement and the Trust Security Documents and any action taken by the Collateral Trustee with respect to the Collateral.

2.8 Limitation on Collateral Trustee's Duty in Respect of Collateral. Beyond its duties as to the custody thereof expressly provided herein or in any Trust Security Document and to account to the Secured Parties and the Grantors for moneys and other property received by it hereunder or under any Trust Security Document, the Collateral Trustee shall not have any duty to the Grantors or to the Secured Parties as to any Collateral in its possession or control or in the possession or control of any of its agents or nominees, or any income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto.

2.9 Limitation by Law. All rights, remedies and powers provided in this Agreement or any Trust Security Document may be exercised only to the extent that the exercise thereof does not violate any applicable Requirement of Law, and all the provisions hereof are intended to be subject to each applicable mandatory Requirement of Law which may be controlling and to be limited to the extent necessary so that they will not render this Agreement invalid, unenforceable in whole or in part or not entitled to be recorded, registered or filed under the provisions of any applicable Requirement of Law.

2.10 Rights of Secured Parties under Loan Documents. Notwithstanding any other provision of this Agreement or any Trust Security Document, the right of each Secured Party to receive payment of the Secured Obligations held by such Secured Party when due (whether at the stated maturity thereof, by Default or otherwise) as expressed in the related Loan Document or other instrument evidencing or agreement governing a Secured Obligation or to institute suit for the enforcement of such payment on or after such due date or to exercise any other remedy it may have as an unsecured creditor against the Grantors, and the obligation of the Grantors to pay such Secured Obligations when due, shall not be impaired or affected without the consent of such Secured Party given in the manner prescribed by the Loan Document under which such Secured Obligation is outstanding; *provided, however*, that in the event any Secured Party becomes a judgment lien creditor or otherwise obtains any Lien as a result of its enforcement of its rights as an unsecured creditor, such Lien and the Collateral subject thereto shall be subject to all of the terms and conditions of this Agreement.

2.11 Collateral Use.

(a) Collateral Use Prior to Default. So long as no Notice of Default is in effect, the Grantors shall have the right, subject to Sections 2.11(d) and (e) below: (i) to remain in possession and retain exclusive control of the Collateral (except for such property which the Grantors are required to give possession of or control over to the Collateral Trustee pursuant to the terms of any Trust Security Document or other Loan Document) with power freely and without let or hindrance on the part of the Secured Parties to operate, manage, develop, use and enjoy the Collateral, to receive the rents, issues, tolls, profits, royalties, revenues and other income thereof, and (ii) to sell or otherwise dispose of, free and clear of the Lien created by the Trust Security Documents and this Agreement, any Collateral if such sale or other disposition is not prohibited by the Loan Documents or has been expressly approved in accordance with the terms of the Loan Documents or if any Person is legally empowered to take any Collateral under the power of condemnation or eminent domain. The Collateral Trustee shall have no duty to monitor the exercise by the Grantors of their rights under this Section 2.11(a).

(b) Use of Disposition Proceeds Following a Notice of Default. When a Notice of Default is in effect, cash Proceeds received by the Collateral Trustee in connection with the sale or other disposition of Collateral shall be deposited in the Collateral Account and shall be held therein and applied in accordance with Article III hereof. Any such Proceeds received by any Grantor shall be held by such Grantor in trust for the Collateral Trustee, shall be segregated from other funds of such Grantor and shall, forthwith upon receipt by such Grantor, be turned over to the Collateral Trustee, in same form as received by such Grantor (duly indorsed to the Collateral Trustee, if required) for deposit in the Collateral Account. Notwithstanding anything to the contrary in this Agreement, unless a Notice of Default is in effect, each Grantor may upon written or oral request (confirmed in writing to the Collateral Trustee) obtain the prompt release to it or its order of such funds in the Collateral Account, *provided* that the failure to confirm an oral request in writing shall not affect the validity of such request and the Collateral Trustee's obligations to promptly release such funds. Any written or oral request or instruction by any Grantor pursuant to the preceding sentence shall be full authority for and direction to the Collateral Trustee to make the requested release, and the Collateral Trustee shall promptly do so. The Collateral Trustee in so doing shall have no liability to any Person.

(c) Liquidating Dividends. When a Notice of Default is in effect, any liquidating dividends paid in respect of any Collateral received by any of the Grantors shall be held by such Grantor in trust for the Collateral Trustee, shall be segregated from other funds of such Grantor and shall, forthwith upon receipt by such Grantor, be turned over to the Collateral Trustee, in same form as received by such Grantor (duly indorsed to the Collateral Trustee, if required) for deposit in the Collateral Account and applied in accordance with Article III hereof.

(d) Event of Loss Proceeds. All cash Proceeds received directly by the Collateral Trustee in connection with an Event of Loss shall be deposited in the Collateral Account, subject to disbursement as provided below in this Section 2.11(d). Any cash Proceeds received by any Grantor shall, to the extent required under Section 7.5(b) of the Arrangement Agreement, be held by such Grantor in trust for the Collateral Trustee, shall be segregated from other funds of such Grantor and shall, forthwith upon receipt by such Grantor, be turned over to the Collateral Trustee, in same form as received by such Grantor (duly indorsed to the Collateral Trustee, if required) for deposit in the Collateral Account. The Collateral Trustee shall disburse and apply such funds from the Collateral Account (i) so long as no Notice of Default is in effect, as directed by DOE and (ii) when a Notice of Default is in effect, in accordance with Article III hereof. Notwithstanding clause (i) above, to the extent that any cash Proceeds of an Event of Loss paid directly to the Collateral Trustee and deposited in the Collateral Account (x) would not have been required to be turned over to the Collateral Trustee if such Proceeds instead had been paid to the applicable Grantor, or (y) are permitted to be reinvested by the Borrower, in either case pursuant to Section 7.5(c) of the Arrangement Agreement, unless a Notice of Default is in effect, such Grantor may, upon written request accompanied by a fully executed certificate of a Responsible Officer of such Grantor delivered to the Collateral Trustee (with a copy to DOE (or its designee) in Electronic Format) certifying that the conditions set forth in such Section 7.5(c) have been satisfied, obtain the prompt release

to such Grantor or to its order of such funds from the Collateral Account to be applied to the repair or restoration of the applicable Project or property as directed by such Section 7.5(c). Any written request or instruction by any Grantor pursuant to the preceding sentence shall be full authority for and direction to the Collateral Trustee to make the requested release, and the Collateral Trustee shall promptly do so. The Collateral Trustee in so doing shall have no liability to any Person.

ARTICLE III

COLLATERAL ACCOUNT; DISTRIBUTIONS

3.1 The Collateral Account. On the Effective Date there shall be established and, at all times thereafter until the trusts created by this Agreement shall have terminated, there shall be maintained in the name of the Collateral Trustee at the office of the Collateral Trustee's corporate trust division (or at such other office selected by the Collateral Trustee) an account which is entitled the "ATVM Tesla Collateral Account" (the "Collateral Account"). All moneys which are required by this Agreement or any Trust Security Document to be delivered to the Collateral Trustee while a Notice of Default is in effect or which are received by the Collateral Trustee or any agent or nominee of the Collateral Trustee in respect of the Collateral, whether in connection with the exercise of the remedies provided in this Agreement or any Trust Security Document or otherwise, while a Notice of Default is in effect (or as provided under Section 2.11(d) above) shall be deposited in the Collateral Account and Proceeds thereof to be held by the Collateral Trustee as part of the Trust Estate and applied in accordance with the terms of this Agreement. Upon the cancellation of all Notices of Default pursuant to Section 2.1(c) or the receipt by the Collateral Trustee of any moneys at any time when no Notice of Default is in effect, the Collateral Trustee shall (subject to Sections 2.11(d) and 3.4(a)) cause all funds on deposit in the Collateral Account or otherwise received by the Collateral Trustee to be paid over to the Grantors in accordance with their respective interests.

3.2 Control of Collateral Account. All right, title and interest in and to the Collateral Account shall vest in the Collateral Trustee, and funds on deposit in the Collateral Account shall constitute part of the Trust Estate. The Collateral Account shall be subject to the exclusive dominion and control of the Collateral Trustee. Each Grantor hereby grants a security interest in the Collateral Account to the Collateral Trustee for the benefit of the Secured Parties, as collateral security for the Secured Obligations.

3.3 Investment of Funds Deposited in Collateral Account. The Collateral Trustee shall, at the direction of DOE, invest and reinvest moneys on deposit in the Collateral Account at any time in Limited Cash Equivalents. All such investments and the interest and income received thereon and the net proceeds realized on the sale or redemption thereof shall be held in the Collateral Account as part of the Trust Estate and applied in accordance with the terms of this Agreement and the Trust Security Documents. Neither the Collateral Trustee nor any other Secured Party shall be responsible for any diminution in funds resulting from such investments or any liquidation prior to maturity. In the absence of such directions, the Collateral Trustee shall have no obligation to invest or reinvest moneys.

3.4 Application of Moneys.

(a) The Collateral Trustee shall have the right (pursuant to Section 4.5) at any time to apply moneys held by it in the Collateral Account to the payment of due and unpaid Trustee Fees without any requirement that such applications be made ratably from such accounts.

(b) Subject to clause (a) above and Section 2.11(d), all moneys held by the Collateral Trustee in the Collateral Account while a Notice of Default is in effect shall, to the extent available for distribution (it being understood that the Collateral Trustee may liquidate investments prior to maturity in order to make a distribution pursuant to this Section 3.4(b) and that DOE may instruct the Collateral Trustee in accordance with Section 2.5(b) to retain any or all moneys in the Collateral Account rather than distribute them pursuant to this Section 3.4(b) until otherwise instructed by DOE), be distributed (subject to the provisions of Sections 3.5 and 3.7) by the Collateral Trustee on each Distribution Date in the following order of priority (with such distributions being made by the Collateral Trustee to DOE for the Secured Parties entitled thereto, pursuant to directions of DOE, as provided in Section 3.4(d):

(i) First: to the Collateral Trustee for any unpaid Trustee Fees and then to any Secured Party (other than the Collateral Trustee) which has theretofore advanced or paid to the Collateral Trustee any fees or expenses constituting administrative expenses allowable under Section 503(b) of the Bankruptcy Code, an amount equal to the amount thereof so advanced or paid by such Secured Party and for which such Secured Party has not been reimbursed prior to such Distribution Date, and, if such moneys shall be insufficient to pay such amounts in full, then ratably (without priority of any one over any other) to such Secured Parties (other than the Collateral Trustee) in proportion to the amounts of such administrative expenses advanced by such respective Secured Parties and remaining unpaid on such Distribution Date;

(ii) Second: to any Secured Party (other than the Collateral Trustee) which has theretofore advanced or paid to the Collateral Trustee any fees or expenses other than the administrative expenses specified in clause(b)(i), an amount equal to the amount thereof so advanced or paid by such Secured Party and for which such Secured Party has not been reimbursed prior to such Distribution Date, and, if such moneys shall be insufficient to pay such amounts in full, then ratably (without priority of any one over any other) to such Secured Parties (other than the Collateral Trustee) in proportion to the amounts of such fees or expenses advanced by such respective Secured Parties and remaining unpaid on such Distribution Date;

(iii) Third: to DOE for any unpaid expenses payable to it pursuant to the Loan Documents to the extent the same constitute Secured Obligations;

(iv) Fourth: to the holders of Secured Obligations, in an amount equal to all other Secured Obligations then outstanding, as of such Distribution Date, and, if such moneys shall be insufficient to pay such amounts in full, then ratably to such holders in proportion to the unpaid amounts thereof on such Distribution Date; and

(v) Fifth: any surplus then remaining shall be paid to the Grantors or their successors or assigns or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(c) The term "unpaid" as used in Section 3.4(b)(iii) with respect to the relevant Grantor(s), refers to all amounts of Secured Obligations outstanding as of a Distribution Date, whether or not such amounts are fixed or contingent, and, in the case of an Insolvency Proceeding, with respect to any Grantor, whether or not such amounts are allowed in such Insolvency Proceeding, to the extent that prior distributions (whether actually distributed or set aside pursuant to Section 3.5) have not been made in respect thereof.

(d) The Collateral Trustee shall make all payments and distributions under this Section 3.4 on account of Secured Obligations to the relevant holder of such Secured Obligations, pursuant to directions of DOE, in accordance with the provisions of the Arrangement Agreement and the other Loan Documents.

3.5 Amounts Held for Contingent Secured Obligations. In the event any Secured Party shall be entitled to receive any moneys in respect of the unliquidated, unmatured or contingent portion of the outstanding Secured Obligations, then the Collateral Trustee shall invest such moneys in obligations of the kinds referred to in Section 3.3 maturing within three (3) months after they are acquired by the Collateral Trustee and shall hold all such amounts so distributable, and all such investments and the net proceeds thereof, in trust solely for such Secured Party and for no other purpose until (a) such Secured Party shall have notified the Collateral Trustee that all or part of such unliquidated, unmatured or contingent claim shall have become matured or fixed, in which case the Collateral Trustee shall distribute from such investments and the proceeds thereof an amount equal to such matured or fixed claim to such Secured Party for application to the payment of such matured or fixed claim, and shall promptly give notice thereof to the Borrower or (b) all or part of such unliquidated, unmatured or contingent claim shall have been extinguished, whether as the result of an expiration without drawing of any letter of credit, payment of amounts secured or covered by any letter of credit other than by drawing thereunder, payment of amounts covered by any guarantee or otherwise, in which case (x) such Secured Party shall, as soon as practicable thereafter, notify the Borrower and the Collateral Trustee and (y) such investments, and the proceeds thereof, shall be held in the Collateral Account in trust for all Secured Parties pending application in accordance with the provisions of Section 3.4.

3.6 Collateral Trustee's Calculations. In making the determinations and allocations required by Section 3.4 and as contemplated by Section 5.2(b), the Collateral Trustee may conclusively rely upon information supplied by DOE as to the amounts of unpaid principal and interest and other amounts outstanding with respect to the Secured Obligations, and the

Collateral Trustee shall have no liability to any of the Secured Parties for actions taken in reliance on such information. All distributions made by the Collateral Trustee pursuant to Section 3.4 shall be (subject to Section 3.7 and to any decree of any court of competent jurisdiction) final (absent manifest error), and the Collateral Trustee shall have no duty to inquire as to the application by DOE in respect of any amounts distributed to them.

3.7 Pro Rata Sharing. If, through the operation of any Bankruptcy Law or otherwise, the Collateral Trustee's security interest hereunder and under the Trust Security Documents is enforced with respect to some, but not all, of the Secured Obligations then outstanding, the Collateral Trustee shall nonetheless apply the proceeds of the Collateral for the benefit of the holders of all Secured Obligations in the proportions and subject to the priorities specified herein; *provided* that, nothing in this Section 3.7 shall be deemed to require the Collateral Trustee to disregard or violate any court order binding upon it.

ARTICLE IV

AGREEMENTS WITH TRUSTEE

4.1 Delivery of Loan Documents. On the Effective Date, the Borrower shall deliver to the Collateral Trustee copies of the Arrangement Agreement, the Collateral Schedules and each Trust Security Document then in effect. Within ten (10) days of the Effective Date, the Borrower shall deliver to the Collateral Trustee copies of each other Loan Document. The Borrower shall deliver to the Collateral Trustee, promptly upon the execution thereof, a copy of all amendments, modifications or supplements to any Loan Document entered into after the Effective Date.

4.2 Information as to Secured Parties. Subject to Section 5.2(b), the Borrower shall request that DOE deliver to the Collateral Trustee, not later than thirty (30) days after the Effective Date, and from time to time upon request of the Collateral Trustee, when a Notice of Default shall be in effect, a list setting forth, as of the Effective Date in the case of the initial list or as of a date not more than thirty (30) days prior to the date of such delivery in the case of any subsequent list, the aggregate principal amount of Secured Obligations outstanding and the name and address of each Secured Party. The Borrower shall request that DOE notify the Collateral Trustee of any changes of the representatives thereof authorized to give directions hereunder on behalf of DOE prior to the date of any such changes. If the Collateral Trustee does not receive the names of the representatives of DOE authorized to give directions hereunder on behalf of DOE, the Collateral Trustee may rely on any person purporting to be authorized to give directions hereunder on behalf of such parties. If the Collateral Trustee is not informed of changes of the representatives of DOE authorized to give directions hereunder on behalf of DOE, the Collateral Trustee may rely on the information previously provided to the Collateral Trustee.

4.3 Stamp and Other Similar Taxes. The Borrower agrees to indemnify and hold harmless the Collateral Trustee and each other Secured Party from any present or future claim for liability for any stamp or any other similar tax, and any penalties or interest with respect thereto, which may be assessed, levied or collected by any jurisdiction in connection with this Agreement, any Trust Security Document, the Trust Estate or any Collateral. The

obligations of the Borrower under this Section 4.3 shall survive the termination of the other provisions of this Agreement and the resignation or removal of the Collateral Trustee hereunder.

4.4 Indemnification. The Borrower agrees to pay, indemnify, and hold the Collateral Trustee (and its affiliates and respective directors, officers, agents and employees) harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including the reasonable fees and expenses of counsel, advisors and agents) or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement and the Trust Security Documents, unless arising from the gross negligence or willful misconduct of the indemnified party or any of its affiliates or any of their respective directors, officers, agents or employees, including for taxes in any jurisdiction in which the Collateral Trustee is subject to tax by reason of actions hereunder or under the Trust Security Documents, unless such taxes are imposed on or measured by compensation paid to the Collateral Trustee by DOE. In any suit, proceeding or action brought by the Collateral Trustee under or with respect to any contract, agreement, interest or obligation constituting part of the Collateral for any sum owing thereunder, or to enforce any provisions thereof, the Borrower will save, indemnify and keep the Collateral Trustee harmless from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim, recoupment or reduction of liability whatsoever of any Grantor thereunder, arising out of a breach by such Grantor of any obligation thereunder or arising out of any other agreement, indebtedness or liability at any time owing to or in favor of such Grantor or its successors from any Grantor, and all such obligations of the Borrower shall be and remain enforceable against and only against the Borrower and shall not be enforceable against the Collateral Trustee. The agreements in this Section 4.4 shall survive the termination of the other provisions of this Agreement and the resignation or removal of the Collateral Trustee hereunder.

4.5 Trustee Fees. Notwithstanding anything to the contrary in this Agreement, the Collateral Trustee shall have the right to use and apply any of the funds held by the Collateral Trustee in the Collateral Account to cover the payment of Trustee Fees.

4.6 Further Assurances. At any time and from time to time, upon the written request of the Collateral Trustee, and at the expense of the Borrower, each Grantor will promptly execute and deliver any and all such further instruments and documents and take such further action as is necessary or reasonably requested further to perfect, or to protect the perfection of, the liens and security interests granted under the Trust Security Documents (including the filing of any financing or continuation statements under the Uniform Commercial Code in effect in any jurisdiction); *provided, however*, that notwithstanding anything to the contrary contained herein or in any Trust Security Document, no Grantor shall be required to perfect the security interests granted by it in any Collateral by any means other than by (a) filings pursuant to the Uniform Commercial Code of the relevant State(s) and (b) such additional actions as may be required pursuant to any Loan Document or Trust Security Document. Notwithstanding the foregoing, in no event shall the Collateral Trustee have any obligation to monitor the perfection or continuation of perfection or the sufficiency or validity of any security interest in or related to the Collateral.

4.7 Inspection of Properties and Books. So long as a Notice of Default shall be in effect, the Borrower and the Grantors shall give the Collateral Trustee access, at its request, to all Collateral and to all books, records, documents and information in the possession of the Borrower or any other Grantor or any of their respective Subsidiaries relating thereto. At all other times, the Borrower and the Grantors shall give the Collateral Trustee access and information in accordance with Section 7.12 of the Arrangement Agreement.

ARTICLE V

THE COLLATERAL TRUSTEE

5.1 Acceptance of Trust. The Collateral Trustee, for itself and its successors, hereby accepts (a) the trusts created by this Agreement upon the terms and conditions hereof, and (b) the appointment by DOE, FFB and each holder of the Notes pursuant to Section 11.1 of the Arrangement Agreement, as agent under this Agreement and the other Loan Documents.

5.2 Exculpatory Provisions.

(a) The Collateral Trustee shall not be responsible in any manner whatsoever for the correctness of any recitals, statements, representations or warranties herein, all of which are made solely by the Grantors. The Collateral Trustee makes no representations as to the value or condition of the Trust Estate or any part thereof, or as to the title of the Grantors thereto or as to the security afforded by this Agreement or any Trust Security Document, or as to the validity, execution (except its execution), enforceability, legality or sufficiency of this Agreement, the Trust Security Documents or the Secured Obligations, and the Collateral Trustee shall incur no liability or responsibility in respect of any such matters.

(b) The Collateral Trustee shall not be required to ascertain or inquire as to the performance by the Grantors of any of the covenants or agreements contained herein or in any Trust Security Document or Loan Document. Whenever it is necessary, or in the opinion of the Collateral Trustee advisable, for the Collateral Trustee to ascertain the amount of Secured Obligations then held by Secured Parties, the Collateral Trustee may rely on a certificate of DOE, and, if DOE shall not give such information to the Collateral Trustee, the Secured Parties shall not be entitled to receive distributions hereunder and the amount that would otherwise be distributed to the Secured Parties shall instead be held in trust for the Secured Parties until DOE does supply such information to the Collateral Trustee, whereupon on the next Distribution Date the amount distributable to the Secured Parties shall be recalculated using such information and distributed to them.

(c) The Collateral Trustee shall be under no obligation or duty to take any action under this Agreement or any Trust Security Document if taking such action (i) would subject the Collateral Trustee to a tax in any jurisdiction where it is not then subject to a tax or (ii) would require the Collateral Trustee to qualify to do business in any jurisdiction where it is not then so qualified, unless the Collateral Trustee receives security or indemnity satisfactory to it against such tax (or equivalent liability), or any

liability resulting from such qualification, in each case as results from the taking of such action under this Agreement or any Trust Security Document.

(d) The Collateral Trustee shall not be obligated to take, or to refrain from taking, any action which any Secured Party or Grantor requests that the Collateral Trustee take or refrain from taking to the extent that the Collateral Trustee determines in its reasonable judgment that such action or inaction (i) may cause a violation of applicable Requirements of Law or restrictive covenants with respect to the Loans evidenced by the Arrangement Agreement, the Grantors or the Collateral or (ii) may cause a violation of any provision of this Agreement or any Trust Security Document.

(e) The Collateral Trustee shall have the same rights with respect to any Secured Obligation held by it as any other Secured Party and may exercise such rights as though it were not the Collateral Trustee hereunder, and may accept deposits from, lend money to, and generally engage in any kind of banking or trust business with, any of the Grantors as if it were not the Collateral Trustee.

(f) Notwithstanding any other provision of this Agreement, the Collateral Trustee shall not be liable for any action taken or omitted to be taken in accordance with this Agreement or the Trust Security Documents except for its own gross negligence or willful misconduct.

5.3 Delegation of Duties. The Collateral Trustee may execute any of the trusts or powers hereof and perform its duties under this Agreement and the other Loan Documents directly or by or through agents or attorneys-in-fact. The Collateral Trustee shall be entitled to advice of counsel concerning all matters pertaining to such trusts, powers and duties. The Collateral Trustee shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it without gross negligence or willful misconduct.

5.4 Reliance by Collateral Trustee.

(a) Whenever in the administration of this Agreement or the Trust Security Documents the Collateral Trustee shall deem it necessary or desirable that a factual matter be proved or established in connection with the Collateral Trustee taking, suffering or omitting any action hereunder or thereunder, such matter (unless other evidence in respect thereof is herein specifically prescribed) may be deemed to be conclusively proved or established by a fully executed original certificate of a Responsible Officer of the Borrower delivered to the Collateral Trustee, with a copy to DOE (or its designee) in Electronic Format, and such certificate shall be full warrant to the Collateral Trustee for any action taken, suffered or omitted in reliance thereon, subject, however, to the provisions of Section 5.5.

(b) The Collateral Trustee may consult with counsel, and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder or under any Trust Security Document in accordance therewith. While a Notice of Default is in effect, the Collateral Trustee shall

have the right at any time to seek instructions concerning the administration of this Agreement and the Trust Security Documents from any court of competent jurisdiction.

(c) The Collateral Trustee may rely, and shall be fully protected in acting, upon any resolution, statement, certificate, instrument, opinion, report, notice, request, consent, order, bond or other paper or document which it has no reason to believe to be other than genuine and to have been signed or presented by the proper party or parties or, in the case of cables, telecopies and telexes, to have been sent by the proper party or parties. In the absence of its own gross negligence or willful misconduct, the Collateral Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Collateral Trustee and conforming to the requirements of this Agreement.

(d) The Collateral Trustee shall not be under any obligation to exercise any of the rights or powers vested in the Collateral Trustee by this Agreement and the Trust Security Documents, at the request or direction of DOE pursuant to this Agreement or otherwise, unless the Collateral Trustee shall have been provided adequate security and indemnity against the costs, expenses and liabilities which may be incurred by the Collateral Trustee in compliance with such request or direction, including such reasonable advances as may be requested by the Collateral Trustee.

(e) Upon any application or demand by any of the Grantors (except any such application or demand which is expressly permitted to be made orally) to the Collateral Trustee to take or permit any action under any of the provisions of this Agreement or any Trust Security Document, the Borrower shall furnish to the Collateral Trustee a fully executed original certificate of a Responsible Officer of the Borrower, with a copy to DOE (or its designee) in Electronic Format, stating that all conditions precedent, if any, provided for in this Agreement, in any relevant Trust Security Document or in the Arrangement Agreement relating to the proposed action have been complied with, and in the case of any such application or demand as to which the furnishing of any document is specifically required by any provision of this Agreement or a Trust Security Document relating to such particular application or demand, such additional document shall also be furnished; *provided*, that to the extent that the consent or approval of DOE shall be a condition precedent to any such proposed action, the Collateral Trustee shall not take or permit such action unless and until it shall have received confirmation from DOE of such consent or approval.

(f) Any Opinion of Counsel may be based, insofar as it relates to factual matters, upon a fully executed original certificate of a Responsible Officer of the Borrower provided to such counsel in connection with such opinion or representations made by a Responsible Officer of the Borrower in a writing filed with the Collateral Trustee.

5.5 Limitations on Duties of Trustee.

(a) Unless a Notice of Default is in effect, the Collateral Trustee shall be obligated to perform such duties and only such duties as are specifically set forth in

this Agreement and the Trust Security Documents, and no implied covenants or obligations shall be read into this Agreement or any Trust Security Document against the Collateral Trustee. If and so long as a Notice of Default is in effect, the Collateral Trustee shall, subject to the provisions of Section 2.5(b), exercise the rights and powers vested in the Collateral Trustee by this Agreement and the Trust Security Documents, and shall not be liable (other than as a result of its own gross negligence or willful misconduct) with respect to any action taken, or omitted to be taken, in accordance with the direction of DOE.

(b) Except as herein otherwise expressly provided, the Collateral Trustee shall not be under any obligation to take any action which is discretionary with the Collateral Trustee under the provisions hereof or of any Trust Security Document, except upon the written request of DOE at such time. The Collateral Trustee shall make available for inspection and copying by DOE and each other Secured Party, each certificate or other paper furnished to the Collateral Trustee by any of the Grantors under or in respect of this Agreement or any of the Collateral.

(c) No provision of this Agreement or of any Trust Security Document shall be deemed to impose any duty or obligation on the Collateral Trustee to perform any act or acts or exercise any right, power, duty or obligation conferred or imposed on it, in any jurisdiction in which it shall be illegal, or in which the Collateral Trustee shall be unqualified or incompetent, to perform any such act or acts or to exercise any such right, power, duty or obligation if such performance or exercise would constitute doing business by the Collateral Trustee in such jurisdiction or impose a tax on the Collateral Trustee by reason thereof or to risk its own funds or otherwise incur any financial liability in the performance of its duties hereunder.

5.6 Moneys to be Held in Trust. All moneys received by the Collateral Trustee under or pursuant to any provision of this Agreement or any Trust Security Document (except Trustee Fees that are required to be paid by the Borrower hereunder) shall be held in trust for the purposes for which they were paid or are held.

5.7 Resignation and Removal of the Collateral Trustee.

(a) The Collateral Trustee may at any time, by giving written notice to the Borrower and DOE, resign and be discharged of the responsibilities hereby created, such resignation to become effective upon (i) the appointment of a successor Collateral Trustee, (ii) the acceptance of such appointment by such successor Collateral Trustee and (iii) the approval of such successor Collateral Trustee evidenced by one or more instruments signed by DOE. If no successor Collateral Trustee shall be appointed as provided in Section 5.7(b) and shall have accepted such appointment within ninety (90) days after the Collateral Trustee gives the aforesaid notice of resignation, the Collateral Trustee, the Borrower (so long as no Notice of Default is then in effect) or, if a Notice of Default is in effect, DOE may apply to any court of competent jurisdiction to appoint a successor Collateral Trustee to act until such time, if any, as a successor Collateral Trustee shall have been appointed as provided in Section 5.7(b). Any successor so appointed by such court shall immediately and without further act be superseded by any

successor Collateral Trustee appointed by DOE, as the case may be, as provided in Section 5.7(b). DOE may, at any time upon giving thirty (30) days' prior written notice thereof to the Collateral Trustee and the Borrower, remove the Collateral Trustee and appoint a successor Collateral Trustee as provided in Section 5.7(b), such removal to be effective upon the acceptance of such appointment by the successor. The Collateral Trustee shall be entitled to Trustee Fees to the extent incurred or arising, or relating to events occurring, before such resignation or removal.

(b) If at any time the Collateral Trustee shall resign or be removed or otherwise become incapable of acting, or if at any time a vacancy shall occur in the office of the Collateral Trustee for any other cause, a successor Collateral Trustee may be appointed by DOE. DOE may appoint itself as successor Collateral Trustee at any time. The powers, duties, authority and title of the predecessor Collateral Trustee shall be terminated and cancelled without procuring the resignation of such predecessor and without any other formality (except for the consent of DOE referred to above and as may be required by applicable Requirements of Law) than appointment and designation of a successor in writing duly delivered to the predecessor and the Borrower. Such appointment and designation shall be full evidence of the right and authority to make the same and of all the facts therein recited, and this Agreement and the Trust Security Documents shall vest in such successor, without any further act, deed or conveyance, all the estates, properties, rights, powers, trusts, duties, authority and title of its predecessor; but such predecessor shall, nevertheless, on the written request of DOE, the Borrower, or the successor, execute and deliver an instrument transferring to such successor all the estates, properties, rights, powers, trusts, duties, authority and title of such predecessor hereunder and under the Trust Security Documents and shall deliver all Collateral held by it or its agents to such successor. Should any deed, conveyance or other instrument in writing from any Grantor be required by any successor Collateral Trustee for more fully and certainly vesting in such successor the estates, properties, rights, powers, trusts, duties, authority and title vested or intended to be vested in the predecessor Collateral Trustee, any and all such deeds, conveyances and other instruments in writing shall, on request of such successor, be executed, acknowledged and delivered by such Grantor. If such Grantor shall not have executed and delivered any such deed, conveyance or other instrument within ten (10) days after it received a written request from the successor Collateral Trustee to do so, or if a Notice of Default is in effect, the predecessor Collateral Trustee may execute the same on behalf of such Grantor. Such Grantor hereby appoints any predecessor Collateral Trustee as its agent and attorney to act for it as provided in the next preceding sentence.

(c) Notwithstanding anything to the contrary contained herein, Midland Loan Services, Inc., shall be automatically deemed to have resigned and discharged of its responsibilities hereunder effective on and as of November 24, 2014 (or, if later, on the ninetieth (90th) day after written notice from Midland Loan Services, Inc. to DOE advising DOE of such automatic resignation) whether or not a successor Collateral Trustee shall have been appointed in accordance with the terms of this Agreement prior to such date, unless otherwise agreed to in a writing signed by Midland Loan Services, Inc. and DOE.

5.8 Status of Successor Collateral Trustee. Unless DOE appoints itself as successor Collateral Trustee, every successor Collateral Trustee appointed pursuant to Section 5.7 shall be a bank or trust company (or wholly owned by a bank or trust company) in good standing and having power to act as Collateral Trustee hereunder, incorporated under the laws of the United States of America or any State thereof or the District of Columbia and having its principal corporate trust office within the forty-eight (48) contiguous States and shall also have capital, surplus and undivided profits of not less than $500,000,000, if there be such an institution with such capital, surplus and undivided profits willing, qualified and able to accept the trust hereunder upon reasonable or customary terms.

5.9 Merger of the Collateral Trustee. Subject to satisfying the requirements for a successor Collateral Trustee set forth in Section 5.8, any corporation into which the Collateral Trustee may be merged, or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Collateral Trustee shall be a party, shall be Collateral Trustee under this Agreement and the Trust Security Documents without the execution or filing of any paper or any further act on the part of the parties hereto.

5.10 Co-Collateral Trustee; Separate Collateral Trustee.

(a) If at any time or times it shall be necessary or prudent in order to conform to any law of any jurisdiction in which any of the Collateral shall be located, or to avoid any violation of law or imposition on the Collateral Trustee of taxes by such jurisdiction not otherwise imposed on the Collateral Trustee, or the Collateral Trustee shall be advised by counsel, satisfactory to it, that it is necessary or prudent in the interest of the Secured Parties, or DOE shall in writing so request the Collateral Trustee and the Grantors, or the Collateral Trustee shall deem it desirable for its own protection in the performance of its duties hereunder or under any Trust Security Document, the Collateral Trustee and each of the Grantors shall execute and deliver all instruments and agreements necessary or proper to constitute another bank or trust company, or one or more persons. in each case, approved by the Collateral Trustee and the Grantors, either to act as co-trustee or co-trustees of all or any of the Collateral under this Agreement or under any of the Trust Security Documents, jointly with the Collateral Trustee originally named herein or therein or any successor Collateral Trustee, or to act as separate trustee or trustees of any of the Collateral. If any of the Grantors shall not have joined in the execution of such instruments and agreements within thirty (30) days after it receives a written request from the Collateral Trustee to do so, or if a Notice of Default is in effect, DOE may direct (with written notice of such direction to the Borrower) the Collateral Trustee to act under the foregoing provisions of this Section 5.10(a) without the concurrence of such Grantors and execute and deliver such instruments and agreements on behalf of such Grantors. Each of the Grantors hereby appoints the Collateral Trustee as its agent and attorney to act for it under the foregoing provisions of this Section 5.10(a) in either of such contingencies.

(b) Every separate trustee and every co-trustee, other than any successor Collateral Trustee appointed pursuant to Section 5.7, shall, to the extent permitted by law, be appointed and act and be such, subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred upon the Collateral Trustee in respect of the custody, control and management of moneys, papers or securities shall be exercised solely by the Collateral Trustee or any agent appointed by the Collateral Trustee;

(ii) all rights, powers, duties and obligations conferred or imposed upon the Collateral Trustee hereunder and under the relevant Trust Security Document or Documents shall be conferred or imposed and exercised or performed by the Collateral Trustee and such separate trustee or separate trustees or co-trustee or co-trustees, jointly, as shall be provided in the instrument appointing such separate trustee or separate trustees or co-trustee or co-trustees, except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed the Collateral Trustee shall be incompetent or unqualified to perform such act or acts, or unless the performance of such act or acts would result in the imposition of any tax on the Collateral Trustee which would not be imposed absent such joint act or acts, in which event such rights, powers, duties and obligations shall be exercised and performed by such separate trustee or separate trustees or co-trustee or co-trustees;

(iii) no power given hereby or by the relevant Trust Security Documents to, or which it is provided herein or therein may be exercised by, any such co-trustee or co-trustees or separate trustee or separate trustees shall be exercised hereunder or thereunder by such co-trustee or co-trustees or separate trustee or separate trustees except jointly with, or with the consent in writing of, the Collateral Trustee, anything contained herein to the contrary notwithstanding;

(iv) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(v) the Borrower and the Collateral Trustee, at any time by an instrument in writing executed by them jointly, may accept the resignation of or remove any such separate trustee or co-trustee and, in that case by an instrument in writing executed by them jointly, may appoint a successor to such separate trustee or co-trustee, as the case may be, anything contained herein to the contrary notwithstanding. If the Borrower shall not have joined in the execution of any such instrument within thirty (30) days after it receives a written request from the Collateral Trustee to do so, or if a Notice of Default is in effect, DOE may direct (with written notice of such direction to the Borrower) the Collateral Trustee to accept the resignation of or remove any such separate trustee or co-trustee and to appoint a successor without the concurrence of the Borrower, the Borrower hereby appointing the Collateral Trustee its agent and attorney to act for it in such connection in such contingency. If the Collateral Trustee shall have appointed a separate trustee or separate trustees or co-trustee or co-trustees as above provided, the Collateral Trustee may at any time, by an instrument in writing, accept the resignation of or remove any such separate trustee or co-trustee and the successor to any such separate trustee or co-trustee shall be appointed pursuant to Section 5.10(a) and this Section 5.10(b).

5.11 Treatment of Payee or Indorsee by Collateral Trustee; Representatives of Secured Parties. The Collateral Trustee may treat the registered holder or, if none, the payee or indorsee of any promissory note or debenture evidencing a Secured Obligation as the absolute owner thereof for all purposes and shall not be affected by any notice to the contrary, whether such promissory note or debenture shall be past due or not.

ARTICLE VI

MISCELLANEOUS

6.1 Amendments, etc. Solely with the written consent of the DOE (and without the consent of any other Secured Party), the Collateral Trustee and the Grantors may, from time to time, enter into any additional Security Documents or any written agreements supplemental hereto or to any Trust Security Document for the purpose of adding to, or waiving any provisions of, this Agreement or any Trust Security Document or changing in any manner the rights of the Collateral Trustee, the Secured Parties or the Grantors hereunder or thereunder. Upon the direction of DOE, the Collateral Trustee shall enter into any such Security Document or supplemental agreement; *provided* that no such Security Document or supplemental agreement shall amend, modify or waive any provision of Articles IV or V or alter the duties, rights or obligations of the Collateral Trustee hereunder or under the Trust Security Documents without the written consent of the Collateral Trustee. Any such Security Document or supplemental agreement shall be binding upon the Grantors, the Secured Parties and the Collateral Trustee and their respective successors and permitted assigns.

6.2 Delay and Waiver. No delay or omission in exercising any right, power, privilege or remedy under this Agreement or any other Loan Document, including any rights and remedies in connection with the occurrence of a Default or Event of Default shall impair any such right, power, privilege or remedy of the Collateral Trustee or the other Secured Parties, nor shall it be construed to be a waiver of any right, power, privilege or remedy or of any breach or default, or an acquiescence therein, or in any similar breach or default thereafter occurring, nor shall any waiver of any single right, power, privilege or remedy, or of any breach or default be deemed a waiver of any other right, power, privilege or remedy or of any other breach or default therefore or thereafter occurring. All rights, powers, privileges and remedies, either under this Agreement or any other Loan Document or by law or otherwise afforded to any of the Collateral Trustee or the other Secured Parties, shall be cumulative and not alternative and not exclusive of any other rights, powers, privileges and remedies that any of the Collateral Trustee or the other Secured Parties may otherwise have.

6.3 Notices. Unless otherwise specified herein or as required by applicable Requirements of Law, all notices, requests, demands or other communications given to any of the Grantors, the Collateral Trustee or DOE (or its designees) shall be given in writing (including by facsimile or electronic transmission in Electronic Format) and shall be deemed to have been duly given when (i) delivered by hand, if signed for by or on behalf of the receiving party, (ii) if delivered by mail, three (3) Business Days after being deposited in the mail, postage prepaid, (iii) if deposited with an internationally recognized overnight courier service for overnight delivery to the receiving party, one (1) Business Day after being deposited with such service, (iv) if

delivered by facsimile transmission, when receipt thereof has been confirmed by telephone or facsimile by the receiving party, and (v) if transmitted electronically, upon receipt of electronic, telephone or facsimile confirmation of the recipient's receipt thereof, in each case when sent to the relevant party at the facsimile number or address set forth with respect to such party on Schedule 6.3 hereto, or, at such other facsimile number or address as shall be designated by such party in a written notice to each other party hereto.

6.4 Severability. The holding by any court of competent jurisdiction that any remedy pursued by the Collateral Trustee or any other Secured Party hereunder is unavailable or unenforceable shall not affect in any way the ability of the Collateral Trustee or any other Secured Party to pursue any other remedy available to it. In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, the parties hereto agree that such provision shall be ineffective only to the extent of such invalidity or unenforceability without invalidating the remainder of such provision or any other provisions of this Agreement and shall not invalidate or render unenforceable any other provision hereof.

6.5 Limitation on Liability. No claim shall be made by any Grantor or any of its Affiliates against any Secured Party or any of their Affiliates, directors, employees, attorneys or agents for any special, indirect, consequential or punitive damages (whether or not the claim therefor is based on contract, tort or duty imposed by law), in connection with, arising out of or in any way related to the transactions contemplated by this Agreement or the other Loan Documents or any act or omission or event occurring in connection therewith; and each Grantor hereby waives, releases and agrees not to sue upon any such claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

6.6 Successors and Assigns. This Agreement shall be binding upon each Grantor, its successors and assigns, and inure, together with the rights and remedies of the Collateral Trustee hereunder, to the benefit of the Collateral Trustee and its successors and assigns.

6.7 Further Assurances and Corrective Instruments. To the extent permitted by Requirements of Law, each Grantor shall, upon the written request of the Collateral Trustee, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, within a reasonable period of such request, such amendments or supplements hereto, and such further instruments, and take such further actions, as may be necessary in the Collateral Trustee's reasonable judgment to effectuate the intention, performance and provisions hereof.

6.8 Governing Law; Waiver Of Jury Trial.

(A) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICTS OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

(b) THE PARTIES HERETO EACH HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY TRANSACTION RELATED HERETO OR THERETO TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW.

6.9 Submission to Jurisdiction, Etc.

(a) Any legal action or proceeding against any Grantor with respect to or arising out of this Agreement may be brought in or removed to the U.S. District Court for the District of Columbia or any other federal court of competent jurisdiction in any other jurisdiction where the Grantor or any of its property may be found. By execution and delivery of this Agreement, each Grantor accepts, for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid courts for legal proceedings arising out of or in connection with this Agreement. Each Grantor hereby waives any right to stay or dismiss any action or proceeding under or in connection with this Agreement brought before the foregoing courts on the basis of forum non-conveniens or improper venue. Each Grantor agrees that a judgment obtained in any such action may be enforced in any other jurisdiction, by suit upon such judgment, a certified copy of which shall be conclusive evidence of the judgment and of the fact and of the amount of its obligation.

(b) Each Grantor hereby agrees that process may be served on it by certified mail, return receipt requested, to its address as specified in Section 6.3 and that such mailing is sufficient to confer personal jurisdiction over such Grantor in any proceeding in any court referred to in Section 6.9(a) and otherwise constitutes effective and binding service in every respect. Nothing in this Section 6.9(b) shall affect the right of the Collateral Trustee or any other Secured Party to serve process in any other manner permitted by law.

6.10 Entire Agreement. This Agreement and the other Loan Documents constitute the entire agreement and understanding, and supersede all prior agreements and understandings (both written and oral), between the parties hereto with respect to the subject matter hereof and thereof.

6.11 Benefits of Agreement. Nothing in this Agreement or any other Loan Document, express or implied, shall give to any Person, other than DOE and any other Secured Party, the parties hereto and thereto and their successors and permitted assigns hereunder or thereunder, any benefit or any legal or equitable right or remedy under this Agreement.

6.12 Headings. Paragraph headings have been inserted in the Loan Documents as a matter of convenience for reference only and it is agreed that such paragraph headings are not a part of the Loan Documents and shall not be used in the interpretation of any provision of the Loan Documents.

6.13 Counterparts. This Agreement may be executed in counterparts of the parties hereof, and each such counterpart shall be considered an original and all such counterparts shall constitute one and the same instrument.

6.14 No Partnership; Etc. The Secured Parties and the Grantors intend that the relationship between them shall be solely that of creditor and debtor. Nothing contained in this Agreement shall be deemed or construed to create a partnership, tenancy-in-common, joint tenancy, joint venture or co-ownership by, between or among the Secured Parties and the Grantors or any other Person. The Secured Parties shall not be in any way responsible or liable for the indebtedness, losses, obligations or duties of the Grantors or any other Person with respect to the Projects or otherwise. All obligations to pay real property or other taxes, assessments, insurance premiums, and all other fees and expenses in connection with or arising from the ownership, operation or occupancy of any Project or any other Collateral and to perform all obligations under the agreements and contracts relating to any Project or any other Collateral shall be the sole responsibility of the Grantors.

6.15 Termination and Release.

(a) Upon receipt by the Collateral Trustee from DOE of (x) written directions to cause the liens created by the Trust Security Documents to be released and discharged or (y) written notices from DOE pursuant to Section 12.21 of the Arrangement Agreement, the security interests created by the Trust Security Documents shall terminate forthwith and all right, title and interest of the Collateral Trustee in and to the Collateral shall revert to the Grantors, their successors and assigns.

(b) Upon the termination of the Collateral Trustee's security interest and the release of the Collateral in accordance with Section 6.15(a), the Collateral Trustee will promptly, at the Borrower's written request and expense, (i) execute and deliver to the Borrower such documents as the Borrower shall reasonably request to evidence the termination of such security interest or the release of the Collateral and (ii) deliver or cause to be delivered to the Grantors all property of the Grantors then held by the Collateral Trustee or any agent thereof.

(c) Upon the sale of all the Capital Stock of a Grantor to any Person (other than another Grantor) in a transaction permitted by the Loan Documents and as long as no Event of Default has occurred and is continuing or no Notice of Default is then in effect: (i) such Grantor and each Subsidiary of such Grantor which is included in such sale (such Grantor and each such Subsidiary being referred to herein as "Included Grantors") shall cease to be a Grantor hereunder or a party to any Trust Security Document and shall be released automatically from its obligations pursuant hereto and thereto, (ii) the security interests created by the Trust Security Documents entered into by such Included Grantors in all right, title and interest of such Included Grantors in the Collateral, shall terminate automatically, in each case only with respect to such Included Grantors, (iii) all right, title and interest of the Collateral Trustee in and to the Collateral subject to such security interests shall revert automatically to such Included Grantors, their successors and assigns and (iv) any obligations of such Included Grantors shall, unless otherwise expressly notified by the Borrower to the Collateral Trustee and DOE in

writing, automatically cease to be Secured Obligations. Upon any such termination and receipt by the Collateral Trustee of a fully executed original certificate from a Responsible Officer of the Borrower stating that such sale is to a Person other than another Grantor in a transaction permitted by the Loan Documents, the Collateral Trustee will promptly, at the Borrower's request and expense, (x) execute and deliver to such Included Grantors such documents as the Borrower shall reasonably request to evidence the termination of such security interest or the release of such Collateral and (y) deliver or cause to be delivered to such Included Grantors all property of such Included Grantors then held by the Collateral Trustee or any agent thereof.

(d) Upon the sale of all or any portion of the Collateral to any Person (other than another Grantor) in a transaction permitted by the Loan Documents (including pursuant to any consent to such sale and /or release of the security interest in such Collateral pursuant to the terms thereof), and as long as no Event of Default has occurred and is continuing or no Notice of Default is then in effect, the security interests created by the Trust Security Documents in such Collateral shall terminate and such Collateral shall be automatically released from the Lien created by the Trust Security Documents. Upon any such release and receipt by the Collateral Trustee of a certificate from the Borrower or the relevant Grantor stating that such sale is permitted by (or the relevant consent has been received under) the Loan Documents, the Collateral Trustee will promptly at the Borrower's request and expense execute and deliver such documents as the Borrower shall reasonably request to evidence the termination of such security interest and the release of such Collateral.

(e) Upon receipt by the Collateral Trustee of written notice from DOE, directing the Collateral Trustee to cause the Liens on a portion of the Collateral identified in such notice to be released and discharged, the security interests created by the Trust Security Documents in such Collateral shall terminate forthwith and all right, title and interest of the Collateral Trustee in and to such Collateral shall revert to the Grantors, their successors and assigns.

(f) This Agreement shall terminate when the security interest granted under the Trust Security Documents has terminated and the Collateral has been released as provided in Section 6.15(a); *provided* that the provisions of Sections 4.3 and 4.4 shall not be affected by any such termination.

6.16 Independence of Covenants. As between the Collateral Trustee, on the one hand, and the Grantors on the other, in the event of any conflict between the terms of this Agreement and the terms of any Trust Security Document, the terms of such Trust Security Document shall control.

6.17 Additional Grantors. Each Subsidiary of the Borrower that is required to become a party to this Agreement pursuant to the terms of any Loan Document, or that the Borrower desires to become a party to this Agreement, shall become a Grantor for all purposes of this Agreement upon execution and delivery by such Subsidiary of a Subsidiary Joinder Agreement.

6.18 Rights and Immunities of DOE. DOE will be entitled to all of the rights, protections, immunities and indemnities set forth in the other Loan Documents with respect to DOE's acting as representative of the Secured Parties, in each case as if specifically set forth herein. In no event will DOE be liable for any act or omission on the part of the Grantors or the Collateral Trustee hereunder.

PLEDGE AND SECURITY AGREEMENT, dated as of January 20, 2010 (this "Agreement"), made by TESLA MOTORS, INC., a Delaware corporation (the "Borrower"), and each of the SUBSIDIARIES OF THE BORROWER listed on the signature pages hereof or that becomes a party hereto as provided herein (collectively with the Borrower, the "Grantors"), in favor of MIDLAND LOAN SERVICES, INC., a Delaware corporation, as collateral trustee (in such capacity, the "Collateral Trustee") under the Collateral Trust Agreement, dated as of January 20, 2010 (as amended, supplemented or otherwise modified from time to time, the "Collateral Trust Agreement"), among the Borrower, the Subsidiaries of the Borrower parties thereto and the Collateral Trustee.

PRELIMINARY STATEMENTS

A. Pursuant to the Loan Arrangement and Reimbursement Agreement, dated as of January 20, 2010 (as amended, supplemented or otherwise modified from time to time, the "Arrangement Agreement"), between the Borrower and the United States Department of Energy ("DOE"), DOE has agreed to arrange for the Federal Financing Bank, an instrumentality of the United States government created by the Federal Financing Bank Act of 1973 that is under the general supervision of the Secretary of the Treasury ("FFB"), to purchase certain future advance promissory notes (as amended, supplemented or otherwise modified from time to time, the "Notes") to be issued by the Borrower pursuant to the Note Purchase Agreement, dated as of January 20, 2010, among the Borrower, DOE and FFB (as amended, supplemented or otherwise modified from time to time, the "Note Purchase Agreement"), and to make extensions of credit to the Borrower from time to time upon the terms and subject to the conditions set forth in the Notes and the other Loan Documents.

B. Pursuant to the Program Financing Agreement, dated as of September 16, 2009, between DOE and FFB, DOE will be obligated to reimburse FFB for any liabilities, losses, costs or expenses incurred by FFB from time to time with respect to the Notes or the related Note Purchase Agreement.

C. The proceeds of the extensions of credit under the Funding Agreements will be used by the Borrower to fund Eligible Project Costs incurred by the Borrower under the Advanced Technology Vehicles Manufacturing Incentive Program administered by DOE.

D. It is a condition precedent to the obligation of DOE under the Arrangement Agreement to deliver the Principal Instruments required for FFB to purchase the Notes under the Note Purchase Agreement that the Grantors shall have executed and delivered this Agreement to the Collateral Trustee for the ratable benefit of the Secured Parties.

NOW, THEREFORE, in consideration of the premises and to induce DOE to enter into the Arrangement Agreement and to induce FFB to enter into the Note Purchase Agreement, purchase the Notes and make extensions of credit to the Borrower thereunder, each Grantor hereby agrees with the Collateral Trustee, for the ratable benefit of the Secured Parties, as follows:

For the avoidance of doubt, it is understood that under no circumstances shall "Excluded Property" be construed to include any Program Assets.

2.3 Security for Obligations. This Agreement secures, and the Collateral is collateral security for, the prompt and complete payment or performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including the payment of amounts that would become due but for the operation of the automatic stay under 11 U.S.C. § 362(a) (and any successor provision thereof)), of all Secured Obligations with respect to every Grantor.

2.4 Continuing Liability Under Collateral. Notwithstanding anything herein to the contrary, (a) each Grantor shall remain liable for all obligations under the Collateral and nothing contained herein is intended or shall be a delegation of duties thereunder to the Collateral Trustee or any other Secured Party, (b) each Grantor shall remain liable under each of the agreements included in the Collateral to perform all of the obligations undertaken by it thereunder all in accordance with and pursuant to the terms and provisions thereof and neither the Collateral Trustee nor any other Secured Party shall have any obligation or liability under any of such agreements by reason of or arising out of this Agreement or any other document related thereto nor shall the Collateral Trustee nor any other Secured Party have any obligation to make any inquiry as to the nature or sufficiency of any payment received by it or have any obligation to take any action to collect or enforce any rights under any agreement included in the Collateral and (c) the exercise by the Collateral Trustee of any of its rights hereunder shall not release any Grantor from any of its duties or obligations under the agreements included in the Collateral.

Each Grantor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Grantor hereunder, nor by any election of Collateral Trustee or DOE not to cause any Subsidiary of the Borrower to become an Additional Grantor hereunder. This Agreement shall be fully effective as to any Grantor that is or becomes a party

hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder.

Neither the granting of the security interest in the Collateral pursuant to this Agreement nor the acceptance of any such additional security shall prevent any such Secured Party from resorting first to such additional security, or first to the Collateral, in either case without affecting such Secured Party's security interest in the Collateral and the other rights granted to it pursuant to this Agreement.

Without limiting the generality of the foregoing, each Grantor shall promptly:

(a) file (or authorize the filing of) such financing or continuation statements, or amendments thereto as may be necessary, and execute and deliver such other agreements, instruments, endorsements, powers of attorney or notices as the Collateral Trustee may reasonably request, in order to perfect and preserve the security interests granted or purported to be granted hereby;

(b) furnish to the Collateral Trustee from time to time statements and schedules (including updated Collateral Schedules) further identifying and describing the Collateral and such other reports in connection with the Collateral as the Collateral Trustee may reasonably request, all in reasonable detail (it being understood and agreed that the security interest of the Collateral Trustee shall attach to all property immediately upon any Grantor's acquisition of rights therein to the fullest extent permitted by applicable Requirements of Law and shall not be affected by the failure of any Grantor to deliver a Collateral Supplement or any other identification or description of such property);

(c) at any reasonable time at reasonable intervals, upon request by the Collateral Trustee, assemble the Collateral and allow inspection of the Collateral by the Collateral Trustee, or persons designated by the Collateral Trustee;

(d) at the Collateral Trustee's reasonable request, appear in and defend any action or proceeding that may affect in any material respect such Grantor's title to or the Collateral Trustee's security interest in all or any part of the Collateral;

(e) with respect to any letter of credit with a face value in excess of $250,000 hereafter arising to which such Grantor has rights, (i) use commercially reasonable efforts to obtain the consent of the issuer thereof to the assignment of the proceeds of the letter of credit to the Collateral Trustee, (ii) deliver to the Collateral Trustee a completed Collateral Supplement reflecting such new letter of credit and (iii) if reasonably requested by the Collateral Trustee, obtain for the Collateral Trustee the right of a beneficiary to demand payment or performance under such letter of credit;

(f) with respect to any Commercial Tort Claim in excess of $250,000 individually hereafter arising, deliver to the Collateral Trustee a completed Collateral Supplement identifying such new Commercial Tort Claim;

(g) with respect to any key personnel life insurance policies hereafter obtained by any Grantor, (i) provide written notice thereof to the Collateral Trustee by delivery of a Collateral Supplement describing such policies and (ii) upon Collateral Trustee's request, furnish the Collateral Trustee with agreements collaterally assigning such policies to the Collateral Trustee;

(h) with respect to any other policies of Insurance now owned or hereafter obtained by any Grantor, if reasonably requested by the Collateral Trustee, furnish the Collateral Trustee with agreements collaterally assigning such policies to the Collateral Trustee;

(i) with respect to any Project Documents entered into by any Grantor, furnish the Collateral Trustee, upon Collateral Trustee's reasonable request, with (i) agreements collaterally assigning such Grantor's rights under such Project Documents to the Collateral Trustee and (ii) consents and/or recognition agreements from the counterparties to such Project Documents requested by the Collateral Trustee; and

(j) with respect to any Governmental Approvals for the Projects obtained by any Grantor, furnish the Collateral Trustee, upon Collateral Trustee's reasonable request, with (i) agreements collaterally assigning such Grantor's rights under such Governmental Approvals to the Collateral Trustee and (ii) consents and/or recognition agreements from the applicable Governmental Authorities, as appropriate, with respect to the collateral assignments such Governmental Approvals and the transfer thereof following an Event of Default.

ARTICLE IV
REMEDIES

4.1 Code and Other Remedies Generally.

(a) If any Event of Default shall have occurred and be continuing, the Collateral Trustee may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it at law or in equity, all the rights and remedies of a secured party on default or otherwise under the UCC (whether or not the UCC applies to the affected Collateral) to collect, enforce or satisfy any Secured Obligations then owing, whether by acceleration or otherwise, and also may pursue any of the following separately, successively or simultaneously:

(i) require any Grantor to, and each Grantor hereby agrees that it shall at its expense and promptly upon request of the Collateral Trustee, assemble all or part of the Collateral as directed by the Collateral Trustee and make it available to the Collateral Trustee at a place to be reasonably designated by the Collateral Trustee;

(ii) enter onto the property where any Collateral is located and take possession thereof with or without judicial process;

(iii) prior to the disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner to the extent the Collateral Trustee deems advisable; and

(iv) without notice except as specified below or under the UCC, sell, assign, lease, license (on an exclusive or nonexclusive basis) or otherwise dispose of the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Collateral Trustee's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as the Collateral Trustee may deem advisable.

(b) The Collateral Trustee or any other Secured Party may be the purchaser of any or all of the Collateral at any public sale or any private sale (to the extent the portion of the Collateral being privately sold is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations) in accordance with the UCC and the Collateral Trustee, as collateral agent for and representative of the Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale made in accordance with the UCC, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Trustee at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of

redemption, stay and/or appraisal which it now has or may at any time in the future have under applicable law now existing or hereafter enacted.

(c) Each Grantor agrees that, to the extent notice of sale shall be required by applicable law, at least ten (10) days notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Trustee shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Trustee may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(d) Each Grantor agrees that it would not be commercially unreasonable for the Collateral Trustee to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets.

(e) The Collateral Trustee may sell the Collateral without giving any warranties as to the Collateral. The Collateral Trustee may specifically disclaim or modify any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(f) Each Grantor hereby waives any claims against the Collateral Trustee or any other Secured Party arising by reason of the fact that the price at which any Collateral may have been sold at any private sale was less than the price which might have been obtained at a public sale, even if the Collateral Trustee accepts the first offer received and does not offer such Collateral to more than one offeree.

4.2 Sales on Credit. If the Collateral Trustee sells any of the Collateral upon credit, the Grantor will be credited only with payments actually made by the purchaser and received by the Collateral Trustee and applied to indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, the Collateral Trustee may resell the Collateral and Grantor shall be credited with proceeds of the sale.

4.3 Private Sale of Investment Property. Each Grantor recognizes that, by reason of certain prohibitions contained in the Exchange Act and applicable state securities laws, the Collateral Trustee may be compelled, with respect to any sale of all or any part of the Investment Property conducted without prior registration or qualification of such Investment Property under the Exchange Act and/or such state securities laws, to limit purchasers to those who will agree, among other things, to acquire the Investment Property for their own account, for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges that any such private sale may be at prices and on terms less favorable than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Exchange Act) and, notwithstanding such circumstances, each Grantor agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Collateral Trustee shall have no obligation to engage in public

sales and no obligation to delay the sale of any Investment Property for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under the Exchange Act or under applicable state securities laws, even if such issuer would, or should, agree to so register it. If the Collateral Trustee determines to exercise its right to sell any or all of the Investment Property, upon written request, each Grantor shall and shall cause each issuer of any Pledged Stock to be sold hereunder, each partnership and each limited liability company from time to time to furnish to the Collateral Trustee all such information as the Collateral Trustee may request in order to determine the number and nature of interest, shares or other instruments included in the Investment Property which may be sold by the Collateral Trustee in exempt transactions under the Exchange Act and the rules and regulations of the SEC thereunder, as the same are from time to time in effect.

4.4 Additional Remedies Relating to Intellectual Property.

(a) Anything contained herein to the contrary notwithstanding, upon the occurrence and during the continuance of an Event of Default:

(i) the Collateral Trustee shall have the right (but not the obligation) to bring suit or otherwise commence any action or proceeding in the name of any Grantor, the Collateral Trustee or otherwise, in the Collateral Trustee's sole discretion, to enforce any Intellectual Property owned by any Grantor, in which event such Grantor shall, at the request of the Collateral Trustee, do any and all lawful acts and execute any and all documents reasonably required by the Collateral Trustee in aid of such enforcement and such Grantor shall promptly, upon demand, reimburse and indemnify the Collateral Trustee as provided in Section 6.8 in connection with the exercise of its rights under this Section;

(ii) upon written demand from the Collateral Trustee in connection with the exercise of remedies hereunder, each Grantor shall grant, assign, convey or otherwise transfer to the Collateral Trustee or such Collateral Trustee's designee all of such Grantor's right, title and interest in and to the Intellectual Property owned by such Grantor and shall execute and deliver to the Collateral Trustee such documents as are necessary or appropriate to carry out the intent and purposes of this Agreement;

(iii) each Grantor agrees that an assignment and/or recording as contemplated by subsection (ii) above shall be applied to reduce the Secured Obligations outstanding only to the extent that the Collateral Trustee (or any Secured Party) receives cash proceeds in respect of the sale of, or other realization upon, such Intellectual Property;

(iv) each Grantor shall ensure the availability and delivery to the Collateral Trustee (or any other Person entitled thereto as a result of the exercise by the Collateral Trustee of its rights and remedies hereunder) of any and all Intellectual Property owned or used by such Grantor or otherwise in such Grantor's possession, including confidential information, technical data and Trade

Secrets (regardless of the form or method of recording of such information and data), including computer databases, computer software documentation, owners' manuals, users manuals, installation instructions, operating instructions, other similar items, regardless of storage item, that explain the capability of the computer software or provide instruction for use of such computer software;

(v) within five (5) Business Days after written notice from the Collateral Trustee, each Grantor shall make available to the Collateral Trustee (or any other Person entitled thereto as a result of the exercise by the Collateral Trustee of its rights and remedies hereunder), to the extent within such Grantor's power and authority, such personnel in such Grantor's employ on the date of such Event of Default as the Collateral Trustee (or such other Person) may reasonably designate, by name, title or job responsibility, to permit such Grantor to continue, directly or indirectly, to produce, advertise and sell the products and services sold or delivered by such Grantor under or in connection with such Grantor's Intellectual Property, such persons to be available to perform their prior functions on the Collateral Trustee's (or such other Person's) behalf and to be compensated by the Collateral Trustee (or such other Person) at such Grantor's expense on a per diem, pro rata basis consistent with the salary and benefit structure applicable to each as of the date of such Event of Default; and

(vi) the Collateral Trustee shall have the right to notify, or require each Grantor to notify, any obligors with respect to amounts due or to become due to such Grantor in respect of Intellectual Property used in the business of any Grantor, of the existence of the security interest created herein, to direct such obligors to make payment of all such amounts directly to the Collateral Trustee, and, upon such notification and at the expense of such Grantor, to enforce collection of any such amounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done; and

(vii) such Grantor shall not, without Collateral Trustee's prior written consent, (x) adjust, settle or compromise the amount or payment of any such amount (y) release wholly or partly any obligor with respect thereto or (z) allow any credit or discount thereon.

(b) If (i) an Event of Default shall have occurred and, by reason of cure, waiver, modification, amendment or otherwise, no longer be continuing, (ii) no other Event of Default shall have occurred and be continuing, (iii) an assignment or other transfer to the Collateral Trustee of any rights, title and interests in and to the Intellectual Property owned by any Grantor shall have been previously made and shall have become absolute and effective, and (iv) the Secured Obligations shall not have become immediately due and payable, upon the written request of any Grantor, the Collateral Trustee shall promptly execute and deliver to such Grantor, at such Grantor's sole cost and expense, such assignments or other transfer as may be necessary to reassign to such Grantor any such rights, title and interests as may have been assigned to the Collateral Trustee as aforesaid, subject to any disposition thereof that may have been made by the

Collateral Trustee; *provided*, after giving effect to such reassignment, the Collateral Trustee's security interest granted pursuant hereto, as well as all other rights and remedies of the Collateral Trustee granted hereunder, shall continue to be in full force and effect; and *provided further*, the rights, title and interests so reassigned shall be free and clear of any other Liens granted by or on behalf of any Secured Parties.

(c) Solely for the purpose of enabling the Collateral Trustee to exercise rights and remedies under this Article IV and at such time as the Collateral Trustee shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Collateral Trustee, to the extent it has the right to do so, an irrevocable, nonexclusive worldwide license (exercisable without payment of royalty or other compensation to such Grantor), subject, in the case of Trademarks owned by any Grantor, to sufficient rights to quality control and inspection in favor of such Grantor to avoid the risk of invalidation of said Trademarks, to use, operate under, license, or sublicense any Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located.

4.5 Collection of Receivables. Notwithstanding Section 3.3(b)(iv), the Collateral Trustee shall have the right, at any time following the occurrence and during the continuation of an Event of Default, to do any one or more of the following: (A) notify, or require any Grantor to notify, any Account Debtor of the Collateral Trustee's security interest in the Receivables and any Supporting Obligation; (B) direct the Account Debtors under any Receivables to make payment of all amounts due or to become due to such Grantor thereunder directly to the Collateral Trustee; (C) notify, or require any Grantor to notify, each Person maintaining a lockbox or similar arrangement to which Account Debtors under any Receivables have been directed to make payment to remit all amounts representing collections on checks and other payment items from time to time sent to or deposited in such lockbox or other arrangement directly to the Collateral Trustee; and (D) enforce, at the expense of such Grantor, collection of any such Receivables and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done. If the Collateral Trustee notifies any Grantor that it has elected to collect the Receivables in accordance with the preceding sentence, any payments of Receivables received by such Grantor shall be promptly (and in any event within two (2) Business Days) deposited by such Grantor in the exact form received, duly indorsed by such Grantor to the Collateral Trustee if required, in a collateral account maintained under the sole dominion and control of the Collateral Trustee, and until so turned over, all amounts and proceeds (including checks and other instruments) received by such Grantor in respect of the Receivables, any Supporting Obligation or Collateral Support shall be received in trust for the benefit of the Collateral Trustee hereunder and shall be segregated from other funds of such Grantor and such Grantor shall not adjust, settle or compromise the amount or payment of any Receivable, or release wholly or partly any Account Debtor or obligor thereof, or allow any credit or discount thereon without Collateral Trustee's prior written consent.

4.6 Turn Over and Application of Proceeds. In addition to the rights of the Collateral Trustee specified in Section 4.5 with respect to payments of Receivables, upon the request of the Collateral Trustee following the occurrence and during the continuance of an Event of Default and in any event following acceleration of the Secured Obligations pursuant to

Section 10.2 of the Arrangement Agreement, all proceeds of any Collateral received by any Grantor consisting of cash, checks and other near-cash items shall be held by such Grantor in trust for the Collateral Trustee, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, unless provided expressly otherwise herein, be turned over to the Collateral Trustee in the exact form received by such Grantor (duly indorsed by such Grantor to the Collateral Trustee, if required) and held by the Collateral Trustee in a collateral account maintained under the sole dominion and control of the Collateral Trustee. Any proceeds of Collateral received by the Collateral Trustee (whether from a Grantor or otherwise) while an Event of Default shall have occurred and be continuing may, in the sole discretion of the Collateral Trustee, (A) be held by the Collateral Trustee for the ratable benefit of the Secured Parties, as collateral security for the Secured Obligations (whether matured or unmatured) and/or (B) then or at any time thereafter may be applied by the Collateral Trustee against the Secured Obligations then due and owing. Without limiting the generality of the foregoing, if any Event of Default shall have occurred and be continuing, the Collateral Trustee may apply the balance from any Deposit Account or instruct the bank at which any Deposit Account is maintained to pay the balance of any Deposit Account to or for the benefit of the Collateral Trustee to be applied against the Secured Obligations then due and owing.

4.7 Deficiency. If the proceeds of any sale or other disposition of the Collateral are insufficient to pay all the Secured Obligations, each Grantor shall be liable for the deficiency and the fees and disbursements of any attorneys employed by the Collateral Trustee to collect such deficiency.

4.8 Marshaling. Neither the Collateral Trustee nor any Secured Party shall be under any obligation to marshal any of the Collateral in favor of any Grantor or any other Person or against or in payment of any or all of the Secured Obligations.

ARTICLE V
COLLATERAL TRUSTEE

5.1 Power of Attorney. Each Grantor hereby irrevocably appoints the Collateral Trustee (such appointment being coupled with an interest) as such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor, the Collateral Trustee or otherwise, from time to time in the Collateral Trustee's discretion to take the following actions that the Collateral Trustee may deem necessary or advisable to accomplish the purposes of this Agreement, at such Grantor's expense:

(a) upon the occurrence and during the continuance of any Event of Default, to obtain and adjust insurance required to be maintained by such Grantor pursuant to the Arrangement Agreement;

(b) upon the occurrence and during the continuance of any Event of Default, to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) upon the occurrence and during the continuance of any Event of Default, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clause (b) above;

(d) upon the occurrence and during the continuance of any Event of Default, to file any claims or take any action or institute any proceedings that the Collateral Trustee may deem necessary or advisable for the collection of any of the Collateral or otherwise to enforce the rights of the Collateral Trustee with respect to any of the Collateral;

(e) to prepare and file any UCC financing statements against such Grantor as debtor;

(f) to prepare, sign, and file for recordation in any intellectual property registry, appropriate evidence of the lien and security interest granted herein in the Intellectual Property in the name of such Grantor as debtor;

(g) to take or cause to be taken all actions necessary to perform or comply or cause performance or compliance with the terms of this Agreement that Grantors have not taken within the time allowed, including to pay or discharge taxes or Liens (other than Permitted Liens) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by the Collateral Trustee in its sole discretion, any such payments made by the Collateral Trustee to become obligations of such Grantor to the Collateral Trustee, due and payable immediately without demand;

(h) upon the occurrence and during the continuance of any Event of Default, generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Trustee were the absolute owner thereof for all purposes; and

(i) upon the occurrence and during the continuance of any Event of Default, to do, at the Collateral Trustee's option and such Grantor's expense, at any time or from time to time, all acts and things that the Collateral Trustee deems necessary or advisable to protect, preserve or realize upon the Collateral and the Collateral Trustee's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

5.2 Authorization to File Financing Statements. Each Grantor hereby authorizes the Collateral Trustee to file a Record or Records, including financing or continuation statements, and amendments thereto, in any jurisdictions and with any filing offices as the Collateral Trustee may determine, in its sole discretion, are necessary or advisable to perfect the security interest granted to the Collateral Trustee herein. Such financing statements may describe the Collateral in the same manner as described herein or may contain an indication or description of collateral that describes such property in any other manner as the Collateral Trustee may determine, in its sole discretion, is necessary or advisable to ensure the perfection of the security interest in the Collateral granted to the Collateral Trustee herein, including

describing such property as "all assets" or "all personal property, whether now owned or hereafter acquired".

5.3 Access; Right of Inspection. The Collateral Trustee and its representatives shall at all reasonable times and on reasonable intervals have full and free access during normal business hours to all the books, correspondence and records of each Grantor, and the Collateral Trustee and its representatives may examine the same, take extracts therefrom and make photocopies thereof, and each Grantor agrees to render to the Collateral Trustee and its representatives, at such Grantor's cost and expense, such clerical and other assistance as may be reasonably requested with regard thereto. The Collateral Trustee and its representatives shall at all times also have the right to enter any premises of each Grantor and inspect any property of each Grantor where any of the Collateral of such Grantor granted pursuant to this Agreement is located for the purpose of inspecting the same, observing its use or otherwise protecting its interests therein.

5.4 Duty of Collateral Trustee. The Collateral Trustee's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the UCC or otherwise, shall be to deal with it in the same manner as the Collateral Trustee deals with similar property for its own account. Neither the Collateral Trustee, any Secured Party nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Collateral Trustee and the other Secured Parties hereunder are solely to protect their interests in the Collateral and shall not impose any duty upon the Collateral Trustee or any other Secured Party to exercise any such powers. The Collateral Trustee and the other Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

5.5 Collateral Trustee May Perform. If any Grantor fails to perform any agreement contained herein within the time allowed, the Collateral Trustee may itself perform, or cause performance of, such agreement, and the expenses of the Collateral Trustee incurred in connection therewith shall be payable by each Grantor under Section 6.8.

5.6 Authority of Collateral Trustee. Each Grantor acknowledges that the rights and responsibilities of the Collateral Trustee under this Agreement with respect to any action taken by the Collateral Trustee or the exercise or non-exercise by the Collateral Trustee of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Collateral Trustee and the other Secured Parties, be governed by the Collateral Trust Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Trustee and the Grantors, the Collateral Trustee shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and no

Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

5.7 Successor Collateral Trustee. The Collateral Trustee may resign or be removed, and a successor appointed, pursuant to the Collateral Trust Agreement. Upon the acceptance of any appointment as Collateral Trustee by a successor Collateral Trustee, that successor Collateral Trustee shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Collateral Trustee under this Agreement, and the retiring or removed Collateral Trustee under this Agreement shall promptly (i) transfer to such successor Collateral Trustee all sums, Securities and other items of Collateral held hereunder, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Collateral Trustee under this Agreement, and (ii) execute and deliver to such successor Collateral Trustee or otherwise authorize the filing of such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Collateral Trustee of the security interests created hereunder, whereupon such retiring or removed Collateral Trustee shall be discharged from its duties and obligations under this Agreement. After any retiring or removed Collateral Trustee's resignation or removal hereunder as the Collateral Trustee, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was the Collateral Trustee hereunder.

ARTICLE VI
MISCELLANEOUS

6.1 Amendments, etc. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with Section 6.1 of the Collateral Trust Agreement.

6.2 Delay and Waiver. No delay or omission in exercising any right, power, privilege or remedy under this Agreement or any other Loan Document, including any rights and remedies in connection with the occurrence of a Default or Event of Default shall impair any such right, power, privilege or remedy of the Collateral Trustee or the other Secured Parties, nor shall it be construed to be a waiver of any right, power, privilege or remedy or of any breach or default, or an acquiescence therein, or in any similar breach or default thereafter occurring, nor shall any waiver of any single right, power, privilege or remedy, or of any breach or default be deemed a waiver of any other right, power, privilege or remedy or of any other breach or default therefore or thereafter occurring. All rights, powers, privileges and remedies, either under this Agreement or any other Loan Document or by law or otherwise afforded to any of the Collateral Trustee or the other Secured Parties, shall be cumulative and not alternative and not exclusive of any other rights, powers, privileges and remedies that any of the Collateral Trustee or the other Secured Parties may otherwise have.

6.3 Right of Set-Off. In addition to any rights now or hereafter granted under any Requirements of Law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each Secured Party is hereby

authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Grantor or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special, time or demand, provisional or final) and any other Indebtedness at any time held or owing by such Secured Party (including by any branches and agencies of such Secured Party wherever located) to or for the credit or the account of any Grantor against and on account of the Secured Obligations and liabilities of any Grantor to such Secured Party under this Agreement or any other Loan Documents.

6.4 Survival of Representations and Warranties. All representations and warranties made hereunder and in any document, certificate or statement delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery of this Agreement and the making of the Advances under the Funding Agreements.

6.5 Notices. All notices, requests and demands to or upon the Collateral Trustee or any Grantor hereunder shall be effected in the manner provided for in Section 6.3 of the Collateral Trust Agreement or at such other number or address as shall be designated by such party in a written notice to each other party hereto; *provided* that any such notice, request or demand to or upon any Additional Grantor shall be addressed to such Grantor at its notice address set forth on its Subsidiary Joinder Agreement or at such other number or address as shall be designated by such Additional Grantor in a written notice to each other party hereto.

6.6 Severability.

(a) The holding by any court of competent jurisdiction that any remedy pursued by the Collateral Trustee or any other Secured Party hereunder is unavailable or unenforceable shall not affect in any way the ability of the Collateral Trustee or any other Secured Party to pursue any other remedy available to it. In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, the parties hereto agree that such provision shall be ineffective only to the extent of such invalidity or unenforceability without invalidating the remainder of such provision or any other provisions of this Agreement and shall not invalidate or render unenforceable any other provision hereof.

(b) In the event that DOE's consent is required under any of the Loan Documents, the determination whether to grant or withhold such consent shall be made by DOE in its sole discretion without any implied duty towards any other Person, except as otherwise expressly provided therein.

6.7 Judgment Currency. Each Grantor agrees, to the fullest extent permitted under applicable law, to indemnify each Secured Party against any loss incurred by such Secured Party as a result of any judgment or order being given or made for any amount due such Secured Party under the Loan Documents and such judgment or order being expressed and to be paid in a Judgment Currency other than the Currency of Denomination and as a result of any variation between (i) the rate of exchange at which amounts in the Currency of Denomination are converted into Judgment Currency for the purpose of such judgment or order, and (ii) the rate of exchange at which such Secured Party would have been able to purchase the Currency of

Denomination with the amount of the Judgment Currency actually received by such Secured Party had it utilized the amount of Judgment Currency so received to purchase the Currency of Denomination as promptly as practicable upon receipt thereof. The foregoing indemnity shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant Currency of Denomination that are documented and reasonable in light of market conditions at the time of such conversion.

6.8 Indemnification.

(a) Each Grantor, jointly and severally, agrees to pay or reimburse each Secured Party for all its costs and expenses incurred in collecting the Secured Obligations against the Grantors or otherwise enforcing or preserving any rights under this Agreement and the other Loan Documents, including the reasonable fees and other charges of counsel to each Secured Party.

(b) Each Grantor, jointly and severally, agrees to pay, indemnify and hold each Secured Party harmless from and against any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay from the Grantors in paying, all stamp, excise, sales and other taxes that may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement and the other Loan Documents.

(c) Each Grantor, jointly and severally, agrees to pay, indemnify and hold the Secured Parties and each other Indemnified Person harmless from and against any and all Indemnified Liabilities to the fullest extent as the Borrower would be required to do so pursuant to Section 12.8 of the Arrangement Agreement.

(d) The provisions of this Section 6.8 shall survive foreclosure under this Agreement and satisfaction or discharge of the Secured Obligations and termination of this Agreement, and shall be in addition to any other rights and remedies of any Indemnified Person.

6.9 Limitation on Liability. No claim shall be made by any Grantor or any of its Affiliates against any Secured Party or any of their Affiliates, directors, employees, attorneys or agents for any special, indirect, consequential or punitive damages (whether or not the claim therefor is based on contract, tort or duty imposed by law), in connection with, arising out of or in any way related to the transactions contemplated by this Agreement or the other Loan Documents or any act or omission or event occurring in connection therewith; and each Grantor hereby waives, releases and agrees not to sue upon any such claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

6.10 Successors and Assigns. This Agreement shall create a continuing security interest in the Collateral and shall remain in full force and effect until all Secured Obligations have been paid in full (other than unasserted contingent indemnity obligations, which shall nonetheless survive termination of this Agreement in accordance with Section 6.8) and all Loan Commitment Amounts have been reduced to zero, be binding upon each Grantor,

its successors and assigns, and inure, together with the rights and remedies of the Collateral Trustee hereunder, to the benefit of the Collateral Trustee and its successors and assigns.

6.11 Further Assurances and Corrective Instruments. To the extent permitted by Requirements of Law, each Grantor shall, upon the written request of the Collateral Trustee, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, within a reasonable period of such request, such amendments or supplements hereto, and such further instruments, and take such further actions, as may be necessary in the Collateral Trustee's reasonable judgment to effectuate the intention, performance and provisions hereof.

6.12 Reinstatement. Where any discharge is made in whole or in part, or any arrangement is made on the faith of, any payment, security or other disposition which is avoided or must be repaid, whether upon the insolvency, bankruptcy, liquidation or other similar proceeding or otherwise pursuant to any applicable Requirements of Law, the liability of the Grantors under this Agreement shall continue as if there had been no such discharge or arrangement. The Secured Parties shall be entitled to concede or compromise any claim that any such payment, security or other disposition is liable to avoidance or repayment.

(a) the Securities Intermediary has established account number [IDENTIFY ACCOUNT NUMBER] in the name "[IDENTIFY EXACT TITLE OF ACCOUNT]" (such account and any successor account, the "Securities Account");

(b) the Securities Intermediary shall not change the name or account number of the Securities Account without the prior written consent of the Collateral Trustee and, prior to the Debtor's receipt of a Notice of Sole Control (as defined below), the Debtor;

(c) all securities or other property underlying any financial assets credited to the Securities Account shall be registered in the name of the Securities Intermediary, indorsed to the Securities Intermediary or in blank or credited to another securities account maintained in the name of the Securities Intermediary and in no case will any financial asset credited to the Securities Account be registered in the name of the Debtor, payable to the order of the Debtor or specially indorsed to the Debtor except to the extent the foregoing have been specially indorsed to the Securities Intermediary or in blank;

(d) All property delivered to the Securities Intermediary by the Debtor will be promptly credited to the Securities Account; and

(e) The Securities Account is a "securities account" within the meaning of Section 8-501 of the UCC.

1.2 "Financial Assets" Election. The Securities Intermediary hereby agrees that each item of property (including, without limitation, any investment property, financial asset, security, instrument, general intangible or cash) credited to the Securities

(b) The Securities Intermediary hereby confirms and agrees that:

(i) it has not entered into, and until the termination of this Agreement, will not enter into, any agreement with any other person relating to the Securities Account and/or any financial assets credited

In the event that the Financial Institution has or subsequently obtains by agreement, by operation of law or otherwise a security interest in the Deposit Account or any funds credited thereto, the Financial Institution hereby agrees that such security interest shall be subordinate to the security interest of the Collateral Trustee. Funds credited to the Deposit Account will not be subject to deduction, set-off, banker's lien, or any other right in favor of any person other than the Collateral Trustee (except that the Financial Institution may set off (i) all amounts due to the Financial Institution in respect of customary fees and expenses for the routine maintenance and operation of the Deposit Account and (ii) the face amount of any checks which have been credited to such Deposit Account but are subsequently returned unpaid because of uncollected or insufficient funds).

ARTICLE III
CONFLICTS AND ADVERSE CLAIMS

3.1 Conflict with Other Agreements.

(a) With respect to the matters set forth herein, in the event of any conflict between this Agreement (or any portion thereof) and any other agreement now existing or hereafter entered into relating to the subject matter hereof, the terms of this Agreement shall prevail.

(b) The Financial Institution hereby confirms and agrees that:

(i) it has not entered into, and until the termination of this Agreement, will not enter into, any agreement with any other person relating to the Deposit Account and/or any funds credited thereto pursuant to which it has agreed to comply with instructions originated by such persons; and

(ii) it has not entered into, and until the termination of this Agreement, will not enter into, any agreement with the Debtor or the Collateral Trustee purporting to limit or condition the obligation of the Securities Intermediary to comply with entitlement orders as set forth in this Agreement.

3.2 Adverse Claims. Except for the claims and interest of the Collateral Trustee and of the Debtor in the Deposit Account, the Financial Institution does not know of any liens, claims or encumbrances relating to the Deposit Account or any funds credited thereto. If any person asserts any lien, encumbrance or adverse claim (including any writ, garnishment, judgment, warrant of attachment, execution or similar process) against the Deposit Account or any funds credited thereto, the Financial Institution will promptly notify the Collateral Trustee and the Debtor thereof.

ARTICLE IV
MAINTENANCE OF DEPOSIT ACCOUNT

In addition to, and not in lieu of, the obligation of the Financial Institution to honor instructions as set forth in Section 1.2 hereof, the Financial Institution agrees to maintain the Deposit Account as follows:

The Financial Institution will promptly send copies of all statements, confirmations and other correspondence concerning the Deposit Account simultaneously to each of the Debtor and the Collateral Trustee at the address for each set forth in Section 5.3 of this Agreement.

4.3 Tax Reporting. All interest, if any, relating to the Deposit Account, shall be reported to the Internal Revenue Service and all state and local taxing authorities under the name and taxpayer identification number of the Debtor.

4.4 Withdrawal Requests. If the Debtor requests withdrawal of, or transfer of, funds from the Deposit Account, the Financial Institution shall honor such request provided that the Financial Institution has not received a Notice of Sole Control (pursuant to which the Financial Institution will honor instructions of only the Collateral Trustee).

ARTICLE V

5.1 Indemnification of Financial Institution.

(a) The Debtor and the Collateral Trustee hereby agree that the Financial Institution is released from any and all liabilities to the Debtor and the Collateral Trustee arising from the terms of this Agreement and the compliance of the Financial Institution with the terms hereof, except to the extent that such liabilities arise from the Financial Institution's gross negligence, gross willful misconduct or breach of its obligations hereunder.

(b) The Debtor, its successors and assigns shall at all times indemnify and save harmless the Financial Institution from and against any and all claims, actions and suits of others arising out of the terms of this Agreement or the compliance of the Financial Institution with the terms hereof, except to the extent that such arises from the Financial Institution's gross negligence, willful misconduct or breach of its obligations hereunder, and from and against any and all liabilities, losses, damages, costs, charges, counsel fees and other expenses of every nature and character arising by reason of the same, until the termination of this Agreement.

5.2 Termination. The obligations of the Financial Institution to the Collateral Trustee pursuant to this Agreement shall continue in effect until the security interest of the Collateral Trustee in the Deposit Account has been terminated and the Collateral Trustee has notified the Financial Institution of such termination in writing. The Collateral Trustee agrees to provide Notice of Termination in substantially the form of Exhibit B hereto to the Financial Institution upon the request of the Debtor on or after the termination of the Collateral Trustee's security interest in the Deposit Account. BLOCKED ACCOUNT CONTROL AGREEMENT
(Dedicated Account)

This Blocked Account Control Agreement, dated as of January 20, 2010 (this "Agreement") among TESLA MOTORS, INC., a Delaware corporation (the "Debtor"), PNC BANK, NATIONAL ASSOCIATION, a national banking association, in its capacity as a "securities intermediary" as defined in Section 8-102 of the UCC (in such capacity, the "Financial Institution"), and MIDLAND LOAN SERVICES, INC., a Delaware corporation, as collateral trustee (in such capacity, the "Collateral Trustee") under the Collateral Trust Agreement, dated as of January 20, 2010, among the Debtor, the other grantors party thereto and the Collateral Trustee for the benefit of the United States Department of Energy ("DOE") and the other secured parties referred to therein. All references herein to the "UCC" shall mean the Uniform Commercial Code as in effect in the State of New York.

ARTICLE I
THE BLOCKED ACCOUNT

1.1 Establishment of Blocked Account. The Financial Institution hereby confirms and agrees that:

(a) the Financial Institution has established account number [redacted] in the name "ATVM Tesla Dedicated Account" (such account and any successor account, the "Blocked Account") containing subaccounts entitled "Equity Proceeds Subaccount", "Project P Interim True-Up Subaccount", "Project S Interim True-Up Subaccount", "Project P Designated Overrun Subaccount", "Project S Designated Overrun Subaccount" and "Investment Earnings Subaccount" and such other subaccounts as may be required;

(b) the Financial Institution shall not change the name or account number of the Blocked Account without prompt written notice to the Collateral Trustee;

(c) all funds and securities underlying any financial assets credited to the Blocked Account shall be registered in the name of the Financial Institution, indorsed to the Financial Institution or in blank or credited to another securities account maintained in the name of the Financial Institution and in no case will any financial asset credited to the Blocked Account be registered in the name of the Debtor, payable to the order of the Debtor or specially indorsed to the Debtor except to the extent the foregoing have been specially indorsed to the Financial Institution or in blank;

(d) All funds and securities delivered to the Financial Institution by the Debtor will be promptly credited to the Blocked Account; and

(e) the Blocked Account is a "securities account" within the meaning of Section 8-501 of the UCC.

1.2 Control of the Blocked Account. Subject to Section 5.3, if the Financial Institution shall receive any entitlement orders originated by the Collateral Trustee directing the

disposition of funds or transfer or redemption of any financial asset relating to the Blocked Account, the Financial Institution shall comply with such entitlement orders without further consent by the Debtor or any other person. The Financial Institution hereby acknowledges that it has received notice of the security interest of the Collateral Trustee in the Blocked Account and hereby acknowledges and consents to such lien. If the Debtor is otherwise entitled to issue entitlement orders and such entitlement orders conflict with any entitlement orders issued by the Collateral Trustee, the Financial Institution shall follow the entitlement orders issued by the Collateral Trustee.

1.3 "Financial Assets" Election. The Financial Institution hereby agrees that each item of property (including, without limitation, any financial asset, security, instrument or cash) credited to the Blocked Account shall be treated as a "financial asset" within the meaning of Section 8-102(a)(9) of the UCC.

ARTICLE II
SUBORDINATION AND WAIVER

2.1 Subordination of Lien; Waiver of Set-Off. In the event that the Financial Institution has or subsequently obtains by agreement, by operation of law or otherwise a security interest in the Blocked Account or any financial assets credited thereto, the Financial Institution hereby agrees that such security interest shall be subordinate to the security interest of the Collateral Trustee. The Financial Assets credited to the Blocked Account will not be subject to deduction, set-off, banker's lien, or any other right in favor of any person other than the Collateral Trustee (except that the Financial Institution may set off (i) all unpaid amounts due to the Financial Institution in respect of customary fees and expenses for the routine maintenance and operation of the Blocked Account and (ii) the face amount of any checks which have been credited to such Blocked Account but are subsequently returned unpaid because of uncollected or insufficient funds).

ARTICLE III
CONFLICTS AND ADVERSE CLAIMS

3.1 Conflict with Other Agreements.

(a) With respect to the matters set forth herein, in the event of any conflict between this Agreement (or any portion thereof) and any other agreement now existing or hereafter entered into relating to the subject matter hereof, the terms of this Agreement shall prevail.

(b) The Financial Institution hereby confirms and agrees that:

(i) it has not entered into, and until the termination of this Agreement, will not enter into, any agreement with any other person relating to the Blocked Account and/or any financial assets credited thereto pursuant to which it has agreed to comply with entitlement orders originated by such persons; and

(ii) it has not entered into, and until the termination of this Agreement, will not enter into, any agreement with the Debtor or the Collateral Trustee purporting to limit or condition the obligation of the Financial Institution to comply with entitlement orders as set forth in this Agreement.

(c) The Financial Institution shall not make, be required to make, or be liable in any manner for its failure to make, any determination under any other agreement between the Debtor, the Collateral Trustee and DOE, including any determination as to whether any party thereto has complied with the terms of such agreement or is entitled to payment or to exercise any other right or remedy thereunder.

3.2 Adverse Claims. Except for the claims and interest of the Collateral Trustee and of the Debtor in the Blocked Account, the Financial Institution has not received notice of any liens, claims or encumbrances relating to the Blocked Account or any financial assets credited thereto. If any person asserts any lien, encumbrance or adverse claim (including any writ, garnishment, judgment, warrant of attachment, execution or similar process) against the Blocked Account or any financial assets credited thereto, the Financial Institution will promptly notify the Collateral Trustee and the Debtor thereof.

ARTICLE IV
MAINTENANCE OF BLOCKED ACCOUNT

In addition to, and not in lieu of, the obligation of the Financial Institution to honor entitlement orders as set forth in Section 1.2 hereof, the Financial Institution agrees to maintain the Blocked Account as follows:

4.1 Sole Control. Subject to Sections 4.4, 4.5, and 5.3, the Financial Institution agrees that it will take all instruction with respect to the Blocked Account solely from the Collateral Trustee.

4.2 Statements and Confirmations.

(a) The Financial Institution will promptly send copies of all notifications described in Article III, account statements and other correspondence concerning the Blocked Account and/or any financial assets credited thereto simultaneously to each of the Debtor and the Collateral Trustee at the address for each set forth in Section 5.3 of this Agreement, including monthly statements listing all securities transactions, receipts and disbursements during the applicable month, together with a current listing of all financial assets held in the Blocked Account.

(b) The Debtor and the Collateral Trustee acknowledge that Federal Regulations require the Financial Institution, without charge and within one (1) business day of its receipt of a broker/dealer confirmation for each security transaction in the Blocked Account to forward to the Debtor a written notification which discloses, among other things: the Financial Institution's name, the Debtor's name, the capacity or capacities in which the Financial Institution is acting, the date (and time, within a reasonable period, upon written request of Debtor) of execution, the identity, price,

number of shares or units or principal amount of debt securities purchased or sold by Debtor, the name of the broker/dealer, the amount of any remuneration received by such broker/dealer from the Debtor and the amount of any remuneration received by the Financial Institution. The Debtor agrees that the period statements described in clause (a) above shall satisfy the Financial Institution's obligation to provide the written notification under this clause (b); *provided* that, upon request, the Financial Institution will provide to the Debtor (with copies to the Collateral Trustee), within a reasonable time and at the Financial Institution's sole expense, all additional information as may be required by Federal Regulations.

4.3 Tax Reporting. All items of income, gain, expense and loss recognized in the Blocked Account, shall be reported to the Internal Revenue Service (and all state and local taxing authorities, to the extent such state and local reporting is otherwise made by Financial Institution) under the name and taxpayer identification number of the Debtor.

4.4 Withdrawal Requests. If the Debtor requests withdrawal of funds from the Blocked Account, the Financial Institution shall honor such request only if the Financial Institution has received a request substantially in the form attached to this Agreement as Exhibit A which has been signed by a Responsible Officer of the Borrower and has been countersigned by DOE (a "Withdrawal Request"). The parties agree that no securities may be withdrawn from the Blocked Account.

4.5 Transfer Requests. If the Debtor requests transfer of funds from the subaccounts within the Blocked Account into another subaccount within the Blocked Account or into the securities account in the name "ATVM Tesla Initial Debt Service Account" with number [redacted], the Financial Institution shall honor such request only if the Financial Institution has received a request substantially in the form attached to this Agreement as Exhibit B which has been signed by a Responsible Officer of the Borrower (a "Transfer Request"). The parties agree that no securities may be transferred from the Blocked Account.

4.6 Permitted Investments. The Debtor shall direct the Financial Institution with respect to the selection of investments to be made for the Blocked Account; *provided, however*, all investments shall be of a type described on Exhibit D hereto. Unless otherwise instructed by the Collateral Trustee, the Financial Institution shall cause all interest and investment earnings on the Blocked Account to be deposited into the Investment Earnings Subaccount.

ARTICLE V
MISCELLANEOUS

5.1 Limitations of Financial Institution's Liability.

(a) The Debtor and the Collateral Trustee hereby agree that the Financial Institution is released from any and all liabilities to the Debtor and the Collateral Trustee arising from the terms of this Agreement and the compliance of the Financial Institution with the terms hereof, except to the extent that such liabilities arise from the Financial Institution's gross negligence or gross willful misconduct.

(b) The Debtor, its successors and assigns shall at all times indemnify and save harmless the Financial Institution from and against any and all claims, actions and suits of others arising out of the terms of this Agreement or the compliance of the Financial Institution with the terms hereof, except to the extent that such arises from the Financial Institution's gross negligence or willful misconduct, and from and against any and all liabilities, losses, damages, costs, charges, counsel fees and other expenses of every nature and character arising by reason of the same, until the termination of this Agreement. The provisions of this Section 5.1(b) shall survive the termination of this Agreement and the resignation or removal of the Financial Institution.

(c) Should any dispute arise with respect to this Agreement or the Blocked Account, whether such dispute arises between the parties hereto and others, or between the parties hereto themselves, it is understood and agreed that the Financial Institution may petition (by means of an interpleader or any other appropriate measure) any court of competent jurisdiction for instructions with respect to such dispute and the other parties hereto will hold the Financial Institution harmless and indemnify it against all consequences and expenses that may be incurred by the Financial Institution in connection therewith, which indemnity shall survive the termination of this Agreement or the resignation or removal of Financial Institution.

(d) In the administration of its powers and duties hereunder, the Financial Institution may execute any of its powers and perform its duties hereunder directly or through agents or attorneys and may consult with counsel, including in-house counsel, accountants and other skilled persons to be selected and retained by it. The Financial Institution shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled persons, including in-house counsel.

(e) Anything in this Agreement to the contrary notwithstanding, in no event shall the Financial Institution be liable for special, indirect, incidental, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Financial Institution has been advised of the likelihood of such loss or damage and regardless of the form of action.

5.2 Termination.

(a) The Financial Institution may terminate this Agreement on thirty (30) days' prior written notice to Collateral Trustee and the Debtor. The Collateral Trustee may terminate this Agreement by written notice to the Financial Institution and the Debtor. The Debtor may not terminate this Agreement.

(b) The obligations of the Financial Institution to the Collateral Trustee pursuant to this Agreement shall continue in effect until the security interest of the Collateral Trustee in the Blocked Account has been terminated and the Collateral Trustee has notified the Financial Institution of such termination in writing, countersigned by DOE.

(c) The Collateral Trustee agrees to provide Notice of Termination in substantially the form of Exhibit C hereto to the Financial Institution upon the request of the Debtor on or after the termination of the Collateral Trustee's security interest in the Blocked Account.

(d) On or within two (2) Business Days (or such longer period as the Collateral Trustee may agree in writing) of the effective date of a termination of this Agreement by the Financial Institution pursuant to Section 5.2(a), the Financial Institution agrees to transfer all funds and property in the Blocked Account, less any amounts then owing to Financial Institution, to such party and account as shall be directed by the Collateral Trustee in writing, countersigned by DOE.

(e) The termination of this Agreement shall not terminate the Blocked Account or alter the obligations of the Financial Institution to the Debtor pursuant to any other agreement with respect to the Blocked Account.

5.3 Notices. Except to the extent otherwise required by applicable law, all notices, reports, requests and demands to or upon the respective parties hereto shall not be effective unless given or made in writing (including by facsimile or electronic transmission, which facsimile or electronic transmission shall, upon request of the Collateral Trustee, be followed by an executed original of such writing) and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when (i) delivered by hand, if signed for by or on behalf of the receiving party, (ii) if delivered by mail, three (3) business days after being deposited in the mail, postage prepaid, (iii) if deposited with an internationally recognized overnight courier service for overnight delivery to the receiving party, one (1) business day after being deposited with such service, (iv) if delivered by facsimile transmission, when receipt thereof has been confirmed by telephone or facsimile by the receiving party, and (v) if transmitted electronically, upon receipt of electronic, telephone or facsimile confirmation of the recipient's receipt thereof, in each case when sent to the relevant party at the number or address set forth with respect to such person below:

BLOCKED ACCOUNT CONTROL AGREEMENT
(Initial Debt Service Account)

This Blocked Account Control Agreement, dated as of January 20, 2010 (this "Agreement") among TESLA MOTORS, INC., a Delaware corporation (the "Debtor"), PNC BANK, NATIONAL ASSOCIATION, a national banking association, in its capacity as a "securities intermediary" as defined in Section 8-102 of the UCC (in such capacity, the "Financial Institution"), and MIDLAND LOAN SERVICES, INC., a Delaware corporation, as collateral trustee (in such capacity, the "Collateral Trustee") under the Collateral Trust Agreement, dated as of January 20, 2010, among the Debtor, the other grantors party thereto and the Collateral Trustee for the benefit of the United States Department of Energy ("DOE") and the other secured parties referred to therein. All references herein to the "UCC" shall mean the Uniform Commercial Code as in effect in the State of New York.

ARTICLE I
THE BLOCKED ACCOUNT

1.1 Establishment of Blocked Account. The Financial Institution hereby confirms and agrees that:

(a) the Financial Institution has established account number [redacted] in the name "ATVM Tesla Initial Debt Service Account" (such account and any successor account, the "Blocked Account");

(b) the Financial Institution shall not change the name or account number of the Blocked Account without prompt written notice to the Collateral Trustee;

(c) all funds and securities underlying any financial assets credited to the Blocked Account shall be registered in the name of the Financial Institution, indorsed to the Financial Institution or in blank or credited to another securities account maintained in the name of the Financial Institution and in no case will any financial asset credited to the Blocked Account be registered in the name of the Debtor, payable to the order of the Debtor or specially indorsed to the Debtor except to the extent the foregoing have been specially indorsed to the Financial Institution or in blank;

(d) All funds and securities delivered to the Financial Institution by the Debtor will be promptly credited to the Blocked Account; and

(e) the Blocked Account is a "securities account" within the meaning of Section 8-501 of the UCC.

1.2 Control of the Blocked Account. Subject to Section 5.3, if the Financial Institution shall receive any entitlement orders originated by the Collateral Trustee directing the disposition of funds or transfer or redemption of any financial asset relating to the Blocked Account, the Financial Institution shall comply with such entitlement orders without further consent by the Debtor or any other person. The Financial Institution hereby acknowledges that it has received notice of the security interest of the Collateral Trustee in the Blocked Account and

hereby acknowledges and consents to such lien. If the Debtor is otherwise entitled to issue entitlement orders and such entitlement orders conflict with any entitlement orders issued by the Collateral Trustee, the Financial Institution shall follow the entitlement orders issued by the Collateral Trustee.

1.3 "Financial Assets" Election. The Financial Institution hereby agrees that each item of property (including, without limitation, any financial asset, security, instrument or cash) credited to the Blocked Account shall be treated as a "financial asset" within the meaning of Section 8-102(a)(9) of the UCC.

ARTICLE II
SUBORDINATION AND WAIVER

2.1 Subordination of Lien; Waiver of Set-Off. In the event that the Financial Institution has or subsequently obtains by agreement, by operation of law or otherwise a security interest in the Blocked Account or any financial assets credited thereto, the Financial Institution hereby agrees that such security interest shall be subordinate to the security interest of the Collateral Trustee. The Financial Assets credited to the Blocked Account will not be subject to deduction, set-off, banker's lien, or any other right in favor of any person other than the Collateral Trustee (except that the Financial Institution may set off (i) all unpaid amounts due to the Financial Institution in respect of customary fees and expenses for the routine maintenance and operation of the Blocked Account and (ii) the face amount of any checks which have been credited to such Blocked Account but are subsequently returned unpaid because of uncollected or insufficient funds).

ARTICLE III
CONFLICTS AND ADVERSE CLAIMS

3.1 Conflict with Other Agreements.

(a) With respect to the matters set forth herein, in the event of any conflict between this Agreement (or any portion thereof) and any other agreement now existing or hereafter entered into relating to the subject matter hereof, the terms of this Agreement shall prevail.

(b) The Financial Institution hereby confirms and agrees that:

(i) it has not entered into, and until the termination of this Agreement, will not enter into, any agreement with any other person relating to the Blocked Account and/or any financial assets credited thereto pursuant to which it has agreed to comply with entitlement orders originated by such persons; and

(ii) it has not entered into, and until the termination of this Agreement, will not enter into, any agreement with the Debtor or the Collateral Trustee purporting to limit or condition the obligation of the Financial Institution to comply with entitlement orders as set forth in this Agreement.

(c) The Financial Institution shall not make, be required to make, or be liable in any manner for its failure to make, any determination under any other agreement between the Debtor, the Collateral Trustee and DOE, including any determination as to whether any party thereto has complied with the terms of such agreement or is entitled to payment or to exercise any other right or remedy thereunder.

3.2 Adverse Claims. Except for the claims and interest of the Collateral Trustee and of the Debtor in the Blocked Account, the Financial Institution has not received notice of any liens, claims or encumbrances relating to the Blocked Account or any financial assets credited thereto. If any person asserts any lien, encumbrance or adverse claim (including any writ, garnishment, judgment, warrant of attachment, execution or similar process) against the Blocked Account or any financial assets credited thereto, the Financial Institution will promptly notify the Collateral Trustee and the Debtor thereof.

ARTICLE IV
MAINTENANCE OF BLOCKED ACCOUNT

In addition to, and not in lieu of, the obligation of the Financial Institution to honor entitlement orders as set forth in Section 1.2 hereof, the Financial Institution agrees to maintain the Blocked Account as follows:

4.1 Sole Control. Subject to Sections 4.4 and 5.3, the Financial Institution agrees that it will take all instruction with respect to the Blocked Account solely from the Collateral Trustee.

4.2 Statements and Confirmations.

(a) The Financial Institution will promptly send copies of all notifications described in Article III, account statements and other correspondence concerning the Blocked Account and/or any financial assets credited thereto simultaneously to each of the Debtor and the Collateral Trustee at the address for each set forth in Section 5.3 of this Agreement, including monthly statements listing all securities transactions, receipts and disbursements during the applicable month, together with a current listing of all financial assets held in the Blocked Account.

(b) The Debtor and the Collateral Trustee acknowledge that Federal Regulations require the Financial Institution, without charge and within one (1) business day of its receipt of a broker/dealer confirmation for each security transaction in the Blocked Account to forward to the Debtor a written notification which discloses, among other things: the Financial Institution's name, the Debtor's name, the capacity or capacities in which the Financial Institution is acting, the date (and time, within a reasonable period, upon written request of Debtor) of execution, the identity, price, number of shares or units or principal amount of debt securities purchased or sold by Debtor, the name of the broker/dealer, the amount of any remuneration received by such broker/dealer from the Debtor and the amount of any remuneration received by the Financial Institution. The Debtor agrees that the period statements described in clause (a) above shall satisfy the Financial Institution's obligation to provide the written notification

under this clause (b); provided that, upon request, the Financial Institution will provide to the Debtor (with copies to the Collateral Trustee), within a reasonable time and at the Financial Institution's sole expense, all additional information as may be required by Federal Regulations.

4.3 Tax Reporting. All items of income, gain, expense and loss recognized in the Blocked Account, shall be reported to the Internal Revenue Service (and all state and local taxing authorities, to the extent such state and local reporting is otherwise made by Financial Institution) under the name and taxpayer identification number of the Debtor.

4.4 Withdrawal Requests. If the Debtor requests withdrawal of funds from the Blocked Account, the Financial Institution shall honor such request only if the Financial Institution has received a request substantially in the form attached to this Agreement as Exhibit A which has been signed by a Responsible Officer of the Borrower and has been countersigned by DOE (a "Withdrawal Request"). The parties agree that no securities may be withdrawn from the Blocked Account.

4.5 [Intentionally Omitted.]

4.6 Permitted Investments. The Debtor shall direct the Financial Institution with respect to the selection of investments to be made for the Blocked Account; *provided, however*, all investments shall be of a type described on Exhibit D hereto.

ARTICLE V
MISCELLANEOUS

5.1 Limitations of Financial Institution's Liability.

(a) The Debtor and the Collateral Trustee hereby agree that the Financial Institution is released from any and all liabilities to the Debtor and the Collateral Trustee arising from the terms of this Agreement and the compliance of the Financial Institution with the terms hereof, except to the extent that such liabilities arise from the Financial Institution's gross negligence or gross willful misconduct.

(b) The Debtor, its successors and assigns shall at all times indemnify and save harmless the Financial Institution from and against any and all claims, actions and suits of others arising out of the terms of this Agreement or the compliance of the Financial Institution with the terms hereof, except to the extent that such arises from the Financial Institution's gross negligence or willful misconduct, and from and against any and all liabilities, losses, damages, costs, charges, counsel fees and other expenses of every nature and character arising by reason of the same, until the termination of this Agreement. The provisions of this Section 5.1(b) shall survive the termination of this Agreement and the resignation or removal of the Financial Institution.

(c) Should any dispute arise with respect to this Agreement or the Blocked Account, whether such dispute arises between the parties hereto and others, or between the parties hereto themselves, it is understood and agreed that the Financial Institution may petition (by means of an interpleader or any other appropriate measure)

any court of competent jurisdiction for instructions with respect to such dispute and the other parties hereto will hold the Financial Institution harmless and indemnify it against all consequences and expenses that may be incurred by the Financial Institution in connection therewith, which indemnity shall survive the termination of this Agreement or the resignation or removal of Financial Institution.

(d) In the administration of its powers and duties hereunder, the Financial Institution may execute any of its powers and perform its duties hereunder directly or through agents or attorneys and may consult with counsel, including in-house counsel, accountants and other skilled persons to be selected and retained by it. The Financial Institution shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled persons, including in-house counsel.

(e) Anything in this Agreement to the contrary notwithstanding, in no event shall the Financial Institution be liable for special, indirect, incidental, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Financial Institution has been advised of the likelihood of such loss or damage and regardless of the form of action.

5.2 Termination.

(a) The Financial Institution may terminate this Agreement on thirty (30) days' prior written notice to Collateral Trustee and the Debtor. The Collateral Trustee may terminate this Agreement by written notice to the Financial Institution and the Debtor. The Debtor may not terminate this Agreement.

DEPOSIT ACCOUNT CONTROL AGREEMENT

CITY NATIONAL BANK
The way up.

This Deposit Account Control Agreement (this "Agreement") is entered into as of January 20, 2010, by and among **Tesla Motors, Inc.**, a Delaware corporation ("Client"), Midland Loan Services, Inc. collateral trustee (in such capacity, the "Collateral Trustee") under the Collateral Trust agreement dated as of January 20, 2010 among Client, the other grantors party thereto and the Collateral Trustee for the benefit of the United States Department of Energy and the other secured parties referred to therein, and **City National Bank,** a national banking association ("CNB").

RECITALS

A. In order to secure certain obligations of Client to Collateral Trustee, Client has granted Collateral Trustee a security interest in deposit account numbers [redacted] ("Accounts") and any renewals, replacements or rollovers thereof (regardless of the number of such account(s) or the office(s) at which such accounts are maintained), all funds heretofore or hereafter deposited into such account(s), any proceeds thereof (including without limitation any interest earned thereon), and any general intangibles and choses in action arising therefrom and related thereto (collectively, the "Account").

B. In connection therewith, Client is requesting that CNB enter into this Agreement in order to perfect Collateral Trustee's security interest in the Account by control.

AGREEMENT

1. **Security Interest**

Pursuant to that certain Pledge and Security Agreement dated as of January 20, 2010, among Client, the other grantors party thereto and the Collateral Trustee for the benefit of the United States Department of Energy and the other secured parties referred to therein (the "Security Agreement"), Client has granted to Collateral Trustee a security interest in the Account, and CNB hereby acknowledges the security interest in the Account granted by Client to Collateral Trustee. Client hereby ratifies and confirms the security interest it has granted in the Account to Collateral Trustee under the Security Agreement. CNB hereby confirms and agrees that the Account(s) is a "deposit account" within the meaning of Section 9-102 (a) (29) of the Uniform Commercial Code.

2. **Control of Account by Collateral Trustee; Client's Rights in Account**

2.1 Notwithstanding any separate agreement Client may have with CNB, Collateral Trustee shall be entitled, for purposes of this Agreement, at any time to give CNB instructions as to the withdrawal or disposition of funds from time to time credited to the Account, or as to any other matters relating to the Account, all without further consent of Client. CNB shall, and is fully entitled to, rely upon any such instructions from Collateral Trustee even if such instructions are contrary to any instructions or demands that a Client may give to CNB. CNB hereby confirms and agrees that it shall not change the name or account number of the Account without the prior written consent of Collateral Trustee and, prior to the receipt of the Instructions, Client.

2.2 Until CNB has received written instructions from Collateral Trustee to the contrary, Client shall be entitled to present items drawn on or otherwise to withdraw or direct the disposition of funds from the Account.

2.4 Collateral Trustee's power under this Agreement to give CNB instructions as to the withdrawal or disposition of any funds from time to time credited to the Account, as to any other matters relating to the Account, includes, without limitation, the power to give stop payment orders for any items being presented to the Account for payment. Client confirms that CNB shall follow such instructions from Collateral Trustee even if the result of following such instructions from Collateral Trustee is that CNB dishonors items presented for payment from the Account. Client further confirms that CNB will have no liability to Client for the wrongful dishonor of such items in following such instructions from Collateral Trustee.

3. **CNB's Responsibility**

3.1 CNB shall have no duty to inquire or determine whether Client's obligations to Collateral Trustee are in default or whether Collateral Trustee is entitled, under any separate agreement between Collateral Trustee and Client, to give any instructions relating to the Account. CNB shall have no responsibility or liability to Collateral Trustee for complying with any order or instruction, whether oral or written, concerning the Account, except to the extent such compliance would violate (i) the provisions of this Agreement, or (ii) written instructions or orders previously received from Collateral Trustee, but only if CNB had reasonable opportunity to act thereon and only to the extent Collateral Trustee had reasonable losses or liabilities resulting from any failure to comply with instructions. CNB shall not have any liability to Client or Collateral Trustee for losses or liabilities resulting from any failure to comply with instructions relating to the Account or delay in complying with such instructions if the failure or delay is due to circumstances beyond CNB's reasonable control except to the extent of CNB's gross negligence or willful misconduct. Without limiting the foregoing, in no event shall CNB have any liability for indirect, punitive, exemplary or consequential loss or damages, including without limitation lost profits, whether or not any claim for such loss or such damages is based on tort or contract or CNB knew or should have known the likelihood of such damages in any circumstances.

3.2 CNB may rely on notices and communications it believes in good faith to be genuine and given by the appropriate party.

4. **Priority of Collateral Trustee's Security Interest; Rights Reserved by CNB**

4.1 CNB agrees that all of its present and future rights against the Account are subordinate to Collateral Trustee's security interest therein; provided, however, that Collateral Trustee agrees that nothing herein subordinates or waives, and that CNB expressly reserves, all of its present and future rights (whether described as rights of setoff, banker's lien, chargeback or otherwise, and whether available to CNB under the law or under any other agreement between CNB and Client concerning the Account or otherwise) with respect to (a) items deposited to the Account and returned unpaid, whether for insufficient funds or for any other reason, and without regard to the timeliness of return of any such item; (b) overdrafts on the Account; (c) automated clearing house entries; (d) claims of breach of the Uniform Commercial Code's transfer or presentment warranties made against CNB in connection with items deposited to the Account; and (e) CNB's usual and customary charges for services rendered in

connection with the Account, to the extent that, in each case, Client has not separately paid or reimbursed CNB therefor.

5. **Statements**

5.1 In addition to the original deposit account statement for the Account which is provided to Client, CNB will send a duplicate statement to Collateral Trustee. Client hereby authorizes CNB to provide any additional information relating to the Account to Collateral Trustee upon Collateral Trustee's request without Client's further consent.

6. **Notice of Adverse Claims; Record of Security Interest**

6.1 CNB represents to Collateral Trustee that CNB has not received notice of any lien, encumbrance or other claim to the Account from any other person and has not entered into, and covenants with Collateral Trustee that it will not enter into, any agreement with any other person by which CNB is obligated to comply with instructions from such other person as to the disposition of funds from the Account or other dealings with the Account. CNB represents to Collateral Trustee that CNB has not entered into, and covenants with Collateral Trustee that, until the termination of this Agreement, CNB will not enter into, any agreement with Client purporting to limit or condition the obligation of CNB to comply with instructions as set forth in this Agreement. CNB will promptly notify Collateral Trustee if any other person claims that it has a property interest in the Account or seeks to enter into a deposit account control agreement or similar agreement with respect to the Account.

6.2 CNB further represents and warrants that it has marked its books and records to indicate Collateral Trustee's security interest in and lien upon the Account.

7. **Tax Reporting.** Any interest relating to the Account shall be reported to the Internal Revenue Service and all state and local taxing authorities under the name and taxpayer identification number of Client.

8. **Returned Items.** Client and Collateral Trustee understand and agree that CNB will pay returned items by debiting the Account. Client agrees to pay the amount of any returned item immediately upon demand to the extent that there are not sufficient funds in the Account to cover such amount on the day of the debit. Collateral Trustee agrees that Collateral Trustee will pay any such amount that is not paid in full by Client within ten (10) Business Days after demand on Client by CNB, up to the amount of any proceeds received by Collateral Trustee under this Agreement.

9. **Costs; Indemnity**

9.1 Client will be responsible for CNB's customary charges and for the repayment of any checks, drafts or other orders for the payment of funds deposited into the Account that are returned unpaid for any reason. Collateral Trustee agrees that Collateral Trustee will pay any such amount that is not paid in full by Client within thirty (30) days after demand on Client by CNB, up to the amount of any proceeds received by Collateral Trustee under this Agreement.

9.2 Client will indemnify CNB, its officers, directors, employees, and agents against claims, liabilities and expenses arising out of this Agreement (including all fees and costs incurred by CNB in complying with instructions or requests given hereunder, and including reasonable attorneys' fees and

disbursements and the reasonable estimate of the allocated costs and expenses of in-house legal counsel and staff), except to the extent the claims, liabilities or expenses are caused by CNB's gross negligence or willful misconduct.

9.3 Collateral Trustee will indemnify CNB, its officers, directors, employees and agents against claims, liabilities, and expenses arising out of CNB's following of any instruction or request from Collateral Trustee in connection with this Agreement, (including all fees and costs incurred by CNB in complying with such instructions or requests, and including reasonable attorney's fees and disbursements and the reasonable estimate of the allocated costs and expenses of in-house legal counsel and staff) except to the extent the claims, liabilities, or expenses are caused by CNB's gross negligence or willful misconduct.

9.4 Collateral Trustee's and Client's liability under this section is joint and several; provided, however, that Collateral Trustee shall be liable under this section only to the extent that a claim, liability or expense has not been paid by Client within fifteen (15) days after demand therefore by CNB.

10. **Termination; Survival**

10.1 Collateral Trustee may terminate this Agreement by written notice to CNB and Client. CNB may terminate this Agreement on thirty (30) days' prior written notice to Collateral Trustee and Client. Client may not terminate this Agreement except with written consent of Collateral Trustee and on thirty (30) days' prior notice to Collateral Trustee and CNB.

10.2 Those sections entitled "CNB's Responsibility", "Returned Items", and "Costs; Indemnity", will survive termination of this Agreement.

11. **Governing Law.** This Agreement will be governed by the internal law of California, without regard to principles of conflict of laws.

12. **Entire Agreement.** This Agreement is the entire agreement among the parties regarding the subject matter hereof and supersedes any prior agreements and contemporaneous oral agreements of the parties concerning its subject matter. This Agreement will control over any conflicting agreement between CNB and Client.

13. **Amendments.** No amendment of, or waiver of a right under, this Agreement will be binding unless it is in writing and signed by Client, Collateral Trustee and CNB.

14. **Severability.** To the extent a provision of this Agreement is unenforceable, this Agreement will be construed as if the unenforceable provision were omitted.

15. **Successors and Assigns.** The provisions of this Agreement shall be binding upon and inure to the benefit of CNB, Collateral Trustee and Client and their respective successors and assigns.

16. **Notices.** A notice or other communication to a party under this Agreement will be in writing and will be sent to the party's address set forth below or to such other address as the party may notify the other parties.

(Access Restricted after Instructions)

This **Restricted Account and Securities Account Control Agreement** (this "Agreement"), dated as of the date specified on the initial signature page of this Agreement, is entered into by and among **Tesla Motors, Inc.** ("Company"), **Midland Loan Services, Inc.**, in its capacity as Collateral Trustee for the benefit of the United States Department of Energy and the other secured parties named in the Collateral Trust Agreement (hereinafter defined) ("Secured Party") and **Wells Fargo Bank, National Association** ("Bank"), and sets forth the rights of Secured Party and the obligations of Bank with respect to the deposit accounts of Company at Bank identified at the end of this Agreement as the Restricted Accounts (each hereinafter referred to individually as a "Restricted Account" and collectively as the "Restricted Accounts") and each securities account of Company at Bank linked to any Restricted Account by a sweep mechanism, provided that such securities account either (i) bears an account number identical to the linked Restricted Account or (ii) is separately identified by number at the end of this Agreement as a Securities Account (each hereinafter referred to individually as a "Securities Account" and collectively as "Securities Accounts"). As used in this Agreement, the term "Restricted Account" also refers to each "Preferred Option Sweep Account" (each hereinafter an "Offshore Account") maintained by Company with Bank and linked to another Restricted Account by a sweep mechanism. Company and Secured Party understand and acknowledge that each Restricted Account which is an Offshore Account is a subaccount, in the name of Company, of an offshore U.S. Dollar-denominated deposit account of Bank maintained with Bank's Grand Cayman branch, and that any transfer of funds into or out of the Offshore Account, pursuant to Section 4 of this Agreement or otherwise, must pass through the domestic Restricted Account to which the Offshore Account is specifically linked. Each account numerically designated as a Restricted Account includes, for purposes of this Agreement, and without the necessity of separately listing subaccount numbers, all subaccounts presently existing or hereafter established for deposit reporting purposes and integrated with the numerically designated Restricted Account by an arrangement in which deposits made through subaccounts are posted only to the designated Restricted Account. The "Collateral Trust Agreement" is that certain Collateral Trust Agreement dated as of January 20, 2010 by and among the Company, the other grantors from time to time party thereto and Secured Party, as Collateral Trustee thereunder.

1. **Secured Party's Interest in Restricted Accounts and Securities Accounts.** Secured Party represents that it is either (i) a lender who has extended credit to Company and has been granted a security interest in the Restricted Accounts and Securities Accounts or (ii) such a lender and/or the agent for a group of such lenders (the "Lenders"). Company hereby confirms, and Bank hereby acknowledges, the security interest granted by Company to Secured Party in all of Company's right, title and interest in and to (i) the Restricted Accounts and all funds now or hereafter on deposit in or payable or withdrawable from the Restricted Accounts (the "Restricted Account Funds"), and (ii) the Securities Accounts and all financial assets, security entitlements, investment property, and other property and the proceeds thereof now or at any time hereafter held in the Securities Accounts (the "Securities Account Assets"). (As used herein, the terms "investment property," "financial asset", "entitlement order" and "security entitlement" shall have the respective meanings set forth in the Uniform Commercial Code of

the state whose law governs this Agreement. The parties hereby expressly agree that all property, including without limitation, cash, certificates of deposit and mutual funds, at any time held in any of the Securities Accounts is to be treated as a "financial asset".) Except as specifically provided otherwise in this Agreement, Company has given Secured Party complete control over the Restricted Accounts, the Restricted Account Funds, the Securities Accounts, and the Securities Account Assets. Company and Secured Party desire to enter into this Agreement to further the arrangements between Secured Party and Company regarding the Restricted Accounts and the Securities Accounts.

2. **Access to Restricted Accounts and Securities Accounts.** Secured Party and Company agree that until Bank receives, and has had a reasonable opportunity to act upon, written instructions from Secured Party directing that Company no longer have access to any Restricted Account Funds or Securities Account Assets (the "Instructions"), Company will be allowed access to the Restricted Account Funds, and access to the Securities Account Assets through redemption of Securities Account Assets and transfer of the proceeds of such redemption in each case to the applicable Restricted Account. Company agrees that the Restricted Account Funds and Securities Account Assets should be paid and/or delivered to Secured Party after Bank receives the Instructions, and hereby irrevocably authorizes Bank to comply with the Instructions even if Company objects in any way to the Instructions.

3. **Balance Reports.** Bank agrees, at the telephone request of Secured Party on any day on which Bank is open to conduct its regular banking business other than a Saturday, Sunday or public holiday (a "Business Day"), to make available to Secured Party a report ("Balance Report") showing the available balance in the Restricted Accounts and Securities Accounts as of the beginning of such Business Day, either on-line or by facsimile transmission, at Bank's option. Company expressly consents to this transmission of information.

4. **Transfers to Secured Party.** Bank agrees that on each Business Day after it receives the Instructions it will transfer to the Secured Party's account specified at the end of this Agreement with the bank specified at the end of this Agreement or (if no account is so specified) to such account as Secured Party specifies in the Instructions (in either case, the "Secured Party Account") the full amount of the available balance in the Restricted Accounts at the beginning of such Business Day, including all Restricted Account Funds and Securities Account Assets in all Offshore Accounts or Securities Accounts linked to the Restricted Accounts. Bank will use the Fedwire system to make each funds transfer unless for any reason the Fedwire system is unavailable, in which case Bank will determine the funds transfer system to be used in making each funds transfer and the means by which each transfer will be made. Bank, Secured Party and Company each agree that Bank will, without further consent of Company, comply with (i) instructions given to Bank by Secured Party directing disposition of funds in the Restricted Accounts, and (ii) entitlement orders originated by Secured Party directing disposition of Securities Account Assets in the Securities Accounts, subject otherwise to the terms of this Agreement and Bank's standard policies, procedures and documentation in effect from time to time governing the type of disposition requested. As used in this Agreement, the term "Returned Item" means (i) any item deposited to a Restricted Account and returned unpaid, whether for insufficient funds or for any other reason, and without regard to the timeliness of such return or the occurrence or timeliness of any drawee's notice of non-payment; (ii) any item subject to a claim against Bank of breach of transfer or presentment warranty under the Uniform Commercial Code (as adopted in the applicable state) or Regulation CC (12 C.F.R. §229), as in effect from time to time; (iii) any automated clearing house ("ACH") entry credited to a Restricted Account and returned unpaid or subject to an adjustment entry under applicable clearing house rules, whether for insufficient funds or for any other reason, and without regard to the timeliness of such return or adjustment; (iv) any credit to a Restricted Account from a merchant card transaction, against which a contractual demand for chargeback has been made; and (v) any credit to a Restricted Account made in error. Company agrees to pay all Returned Item Amounts immediately on demand, without setoff or counterclaim, to the extent there are not sufficient funds in the applicable Restricted Account to cover the Returned Item Amounts on the day they are to be debited from the Restricted Account. Secured Party agrees to pay all Returned Item Amounts within thirty (30) calendar days after demand, without setoff or counterclaim, to the extent that (i) the Returned Item Amounts are not paid in full by Company within fifteen (15) calendar days after demand on Company by Bank, and (ii) Secured Party has received proceeds from the corresponding Returned Items.

6. **Settlement Items.** Secured Party and Company understand and agree that the face amount ("Settlement Item Amount") of each Settlement Item will be paid by Bank debiting the applicable Restricted Account, without prior notice to Secured Party or Company. As used in this Agreement, the term "Settlement Item" means (i) each check or other payment order drawn on or payable against any controlled disbursement account or other deposit account at any time linked to a Restricted Account by a zero balance account connection (each a "Linked Account"), which Bank cashes or exchanges for a cashier's check or official check over its counters in the ordinary course of business prior to receiving the Instructions and having had a reasonable opportunity to act on them, and which is presented for settlement against the Restricted Account (after having been presented against the Linked Account) after Bank receives the Instructions, (ii) each check or other payment order drawn on or payable against a Restricted Account, which, on the Business Day Bank receives the Instructions, Bank cashes or exchanges for a cashier's check or official check over its counters in the ordinary course of business after Bank's cutoff time for posting, (iii) each ACH credit entry initiated by Bank, as originating depository financial institution, on behalf of Company, as originator, prior to Bank having received the Instructions and having had a reasonable opportunity to act on them, which ACH credit entry settles after Bank receives the Instructions, and (iv) any other payment order drawn on or payable against a Restricted Account, which Bank has paid or funded prior to receiving the Instructions and having had a reasonable opportunity to act on them, and which is first presented for settlement against the Restricted Account in the ordinary course of business after Bank receives the Instructions and has transferred Restricted Account Funds to Secured Party under Section 4 of this Agreement. Company agrees to pay all Settlement Item Amounts immediately on demand, without setoff or counterclaim, to the extent there are not sufficient funds in the applicable Restricted Account to cover the Settlement Item Amounts on the day they are to be debited from the Restricted Account. Secured Party agrees to pay all Settlement Item Amounts within thirty (30) calendar days after demand, without setoff or counterclaim, to the extent that (i) the Settlement Item Amounts are not paid in full by Company within fifteen (15) calendar days after demand on Company by Bank, and (ii) Secured Party has received Restricted Account Funds under Section 4 of this Agreement.

7. **Bank Fees.** Company agrees to pay all Bank's fees and charges for the maintenance and administration of the Restricted Accounts and Securities Accounts and for the treasury management and other account services provided with respect to the Restricted Accounts and Securities Accounts (collectively "Bank Fees"), including, but not limited to, the fees for (a) the Balance Reports provided on the Restricted Accounts and Securities Accounts, (b) the funds transfer services received with respect to the Restricted Accounts, (c) Returned Items, (d) funds advanced to cover overdrafts in the Restricted Accounts (but without Bank being in any way obligated to make any such advances), and (e) duplicate bank statements on the Restricted Accounts. The Bank Fees will be paid by Bank debiting one or more of the Restricted Accounts on the Business Day that the Bank Fees are due, without notice to Secured Party or Company. If there are not sufficient funds in the Restricted Accounts to cover fully the Bank Fees on the Business Day they are debited from the Restricted Accounts, such shortfall or the amount of such Bank Fees will be paid by Company sending Bank a check in the amount of such shortfall or such Bank Fees, without setoff or counterclaim, within fifteen (15) calendar days after demand of Bank. After Bank receives the Instructions, Secured Party agrees to pay the Bank Fees within thirty (30) calendar days after demand, without setoff or counterclaim, to the extent such Bank Fees are not paid in full by Company by check within fifteen (15) calendar days after demand on Company by Bank.

8. **Account Documentation.** Secured Party and Company agree that, except as specifically provided in this Agreement, the Restricted Accounts and Securities Accounts will be subject to, and Bank's operation of the Restricted Accounts and Securities Accounts will be in accordance with, the terms and provisions of (i) Bank's Commercial Account Agreement or other deposit account agreement governing the Restricted Accounts and (ii) Bank's Acceptance of Services, Master Agreement for Treasury Management Services, and applicable sweep option Service Description or securities account agreement governing the Offshore Accounts and Securities Accounts (collectively, the "Account Documentation").

9. **Bank Statements.** After Bank receives the Instructions, Bank will, upon receiving a written request from Secured Party, send to Secured Party by United States mail, at the address indicated for Secured Party after its signature to this Agreement, duplicate copies of all bank statements on the Restricted Accounts and Securities Accounts which are sent to Company. Company and/or Secured Party will have thirty (30) calendar days after receipt of a bank statement to notify Bank of an error in such statement. Bank's liability for such errors is limited as provided in the "Limitation of Liability" section of this Agreement.

10. **Partial Subordination of Bank's Rights.** Bank hereby subordinates to the security interest of Secured Party in the Restricted Accounts and Securities Accounts (i) any security interest which Bank may have or acquire in the Restricted Accounts or Securities Accounts, and (ii) any right which Bank may have or acquire to set off or otherwise apply any Restricted Account Funds or Securities Account Assets against the payment of any indebtedness from time to time owing to Bank from Company, except for debits to the Restricted Accounts permitted under this Agreement for the payment of Returned Item Amounts, Settlement Item Amounts or Bank Fees.

11. **Bankruptcy Notice; Effect of Filing.** If Bank at any time receives notice of the commencement of a bankruptcy case or other insolvency or liquidation proceeding by or against Company (a "Bankruptcy Notice"), Bank will continue to comply with its obligations under this Agreement, except to the extent that any action required of Bank under this Agreement is prohibited under applicable bankruptcy laws or regulations or is stayed pursuant to the automatic stay imposed under the United States Bankruptcy Code or by order of any court or agency. With respect to any obligation of Secured Party hereunder which requires prior demand upon Company, the commencement of a bankruptcy case or other insolvency or liquidation proceeding by or against Company shall automatically eliminate the necessity of such demand upon Company by Bank, and shall immediately entitle Bank to make demand on

Secured Party with the same effect as if demand had been made upon Company and the time for Company's performance had expired.

12. **Legal Process, Legal Notices and Court Orders.** Bank will comply with any legal process, legal notice or court order it receives if Bank determines in its sole discretion that the legal process, legal notice or court order is legally binding on it.

13. **Indemnification for Following Instructions.** Secured Party and Company each agree that, notwithstanding any other provision of this Agreement, Bank will not be liable to Secured Party or Company for any losses, liabilities, damages, claims (including, but not limited to, third party claims), demands, obligations, actions, suits, judgments, penalties, costs or expenses, including, but not limited to, attorneys' fees, (collectively, "Losses and Liabilities") suffered or incurred by Secured Party or Company as a result of or in connection with, (a) Bank complying with any binding legal process, legal notice or court order referred to in Section 12 of this Agreement, (b) Bank following any instruction or request of Secured Party, or (c) Bank complying with its obligations under this Agreement. Company will indemnify Bank against any Losses and Liabilities Bank may suffer or incur as a result of or in connection with any of the circumstances referred to in clauses (a) through (c) of this Section 13. To the extent not paid by Company within fifteen (15) calendar days after demand, Secured Party will indemnify Bank against any Losses and Liabilities Bank may suffer or incur as a result of or in connection with any of the circumstances referred to in clause (b) of this Section 13.

14. **No Representations or Warranties of Bank.** Bank agrees to perform its obligations under this Agreement in a manner consistent with the quality provided when Bank performs similar services for its own account. However, Bank will not be responsible for the errors, acts or omissions of others, such as communications carriers, correspondents or clearinghouses through which Bank may perform its obligations under this Agreement or receive or transmit information in performing its obligations under this Agreement. Secured Party and Company also understand that Bank will not be responsible for any loss, liability or delay caused by wars, failures in communications networks, labor disputes, legal constraints, fires, power surges or failures, earthquakes, civil disturbances or other events beyond Bank's control. **BANK MAKES NO EXPRESS OR IMPLIED REPRESENTATIONS OR WARRANTIES WITH RESPECT TO THE SERVICES PROVIDED HEREUNDER OTHER THAN THOSE EXPRESSLY SET FORTH IN THIS AGREEMENT.**

15. **Limitation of Liability.** Bank will not be responsible for any Losses and Liabilities due to any cause other than its own negligence, willful misconduct or breach of this Agreement, in which case its liability to Secured Party and Company shall, unless otherwise provided by any law which cannot be varied by contract, be limited to direct money damages in an amount not to exceed ten (10) times all the Bank Fees charged or incurred during the calendar month immediately preceding the calendar month in which such Losses and Liabilities occurred (or, if no Bank Fees were charged or incurred in the preceding month, the Bank Fees charged or incurred in the month in which the Losses and Liabilities occurred). Company will indemnify Bank against all Losses and Liabilities suffered or incurred by Bank as a result of third party claims; provided, however, that to the extent such Losses and Liabilities are directly caused by Bank's negligence or breach of this Agreement such indemnity will only apply to those Losses and Liabilities which exceed the liability limitation specified in the preceding sentence. The limitation of Bank's liability and the indemnification by Company set out above will not be applicable to the extent any Losses and Liabilities of any party to this Agreement are directly caused by Bank's gross negligence or willful misconduct. **IN NO EVENT WILL BANK BE LIABLE FOR ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL, INDIRECT OR PUNITIVE**

DAMAGES, WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, WHETHER THE LIKELIHOOD OF SUCH DAMAGES WAS KNOWN TO BANK AND REGARDLESS OF THE FORM OF THE CLAIM OR ACTION, INCLUDING, BUT NOT LIMITED TO, ANY CLAIM OR ACTION ALLEGING GROSS NEGLIGENCE, WILLFUL MISCONDUCT, FAILURE TO EXERCISE REASONABLE CARE OR FAILURE TO ACT IN GOOD FAITH. Any action against Bank by Company or Secured Party under or related to this Agreement must be brought within twelve (12) months after the cause of action accrues.

16. **Termination.** This Agreement may be terminated by Secured Party or Bank at any time by either of them giving thirty (30) calendar days prior written notice of such termination to the other parties to this Agreement at their contact addresses specified after their signatures to this Agreement; provided, however, that this Agreement may be terminated immediately upon written notice (i) from Bank to Company and Secured Party should Company or Secured Party fail to make any payment when due to Bank from Company or Secured Party under the terms of this Agreement, or (ii) from Secured Party to Bank upon termination or release of Secured Party's security interest in the Restricted Accounts and Securities Accounts. Company's and Secured Party's obligation to report errors in funds transfers and bank statements and to pay Returned Items Amounts, Settlement Item Amounts, and Bank Fees, as well as the indemnifications made, and the limitations on the liability of Bank accepted, by Company and Secured Party under this Agreement will continue after the termination of this Agreement and/or the closure of the Restricted Accounts and/or Securities Accounts with respect to all the circumstances to which they are applicable existing or occurring before such termination or closure, and any liability of any party to this Agreement, as determined under the provisions of this Agreement, with respect to acts or omissions of such party prior to such termination or closure will also survive such termination or closure. Upon any termination of this Agreement and the Service or closure of the Restricted Accounts all available balances in the Restricted Accounts (including proceeds from redemption of all Securities Account Assets) on the date of such termination or closure will be transferred to Company as requested by Company, unless Instructions have been given to Bank, then to Secured Party as requested by Secured Party in writing to Bank.

17. **Modifications, Amendments, and Waivers.** This Agreement may not be modified or amended, or any provision thereof waived, except in a writing signed by all the parties to this Agreement.

18. **Notices.** All notices from one party to another shall be in writing, or be made by telecopier, and shall be delivered to Company, Secured Party and/or Bank at their contact addresses specified after their signatures to this Agreement, or any other address of any party notified to the other parties in writing, and shall be effective upon receipt. Any notice sent by a party to this Agreement to another party shall also be sent to all other parties to this Agreement. Bank is authorized by Company and Secured Party to act on any instructions or notices received by Bank if (a) such instructions or notices purport to be made in the name of Secured Party, (b) Bank reasonably believes that they are so made, and (c) they do not conflict with the terms of this Agreement as such terms may be amended from time to time, unless such conflicting instructions or notices are supported by a court order. In furtherance of the intentions of the parties hereof, this Agreement shall constitute written notice by Secured Party to Bank and Bank's Grand Cayman branch of Secured Party's security interest in the Restricted Accounts and Securities Accounts.

19. **Successors and Assigns.** Company may not assign or transfer its rights or obligations under this Agreement to any person or entity without the prior written consent of Bank and Secured

Party, which consent will not be unreasonably withheld or delayed. Secured Party may transfer its rights and duties under this Agreement to (i) a transferee to which, by contract or operation of law, Secured Party transfers substantially all of its rights and duties under the financing or other arrangements between Secured Party and Company, or (ii) if Secured Party is acting as a representative in whose favor a security interest is created or provided for, a transferee that is a successor representative; provided that as between Bank and Secured Party, Secured Party will not be released from its obligations under this Agreement unless and until Bank receives any such transferee's binding written agreement to assume all of Secured Party's obligations hereunder. Bank may not assign or transfer its rights or obligations under this Agreement to any person or entity without the prior written consent of Secured Party, which consent will not be unreasonably withheld or delayed; provided, however, that no such consent will be required if such assignment or transfer takes place as part of a merger, acquisition or corporate reorganization affecting Bank.

20. **Governing Law.** This Agreement shall be governed by and be construed in accordance with the laws of the State of California, without regard to conflict of laws principles. This state shall also be deemed to be Bank's jurisdiction, for purposes of Article 9 of the Uniform Commercial Code as it applies to this Agreement.

21. **Severability.** To the extent that the terms of this Agreement are inconsistent with, or prohibited or unenforceable under, any applicable law or regulation, they will be deemed ineffective only to the extent of such prohibition or unenforceability and be deemed modified and applied in a manner consistent with such law or regulation. Any provision of this Agreement which is deemed unenforceable or invalid in any jurisdiction shall not affect the enforceability or validity of the remaining provisions of this Agreement or the same provision in any other jurisdiction.

22. **Counterparts.** This Agreement may be executed in any number of counterparts each of which shall be an original with the same effect as if the signatures thereto and hereto were upon the same instrument. Delivery of an executed counterpart of a signature page of this Agreement by telecopier or electronic image scan transmission (e.g. a "pdf" file) shall be effective as delivery of a manually executed counterpart of the Agreement.

23. **Entire Agreement.** This Agreement, together with the Account Documentation, contains the entire and only agreement among all the parties to this Agreement and between Bank and Company, and Bank and Secured Party, with respect to (a) the interest of Secured Party and the Lenders in the Restricted Accounts and Restricted Account Funds, (b) the interest of Secured Party and the Lenders in the Securities Accounts and Securities Account Assets, and (c) Bank's obligations to Secured Party and the Lenders in connection with the Restricted Accounts and Securities Accounts.

b. Bank hereby acknowledges that it has received notice of the security interest of Secured Party in the Restricted Accounts and hereby acknowledges and consents to such lien.

c. Conflict with Other Agreements. (i) With respect to the matters set forth herein, in the event of any conflict between this Agreement (or any portion thereof) and any other agreement now existing or hereafter entered into relating to the subject matter hereof, the terms of this Agreement shall prevail. (ii) Bank hereby confirms and agrees that (A)

it has not entered into, and until the termination of this Agreement, will not enter into, any agreement with any other person relating to the Restricted Accounts and/or any funds credited thereto pursuant to which it has agreed to comply with instructions originated by such persons; and (B) it has not entered into, and until the termination of this Agreement, will not enter into, any agreement with Company or Secured Party purporting to limit or condition the obligation of Bank to comply with entitlement orders as set forth in this Agreement.

d. Adverse Claims. Except for the claims and interest of Secured Party, Bank and Company in the Restricted Accounts, Bank does not know of any liens, claims or encumbrances relating to the Restricted Accounts or any funds credited thereto. Intermediary will treat all property held by it in the Securities Account as financial assets under Article 8 of the Uniform Commercial Code as enacted in the State of California the (UCC).

2. **No Withdrawals After Receipt of Notice of Exclusive Control.** After Intermediary receives a Notice of Exclusive Control (as such term is defined in Section 4 below), notwithstanding the provisions of Section 4 below, Intermediary shall (i) neither accept nor comply with any entitlement order from Customer withdrawing any financial assets from the Securities Account nor deliver any such financial assets to Customer nor pay any free credit balance or other amount owing from Intermediary to Customer with respect to the Securities Account without the specific prior written consent of Secured Party, and (ii) comply with entitlement orders originated by Secured Party concerning the Securities Account without further consent of Customer.

3. **Priority of Lien.** Intermediary hereby acknowledges that it has received notice of the existence of a Pledge and Security Agreement granting a security interest to Secured Party in the Securities Account and recognizes the security interest granted therein to Secured Party by Customer. Intermediary hereby confirms that the Securities Account is a "securities account" within the meaning of Section 8-501 of the UCC and that Intermediary will not advance any

margin or other credit to Customer therein, either directly or by allowing it to trade in instruments such as options and commodities contracts that create similar obligations, nor hypothecate any securities carried in the Securities Account. Intermediary hereby waives and releases all liens, encumbrances, claims and rights of setoff it may have against the Securities Account of any financial asset carried in the Securities Account or any credit balance in the Securities Account and agrees that, except for payment of (i) its customary fees and commission pursuant to the Customer Agreement and (ii) the amount of payment owed to Intermediary for open trade commitments with respect to the Securities Account, Intermediary will not assert any lien, encumbrance, claim or right against the Securities Account or any financial asset carried in the Securities Account or any credit balance in the Collateral, Intermediary has not entered and will not enter into any agreement with any third party with respect to the Securities Account and will not otherwise agree with any third party that Intermediary will comply with entitlement orders concerning the Securities Account originated by such third party without the prior written consent of Secured Party and Customer.

4. **Control**. Except as otherwise provided in Sections 2 and 3 above, Intermediary shall make trades of financial assets held in the Securities Account at the instruction of Customer, or its authorized representatives, and comply with entitlement orders concerning the Securities Account from Customer, or its authorized representatives, until such time as Secured Party delivers a written notice to Intermediary which states that an Event of Default (as such term is defined in the Loan Arrangement and Reimbursement Agreement dated as of January 20, 2010, by and between Customer and the United States Department of Energy) has occurred and is continuing and that Secured Party is thereby exercising exclusive control over the Securities Account. Such notice may be referred to herein as the "Notice of Exclusive Control". After Intermediary receives a Notice of Exclusive Control, it will immediately cease complying with instructions or entitlement orders concerning the Securities Account originated by Customer or its representatives.

5. **Statements, Confirmations and Notices of Adverse Claims**. Intermediary will send copies of all statements concerning the Securities Account simultaneously to each of Customer and Secured Party at the address indicated below the signature of each party. Secured Party may only waive delivery of statements by written notification to Intermediary. If Intermediary acquires knowledge that any person asserts any lien, encumbrance or adverse claim against the Securities Account or in any financial asset carried therein, Intermediary will promptly notify Secured Party and Customer thereof.

6. **Responsibility of Intermediary**. Except for permitting a withdrawal or payment in violation of Section 2 above or advancing margin or other credit to Customer in violation of Section 3 above, Intermediary shall have no responsibility or liability to Secured Party for making trades of financial assets held in the Securities Account at the instruction of Customer, or its authorized representatives, to the extent such instructions are received by Intermediary prior to receipt of a written Notice of Exclusive Control. Intermediary shall have no responsibility or liability to Customer for complying with a Notice of Exclusive Control or complying with entitlement orders concerning the Securities Account originated by Secured Party. Intermediary shall have no duty to investigate or make any determination as to whether an Event of Default exists and shall comply with a Notice of Exclusive Control even if it believes that an Event of Default does not exist. Neither this Agreement nor the Pledge and Security Agreement imposes or creates any obligation or duty of Intermediary other than those expressly set forth herein. The limitation of Intermediary's liability set forth in this Section 6 shall not apply to the extent that any losses and liabilities of any party to this Agreement are caused by the gross negligence or willful misconduct of Securities Intermediary.

7. **Tax Reporting.** All items of income, gain, expense and loss recognized in the Securities Account shall be reported to the Internal Revenue Service and all state and local taxing authorities under the name and taxpayer identification number of Customer.

8. **Customer Agreement.** This Agreement supplements the Customer Agreement among the parties hereto. In the event of a conflict between this Agreement and the Customer Agreement, the terms of this Agreement will prevail. Regardless of any provision in the Customer Agreement, the State of California shall be deemed to be the Intermediary's location for the purposes of this Agreement and the perfection and priority of Secured Party's security interest in the Securities Account.

9. **Termination.** The rights and powers granted herein to Secured Party have been granted in order to perfect its security interest in the Securities Account, are powers coupled with an interest and will neither be affected by the death or bankruptcy of Customer nor by the lapse of time. The obligations of the Intermediary under Sections 2, 3, 4 and 5 above shall continue in effect until the security interest of Secured Party in the Securities Account has been terminated pursuant to the terms of the Pledge and Security Agreement and Secured Party has notified Intermediary of such termination in writing. COLLATERAL ACCESS AGREEMENT

THIS COLLATERAL ACCESS AGREEMENT (this "***Agreement***"), dated as of January 20, 2010, by and among The Board of Trustees of the Leland Stanford Junior University, a body having corporate powers under the laws of the State of California (the "***Landlord***"), the United States of America, acting by and through the United States Department of Energy ("***DOE***"), a department of the United States government (and including, without limitation the Federal Financing Bank, an instrumentality of the United States government created by the Federal Financing Bank Act of 1973 that is under the general supervision of the Secretary of the Treasury) (the "***Lender***"), and Tesla Motors, Inc., a Delaware corporation (the "***Company***").

RECITALS

A. WHEREAS, the Landlord is the landlord under that certain Commercial Lease, dated as of August 6, 2009 (the "***Lease***"), between the Landlord and the Company, as tenant. The Lease covers certain premises located in Palo Alto, California more particularly described in the Lease and incorporated herein by this reference (the "***Premises***"). The Landlord is the owner of the indefeasible, fee simple title to the Premises. Any capitalized terms not otherwise defined in this Agreement shall have the meanings set forth in the Lease.

B. WHEREAS, the Company, intends to become party to a Loan Arrangement and Reimbursement Agreement (the "***Loan Agreement***" and, together with any other document entered into in connection therewith or the transactions contemplated thereby, the "***Loan Documents***") with Lender pursuant to Lender's Advanced Technology Vehicles Manufacturing Incentive Program (the "***ATVM Program***") authorized by section 136 of the Energy Independence and Security Act of 2007, as amended from time to time; and

C. WHEREAS, as a condition to the Lender's extending financing to the Company pursuant to the Loan Agreement, each of the Company and certain of its subsidiaries will grant to the Lender a security interest in all of its right, title and interest in, to and under all of its assets, including, without limitation, its inventory, work in process, accounts receivable, accounts, contract rights, general intangibles, goods, merchandise, equipment, chattel paper, instruments, contract rights, permits, software, books and records, investment property, intellectual property, documents, equipment, machinery, fixtures, furnishings, tools, furniture and trade fixtures now owned or hereafter acquired, and all additions, modifications, alterations, improvements, upgrades, accessions, components, parts, appurtenances, substitutions and/or replacements of, to or for any of the foregoing, and all proceeds and products of the same (all such assets and personal property, the "***Encumbered Property***").

NOW, THEREFORE, in consideration of the premises and covenants herein contained and as an inducement to the Lender to enter into the Loan Agreement and the other Loan Documents and to make loans and provide other financial accommodations to the Company thereunder, the parties hereto agree as follows:

1. The Landlord hereby confirms to the Lender that:

1.1 The Lease is in full force and effect (subject to possible early termination in accordance with its express terms), creates a valid and subsisting leasehold interest and estate in and to the Premises, is enforceable in accordance with its terms and has not been modified or amended.

1.2 The Lease embodies the entire agreement between the Landlord and the Company with respect to the construction, occupancy and use of the Premises. There are no other agreements or understandings between the Landlord and the Company with regard to the construction, occupancy or use of the Premises, and no other agreements or understandings whatsoever between the Landlord and the Company pertaining in any way to the Premises except for the Lease.

1.3 Rent is payable under the Lease at a rate calculated as provided in the Lease. The Company has no monetary obligation to the Landlord in respect of the use or occupancy of the Premises except for the rent and other charges specifically set forth in the Lease.

1.4 The term of the Lease commenced on August 1, 2009 and is scheduled to expire on January 31, 2016 (other than to the extent termination or extension rights may be available under the Lease).

1.5 To the actual knowledge of the Landlord, there are no uncured defaults, breaches or events of default by the Company in the observance or performance of any of its obligations, or facts or circumstances which would, with the passage of time or the delivery of notice, or both, constitute a default, breach, or event of default thereunder.

1.6 The Landlord acknowledges that the Company is entering into the Loan Agreement and the other Loan Documents and agrees that the transactions contemplated thereby will not result in a default under the Lease.

2. The Landlord acknowledges that the Lender is about to enter into various financing arrangements with the Company pursuant to the Loan Agreement and the other Loan Documents and, as a condition thereto, the Company will grant to the Lender a security interest in all of the Company's right, title and interest in, to and under the Encumbered Property. The Landlord acknowledges that pursuant to the applicable laws governing the ATVM Program, Lender is to be granted a first lien or security interest in all property acquired with loan funds, which may include fixtures that become a part of the Premises demised under the Lease. The Landlord acknowledges the validity of the liens in favor of the Lender on the Encumbered Property and, until such time as the obligations of the Company to the Lender under the Loan Documents are paid in full in cash (but in no event longer than the end of the Disposition Period described in Section 9 below), the Landlord agrees to subordinate any interest it may now or hereafter have in the Encumbered Property including, without limitation, any and all existing liens, whether contractual or statutory, in favor of the Landlord, and agrees not to distrain or levy upon any Encumbered Property or to assert any landlord lien, right of distraint or other claim against the Encumbered Property for any reason.

3. The Landlord hereby agrees to deliver written notice to the Lender, by and through the DOE, promptly after delivery of same to the Company, of any default by the Company under the Lease and any termination or expiration of the Lease, which written notice shall, as applicable, specifically describe each alleged default of the Company, including, without limitation, if any such default by the Company is a failure to pay any of the Company's monetary obligations under the Lease and, if so, the exact amount owed by the Company to the Landlord. Any written notice to the Lender shall be forwarded to it via United States mail, registered or certified, return receipt requested, first class postage pre-paid, at:

U.S. Department of Energy
1000 Independence Avenue, S.W.
Washington, D.C. 20585
Attention: ATVM Loan Program

The Landlord hereby agrees that the Lender shall be entitled in its sole discretion, but shall not be required, to cure any default by the Company under the Lease, and the Landlord shall accept any such cure by the Lender as if the same were made by the Company.

4. Upon the expiration or earlier termination of the Lease, the Landlord will permit the Lender and its representatives to enter the Premises for the purpose of securing and/or removing any or all of the Encumbered Property (at the Lender's election); **provided** that the period during which the Lender may exercise such entry right (the "***Disposition Period***") shall not exceed one hundred eighty (180) days following receipt by the Lender of written notice from the Landlord (a ***"Disposition Notice"***) that the Lease has expired or terminated. If any injunction or stay is issued that prohibits the Lender from removing the Encumbered Property, the commencement of the Disposition Period will be extended until such injunction or stay is lifted or removed. Notwithstanding the foregoing, the Lender shall have no obligation to remove any of the Encumbered Property. The Lender's entry right shall be subject to the following terms and conditions:

(a) During the Disposition Period, unless the Lender has delivered a notice to the Landlord within ten (10) business days after receipt of the Disposition Notice that the Lender does not require the right of entry and will does not intend to remove the Encumbered Property, the Lender shall pay to the Landlord a fee in the amount of $7,000 per day for each day of the Disposition Period (the ***"Access Fee"***), from the commencement of the Disposition Period to its expiration or earlier termination pursuant to this section.

(b) The Lender's right of access to the Premises shall terminate as of the end of the Disposition Period, whether or not the Lender has removed all of the Encumbered Property. Upon the expiration of the Disposition Period, any Encumbered Property that remains in the Premises shall automatically and without further act by the Landlord or the Lender, become the property of the Landlord, free and clear of any claim or interest therein by the Lender, and without payment therefor by the Landlord. Notwithstanding the foregoing, the Lender may notify the Landlord at any time after receipt of the Landlord's Disposition Notice that the Lender no longer requires access to the Premises, in which case the Lender shall have no further right of access to the Premises and the Lender's obligation to pay the Access Fee shall terminate.

(c) The Lender agrees and acknowledges that the Lender's right of access is a non-exclusive license (and not a lease of the Premises), and that the Landlord shall have the right to make any use of the Premises during the Disposition Period that does not materially interfere with the Lender's removal of the Encumbered Property.

(d) In the event the Lender has not completed its removal of the Encumbered Property by the end of the Disposition Period, the Landlord may elect either to (i) change all locks, passcards and security codes as required to secure the Premises and prevent the Lender from further access; or (ii) charge the Lender an adjusted Access Fee equal to one hundred fifty percent (150%) of the then-current fair market rental value of the Premises (prorated on a daily basis), as determined by the Landlord in its reasonable discretion. The acceptance of such adjusted Access Fee shall not be deemed to create a tenancy in favor of the Lender, and shall not give the Lender any possessory interest in the Premises.

5. During the Disposition Period, (a) the Lender and its representatives may inspect, repossess, remove and otherwise deal with the Encumbered Property, and the Lender may advertise and conduct public auctions or private sales of the Encumbered Property at the Premises, in each case without material interference by Landlord, and (b) the Lender shall accommodate inspections by Landlord and prospective tenants and shall cooperate in the Landlord's reasonable efforts to re-lease the Premises. If the Lender conducts a public auction or private sale of the Encumbered Property at the Premises, the Lender shall use reasonable efforts to notify Landlord first and to hold such auction or sale in a manner which would not unduly disrupt Landlord's use of the Premises or the quiet enjoyment of the occupants of other properties in the Stanford Research Park or adjacent neighborhoods.

6. The Landlord represents and warrants to the Lender that the Encumbered Property is not subject to any lien or claim in favor of any mortgagee of the Landlord's fee interest in the Premises, and the Landlord agrees that any future mortgage or lien on the Landlord's fee interest in the Premises in favor of any mortgagee of the Premises during the term of the Lease will not create a security interest or lien against the Encumbered Property.

7. During the term of the Lease, the Lender may remove the Encumbered Property from the Premises as permitted under the Loan Documents, and the Landlord hereby grants to the Lender (and the Company hereby consents to the same) the right of entry to the Premises to inspect or remove any of the Encumbered Property, including, without limitation, by public auction or private sale, at any reasonable time or times, and with reasonable notice, but subject to the terms and conditions of Section 8 below.

8. The Lender shall repair, restore and remediate, at the Lender's sole cost, (a) all material damage to building structural components or building systems, (b) any damage that impairs access to the Premises or poses a threat to worker safety, and (c) any release of hazardous materials or contamination of the soil or groundwater of the Premises; to the extent such damage, release or contamination was caused by removal of the Encumbered Property or is otherwise due to the Lender's exercise of its rights under this Agreement. The Lender shall be liable to the Landlord for any and all losses, costs, liabilities, claims, judgments, liens, damages (including diminution in the fair market value of the Premises but excluding any other consequential or punitive damages) and expenses, including, without limitation, reasonable

attorneys' fees and out-of-pocket costs (including amounts invoiced by the Landlord's in-house counsel at reasonable rates, but specifically excluding all other internal costs of Landlord), and reasonable investigation costs (collectively, "***Losses***"), incurred in connection with or arising from any default by the Lender in the observance or performance of any of the terms, covenants or conditions of this Agreement on the Lender's part to be observed or performed, including without limitation any damage to the Premises caused by the removal of the Encumbered Property as described in this Section 8 and any failure by the Lender to cease exercise of its entry rights pursuant to Section 4 at the conclusion of the Disposition Period; provided that the Lender shall have no liability resulting from or caused by the Lender's failure to remove any or all of the Encumbered Property, including, without limitation, any lost rent or any claims made by any succeeding tenant due to such failure or any loss or damage incurred by the Landlord as a result of any delay in the Landlord's redevelopment plans for the Premises due to such failure.

9. In no event shall the Lender be: (a) liable or responsible for any act or omission of the Company under the Lease; (b) subject to any claims or defenses which the Landlord might have against the Company; (c) liable or responsible for any default by the Company under the Lease or obligated to cure any prior default by the Company under the Lease; or (d) liable or responsible for any agreement of the Company to indemnify or defend the Landlord, or (e) liable or responsible for any agreement of the Company to reimburse the Landlord for any sums expended by the Landlord pursuant to the Lease.

10. Landlord hereby informs Lender that detectable amounts of Hazardous Materials have come to be located on, beneath and/or in the vicinity of the Premises, as more particularly described in the Lease (and together with the Remaining Materials, the "***Pre-Existing Condition***"). Landlord has made available to Lender all material documentation in Landlord's possession regarding the Pre-Existing Condition. Lender has made such investigations and inquiries as it deems appropriate to ascertain the effects, if any, of the Pre-Existing Condition on Tenant's business operations at the Premises. Landlord makes no representation or warranty with regard to the environmental condition of the Premises. Lender hereby releases Landlord and Landlord's officers, directors, trustees, agents and employees from any and all claims, demands, debts, liabilities, and causes of action of whatever kind or nature, whether known or unknown or suspected or unsuspected which Lender may have, claim to have, or which may hereafter accrue against the released parties or any of them, arising out of or relating to or in any way connected with Hazardous Materials presently in, on or under, or now or hereafter emanating from or migrating onto the Premises, including without limitation the Pre-Existing Condition. In connection with such release, Lender hereby waives any and all rights conferred upon it by the provisions of Section 1542 of the California Civil Code, which reads as follows:

> A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

11. Except to the extent of Lender's Exacerbation of the Pre-Existing Condition, Landlord hereby releases Lender from any and all claims, demands, debts, liabilities and causes of action of whatever kind or nature, whether known or unknown or suspected or unsuspected which Landlord may have, claim to have or which may hereafter accrue against the released

parties or any of them, arising out of or relating to or in any way connected with the Pre-Existing Condition. In connection with such release, Landlord hereby waives any and all rights conferred upon it by the provisions of Section 1542 of the California Civil Code, which reads as follows:

> A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

12. In the event that Lender is named in any enforcement action or litigation regarding the Pre-Existing Condition which is brought by a governmental entity with jurisdiction over the remediation of the Pre-Existing Condition (collectively, an "***Action***"), Lender will provide notice of the Action to Landlord (whether or not Landlord is also named in the Action).

12.1 If the Action also involves alleged Exacerbation of the Pre-Existing Condition by Lender, or contamination of the Premises by Lender that does not relate to the Pre-Existing Condition (collectively, "***Claims Against Lender***"), Landlord shall have no responsibility for dismissal of such claims, which Lender shall defend at its sole cost and expense.

12.2 The Lender and the Landlord agree to use reasonable efforts to coordinate a response to any Action, including, if appropriate in their reasonable discretion, to enter into a mutually agreeable joint defense agreement.

12.3 The Landlord shall reimburse the Lender for any documented out-of-pocket costs reasonably incurred by Lender and arising out of the Action (including any defense costs, attorneys' or consultants' fees, fines, penalties, and remediation costs) up to a maximum reimbursable amount of Two Hundred Thousand Dollars ($200,000), except to the extent such costs relate to Claims Against Lender. Landlord shall have no liability to the extent any costs incurred by Lender relate to Claims Against Lender. Landlord shall have no liability to Lender for defense costs, legal fees, remediation costs, or any other cost or expense related to the Action if Lender fails to provide notice of the Action to Landlord. Lender shall use commercially reasonable efforts to obtain its dismissal from the Action and, if Lender is unable to obtain its dismissal from the Action, shall use commercially reasonable efforts in defending the Action.

13. This Agreement and all of the transactions contemplated herein shall be governed by and construed in accordance with the laws of the state of California, without regard to its conflicts of laws principles.

14. Any right of Lender provided for in this Agreement may be exercised by the Lender or any department or instrumentality of the United States of America, or by any collateral agent, on Lender's behalf.

15. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.

16. This Agreement may be executed in counterparts, each of which shall be an original, and all of which together shall constitute one original of the Lease. Delivery of faxed or electronic signatures shall be effective to create a binding and enforceable agreement.

In addition, we have reviewed originals or copies of such corporate and limited liability company records of Borrower and Guarantor, certificates of public officials and such other documents that we consider necessary or advisable for the purpose of rendering the opinions and statements set forth below. We have not independently established the facts stated therein. The documents listed in paragraphs (a) through (l) above are sometimes referred to herein as the "**Transaction Documents**."

We have assumed the following for purposes of rendering the opinions set forth herein:

(i) The genuineness of all signatures, the authenticity and completeness of all documents submitted to us as originals and the conformity to original documents of all copies submitted to us.

(ii) That each party to any document that we have examined (other than Borrower and Guarantor in connection with the Transaction Documents) has satisfied those requirements that are applicable to it to the extent necessary to make such document a valid and binding obligation of such party, enforceable against such party in accordance with its terms.

(iii) That (A) the representations and warranties as to factual matters made by the parties to the Transaction Documents and pursuant thereto are correct, (B) the representations and warranties made by officers or the sole member of Borrower and Guarantor as to factual matters made in the certificates delivered in connection with the Transaction Documents are correct; and (C) the parties to the Transaction Documents have complied and will comply with their obligations under the Transaction Documents.

As used in the opinions or statements set forth below, the expressions "to our knowledge," "known to us" or similar language with reference to matters of fact refer to the current actual knowledge of the attorneys of this firm who have rendered legal services in connection with the representation described in the first paragraph of this opinion letter. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any fact, and no inference as to our knowledge of the existence or absence of any fact should be drawn from our representation of Borrower or Guarantor or the rendering of the opinions or statements set forth below.

On the basis of the foregoing and in reliance thereon, and based upon examination of such questions of law as we have deemed appropriate, and subject to the assumptions, exceptions, qualifications, and limitations set forth herein, we advise you that in our opinion:

1. Borrower is a corporation duly incorporated and validly existing under the laws of the State of Delaware and is in good standing under such laws. Borrower has requisite corporate power to carry on its business as currently conducted. Borrower is qualified to do business as a foreign corporation in the States of California, Colorado, Florida, Illinois, New York and Washington.

2. Guarantor is a limited liability company duly organized and validly existing under the laws of the State of New York and is in good standing under such laws. Guarantor has requisite limited liability company power to carry on its business as currently conducted.

3. Borrower has the corporate power to execute and deliver the Transaction Documents to which it is a party and to carry out and perform its obligations under the terms of such Transaction Documents. Guarantor has the limited liability company power to execute and deliver the Transaction Documents to which it is a party and to carry out and perform its obligations under the terms of such Transaction Documents.

4. All corporate action on the part of Borrower, its directors and shareholders necessary for the authorization, execution and delivery of the Transaction Documents to which it is a party by Borrower, and the performance by Borrower of its obligations under such Transaction Documents has been taken. All limited liability company action on the part of Guarantor and its member necessary for the authorization, execution and delivery of the Transaction Documents to which it is a party by Guarantor, and the performance by Guarantor of its obligations under such Transaction Documents has been taken.

5. Each of the Transaction Documents to which Borrower or Guarantor is a party has been duly and validly executed and delivered by Borrower or Guarantor, as applicable, and constitutes a valid and binding obligation of Borrower or Guarantor, as applicable, enforceable against Borrower or Guarantor, as applicable, in accordance with its terms.

6. The execution and delivery by Borrower and Guarantor of the Transaction Documents to which each is a party and the undertaking of the covenants set forth in the Transaction Documents by Borrower and Guarantor do not (a) violate any provision of the Certificate of Incorporation or Bylaws of Borrower or the Articles of Organization or Operating Agreement of Guarantor; (b) violate any applicable law, rule or regulation known to us to be customarily applicable to transactions of this nature; (c) violate any Reviewed Judgment; or (d) violate or constitute a default under any Reviewed Agreement or, to our

knowledge, result in or require the creation or imposition of any lien on any of the properties or revenues of Borrower or Guarantor pursuant to any provision of any United States federal or New York or California state law, the General Corporation Law of the State of Delaware (the "**DGCL**"), the Delaware Uniform Commercial Code (the "**DUCC**") or any such Reviewed Agreement, except the liens created in favor of the Collateral Trustee.

7. No consent, approval or authorization of, and no designation, declaration or filing with, any governmental authority on the part of Borrower or Guarantor is required in connection with the valid execution or delivery by Borrower or Guarantor of the Transaction Documents to which each is a party and the undertaking of the covenants set forth in the Transaction Documents by Borrower and Guarantor in accordance with the terms of the Arrangement Agreement.

8. Neither Borrower nor Guarantor is required to register as an "investment company" under the Investment Company Act of 1940, as amended.

9. Assuming that Borrower will comply with the provisions of the Arrangement Agreement relating to the use of proceeds, the making of the loans under the Note Purchase Agreement will not violate Regulation T, U or X of the Board of Governors of the Federal Reserve System.

10. The Security Agreement is sufficient to create a valid security interest in favor of Collateral Trustee for the benefit of the Secured Parties in the collateral described therein to the extent a security interest in such collateral may be created under Article 9 of the New York Uniform Commercial Code.

11. If a financing statement in the form of the UCC-1 Financing Statement naming Borrower as debtor is communicated to the Delaware Secretary of State by an authorized method of communication and an amount equal to the applicable filing fee is tendered to such filing office, such filing office will have an obligation to accept such financing statement. Upon acceptance of such UCC-1 Financing Statement by such filing office, the security interest in the collateral described in both the UCC-1 Financing Statement and the Security Agreement, and for which perfection under Article 9 of the DUCC may occur by the filing of a UCC-1 financing statement with the Delaware Secretary of State, will be perfected. If a financing statement in the form of the UCC-1 Financing Statement naming Guarantor as debtor is communicated to the New York Secretary of State by an authorized method of communication and an amount equal to the applicable filing fee is tendered to such filing office, such filing office will have an obligation to accept such

financing statement. Upon acceptance of such UCC-1 Financing Statement by such filing office, the security interest in the collateral described in both the UCC-1 Financing Statement and the Security Agreement, and for which perfection under Article 9 of the New York Uniform Commercial Code may occur by the filing of a UCC-1 financing statement with the New York Secretary of State, will be perfected. The filings of the financing statements as described in this paragraph 11 in the filing offices specified in this paragraph 11 are the only filings required to perfect the security interests in the collateral described in this paragraph 11.

12. Upon taking delivery in the State of New York of the Limited Certificate, the Canada Certificate and AC Propulsion Certificate (collectively, the "**Certificates**"), the security interest in the Certificates will be perfected to the extent that the Certificates consist of certificated securities.

13. The security interest in the deposit accounts specified in the CNB Control Agreement is perfected by control pursuant to the CNB Control Agreement. The security interest in the deposit accounts specified in the Wells Fargo Control Agreement is perfected by control pursuant to the Wells Fargo Control Agreement. The security interest in the deposit accounts specified in the HSBC Control Agreement is perfected by control pursuant to the HSBC Control Agreement. The security interest in the securities account specified in the Wells Fargo Securities Control Agreement and the security entitlements to the financial assets carried therein are perfected by control pursuant to the Wells Fargo Securities Control Agreement. The security interest in the securities account specified in the Dedicated Account Control Agreement and the security entitlements to the financial assets carried therein are perfected by control pursuant to the Dedicated Account Control Agreement. The security interest in the securities account specified in the Initial Debt Service Account Control Agreement and the security entitlements to the financial assets carried therein are perfected by control pursuant to the Initial Debt Service Account Control Agreement.

14. The shares of Series E Preferred Stock issuable upon exercise of the Warrant have been duly authorized, and when issued in accordance with the terms of the Warrant, will be duly authorized, validly issued, fully paid and non-assessable. The Board of Directors of Borrower has adopted a resolution reserving the shares of Series E Preferred Stock issuable upon exercise of the Warrant.

15. The shares of Common Stock issuable upon conversion of the Series E Preferred Stock into which the Warrant is exercisable, have been duly authorized, and when issued in accordance with the terms of Borrower's Certificate of Incorporation, will be validly

issued, fully paid and non-assessable. The Board of Directors of Borrower has adopted a resolution reserving the shares of Common Stock issuable upon conversion of the Series E Preferred Stock into which the Warrant is exercisable.

The opinions set forth above are subject to the following exceptions, qualifications, limitations, comments and additional assumptions:

A. We express no opinion as to any matter relating to laws of any jurisdiction other than the federal laws of the United States of America, the DGCL, the DUCC, the laws of the State of New York, and the laws of the State of California (provided that our opinion in paragraph 5 as to enforceability is limited to the laws of the State of New York), as such are in effect on the date hereof, and we have made no inquiry into, and we express no opinion as to, the statutes, regulations, treaties, common laws or other laws of any other nation, state or jurisdiction or whether the laws of any particular jurisdiction govern any aspect of the Transaction Documents. As you know, we are not licensed to practice law in the State of Delaware and, accordingly, our opinions as to the DGCL and the DUCC are based solely on a review of the official statutes of the State of Delaware.

B. We express no opinion as to (i) the effect of any bankruptcy, insolvency, reorganization, arrangement, fraudulent transfer, moratorium or other similar laws relating to or affecting the rights of creditors generally, or (ii) the effect of general principles of equity, including without limitation, concepts of materiality, reasonableness, good faith and fair dealing, and the possible unavailability of specific performance or injunctive relief, whether considered in a proceeding in equity or at law.

C. For purposes of our opinions in paragraph 5, we have assumed that a court would apply the laws of the State of New York). We express no opinion as to the governing law clause of any Transaction Document that purports to choose the federal laws of the United States for matters not governed by such laws.

D. We express no opinion as to the enforceability of any provision of the Transaction Documents (i) purporting to waive broadly or vaguely stated rights, unknown future defenses, rights to damages, or the benefits of other statutory, regulatory or constitutional rights that cannot be waived or, if they can be waived, cannot be waived prospectively; (ii) imposing penalties, forfeitures, liquidated damages, late charges, acceleration of future amounts due (other than principal) without appropriate discount to present value, prepayment charges, or increased interest rates upon default; or (iii) prescribing or varying rules of evidence, method or quantum of proof or other legal standards in a manner contrary to applicable statutes and rules of law.

E. We express no opinion as to the enforceability of any provisions in the Transaction Documents (i) giving rights or remedies, or permitting the exercise of rights or remedies, in a manner not in compliance with applicable statutes and rules of law, (ii) providing that rights or remedies are not exclusive, that every right or remedy is cumulative and may be exercised in addition to any other right or remedy, or that the election of some particular remedy does not preclude recourse to one or more other remedies, or (iii) providing for rights of set-off.

F. We express no opinion as to the enforceability of indemnification and contribution provisions to the extent they may be subject to limitations of public policy and the effect of applicable statutes and rules of law.

G. We express no opinion as to the applicability or effect of compliance or non-compliance by any lender (or its agent) with any state, federal or other laws applicable to such lender (or its agent) or to the transactions contemplated by the Transaction Documents because of the nature of its business, including its legal or regulatory status.

H. In rendering the opinions set forth in paragraphs 1 and 2 as to due incorporation or organization, valid existence, good standing and qualification to do business, we have relied solely upon documents and certificates referenced in paragraphs (n) and (p) above.

I. Except as set forth in paragraphs 10, 11, 12 and 13 above, we express no opinion as to the creation, attachment, validity, perfection or priority of a security interest in any item of collateral or the necessity of making any filings or taking any other action in connection therewith.

J. We express no opinion as to the enforceability or legal effect of any provision of any Transaction Document purporting to reinstate, as against any obligor or guarantor, obligations or liabilities of such obligor which have been avoided or which have arisen from transactions which have been rescinded or the payment of which has been required to be returned by any court of competent jurisdiction.

K. In rendering the opinion set forth in paragraph 6 above concerning violations of and defaults under Reviewed Agreements and violations of Reviewed Judgments, we have relied solely upon an examination of the Reviewed Agreements and Reviewed Judgments in the forms provided to us by Borrower. With regard to the opinion in paragraph 6 above concerning violations of and defaults under Reviewed Agreements, we have assumed that such Reviewed Agreements would be interpreted and enforced in accordance with their plain meaning. Our opinion in clause (b) of paragraph 6 above is intended to express our opinion that the execution and delivery by Borrower of the

Transaction Documents and the undertaking of the covenants set forth in the Transaction Documents will not result in a violation of any law, rule, regulation of the State of New York or the State of California or United States federal law that a lawyer practicing in the State of New York or the State of California, as applicable, exercising customary professional diligence would reasonably recognize to be applicable to Borrower and the transactions contemplated by the Transaction Documents. We express no opinion regarding compliance or non-compliance (or the effect thereof) with any federal or state securities laws.

L. This opinion speaks only at and as of its date and is based solely on the facts and circumstances known to us at and as of such date. We express no opinion as to the effect on any lender's (or its agent's) rights under the Transaction Documents of any statute, rule, regulation or other law which is enacted or becomes effective after, or of any court decision which changes the law relevant to such rights which is rendered after, the date of this opinion or the conduct of the parties following the closing of the contemplated transaction. In addition, in rendering this opinion, we assume no obligation to revise or supplement this opinion should the present laws of the jurisdictions mentioned herein be changed by legislative action, judicial decision or otherwise.

* * *

We advise you that, to our knowledge, there are no lawsuits pending against Borrower or Guarantor that seek to challenge the enforceability of any of the Transaction Documents nor, to our knowledge, has Borrower or Guarantor received any written threat thereof. We note that we have not conducted a docket search in any jurisdiction with respect to lawsuits that may be pending against Borrower or Guarantor.

This opinion is made with the knowledge and understanding that you (but no other person) may rely thereon in entering into the Arrangement Agreement and the Collateral Trust Agreement and is solely for your benefit, and this opinion may not be disclosed to or relied upon by any person other than you, except that (i) this opinion may be disclosed to the Federal Financing Bank, (ii) this opinion may be disclosed to regulatory and other governmental authorities having jurisdiction over you requesting (or requiring) such disclosure, (ii) this opinion may be disclosed to and relied upon by an assignee, pursuant to an assignment that is permitted under and made in accordance with the Arrangement Agreement, the Collateral Trust Agreement, the Warrant or the Registration Rights Agreement on the condition and with the understanding that (A) this opinion does not extend to any issue or matter related to any such assignment or arising from or out of any such assignment (as distinct from the subject transaction), (B) this opinion is limited and qualified with respect to an

assignee in the same manner that it is limited and qualified as set forth above with respect to the original addressee, and (C) any reliance by an assignee must be actual and reasonable under the circumstances existing at the time of assignment, including any changes in law, facts or any other developments known to or reasonably knowable by the assignee at such time.

Very truly yours,

Tesla Motors, Inc.
Notes to Consolidated Financial Statements
December 31, 2008 and 2007 and for the three years ended December 31, 2008

1. The Company

Tesla Motors, Inc. (the "Company") was incorporated in the state of Delaware on July 1, 2003. The Company is engaged in the development of high-performance electric sports cars. The Company began selling its electric sports cars in the second half of 2008 and is no longer considered a development stage company. The Company also earns revenue from the sale of zero-emission vehicle ('ZEV') credits granted by certain states. As the Company has no ability to utilize these credits, they are sold to third parties. Prior to the current reporting period, the Company had devoted substantially all of its efforts to business planning, research and product development, recruiting management and technical staff, acquiring operating assets and raising capital and was considered a development stage company as defined by ("SFAS") No. 7, "Accounting and Reporting by Development Stage Enterprises."

Since inception the Company has incurred significant losses and has used approximately $121 million of cash in operations. As of December 31, 2008, the Company had approximately $9.3 million in cash and cash equivalents. Subsequent to December 31, 2008, the Company received proceeds from convertible notes of approximately $25 million (Note 15) and $50 million through the issuance of Series E Preferred Stock (Note 15). The Company is selling its Roadster automobile and is developing new models, which it believes will ultimately lead to profitable operations and positive cash flows. To the extent the Company does not meet its planned sales volumes or future product releases or the Company's existing cash and cash equivalents balances are insufficient to fund its future activities, the Company will need to raise additional funds. The Company cannot be certain that additional financing, if needed, will be available at terms satisfactory to the Company, or at all. These financial statements do not include any adjustments to reflect the possible future effects on the recoverability and classification of assets or the amounts and classification of liabilities that may result from the outcome of this uncertainty.

On December 15, 2008, the Company filed an application with the United States Department of Energy for a financing package, that if approved, could result in a change in the order of seniority of the Company's shareholders and creditors in the event of a liquidation or event of default.

2. Summary of Significant Accounting Policies

Basis of Consolidation
The consolidated financial statements include the accounts of the Company and its wholly owned subsidiaries located in the United Kingdom and Taiwan. All significant inter-company transactions and balances have been eliminated in consolidation.

Reclassification
Certain prior period amounts have been reclassified to conform to the current period presentation.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements, and reported amounts of expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments
The carrying value of the Company's cash & cash equivalents, accounts receivable, accounts payable, accruals and deposits approximates their fair value. The Company considers its investments in money market funds, shown as part of cash and cash equivalents as Level 1 instruments in accordance with Statement of Financial Accounting Standards No. 157, "Fair Value Measurement" ("SFAS No. 157") as they have a quoted price in active markets for identical assets.

Revenue Recognition
Automotive sales consist primarily of revenue earned from the sale of vehicles. Vehicle sales are recorded when the title and risks and rewards of ownership have passed, which is generally when the vehicle is released to the customer or the carrier responsible for transporting vehicles to the customer. All incentives, allowances, and rebates related to vehicles sold are recognized as reductions to revenue. Accruals are provided for anticipated warranty expenses at the time the associated revenue is recognized.

The Company has a contractual arrangement to sell ZEV credits to a third party. Revenue from the transfer of ZEV credits is only recognized when such credits are transferred to the contracting party's Air Resource Board credit account.

The Company performs research and development services for third parties. Research and development revenue is recognized as the services are performed, agreed upon milestones are achieved and customer acceptance, if required, is received from the customer.

Deferred Revenue
At December 31, 2008, the Company has recorded delivered automobiles to customers in finished goods where significant performance obligations still exist. These automobiles were paid for in full with the amounts recorded as deferred revenue. In addition, the Company also has not recognized any revenue for the year ended December 31, 2008 related to a research and development agreement as certain revenue recognition criteria were not met. The Company has recorded deferred revenue of $10.2 million related to this agreement.

Freestanding Preferred Stock Warrants
The Company accounts for freestanding warrants and other similar instruments related to shares that are redeemable in accordance with Statement of Financial accounting Standards No. 150 ("SFAS No. 150"). Under FASB Staff Position 150-5 ("FSP 150-5"), *Issuer's Accounting under Statement No. 150 for Freestanding Warrants and Other Similar Instruments on Shares that are Redeemable*. The freestanding warrants exercisable into the Company's convertible preferred stock are classified as liabilities on its consolidated balance sheets. The warrants are subject to re-measurement at each balance sheet date and any change in fair value is recognized as a component of other income (loss), net. The Company will continue to adjust the liability for changes in fair value until the earlier of the exercise or expiration of the warrants.

Cash and Cash Equivalents
All highly liquid investments with an original or remaining maturity of three months or less at the date of purchase are considered to be cash equivalents. The Company deposits excess cash primarily in money market accounts and higher rated instruments which management believes are subject to minimal credit and market risk.

Restricted cash and deposits
The Company maintains certain cash amounts restricted as to withdrawal or use. The company maintained a balance of approximately $1.2 million and $260,000 at December 31, 2008 and 2007, respectively. The restricted cash represents security deposits related to lease agreements.

Accounts Receivable and Allowance for Doubtful Accounts
Accounts receivable primarily include amounts related to the performance of research and development services and ZEV credits at December 31, 2008 and from the performance of research and development services at December 31, 2007. The Company does not record accounts receivable for automotive sales as all balances are collected upon delivery of the vehicle. The Company estimates the collectibility of its accounts receivable based on a combination of factors. In circumstances where the Company is aware of a specific customer's inability to meets its financial obligations to the Company, the Company provides an allowance against amounts to reduce the net recognized receivable to the amount it reasonably believes will be collected. As of December 31, 2008 and 2007, the Company has determined that it does not require an allowance for doubtful accounts.

Concentration of Credit Risk
Financial instruments that potentially subject the Company to a concentration of credit risk consist of cash, cash equivalents, and accounts receivable. The Company's cash and cash equivalents are primarily invested in deposits with high credit quality financial institutions in the United States. At times, these deposits and securities may be in excess of insured limits. To date, the Company has not experienced any losses on its deposits of cash and cash equivalents. In 2008, the Company's accounts receivable are derived from automotive manufacturing customers located primarily in North America and Europe, the performance of research and development services and the sale of ZEV credits. In 2007, the Company's accounts receivable are derived from automotive manufacturing customers located in North America, and the performance of engineering services. The Company performs credit evaluations of its customers' financial condition, and, generally, requires no collateral.

Inventories and Inventory Valuation
Inventories are stated at the lower of cost or market. Cost is computed using standard cost, which approximates actual cost, on a first-in, first-out basis. The Company provides inventory write-downs based on excess and obsolete inventories determined primarily by future demand forecasts. The Company also adjusts the carrying value of its inventories when it believes that the net realizable value is less than the carrying value. These write downs are measured as the difference between the cost of the inventory (including estimated costs to complete) and estimated selling prices. The provisions recorded prior to commencement of sales of the roadster automobile were recorded as a charge to research and development. Upon commencement of sales, charges were recorded as a component of cost of goods sold. During 2007, the Company recorded provisions of $807,000 to research and development. During 2008, the Company recorded a provision of $3.7 million to research and development and $634,000 to cost of goods sold.

Once inventory is written down, a new, lower-cost basis for that inventory is established, and subsequent changes in facts and circumstances do not result in the restoration or increase in that newly established cost basis.

Adverse Purchase Commitments
To the extent future inventory purchases under non-cancellable purchase orders are for excess or obsolete parts or the related inventory is deemed to be in excess of its net realizable value, the Company records an accrual for adverse purchase commitments. The charges recorded prior to commencement of sales of the roadster automobile are recorded as a charge to research and development. Upon commencement of sales, charges are recorded as a component of cost of goods sold. During 2007, the Company recorded provisions of $1.5 million to research and development. During 2008, the Company recorded a provision of $1.0 million to research and development and $366,000 to cost of goods sold.

Property and Equipment
Property and equipment are stated at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, generally three to seven years. Leasehold improvements are amortized on a straight-line basis over the shorter of their estimated useful lives or the term of the related lease. Upon retirement or sale, the cost and related accumulated depreciation are removed from the balance sheet and the resulting gain or loss is reflected in operations. Maintenance and repair expenditures are expensed as incurred.

Long-Lived Assets
The Company evaluates its long-lived assets for indicators of possible impairment when events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Impairment exists if the carrying amounts of such assets exceed the estimates of future net undiscounted cash flows expected to be generated by such assets. Should impairment exist, the impairment loss would be measured based on the excess carrying value of the asset over the asset's estimated fair value.

Research and Development Costs
Research and development costs are expensed as incurred. Research and development expenses consist primarily of payroll and benefits of those employees engaged in research, design and development activities; costs related to design tools, license expenses related to intellectual property, supplies and services, depreciation and other occupancy costs.

Income Taxes

Income taxes are computed using the asset and liability method, under which deferred tax assets and liabilities are determined based on the difference between the financial statement and tax basis of assets and liabilities using enacted tax rates in effect for the year in which the differences are expected to affect taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized.

Stock-Based Compensation

Prior to January 1, 2006, the Company accounted for stock-based employee compensation arrangements in accordance with the provisions of Accounting Principles Board Opinion No. 25, *Accounting for Stock Issued to Employees* ("APB No. 25"), and related interpretations, and followed the disclosure provisions of Statement of Financial Accounting Standards No. 123, *Accounting for Stock-Based Compensation* ("SFAS No. 123"). Under APB No. 25, compensation expense for an option is based on the difference, if any, on the date of the grant, between the fair value of a company's common stock and the exercise price of the option. Employee stock-based compensation determined under APB No. 25 is recognized using the multiple option method prescribed by the Financial Accounting Standards Board Interpretation No. 28, *Accounting for Stock Appreciation Rights and Other Variable Stock Option or Award Plans* ("FIN 28"), over the option vesting period.

Effective January 1, 2006, the Company adopted the fair value provisions of Statement of Financial Accounting Standards No. 123(R), *Share-Based Payment* ("SFAS No. 123R"), which supersedes its previous accounting under APB No. 25. SFAS No. 123R requires the recognition of compensation expense, using a fair-value based method, for costs related to all share-based payments including stock options. SFAS No. 123R requires companies to estimate the fair value of share-based payment awards on the grant date using an option pricing model. The Company adopted SFAS No. 123R using the prospective transition method, which requires, that for nonpublic entities that used the minimum value method for either pro forma or financial statement recognition purposes, SFAS No. 123R was applied to option grants issued on and after the required effective date. For unvested options granted prior to the SFAS No. 123R, the Company continues to recognize compensation expense under the intrinsic value method of APB No. 25. In addition, the Company continues to amortize those awards valued prior to January 1, 2006 utilizing an accelerated amortization schedule, while it expenses all options granted or modified after January 1, 2006 on a straight-line basis.

The Company has elected to use the "with and without" approach as described in EITF Topic No. D-32 in determining the order in which tax attributes are utilized. As a result, the Company will only recognize a tax benefit from stock-based awards in additional paid-in capital if an incremental tax benefit is realized after all other tax attributes currently available to the Company have been utilized. In addition, the Company has elected to account for the indirect effects of stock-based awards on other tax attributes, such as the research tax credit, through its statement of operations.

The Company accounts for equity instruments issued to non-employees in accordance with the provisions of SFAS No. 123, EITF Issue No. 96-18, Accounting for Equity Instruments that are Issued to Other than Employees for Acquiring, or in Conjunction with Selling, Goods or Services, and FIN 28.

Foreign Currency Translation
The functional currency of the Company's operations in the U.K. and Taiwan is the U.S. Dollar. For these foreign operations, assets and liabilities are re-measured at the period-end or historical rates as appropriate. Revenues and expenses are re-measured at average monthly rates. Currency transaction gains and losses are recognized in current operations and have not been significant for any period presented.

Comprehensive Loss
Comprehensive loss includes all changes in equity (net assets) during a period from non-owner sources. Through December 31, 2008, there are no components of comprehensive loss which are not included in net loss and, therefore, no separate statement of comprehensive loss has been presented.

Recent Accounting Pronouncements
In June 2006, the Financial Accounting Standards Board ("FASB") issued FASB Interpretation No. 48, "Accounting for Uncertainty in Income Taxes - An Interpretation of FASB Statement No. 109" ("FIN 48"). FIN 48 clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements in accordance with SFAS No. 109, Accounting for Income Taxes, by defining the minimum recognition threshold a tax position is required to meet before being recognized in our financial statements. In December 2008, the FASB issued FSP FIN 48-3 that defers the effective date for adoption of FIN 48 to fiscal years beginning after December 15, 2008 for nonpublic enterprises. The Company will adopt FIN 48 commencing with the fiscal year 2009 annual financial statements. The Company is currently evaluating the effect that the adoption of FIN 48 will have on its financial position and results of operations.

In December 2007, the FASB issued Statement No. 141 (revised), "Business Combinations" ("SFAS 141(R)"). The standard changes the accounting for business combinations including the measurement of acquirer shares issued in consideration for a business combination, the recognition of contingent consideration, the accounting for pre-acquisition gain and loss contingencies, the recognition of capitalized in-process research and development, the accounting for acquisition-related restructuring cost accruals, the treatment of acquisition related transaction costs and the recognition of changes in the acquirer's income tax valuation allowance. SFAS 141(R) applies prospectively to business combinations for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after December 15, 2008. The Company will assess the impact of SFAS 141(R) if and when a future acquisition occurs.

In December 2007, the FASB issued Statement No. 160, "Non-controlling Interests in Consolidated Financial Statements, an amendment of ARB No. 51" ("SFAS 160"). The standard changes the accounting for non-controlling (minority) interests in consolidated financial statements including the requirements to classify non-controlling interests as a component of consolidated stockholders' equity, and the elimination of "minority interest" accounting in results of operations with earnings attributable to non-controlling interests reported as part of consolidated earnings. Additionally, SFAS 160 revises the accounting for both increases and decreases in a parent's controlling ownership interest. SFAS 160 is effective for fiscal years beginning after December 15, 2008, with early adoption prohibited. The Company is currently evaluating the impact of the pending adoption of SFAS 160 on its consolidated financial statements.

In March 2008, the FASB issued Statement of Financial Accounting Standard ("SFAS") No. 161, "Disclosures about Derivative Instruments and Hedging Activities." This standard is intended to improve financial reporting by requiring transparency about the location and amounts of derivative instruments in an entity's financial statements; how derivative instruments and related hedged items are accounted for under SFAS No 133; and how derivative instruments and related hedged items affect its financial position, financial performance and cash flows. This Statement is effective

for financial statements issued for fiscal years and interim periods beginning after November 15, 2008. The Company is currently evaluating the potential impact, if any, of the adoption of SFAS No. 161 on its condensed consolidated results of operations and financial condition.

In May 2008, the FASB issued FSP Accounting Principles Board (APB) Opinion 14-1, "Accounting for Convertible Debt Instruments That May Be Settled in Cash upon Conversion (Including Partial Cash Settlement)" (FSP APB 14-1). FSP APB 14-1 requires recognition of both the liability and equity components of convertible debt instruments with cash settlement features. The debt component is required to be recognized at the fair value of a similar instrument that does not have an associated equity component. The equity component is recognized as the difference between the proceeds from the issuance of the note and the fair value of the liability. FSP APB 14-1 also requires an accretion of the resulting debt discount over the expected life of the debt. Retrospective application to all periods presented is required. This standard is effective for the Company beginning in the first quarter of fiscal year 2009. The Company is currently evaluating the impact of adopting of FSP APB 14-1 on its consolidated results of operations, financial condition and cash flows.

As consideration under the Agreement, the Company paid a license fee of $500,000 in cash which was charged to research and development expense as technological feasibility of our product had not been established. The Company also agreed to purchase parts and services from ACP totaling a minimum of $230,000 over a two year period. As of December 31, 2008, the Company had met the minimum purchase requirements.

In addition, ACP will be paid a royalty on all vehicle sales through December 31, 2014. The royalty will equal 0.25% of the vehicle's manufacturer suggested retail price for every qualifying vehicle sold. The Company has the right to pay a lump sum equal to $5 million, minus royalties paid to date, in lieu of all future royalties at any time. During 2008, the Company recorded royalty expenses of $28,000 which were recorded through a charge to cost of goods sold.

In May 2006, the Company completed financing totaling approximately $40 million through the issuance of 35,242,290 shares of Series C Preferred Stock at $1.135 per share. In connection with this financing, the Company converted warrants issued with the March 2006 convertible notes payable (See Note 8) to warrants to purchase 650,882 shares of Series C Preferred Stock (See Note 9). The warrants are exercisable at $1.135 per share on or before March 30, 2011.

Voting Rights
The holder of each share of Preferred Stock has the right to one vote for each share of Common Stock into which such Preferred Stock could then be converted, and such holder has full voting rights and powers equal to the voting rights and powers of the holders of Common Stock.

8. Convertible Notes Payable

On March 30, 2006, the Company entered into an agreement with certain lenders under which the Company was entitled to draw up to $5.0 million in exchange for warrants and secured convertible notes payable. The Company received $3.0 million for the issuance of the notes and warrants on March 30, 2006. The notes were interest bearing at 8% per annum and were secured by a first priority security interest in all personal property of the Company. In May 2006, the principal amount and accrued interest of the notes totaling $3.0 million were subsequently converted into 2,632,627 shares of Series C Preferred Stock at a conversion price of $1.135 per share. The warrants are exercisable at $1.135 per share to purchase 650,822 Series C Preferred Stock on or before March 30, 2011. The Company's right to draw down the remaining $2.0 million under the agreement expired upon the closing of the Series C Preferred Stock financing in May 2006.

In February 2008, the Company received proceeds of $40.3 million through the issuance of convertible notes payable and warrants. These convertible notes payable are secured by all the Company's personal and intellectual property, and accrue interest at a rate of 10% per annum. The principal and related interest are due and payable on December 31, 2010, unless earlier converted into preferred stock of the Company. The convertible notes payable are convertible into either the securities issuable in a subsequent round of financing at the per share price of such financing, or into Series D Preferred Stock at a per share price of $2.44, at the election of the note holder.

In connection with the February 2008 Convertible notes, the Company issued warrants to purchase 8,246,914 shares of either Series D Preferred Stock (at a price of $2.44 per share) or the securities issuable in a subsequent round of financing (at the per share price of such securities). The warrants are exercisable at $2.44 per share on or before December 31, 2010 or an initial public offering, whichever comes first.

In December 2008, the Company received proceeds of $14.5 million through the issuance of additional convertible notes payable. These convertible notes payable are secured by all the Company's personal and intellectual property, and accrue interest at a rate of 10% per annum. The principal and related interest are due and payable on December 31, 2010, unless earlier converted into preferred stock of the Company upon the closing of a subsequent round of financing. The conversion price of these convertible notes is equal to 40% of the price of shares in the subsequent round of financing. Investors who participated in the February 2008 note offering were eligible to exchange the convertible notes and warrants purchased in February 2008 for these convertible notes if certain conditions were met by the final closing of the notes in March 2009. Under these terms, the February 2008 Note holders exchanged $16.8 million of the original issued principal amount for $16.8 million of principal amount of the new convertible notes. See Note 9 "Warrants for Preferred Stock," for information about the warrants that were also exchanged. See Note 15, "Subsequent Events" for information about the February 2009 issuance and March 2009 issuance of additional convertible notes payable.

In May 2009, the Company completed a qualified financing in which $50.0 million of proceeds was received. See Note 15, "Subsequent Events" for information about the May 2009 Series E financing. Upon closing, the convertible notes outstanding were converted into Shares of Series E Preferred Stock and warrants.

9. Warrants for Preferred Stock

In March 2006, the Company issued warrants to purchase 650,882 shares of Series C Preferred stock in conjunction with the issuance of the convertible notes (See Note 8). The warrants are exercisable at $1.135 per share on or before March 30, 2011. The Company calculated the fair value of each warrant using the Black-Scholes option pricing model with the following assumptions: volatility of 62.5%, term of five years, risk-free interest rate of 4.82% and dividend yield of 0%. The Company recorded the fair value of the warrants of $423,000 as a discount to the carrying value of the convertible notes. At December 31, 2008, the fair value of these warrants was $334,000 and a charge of $144,000 was recorded in other income (loss).

In February 2008, the Company issued warrants with the February 2008 convertible notes payable (See Note 8) to purchase 8,246,914 shares of either Series D Preferred Stock (at a price of $2.44 per share) or the securities issuable in a subsequent round of financing (at the per share price of such securities). The warrants are exercisable at $2.44 per share on or before December 31, 2010 or an initial public offering, whichever comes first. The Company calculated the fair value of each warrant using the option pricing model with the following assumptions: volatility of 60%, term of 0.7 years, risk-free interest rate of 1.98% and dividend yield of 0%. The Company recorded the fair value of the warrants of $329,000 and accounted for them as a discount to the carrying value of the convertible notes. On December 24, 2008, the fair value of the 8,246,914 warrants was $3.0 million, resulting in a charge to other income (loss) of $2.7 million. Also on December 24, 2008, 3,439,305 of these warrants were extinguished as a result of the election of certain February 2008 Note holders to exchange the warrants for the December 2008 convertible notes (See Note 8), resulting in a gain of $1.3 million recorded in other income (loss), and 4,807,609 of these warrants outstanding at December 31, 2008. At December 31, 2008, the fair value of the remaining warrants was $1.7 million.

In accordance with FSP 150-5, the Company has classified its preferred stock warrants as a liability and adjusts the warrants to their fair values at the end of each period with changes recorded as other income (loss), net.

10. Common Stock

On February 14, 2008, the Company increased its authorized shares capital to 262,606,077 shares with a par value of $0.001 per share. The authorized shares capital consists of 150,800,000 Common Stock and 111,806,077 Preferred Stock of which 7,213,000 shares, 17,459,456 shares, 35,893,172 shares and 51,240,449 shares have been designated as Series A, Series B, series C and Series D Preferred Stock.

In November 2007, the Chairman converted 8,000,000 shares of Series A preferred stock to 8,000,000 shares of common stock.

Early Exercise of Employee Options
Stock options granted under the Company's stock option plan provide certain employee option holders the right to elect to exercise unvested options in exchange for shares of restricted common stock. Unvested shares, in the amounts of 277,322 and 920,748 at December 31, 2008 and 2007, respectively, were subject to a repurchase right held by the Company at the original issuance price in the event the optionees' employment is terminated either voluntarily or involuntarily. For exercises of employee options, this right generally lapses as to 25% of the shares subject to the option on the first anniversary of the vesting start date and as to 1/48th of the shares monthly thereafter. These repurchase terms are considered to be a forfeiture provision and do not result in

variable accounting. The restricted shares issued upon early exercise of stock options are legally issued and outstanding and have been reflected in stockholders' deficit. The Company treats cash received from employees for exercise of unvested options as a refundable deposit shown as a liability in its consolidated financial statements. As of December 31, 2008 and 2007, the Company included cash received for early exercise of options of $63,957 and $191,264, respectively, in accrued liabilities. Amounts from accrued liabilities are transferred into common stock and additional paid-in capital as the shares vest.

11. Equity Incentive Plans

In July 2003, the Company adopted the 2003 Equity Incentive Plan (the "Plan"). The Plan provides for the granting of stock options and stock purchase rights to employees, directors and consultants of the Company. Options granted under the Plan may be either incentive options or nonqualified stock options. Incentive stock options ("ISO") may be granted only to Company employees including officers and directors. Nonqualified stock options ("NSO") and stock purchase rights may be granted to Company employees and consultants. On May 10, 2006, the Company increased the number of shares reserved for issuance under the Plan from 5,500,000 shares to 10,638,740 shares of Common Stock. On August 28, 2007, the Company increased the number of shares reserved for issuance under the Plan from 10,638,740 shares to 13,138,740 shares of Common Stock. On November 30, 2007, the Company further increased the number of reserved for issuance under the Plan from 13,138,740 shares to 17,138,740 shares of Common Stock.

Options under the Plan may be granted at prices no less than 85% of the estimated fair value of the shares on the date of grant as determined by the Board of Directors, provided, however, that (i) the exercise price of an ISO and NSO shall not be less than 100% or 85% of the estimated fair value of the shares on the date of grant, respectively, and (ii) the exercise price of an ISO and NSO granted to a 10% shareholder shall not be less than 110% of the estimated fair value of the shares on the date of grant, respectively. The fair value of the shares is determined by the Board of Directors on the date of grants. Options become exercisable at the rate of no less than 20% per year over five years from the date of grants, except for options granted to officers, directors, and consultants which typically become exercisable at the rate of no less than 25% after one year and vest monthly thereafter for the next 36 months.

The following table summarized option activity under the Plan:

The aggregate intrinsic value of options outstanding at December 31, 2008 is $1.8 million. The intrinsic value of options exercisable is $1.3 million, and the intrinsic value of vested options is $1.7 million. The total intrinsic value of options exercised was $1.4 million, $229,000, and $7,000 for the years ended December 31, 2008, 2007 and 2006, respectively.

Included in the above table are non-employee stock options granted in the years ended December 31, 2008, 2007, and 2006 of 10,000, 760,000, and 20,000, respectively. The Company had non-employee stock options outstanding of 160,000, 500,000 and 40,000 at weighted average exercise prices of $0.21, $0.42 and $0.075 at December 31, 2008, 2007, and 2006, respectively. The non-employee options outstanding had a weighted average remaining contractual term of 5.08 years at December 31, 2008.

In addition, not included in the table were shares of non-employee stock options granted outside the 2003 Equity Incentive Plan in the years December 31, 2008 and 2007 of 100,000 and 850,000, respectively. The Company had 200,000 non-employee Common Stock options outstanding at a weighted average exercise price of $0.60 at December 31, 2008 and 2007, respectively. Of this amount, 75,000 shares were vested, 200,000 options were outstanding and 100,000 options were cancelled as of December 31, 2008. These non-employee options outstanding were at weighted average exercise price of $0.60 at December 31, 2008 and had a weighted average remaining contractual term of 8.4 years at December 31, 2008.

In October 2008, the Company modified the vesting of 1,530,169 stock options granted during the years ended December 31, 2008 and 2007. This transaction was accounted for as a modification in accordance with SFAS No. 123R and did not have a material impact on the Company's consolidated balance sheet, statements of operations or cash flows.

Adoption of SFAS No. 123R

The Company adopted SFAS No. 123R on January 1, 2006. Under SFAS No. 123R, the Company estimated the fair value of each option award on the grant date using the Black-Scholes option valuation model and the weighted average assumptions noted in the following table.

	Year Ended December 31, 2008	Year Ended December 31, 2007	Year Ended December 31, 2006
Risk-free interest rate	2.18%	4.43%	4.84%
Expected term (in years)	4.58	4.58	4.6
Expected volatility	53%	52%	54%
Dividend yield	0%	0%	0%

The Company based expected volatility on the historical volatility of a peer group of publicly traded entities. The expected term of options was determined based on the provisions of Staff Accounting Bulletin Nos. 107 and 110. The risk-free interest rate for the expected term of the option is based on the U.S. Treasury Constant Maturity rate as of the date of grant.

SFAS No. 123R requires nonpublic companies that used the minimum value method under SFAS No. 123 to apply the prospective transition method of SFAS No. 123R. Prior to adoption of SFAS No. 123R, the Company used the minimum value method and it therefore has not restated its financial results for prior periods. Under the prospective method, stock-based compensation expense for the year ended December 31, 2006 includes compensation expense for (i) all new stock-based compensation awards granted after January 1, 2006 based on the grant-date fair value estimated in accordance with the provisions of SFAS No. 123R and (ii) awards outstanding as of December 31, 2005 that were modified after the adoption of SFAS No. 123R. Unmodified awards granted prior to, but not vested as of December 31, 2005 continue to be accounted for under APB No. 25

The Company calculated employee stock-based compensation expense recognized in the year ended December 31, 2008 based on awards ultimately expected to vest and reduced it for estimated forfeitures. SFAS No. 123R requires forfeitures to be estimated at the time of grant and revised, if necessary, in subsequent periods if actual forfeitures differ from those estimates.

The following table summarizes the consolidated stock-based compensation expense by line items in the consolidated statement of operations:

	Year Ended December 31, 2008	Year Ended December 31, 2007	Year Ended December 31, 2006
Cost of Sales	$ 26	$ -	$ -
Research and development	125	95	17
Sales and Marketing	22	20	3
General and administrative	264	83	3
Total stock-based compensation expense	$ 437	$ 198	$ 23

Consolidated net cash proceeds from option exercises were $272,000 for the year ended December 31, 2008. The Company realized no income tax benefit from stock option exercises during the year ended December 31, 2008 due to recurring losses and valuation allowances. As required, the Company presents excess tax benefits from the exercise of stock options, if any, as financing cash flows rather than operating cash flows.

At December 31, 2008, 2007 and 2006, the Company had $979,000, $1,061,000 and $206,000 respectively of total unrecognized compensation expense under SFAS No. 123R, net of estimated forfeitures, related to stock option plans that will be recognized over a weighted-average period of 3.22 years.

Non-employee Stock Options

During the years ended December 31, 2008 and 2007, the Company granted options to purchase 110,000 and 860,000 shares, respectively, of Common Stock to non-employees at an exercise price ranging from $0.20 to $0.90 and with a contractual term ranging from seven to ten years. The Company determined the estimated fair value of these options on the grant date using the Black Scholes option pricing model and the following assumptions for the periods ending December 31, 2008 and 2007, respectively: dividend yield of 0% and 0%, expected volatility of 53% and 55%, risk-free interest rate of 4.10% and 4.43% and contractual life ranging from seven to ten years. The Company accounts for stock options, which vest over the service period, using the variable accounting model and re-measures them to their estimated fair value each accounting period. Compensation expense related to options granted to non-employees was $44,000, $60,000, and $0 for the years ended December 31, 2008, 2007, and 2006, respectively.

12. Income Taxes

No provision for U.S. income taxes has been made due to cumulative losses since the commencement of operations.

A provision for income taxes of $97,000, $110,000 and $100,000 has been recognized for the year ended December 31, 2008, 2007 and 2006, respectively, related to the Company's subsidiaries located in the U.K. and Taiwan.

Deferred Tax Assets

(In thousands)	December 31, 2008	December 31, 2007
Deferred tax assets:		
Net operating loss carryforwards	$ 79,386	$ 51,758
Research and development credits	9,218	6,606
Depreciation and Amortization	-	545
Allowance and Others	1,000	386
Total Deferred Tax Assets	89,604	59,296
Valuation allowance	(89,173)	(59,296)
Deferred tax liabilities:	431	-
Depreciation and Amortization	(342)	-
Net Deferred Tax Assets	$ 89	$ -

Management believes that based on a number of factors, it is more likely than not that the deferred tax assets will not be realized, such that a full valuation allowance is required against all U.S. deferred tax assets.

At December 31, 2008, the Company has approximately $202 million of federal and $178 million of California operating loss carry-forwards available to offset future taxable income which expire in varying amounts beginning in 2024 for federal and 2019 for state if unused. Additionally, the Company has research and development tax credits of approximately $5.4 million and $5.7 million for federal and state income tax purposes, respectively. If not utilized, the federal carry-forwards will expire in various amounts beginning in 2019, and the state credits can be carried forward indefinitely.

Federal and state laws impose substantial restrictions on the utilization of net operating loss and tax credit carryforwards in the event of an "ownership change," as defined in Section 382 of the Internal Revenue Code. The Company has not yet determined whether an ownership change occurred due to significant stock transactions in each of the reporting years disclosed. If an ownership change occurs, utilization of the net operating loss and tax credit carryforwards could be significantly reduced.

13. Employee Benefit Plans

The Company sponsors a 401(k) defined contribution plan covering all employees. Contributions made by the Company are determined annually by the Board of Directors. There were no contributions to the plan from inception through December 31, 2008.

14. Commitments

Operating Lease

The Company leases office space under non-cancelable operating leases with various expiration dates through August 2016. Rent expense for the periods ended December 31, 2008, 2007, and 2006 was $1.5 million, $2.2 million and $668,000 respectively.

Capital Lease

The Company has entered into various agreements to lease equipment under capital leases over terms between 12 and 60 months. The equipment under the leases are collateral for the lease obligations and are included within property and equipment, net on the consolidated balance sheet in the categories computer equipment and software and office furniture and equipment.

Less: Amounts representing interest not yet incurred		88
Present value of capital lease obligations		1,229

Non-cancellable inventory and service related purchase commitments outstanding as of December 31, 2008, amount to $20.5 million, all of which are required to be settled in 2009.

At December 31, 2008 the Company has received refundable membership fees of $48.0 million from subscribers.

In addition, pursuant to the Company's supply agreement with Group Lotus plc, once the start of production has occurred, as defined in the supply agreement and as agreed between the parties, the Company is required to purchase a minimum of 1,700 partially assembled vehicles over the three year term of the agreement (325 in year one, 500 in year two, and 875 in year three) regardless of whether the Company is able to market and distribute the Tesla Roadster. Based on exchange rates for the British pound as of December 31, 2008 and the most recent price per vehicle, the Company's estimate of the purchase obligation for the remaining minimum is approximately $36.4 million.

The Company also has an obligation under a license agreement with AC Propulsion, Inc. (ACP) (See Note 6). ACP will be paid a royalty on vehicle sales by the Company through December 31, 2014. The royalty will equal 0.25% of the vehicle's manufacturer suggested retail price for every qualifying vehicle sold. The Company has the right to pay a lump sum equal to $5 million, minus royalties paid to date, in lieu of all future royalties at any time.

15. Subsequent Events

The total amount of convertible notes payable issued under this facility was $40.0 million. See Note 8, "Convertible Notes Payable" for additional information.

Development Agreement

The Company had started these services in 2008 and had deferred $10.2 million of revenue at December 31, 2008 as the arrangement had not yet been finalized. Zero-Emission Vehicle Credits Agreement
In February 2009, the Company signed a ZEV credit agreement to sell and transfer credits in eligible states for 2009 and subsequent model year vehicles to a third party automobile manufacturer during the period January 1 2009 to June 30 2010. The agreement includes a minimum purchase commitment by the third party automobile manufacturer and allows for the opportunity to purchase any additional ZEV credits above the minimum purchase commitment for the term of the arrangement.

We market and sell the Tesla Roadster directly to consumers. These sales take place primarily in our stores; however, a portion of this business is conducted via the phone and internet. We currently operate facilities in the United States, Germany, France, and the United Kingdom. [redacted]

Our stores are also the primary locations where we perform warranty and service repairs. We have recently deployed mobile service units, known as the Tesla Rangers, to perform service work in remote locations or at a customer's residence or place of business. [redacted]

[redacted] As the first company to produce a federally-compliant, 100% electric vehicle that achieves a 200+ mile range on one charge, we have been able to generate significant media coverage of the company and our vehicles and we believe we will continue to do so. [redacted] Recently, however, we have begun utilizing traditional advertising, including product placement in a variety of media outlets and pay-per-click advertisements on websites and applications relevant to our target demographics. Our marketing efforts also include events where our vehicles are displayed and demonstrated. These events range from widely attended public events, such as the Detroit, Los Angeles, and Frankfurt auto shows, to smaller events oriented towards sales, such as private drive events. Our corporate website, www.teslamotors.com, is also a key element of our marketing efforts and offers information about our company and our vehicles. [redacted]

The included projections for the cost of [redacted] are estimations that we have produced in good faith. [redacted]

Corporate Governance

We have corporate governance in place that is customary for similarly-situated private companies and have taken additional steps to ensure that we will be compliant with the SEC rules for a public company upon the completion of our planned initial public offering. Our board of directors has previously established an audit committee and a compensation committee and, upon the completion of our planned initial public offering, our board will also have a nominating and governance committee. In December 2009, new charters were adopted for each of these committees that will be in effect upon the completion of our initial public offering.

The audit and compensation committees will continue to function while we are still a private company. Each of these committees is comprised solely of non-employee directors. A summary of the composition and responsibilities of each such committee is set forth below.

Director Independence
In connection with our planned initial public offering, each member of our board of directors completed a director and officer questionnaire regarding, among other issues, matters related to such director's independence. Based upon its review and evaluation of these completed questionnaires, the board determined that all directors other than Elon Musk, Kimbal Musk and Herbert Kohler qualified as independent directors.

Audit Committee
Our audit committee is comprised of Brad Buss, Antonio Gracias and Steve Jurvetson each of whom is a non-employee member of our board of directors. Mr. Buss is the chairperson of our audit committee. The audit committee typically convenes a few days prior to each Board meeting and has met more frequently recently in preparation for filing the S-1. Our audit committee is responsible for, among other things:

- reviewing and approving the selection of our independent auditors, and approving the audit and non-audit services to be performed by our independent auditors;
- monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters;
- reviewing the adequacy and effectiveness of our internal control policies and procedures; and
- discussing the scope and results of the audit with the independent auditors and reviewing with management and the independent auditors our interim and year-end operating results.

Our audit committee charter, as currently in effect, is attached as an annex to this Business Plan. As the company grows in size and complexity, it will consider establishing an internal audit function which will report to the Audit Committee, with the goal to improve overall internal controls.

Compensation Committee
Our compensation committee is currently comprised of Brad Buss, Ira Ehrenpreis and Antonio Gracias. Mr. Ehrenpreis is the chairperson of our compensation committee. The compensation committee has held multiple meetings in 2009. The committee is responsible for, among other things:

- overseeing our compensation policies, plans and benefit programs;
- reviewing and approving for our executive officers: the annual base salary, bonus arrangements, equity compensation, employment agreements, severance arrangements and change in control arrangements, and any other benefits, compensations or arrangements;
- assisting the Board in the administration of our equity compensation plans.

Our compensation committee has been functioning based on the above guidelines but does not presently have a charter. At the next Board meeting, the Company plans to ask the Board to adopt a compensation committee charter substantially in the form included in the annex.

Succession Planning:
The Board will periodically review the succession planning for the Chief Executive Officer and other executive officers. It may consider setting up a sub-committee to focus on this effort. The role of the sub-committee may include using search firms, reporting its findings and recommendations to the Board, and working with the Board in evaluating potential successors to these executive management positions.

Update to Tesla Business Plan

Several positive developments have occurred in our business since June 2009 when the Conditional Commitment letter was signed between Tesla and the Department of Energy for a $465M loan under the Advanced Technology Vehicle Manufacturing (ATVM) program.

Foreign Exchange Strategy

[See attached]

Tesla Motors, Inc.
Foreign Exchange (FX) Risk Management Policy
Dec 5, 2008

I. Purpose:

The purpose of this document is to establish **Tesla Motors'** (the Company's) Policy for the management of corporate foreign exchange risk by defining its exposures, measuring them, and defining appropriate actions to control the risk. Furthermore, this Policy is in place to minimize the income statement impact of fluctuating foreign currency exchange rates that can adversely impact revenues and expenses.

II. Definitions:

Economic Exposure: is the unexpected change between anticipated net cash flow in currencies other than the US Dollar and the actual results that are entered on the company's consolidated financial statements. It encompasses transaction and translation exposures, as well as exposures not explicitly recognized in financial statements. Economic exposures would indicate anticipated accounts receivable and accounts payable that are not priced in US Dollars, with respect to which the Company cannot adjust the pricing or costs in time to eliminate an exchange gain/loss. In essence, economic risk concerns the impact that exchange rates can have on future operations.

(b) (4) [redacted]

Transaction Exposure: is the net cash flow in currencies other than the US Dollar between the time the transaction is entered on the Company's financial statements and the time the actual cash payment is made. It refers to changes in USD value of non-functional-currency-denominated monetary assets and liabilities subject to FAS 52 re-measurement, firm commitments, and anticipated/forecast cash flows, due to currency fluctuations between the time an exposure is identified and settles. Examples of transaction exposures include:

- Non-functional currency accounts receivable and payable;
- Non-functional currency inter-company loans, with maturities of less than 12 months;
- Non-functional currency sales and purchase orders; and,
- Highly probable but not yet booked (e.g., forecast or budgeted) non-functional currency revenues and/or expenses.
- Foreign currency gains/losses on monetary assets and liabilities due to changes in spot exchange rates during a reporting period pass to earnings that period.

Gains/losses on firm commitments and forecast transactions do not pass to earnings, but represent true economic exposure for the firm.

Translation Exposure: occurs from the need to convert foreign currency financial statements into US Dollars for consolidation purposes. The conversion from local currency to the USD for subsidiaries whose functional currency is the US Dollar results in exchange gains and losses (translation adjustments) that are included in income.

The conversion for subsidiaries whose functional currency is their local currency results in translation adjustments that are recorded to equity.

Functional Currency: is an accounting term that is outlined in Financial Accounting Standard 52 and defines the currency in which an entity's financial statements shall be measured before being restated into US Dollars.

The approximate total Rentable Area of the Premises is specified in Article 1, and shall not be subject to adjustment by either Landlord or Tenant during the Term. The buildings located at the Premises are sometimes referred to herein as the "***Buildings***".

2.2. Parking. Tenant shall have the right to use, at no additional cost, all of the parking spaces located in the parking areas of the Premises (the "***Parking Area***"). Landlord may elect in its sole discretion to allow Tenant a license to use portions of the Service Yard, subject to terms and conditions to be determined by Landlord.

Except as otherwise expressly provided in Section 8.1 and 9.1 below, Tenant does not rely on, and Landlord does not make, any express or implied representations or warranties as to any matters including, without limitation, (a) the physical condition of the Premises, the Buildings, the Building Structure, or the Building Systems (including, without limitation, the indoor air quality), (b) the existence, quality, adequacy or availability of utilities serving the Premises, (c) the size of the Premises or the Buildings, (d) the use, habitability, merchantability, fitness or suitability of the Premises for Tenant's intended use, (e) the likelihood of deriving business from Tenant's location or the economic feasibility of Tenant's business, (f) Hazardous Materials on, in, under or around the Premises, (g) zoning, entitlements or any Applicable Laws which may apply to Tenant's use of the Premises or business operations, or the Premises' compliance with Applicable Laws, or (h) any other matter. Tenant has satisfied itself as to such suitability and other pertinent matters by Tenant's own inquiries and tests into all matters relevant in determining whether to enter into this Lease. Subject to the provisions of Section 9.1, Tenant accepts the Premises (including the Building Systems) in its existing "as-is" condition. Tenant shall, by entering into and occupying the Premises, be deemed to have accepted the Premises and to have acknowledged that the same are in good order, condition and repair. Without limiting the foregoing, Tenant acknowledges the Premises are being delivered to Tenant in a post-demolition state in anticipation of the commencement of the Tenant Improvement Work and that potential physical hazards may be present. Tenant agrees to cause all of Tenant's Agents to observe best safety practices while on the Premises (e.g. wearing hard hats and eye protection, utilizing flashlights, etc.) during the performance of the Tenant Improvement Work. Upon the Commencement Date, Tenant shall execute and deliver to Landlord the acceptance form attached hereto as **Exhibit B**; provided that Tenant's failure to do so shall not be deemed a failure of acceptance or delay the Commencement Date.

4. TERM

4.1. Term. The Premises are leased for a term (the ***"Term"***) commencing on the date Landlord delivers to Tenant possession of the Initial Space (as defined in Section 4.2), which shall occur pursuant to Sections 4.4 and/or 4.5 (the ***"Commencement Date"***), and ending on the Expiration Date, or such earlier date on which this Lease terminates pursuant to its terms. The date upon which this Lease actually terminates, whether by expiration of the Term or earlier termination pursuant to the terms of this Lease, is sometimes referred to in this Lease as the ***"Termination Date"***.

4.2. Failure to Deliver Possession. If for any reason Landlord cannot deliver possession of the Premises to Tenant on the Scheduled Commencement Date, then (a) the validity of this Lease and the obligations of Tenant under this Lease shall not be affected by any such delay in delivery, nor shall any such delay result in any extension of the Expiration Date, and (b) Tenant shall have no claim against Landlord arising out of Landlord's failure to deliver possession of the Premises on the Scheduled Commencement Date. Notwithstanding the foregoing, the parties agree and acknowledge that Tenant initially intends to occupy approximately 217,000 square feet of Rentable Area consisting of the ground floor of Building 25 and the basement, ground floor and second floor of Building 26 (collectively, the ***"Initial Space"***), and in the event Landlord does not deliver the Initial Space by October 1, 2009, Tenant may terminate this Lease by written notice to Landlord delivered no later than October

31, 2009, whereupon any consideration paid to Landlord by Tenant shall be returned to Tenant, and thereafter the parties shall have no further rights or obligations under this Lease. In the event of any delay in the delivery of the Initial Space caused by Landlord that does not result in the termination of this Lease, the Term of this Lease shall be reduced by the number of days delivery is delayed, the Commencement Date shall be the date of actual delivery of possession of the Initial Space and the Expiration Date shall not be changed or extended. In such event, Tenant shall retain the benefit of the full Free Rent Period described in Article 1, but the Base Rent for the remainder of the Term shall be modified so that each day of delay in the commencement of this Lease shall result in a one-day reduction in the Initial Base Rent Period. By way of example only, if there is a five (5) day delay in the delivery of the Initial Space, and the Commencement Date is August 6, 2009, the Free Rent Period will run from August 6, 2009 through February 5, 2011, but the Initial Rent Period will remain in effect only through January 31, 2013. No extension of free rent or termination right shall result from any delay in the delivery of the remaining space on the Premises.

4.3. Early Access. Tenant shall have the right upon twenty-four (24) hours prior notice to Landlord to enter upon the Premises prior to the Commencement Date for purposes of designing the Tenant Improvement Work, provided that Tenant shall not interfere with Landlord's performance of Landlord's Work and all such early entry shall be subject to the terms and conditions of this Lease and of that certain Access Agreement between the parties dated as of June 10, 2009, except for the obligation to pay Rent hereunder.

4.4. Air Quality Contingency. Prior to the Commencement Date, Landlord will perform indoor air quality sampling in the ground floor of Buildings 25 and the basement of Building 26, and Landlord will provide the results of such testing to Tenant. If the testing reveals the presence of volatile organic compounds at concentrations exceeding the environmental screening levels for commercial buildings (the ***"Indoor Air Screening Level"***), as established by the California Regional Water Quality Control Board (***"RWCQB"***), Landlord shall have the right to either terminate this Lease upon written notice to Tenant delivered within five (5) Business Days after delivery of the results to Tenant, or to undertake such commercially reasonable remediation efforts as Landlord determines in order to remediate the indoor air quality of any Building exceeding the Screening Level. If Landlord undertakes such remediation, upon completion of the remediation Landlord shall retest the Buildings and provide the results of such subsequent testing to Tenant. If any such retesting reveals that the affected Building(s) still exceed the Indoor Air Screening Level, Landlord may elect to terminate this Lease rather than deliver possession of the Premises to Tenant. If Landlord does not so elect, Landlord shall deliver possession of the Premises to Tenant, and the date of such delivery shall be the Commencement Date. In such event, Tenant may terminate this Lease within ten (10) Business Days after the Commencement Date. If this Lease is terminated by either party, neither party shall have any further rights or obligations hereunder. In the event this Lease is not terminated pursuant to this Section, Landlord shall have no further obligations during the Term with respect to the indoor air quality of the Buildings.

4.5. Wipe Sampling Contingency. Prior to the Commencement Date, Landlord will perform wipe sampling for analysis of selected metals on surfaces in multiple locations in the interstitial and attic levels in Buildings 25 and the basement, interstitial and attic levels of Building 26, and Landlord will provide the results of such testing to Tenant. If the testing reveals the presence of metals at concentrations exceeding screening criteria developed by the California Department of Toxic Substances Control personnel (*Human Health Risk Evaluation of Structural Surfaces Contaminated with Metals*, presented at the Society of Toxicology Meeting, Salt Lake City, Utah, March 2003) for commercial buildings (the ***"Wipe Sampling Screening Level"***), Landlord shall have the right to either terminate this Lease upon written notice to Tenant delivered within five (5) Business Days after delivery of the results to Tenant, or to undertake such commercially reasonable remediation efforts as Landlord determines in order to remediate the surfaces of any Building exceeding the Wipe Sampling

Screening Level. If Landlord undertakes such remediation, upon completion of the remediation Landlord shall retest the Buildings and provide the results of such subsequent testing to Tenant. If any such retesting reveals that the affected Building(s) still exceed the Wipe Sampling Screening Level, Landlord may elect to terminate this Lease rather than deliver possession of the Premises to Tenant. If Landlord does not so elect, Landlord shall deliver possession of the Premises to Tenant, and the date of such delivery shall be the Commencement Date. In such event, Tenant may terminate this Lease within ten (10) Business Days after the Commencement Date. If this Lease is terminated by either party, neither party shall have any further rights or obligations hereunder. In the event this Lease is not terminated pursuant to this Section, Landlord shall have no further obligations during the Term with respect to the presence of the tested metals in any of the Buildings.

4.6. Renewal Options. Tenant shall have two (2) consecutive options (respectively, the ***"First Renewal Option"*** and the ***"Second Renewal Option"*** and collectively, the ***"Renewal Options"***) to extend the Term of this Lease. Each Renewal Option shall be for a term of twenty-four (24) months (respectively, the ***"First Renewal Term"*** and the ***"Second Renewal Term"*** and collectively, the ***"Renewal Terms"***). Any Renewal Option shall be void if an Event of Default by Tenant exists, either at the time of exercise of the Renewal Option or the time of commencement of the Renewal Term. Each Renewal Option must be exercised, if at all, by written notice from Tenant to Landlord given not less than twelve (12) months prior to the expiration of the then current Term. Landlord shall have the right to cancel any Renewal Option in the event Landlord intends to redevelop the Premises, which shall be demonstrated by a submittal of redevelopment plans to the City of Palo Alto at any time during the Term; provided that Landlord delivers written notice to Tenant of Landlord having made such submittal within thirty (30) days after Landlord's receipt of Tenant's notice exercising its Renewal Option. The Renewal Terms shall be upon the same terms and conditions as set forth in this Lease, except that the monthly Base Rent payable hereunder shall be as follows:

Renewal Term	Monthly Base Rent
First Renewal Term:	
2/1/16-1/31/17	$195,000
2/1/17-1/31/18	$200,000
Second Renewal Term:	
2/1/18-1/31/19	$205,000
2/1/19-1/31/20	$210,000

Tenant shall not be entitled to any tenant improvement allowance during any Renewal Term. From and after the exercise of each Renewal Option (a) all references to "Expiration Date" shall be deemed to refer to the last day of the applicable Renewal Term, and (b) all references to "Term" shall be deemed to include the applicable Renewal Term. The Renewal Options are personal to Tenant and shall be inapplicable and null and void if Tenant assigns its interest under this Lease to any Transferee other than a Permitted Transferee. Tenant's right to exercise the Second Renewal Option is contingent on Tenant having exercised the First Renewal Option.

5. RENT

5.1. Base Rent. Commencing upon the Commencement Date, and thereafter during the Term, Tenant shall pay to Landlord the monthly Base Rent specified in Article 1 on or before the first day of each month, in advance, at the address specified for Landlord in Article 1, or at such other place as Landlord designates in writing, without any prior notice or demand and without any deductions or setoff whatsoever (except as otherwise expressly provided in this Lease). If the Commencement Date occurs on a day other than the first day of a calendar month, or the Termination Date occurs on a day other than the last day of a calendar month, then the Base Rent for such fractional month will be prorated on the basis of the actual number of days in such month. The Rentable Area of the Premises shall be conclusively presumed to be as stated in Article 1.

5.2. Additional Rent. All sums due from Tenant to Landlord or to any third party under the terms of this Lease (other than Base Rent) shall be additional rent (***"Additional Rent"***), including without limitation all sums incurred by Landlord due to Tenant's failure to perform its obligations under this Lease. Tenant's obligation to pay Additional Rent shall commence on the Commencement Date. All Additional Rent that is payable to Landlord shall be paid at the time and place that Base Rent is paid, unless otherwise specifically provided in this Lease. Landlord will have the same remedies for a default in the payment of any Additional Rent as for a default in the payment of Base Rent. Together, Base Rent and Additional Rent are sometimes collectively referred to in this Lease as ***"Rent"***.

5.3. Late Payment. Tenant recognizes that late payment of any Rent will result in administrative expense to Landlord, the extent of which expense is difficult and economically impracticable to determine. Therefore, Tenant agrees that if Tenant fails to pay any Rent within five (5) days after its due date, an additional late charge of five percent (5%) of the sums so overdue shall become immediately due and payable, and unpaid Rent shall thereafter accrue interest at the Interest Rate until paid. Tenant agrees that the late payment charge is a reasonable estimate of the additional administrative costs and detriment that will be incurred by Landlord as a result of such failure by Tenant. In the event of nonpayment of interest or late charges on overdue Rent, Landlord shall have, in addition to all other rights and remedies, the rights and remedies provided in this Lease and by law for nonpayment of Rent. Notwithstanding the foregoing, Landlord will not assess a late charge or interest payment until Landlord has given written notice of such late payment for the first late payment in any twelve (12) month period and after Tenant has not cured such late payment within three (3) days from receipt of such notice. No other notices will be required during the following twelve (12) months for a late charge and interest to be incurred.

5.4. Security Deposit. Concurrently with the execution of this Lease, Tenant shall deliver to Landlord the Security Deposit described in Article 1 in the form of a letter of credit. The Security Deposit shall be payable upon any of the occurrences described in this Section. The Security Deposit shall be held by Landlord as security for the faithful performance of this Lease by Tenant of all of the terms, covenants and conditions of this Lease.

(a) If there is an Event of Default by Tenant with respect to any provisions of this Lease (including but not limited to the payment of Rent); if Tenant files a petition in bankruptcy, insolvency, reorganization, dissolution or liquidation under any law; makes an assignment for the benefit of its creditors; consents to or acquiesces in the appointment of a receiver of itself or the Premises, or if a court of competent jurisdiction enters an order or judgment appointing a receiver of Tenant or the Premises; or if a court of competent jurisdiction enters an order or judgment approving a petition filed against Tenant under any bankruptcy, insolvency or liquidation law, then in any such case Landlord may, without waiving any of Landlord's other rights or remedies under this Lease, apply the Security Deposit in whole or in part to remedy any failure by Tenant to pay any sums due under this Lease, to repair or

maintain the Premises, to perform any other terms, covenants or conditions contained in this Lease, to compensate Landlord for any loss or damages which Landlord may suffer as a result thereof, including without limitation any lost rent to which Landlord is entitled in the event the Lease terminates or is rejected as a result of any of the foregoing. Should Landlord so apply any portion of the Security Deposit, Tenant shall replenish the Security Deposit to the original amount within ten (10) days after written demand by Landlord.

(b) Landlord shall not be required to keep the Security Deposit separate from its general funds, and Tenant shall not be entitled to interest on the Security Deposit. If Tenant has fully complied with all of the terms, covenants and conditions of this Lease, the Security Deposit (less any amount previously refunded or applied to cleaning, repairing damage to the Premises caused by Tenant or otherwise applied in accordance with the provisions of this Lease) shall be returned to Tenant within thirty (30) days after the Expiration Date and after delivery of possession of the Premises to Landlord in the manner required by this Lease. In the event of any Assignment of this Lease by Tenant, such Assignment shall be deemed to include an assignment of Tenant's rights to recover the Security Deposit, and Landlord's agreement to return the Security Deposit shall run only to Tenant's assignee and not to the original Tenant. Tenant hereby expressly waives the provisions of California Civil Code Section 1950.7 except for 1950.7(b) or under any similar law, statute or ordinance now or hereafter in effect.

(c) The letter of credit that Tenant uses as the Security Deposit shall be issued by a money-center bank (a solvent, nationally recognized bank with a long term rating of BBB, or higher, under the supervision of the Superintendent of Banks of the State of California, or a national banking association, which accepts deposits, maintains accounts, has a local California office which will negotiate a letter of credit, and whose deposits are insured by the FDIC) reasonably approved by Landlord (the ***"L-C Bank"***) and shall be in a form that is acceptable to Landlord in Landlord's reasonable discretion. The L-C Bank shall be a bank that accepts deposits, maintains accounts, has a local Santa Clara County office that will negotiate the letter of credit, or if no local office then the letter of credit shall provide for draws by Landlord upon delivery of the written draw request by courier or by fax (to be confirmed by telephone and with original to follow within three (3) Business Days) and payment to be made by wire transfer to Landlord's account as directed by Landlord upon receipt of the original or fax request. If Landlord notifies Tenant in writing that the L-C Bank that issued the letter of credit has become financially unacceptable, then Tenant shall have thirty (30) days to provide Landlord with a substitute letter of credit complying with all of the requirements hereof and issued by a L-C Bank reasonably approved by Landlord. In addition, if the L-C Bank is declared insolvent by the FDIC or otherwise closes, Tenant shall immediately provide Landlord with cash in the amount of the Security Deposit or a substitute letter of credit complying with all of the requirements hereof and issued by a L-C Bank reasonably approved by Landlord. If Tenant does not so provide Landlord with cash in the amount of the Security Deposit or a substitute letter of credit within the applicable time period, such failure shall constitute an Event of Default hereunder and, in addition to any other rights or remedies available hereunder, Landlord shall have the right to draw upon the current letter of credit. Tenant shall pay all expenses, points, or fees incurred by Tenant in obtaining or extending the letter of credit. The letter of credit shall be available by draft at sight, subject only to receipt by the L-C Bank of a statement from Landlord certifying that an Event of Default or other matter allowing Landlord to draw upon the Security Deposit under the terms of this Lease has occurred. The letter of credit shall: (i) name Landlord as beneficiary; (ii) allow Landlord to make partial and multiple draws thereunder up to the face amount, as determined by Landlord in its sole discretion; and (iii) provide that Landlord can freely transfer it upon an assignment or other transfer of its interest in the Lease to the assignee or transferee, without charge to Landlord and without recourse, and without having to obtain the consent of Tenant or the L-C Bank. If transfer fees are assessed as a result of any transfer of the letter of credit by Landlord, Tenant shall pay such fees. Tenant shall cause the letter of credit to be transferred to Landlord's assignee or transferee within ten (10) Business Days after Landlord's

written request, subject to Landlord surrendering the original letter of credit if a replacement letter of credit will need to be obtained. The letter of credit shall by its terms expire not less than one (1) year from the date issued, and shall provide for automatic one (1) year extensions unless Landlord is notified in writing not less than sixty (60) days prior to such expiration from the L-C Bank that the letter of credit will not be extended. In any event, unless Tenant deposits with Landlord a comparable cash Security Deposit or a replacement letter of credit, said letter of credit shall be renewed by Tenant for successive periods of not less than one (1) year throughout the Term. The letter of credit shall be maintained in effect, whether through renewal or extension, for the period from the Commencement Date and continuing until the date that is thirty (30) days after the Expiration Date. Tenant's failure to so deliver, renew (including specifically but not limited to the delivery to Landlord of such renewal not less than thirty (30) days prior to expiration of the letter of credit) and maintain such letter of credit, shall be an Event of Default and shall entitle Landlord to draw upon such letter of credit. If any portion of the letter of credit is drawn upon, Tenant shall, within ten (10) days after written demand therefor from Landlord, reinstate the letter of credit to the amount then required under this Lease, and Tenant's failure to do so shall be an Event of Default. The letter of credit shall not be mortgaged, assigned or encumbered in any manner whatsoever by Tenant without the prior written consent of Landlord.

(d) If Tenant receives a written commitment letter from the United States Department of Energy for funding under its Advanced Technology Vehicle Manufacturing Loan Program for the power train facility and production of EV power train components in an amount no less than Seventy-Five Million Dollars ($75,000,000, and Landlord receives the Rent owed by Tenant under this Lease for the nineteenth (19th) month of the Term, the Security Deposit shall be reduced to One Hundred Sixty-Five Thousand Dollars ($165,000). Landlord acknowledges that the loan will be funded based upon costs incurred and will have a draw down period of approximately three years.

6. USE OF PREMISES AND CONDUCT OF BUSINESS

6.1. Permitted Use. Tenant may use and occupy the Premises during the Term solely for the uses specified and permitted in Article 1 and for no other purpose without the prior written consent of Landlord, such consent to be granted or withheld in Landlord's sole and unfettered discretion. Tenant's use of the Premises shall in all respects comply with all Applicable Laws (as defined in Section 11.1).

6.2. Prohibited Uses. Tenant shall not use the Premises or allow the Premises to be used for any illegal or immoral purpose, or so as to create waste, or constitute a private or public nuisance. Tenant shall use reasonable efforts to maintain cooperative relations with the occupants of neighboring buildings, including residential neighborhoods in the vicinity of the Premises. Such cooperation shall include, as reasonably requested by Landlord (a) sending a representative to community meetings, (b) responding to complaints regarding operational issues (i.e. lighting, parking, noise, etc.), and (c) advising Tenant's employees regarding issues of concern to Tenant's neighbors. Tenant shall not use Deer Creek Road for any staging or loading purposes and shall not block or restrict traffic on Deer Creek Road at any time. Tenant shall not place any loads upon the floors, walls, or ceiling that endanger the structure, or overload existing electrical or other mechanical systems. Tenant shall not use any machinery or equipment which causes any substantial noise or substantial vibration. No waste materials or refuse shall be dumped upon or permitted to remain upon any part of the Premises or outside of the Premises except in trash containers placed inside exterior enclosures designated by Landlord for that purpose or inside of the Premises where approved by Landlord. Except as provided in Section 2.2, no materials, supplies, equipment, finished products or semi-finished products, raw materials or articles of any nature shall be stored upon or permitted to remain outside the Premises unless otherwise approved by Landlord in its sole discretion. No loudspeaker or other device, system or apparatus which can be heard outside the Premises

shall be used in or at the Premises without the prior written consent of Landlord. No explosives or firearms shall be brought into the Premises.

6.3. Governmental Authorities. Except as permitted under other provisions of this Lease, or in response to an emergency, Tenant shall not initiate any communications regarding the Premises or Tenant's use thereof, whether written or oral, with any governmental authorities without Landlord's prior written consent, which consent Landlord shall not unreasonably withhold, condition or delay. Landlord shall have the right to approve any written communications from Tenant to a governmental authority relating to the Premises or Tenant's use thereof, and shall have the right to have a representative participate in any oral communications (whether in person or by telephone). Tenant shall give Landlord no less than forty-eight (48) hours prior written notice of any proposed telephone conferences or meetings with a governmental entity in order to allow Landlord's participation. Tenant shall promptly notify Landlord of any communications otherwise permitted under this Lease or in response to an emergency. Without limiting the foregoing, the parties agree that Tenant will coordinate any applications or other filings under the National Environmental Policy Act or the California Environmental Quality Act, and the provisions of this Section shall apply to all communications with governmental authorities regarding such applications and/or filings.

7. NET LEASE; ADDITIONAL RENT

7.1. Net Lease. The Rent due hereunder shall be absolutely net to Landlord and shall be paid without assertion of any counterclaim, offset, deduction or defense and without abatement, suspension, deferment or reduction. Landlord shall not be expected or required under any circumstances or conditions whatsoever, whether now existing or hereafter arising, and whether now known or unknown to the parties, to make any payment of any kind whatsoever with respect to the Premises or be under any obligation or liability hereunder, except if and solely to the extent expressly so provided in this Lease.

7.2. Real Property Taxes. Tenant shall pay, as Additional Rent under this Lease, to the relevant authority or entity, in lawful money of the United States, without offset or deduction, prior to delinquency, all taxes, assessments, rates, charges, license fees, municipal liens, levies, excises or imposts, whether general or special, or ordinary or extraordinary, of every name, nature and kind whatsoever, including all governmental charges of every name, nature or kind that may be levied, assessed, charged or imposed or may be or become a lien or charge upon the Premises or any part thereof; or upon the rent or income of Tenant; or upon the use or occupancy of the Premises; upon any of the buildings or improvements that are or are hereafter placed upon the Premises; or upon the leasehold of Tenant or upon the estate hereby created; or upon Landlord by reason of its ownership of the fee underlying this Lease (but not including any franchise, transfer, inheritance, or capital stock taxes or income taxes measured by the net income of Landlord unless, due to a change in the method of taxation, any of such taxes is levied or assessed against Landlord as a substitute for, in whole or in part, any other tax that would otherwise be the responsibility of Tenant). If at any time during the Term, under any Applicable Laws, any tax is levied or assessed against Landlord directly, in substitution in whole or in part for real property taxes, Tenant covenants and agrees to pay and discharge such tax. All of the foregoing taxes, assessments and other charges which are the responsibility of Tenant are herein referred to as ***"Real Property Taxes."*** Tenant shall obtain and deliver to Landlord, promptly upon request therefor, satisfactory evidence of payment of all Real Property Taxes. Any Real Property Taxes relating to a fiscal period of any taxing authority, only a part of which period is included within the Term, shall be prorated as between Landlord and Tenant so that Landlord shall pay the portion thereof attributable to any period outside the Term, and Tenant shall pay the portion thereof attributable to any period within the Term.

7.3. Right to Contest Taxes. Tenant shall have the right to contest, by appropriate proceedings, the amount or validity, in whole or in part, of any Real Property Taxes;

provided that Tenant shall give Landlord prior written notice of any proposed contest, and the right to comment on any documentation Tenant proposes to submit to the County of Santa Clara. In the event the applicable taxing authority having jurisdiction over the contest proceedings allows the posting of security or some other method of deferring payment of the disputed Real Property Taxes, Tenant may do so; otherwise Tenant shall not postpone or defer payment of any disputed Real Property Taxes but shall pay such Real Property Taxes in accordance with Section 7.2 notwithstanding such contest. Landlord shall have no obligation to join in any such proceedings. Tenant shall indemnify and defend Landlord against and hold Landlord harmless from and against any and all claims, demands, losses, costs, liabilities, damages, penalties and expenses, including, without limitation, reasonable attorneys' fees and expenses, arising from or in connection with any such proceedings. The provisions of this Section shall in no way limit or supersede Landlord's right to contest Real Property Taxes applicable to the Premises, and Tenant shall reasonably cooperate with any contest by Landlord.

7.4. Insurance Costs. Tenant shall reimburse Landlord for all premiums and costs for insurance carried by Landlord on the Premises or in connection with the use or occupancy thereof (including all amounts paid as a result of loss sustained that would be covered by such policies but for deductibles or self-insurance retentions), including, but not limited to, the premiums and costs of fire and extended coverage, earthquake, flood, vandalism and malicious mischief, commercial liability and property damage, worker's compensation insurance, rental income insurance and any other insurance commonly carried by prudent owners of comparable buildings (collectively, "***Insurance Costs***"); provided, however, that Landlord may, but shall not be obligated to carry earthquake insurance on the Premises. Commencing on the Commencement Date, Tenant shall pay to Landlord as Additional Rent one twelfth (1/12) of the Insurance Costs for each calendar year or portion thereof during the Term, in advance, on or before the first day of each month in an amount estimated by Landlord as stated in a written notice to Tenant. Landlord may by written notice to Tenant revise such estimates from time to time and Tenant shall thereafter make payments on the basis of such revised estimates. With reasonable promptness after the expiration of each calendar year, Landlord will furnish Tenant with a statement setting forth in reasonable detail the actual Insurance Costs for the prior calendar year. If the actual Insurance Costs for such year exceed the estimated Insurance Costs paid by Tenant for such year, Tenant shall pay to Landlord (whether or not this Lease has terminated) the difference between the amount of estimated Insurance Costs paid by Tenant and the actual Insurance Costs within fifteen (15) days after the receipt of Landlord's statement of Insurance Costs. If the total amount paid by Tenant for any year exceeds the actual Insurance Costs for that year, the excess shall be credited against the next installments of Base Rent due from Tenant to Landlord, or, if after the Termination Date, the excess shall first be credited against any unpaid Base Rent or Additional Rent due and any remaining excess shall be refunded to Tenant concurrently with the furnishing of Landlord's statement of Insurance Costs. If either the Commencement Date or the Termination Date occurs on a date other than the first or last day, respectively, of a calendar year, Insurance Costs for the year in which the Commencement Date or Termination Date occurs shall be prorated based on a 365-day year.

7.5. Utilities. Tenant shall be solely responsible for and shall make all arrangements for all utilities and services furnished to or used at the Premises, including, without limitation, all water, gas, electricity, telephone, telecommunications and other electronic communication services or systems, landscaping, sewer service, waste pick-up, janitorial and any other materials, utilities and services.

7.6. Taxes on Tenant's Property and Business. Tenant shall pay prior to delinquency all taxes levied or assessed by any local, state or federal authority upon the conduct of Tenant's business in the Premises or upon Tenant's Property (as defined in Section 9.7) and shall deliver satisfactory evidence of such payment to Landlord. If the assessed value

of the Premises is increased by the inclusion of a value placed upon Tenant's Property, Tenant shall pay the taxes so levied.

7.7. Transit Fees. Tenant shall pay as Additional Rent under this Lease its proportionate share of the cost of any transit services or traffic mitigation programs that Landlord implements in the Stanford Research Park, including without limitation charges for service and surcharges imposed directly or indirectly on the Premises by any governmental agencies on or with respect to transit (including transit services which may be provided in the future to occupants of the Stanford Research Park) or automobile usage or parking facilities (collectively, ***"Transit Fees"***). The share of Transit Fees allocated to the Premises shall be assessed pro rata and on a non-discriminatory basis, based on a reasonable standard applied in a non-discriminatory manner by Landlord (for example, based on the rentable area of the Buildings as compared to the total rentable area of the Stanford Research Park (or the area being served by the service, if less than the entire Stanford Research Park), or based on the average employee headcount in the Buildings as compared to the overall employee density of the Stanford Research Park). Notwithstanding the foregoing, (a) no Transit Fees shall be due or payable during the first twenty-four (24) months of the Term, and (b) in no event shall Tenant's share of Transit Fees exceed ten cents ($.10) per square foot of Rentable Area in the Premises per calendar year, not to exceed Thirty-Five Thousand Dollars ($35,000) per calendar year. Transit Fees shall be paid by Tenant in the manner described above for the payment of Insurance Costs.

8. REPAIRS, MAINTENANCE AND SERVICES

8.1. Landlord's Obligations. Except as expressly provided in this Lease, Landlord shall not be required to maintain or repair the Premises or furnish any services, facilities or utilities to the Premises or to Tenant. Notwithstanding the foregoing, Landlord hereby warrants that the cooling tower, boiler, chiller and air handlers of the heating, ventilating and air conditioning system serving the following portions of the Premises: Building 25 Ground Level, Building 26 Basement Level, Building 26 Ground Level and Building 26 Upper Level (collectively, the ***"Main HVAC System Components"***) are in good operating condition. Landlord's warranty shall continue for a period of twelve (12) months after the Commencement Date (the ***"Warranty Period"***). In the event a Main HVAC System Component is in need of repair or replacement and Tenant notifies Landlord in writing of such need during the Warranty Period, Landlord shall repair or replace such Main HVAC System Component at Landlord's sole cost and expense; provided that such warranty shall not cover any repair that is attributable to misuse by Tenant or Tenant's Agents or Tenant's failure to comply with its maintenance obligations as set forth in Section 8.2 below.

8.2. Tenant's Obligations. Except as otherwise expressly provided in Section 8.1, Tenant assumes full responsibility for the condition, repair, replacement and maintenance of the Premises, including, without limitation, the exterior of the Premises, the foundation, floor/ceiling slabs, roof, curtain wall, exterior glass and mullions, columns, beams, shafts (including elevator shafts), stairs, stairwells and elevators (collectively, the ***"Building Structure"***), and all air conditioning, electricity, steam, water, heating, ventilating, mechanical, lighting, escalator and elevator systems, sanitary and storm drainage systems and all other utilities and mechanical systems (the ***"Building Systems"***). Tenant shall repair, replace and maintain the Premises (including the Building Structure and Building Systems) in good working order and in a clean, safe and sanitary condition. Tenant shall perform all such work and activities diligently and expeditiously to completion and in a manner consistent with comparable buildings located in the Stanford Research Park in Palo Alto. Without limiting the generality of the foregoing, Tenant shall implement and execute an on-going preventative maintenance program covering the heating, ventilating and air conditioning systems servicing the Premises, including the Main HVAC System Components that is consistent with best industry practices. All repairs and replacements by Tenant for which Tenant is responsible are collectively referred

to as the ***"Tenant Obligations"*** and shall be made and performed: (a) at Tenant's cost and expense, (b) by licensed and reputable contractors or mechanics approved by Landlord, (c) so that same shall be at least equal in quality, value and utility to the original work or installation, (d) in a manner and using equipment and materials that will not interfere with or impair the operation of or damage the Building Systems, and (e) in accordance with Article 9 (if applicable), and all Applicable Laws. Tenant shall reimburse Landlord within ten (10) days after written demand as Additional Rent for any out-of-pocket expenses incurred by Landlord in connection with any repairs or replacements required to be made by Tenant, including, without limitation, any reasonable fees charged by Landlord's contractors to review plans and specifications prepared by Tenant.

8.3. Security. Tenant shall be solely responsible for the security of the Premises and Tenant and Tenant's Agents while in or about the Premises. Landlord shall not be obligated to provide any security services to the Premises. Any security services provided to the Premises by Landlord shall be at Landlord's sole discretion and Landlord shall not be liable to Tenant or Tenant's Agents for any failure to provide security services or any loss, injury or damage suffered as a result of a failure to provide security services.

8.4. Landlord's Right To Perform. In the event Tenant fails to perform or adequately perform any of Tenant's Obligations as reasonably determined by Landlord, and upon fifteen (15) days written notice to Tenant, may terminate Tenant's right to perform Tenant's Obligations. In the event Landlord exercises such right, Landlord shall then assume for itself or assign to Landlord's property manager all responsibility for the performance of all such Tenant's Obligations for the remainder of the Term, and Tenant shall reimburse Landlord, as Additional Rent, for (a) the cost of performing all such Tenant's Obligations, and (b) a commercially reasonable property management fee, within twenty (20) days after receipt of an invoice from Landlord.

9. INITIAL IMPROVEMENT WORK; ALTERATIONS

9.1. Landlord's Work. Prior to delivery of possession of the Premises, Landlord shall, at its sole cost and expense, (a) complete the work described in the attached **Exhibit C** (***"Landlord's Environmental Work"***), and (b) install a new minimum 650-ton cooling tower in the Premises (with Landlord's Environmental Work, collectively, ***"Landlord's Work"***). Notwithstanding the terms hereof and of **Exhibit C**, the actual scope of Landlord's Environmental Work may be modified by Landlord as reasonably necessary to address the actual environmental condition of the Premises, but shall not be materially reduced below the scope of work set forth in **Exhibit C**. Landlord will provide to Tenant upon completion of Landlord's Environmental Work a report describing the actual scope and extent of Landlord's Environmental Work (including soil vapor testing), which report will be deemed to modify the definition of Landlord's Environmental Work for all purposes under this Lease. Without limiting the foregoing, Tenant agrees and acknowledges that after completion of Landlord's Environmental Work, certain Hazardous Materials may remain in the Buildings, as more particularly described in the attached **Schedule 9.1** (collectively, the ***"Remaining Materials"***). Landlord will deliver to Tenant a final report from Landlord's environmental consultant documenting the completion of Landlord's Environmental Work. Except for Landlord's Work and Landlord's obligations under Section 8.1, the Premises as furnished by Landlord will consist of the improvements and fixtures as they exist in the Premises on and as of the Commencement Date, and Landlord shall have no obligation for construction work or for making or installing any improvements, fixtures or equipment on, to or within the Premises.

9.2. Tenant Improvement Work. Other than Landlord's Work, Tenant shall be responsible for performing any work required to prepare the Premises for Tenant's intended purpose (the ***"Tenant Improvement Work"***). Within thirty (30) days after the execution of this Lease, Tenant shall submit to Landlord, for review and approval, detailed plans

for the Tenant Improvement Work. All Tenant Improvement Work shall be constructed at Tenant's sole cost and expense, in a good and workmanlike manner and in compliance with all Applicable Laws. Without limiting any other provision of this Lease, all of the provisions of this Article 9 and of Article 10 (Liens) shall apply to the Tenant Improvement Work. Tenant acknowledges that Landlord's Work will not be completed as of the Commencement Date. Landlord and Landlord's Agents shall not unreasonably interfere with the Tenant Improvement Work. Tenant and Tenant's Agents shall cooperate with and provide reasonable access to Landlord and Landlord's Agents to the Premises for the completion of Landlord's Work, and shall not unreasonably interfere with the completion of Landlord's Work.

9.3. Alterations by Tenant. Tenant shall not make or permit any alterations to the Building Systems, and shall not make or permit any alterations, installations, additions or improvements, structural or otherwise (collectively, ***"Alterations"***) in or to the Premises, including the Tenant Improvement Work, without Landlord's prior written consent, which Landlord shall not unreasonably withhold, condition or delay. Landlord shall respond to any request by Tenant to make any Alteration within ten (10) Days after receipt of such request for consent from Tenant, which request shall include submission of detailed plans and specifications for the Alterations and all other information reasonably required by Landlord to act on the request per the standards and requirements set forth in this Article 9. Notwithstanding the foregoing, Landlord's consent shall not be required (a) in the case of interior, cosmetic non-structural Alterations that do not require a permit, affect the Building Systems, or affect the exterior appearance of any Building; or (b) in the case of other Alterations that do not exceed a total price of One Hundred Fifty Thousand Dollars ($150,000) per project and do not affect the Building Systems or the structural integrity of any Building. All Alterations shall be done at Tenant's sole cost and expense, including without limitation the cost and expense of obtaining all permits and approvals required for any Alterations.

9.4. Project Requirements. The following provisions of this Section 9.4 shall apply to the Tenant Improvement Work and all Alterations, whether or not requiring Landlord's approval (unless otherwise noted):

(a) Prior to entering into a contract for any Tenant Improvement Work or Alterations requiring Landlord's approval, Tenant shall obtain Landlord's written approval, which approval shall not be unreasonably withheld, conditioned or delayed, of the identity of each of the design architect and the general contractor.

(b) Before commencing the construction of any Tenant Improvement Work or Alterations, Tenant shall procure or cause its general contractor to procure the insurance coverage described below and provide Landlord with certificates of such insurance in form reasonably satisfactory to Landlord. All such insurance shall comply with the following requirements of this Section and of Section 13.2.

(i) During the course of construction, to the extent not covered by property insurance maintained by Tenant pursuant to Section 13.2, comprehensive "all risk" builder's risk insurance, including vandalism and malicious mischief, excluding earthquake and flood, covering all improvements in place on the Premises, all materials and equipment stored at the site and furnished under contract, and all materials and equipment that are in the process of fabrication at the premises of any third party or that have been placed in transit to the Premises when such fabrication or transit is at the risk of, or when title to or an insurable interest in such materials or equipment has passed to, Tenant or its construction manager, contractors or subcontractors (excluding any contractors', subcontractors' and construction managers' tools and equipment, and property owned by the employees of the construction manager, any contractor or any subcontractor), such insurance to be written on a completed value basis in an amount not less than the full estimated replacement cost of the Alterations.

(ii) Commercial general liability insurance covering Tenant, Landlord and each construction manager, contractor and subcontractor engaged in any work on the Premises, which insurance may be effected by endorsement, if obtainable, on the policy required to be carried pursuant to Section 13.2, including insurance for completed operations, elevators, owner's, construction manager's and contractor's protective liability, products completed operations for one (1) year after the date of acceptance of the work by Tenant, broad form blanket contractual liability, broad form property damage and full form personal injury (including but not limited to bodily injury), covering the performance of all work at or from the Premises by Tenant, its construction manager, contractors and subcontractors, and in a liability amount not less than the amount at the time carried by prudent owners of comparable construction projects, but in any event not less than the following amounts of combined single limit coverage: One Million Dollars ($1,000,000) for projects with an estimated cost of $150,000 or less, Three Million Dollars ($3,000,000) for projects with an estimated cost above $150,000 and up to $500,000, and Five Million Dollars ($5,000,000) for projects with an estimated cost in excess of $500,000. Such policy shall include thereunder for the mutual benefit of Landlord and Tenant, bodily injury liability and property damage liability, and automobile insurance on any non-owned, hired or leased automotive equipment used in the construction of any work.

(iii) Workers' Compensation Insurance approved by the State of California, in the amounts and coverages required under workers' compensation, disability and similar employee benefit laws applicable to the Premises, and Employer's Liability Insurance with limits not less than One Million Dollars ($1,000,000) or such higher amounts as may be required by law.

(c) All construction and other work shall be done at Tenant's sole cost and expense and in a good and workmanlike manner. Tenant shall cause all work to be performed in accordance with all Applicable Laws, and with plans and specifications that are in accordance with the provisions of this Article 9 and all other provisions of this Lease.

(d) Prior to the commencement of any Alteration in excess of Twenty-Five Thousand Dollars ($25,000), Landlord shall have the right to post in a conspicuous location on the Premises and to record in the public records a notice of Landlord's nonresponsibility. Tenant covenants and agrees to give Landlord at least ten (10) days prior written notice of the commencement of any such Alteration in order that Landlord shall have sufficient time to post such notice.

(e) Tenant shall reimburse Landlord within ten (10) days after written demand as Additional Rent for any out-of-pocket expenses incurred by Landlord in connection with the Alterations (not including any Tenant Improvement Work) and/or any repairs or replacements required to be made by Tenant, including, without limitation, any reasonable fees charged by Landlord's contractors and/or consultants to review plans and specifications or working drawings prepared by Tenant. Tenant acknowledges and agrees that Landlord and Landlord's contractors and consultants, in reviewing Tenant's plans and specifications or working drawings, in granting approval for them, and in approving any work done by Tenant, owe no duty and assume no responsibility to Tenant for the design or construction of the Tenant Improvement Work or Alterations, it being expressly understood and agreed that Landlord, its contractors and consultants may, in their sole discretion, limit the scope of its review to only such matters as may appear appropriate or necessary in the interests of Landlord.

(f) Tenant shall take all necessary safety precautions during any construction.

(g) Within sixty (60) days after the Tenant Improvement Work with respect to the Premises has been substantially completed, Tenant shall, at its cost, deliver

copies of annotated plans and specifications to Landlord in hard copy and Adobe Acrobat and AutoCAD formats.

(h) Upon completion of the construction of the Tenant Improvement Work and any Alterations in excess of Twenty-Five Thousand Dollars ($25,000) during the Term, Tenant shall file for recordation, or cause to be filed for recordation, a notice of completion and shall deliver to Landlord evidence satisfactory to Landlord of payment of all costs, expenses, liabilities and liens arising out of or in any way connected with such construction (except for liens that are contested in the manner provided herein).

9.5. Communications and Computer Lines. Tenant may install, maintain, replace, remove or use any communications or computer wires and cables serving the Premises, provided that (a) Tenant shall obtain Landlord's prior written consent, use an experienced and qualified contractor approved in writing by Landlord, and otherwise comply with all provisions of this Article 9 in connection with the work.

9.6. Ownership of Improvements. Except as provided in Section 9.7, all Tenant Improvement Work, Alterations, and any other appurtenances, fixtures, improvements, equipment, additions and property permanently attached to or installed in the Premises at the commencement of or during the Term, shall at the end of the Term become Landlord's property without compensation to Tenant, or be removed in accordance with this Section. Upon written request by Tenant, Landlord shall notify Tenant in writing at the time of Landlord's approval of the Tenant Improvement Work or Alterations, as applicable, whether or not the proposed Tenant Improvement Work and/or Alterations will be required to be removed by Tenant at the end of the Term; provided that Landlord shall not require removal unless Tenant's failure to remove such Tenant Improvement Work or Alterations will, in Landlord's reasonable opinion, cause Landlord to incur additional demolition costs beyond those that would otherwise be incurred by Landlord in the ordinary course of demolition. If Tenant does not request an advance determination by Landlord, Landlord shall notify Tenant in writing prior to the Termination Date whether or not Tenant will be required to remove the Tenant Improvement Work or Tenant Alterations installed by Tenant at the end of the Term, using the same criteria as described in the previous sentence. If Landlord fails to so notify Tenant, Tenant shall not be required to remove any Tenant Improvement Work and Alterations. Tenant shall repair or pay the cost of repairing any damage to the Premises caused by the removal of Tenant Improvement Work or Alterations. If Tenant fails to perform its repair or removal obligations, without limiting any other right or remedy, Landlord may on five (5) Business Days prior written notice to Tenant perform such obligations at Tenant's expense without liability to Tenant for any loss or damage, and Tenant shall reimburse Landlord within twenty (20) days after demand for all out-of-pocket costs and expenses incurred by Landlord in connection with such repair or removal. Tenant's obligations under this Section shall survive the termination of this Lease.

9.7. Tenant's Personal Property. All furniture, trade fixtures, furnishings, equipment and articles of movable personal property installed in the Premises by or for the account of Tenant (except for ceiling and related fixtures, HVAC equipment and floor coverings, which shall become the property of Landlord at the end of the Term), and which can be removed without structural or other material damage to the Premises (collectively, ***"Tenant's Property"***) shall be and remain the property of Tenant and may be removed by it at any time during the Term. Tenant shall remove from the Premises all Tenant's Property on or before the Termination Date, except such items as the parties have agreed pursuant to the provisions of this Lease or by separate agreement are to remain and to become the property of Landlord. Tenant shall repair or pay the cost of repairing any damage to the Premises resulting from such removal, and the provisions of Section 9.6 above shall apply in the event Tenant fails to do so. Any items of Tenant's Property which remain in the Premises after the Termination Date may, on five (5) Business Days prior written notice to Tenant, at the option of Landlord, be deemed

abandoned and in such case may either be retained by Landlord as its property or be disposed of, without accountability, at Tenant's expense in such manner as Landlord may see fit.

10. LIENS

Tenant shall keep the Premises free from any liens arising out of any work performed, material furnished or obligations incurred by or for Tenant. If Tenant shall not, within twenty (20) days after notice of the imposition of any such lien, cause the lien to be released of record by payment or posting of a proper bond, Landlord shall have, in addition to all other remedies provided in this Lease and by law, the right but not the obligation to cause any such lien to be released by such means as it shall deem proper, including payment of the claim giving rise to such lien. All such sums paid by Landlord and all expenses incurred by it in connection therewith (including, without limitation, reasonable counsel fees) shall be payable to Landlord by Tenant upon demand with interest from the date incurred at the Interest Rate. Landlord shall have the right at all times to post and keep posted on the Premises any notices permitted or required by Applicable Laws or that Landlord shall deem proper for the protection of Landlord, the Premises from mechanics' and materialmen's liens, as more specifically provided in Section 9.4(d).

11. COMPLIANCE WITH LAWS AND INSURANCE REQUIREMENTS

11.1. Applicable Laws. Tenant, at Tenant's cost and expense, shall comply with all applicable laws, statutes, codes, ordinances, orders, rules, regulations, entitlements, and requirements, of all federal, state, county, municipal and other governmental authorities and the departments, commissions, boards, bureaus, instrumentalities, and officers thereof, and all administrative or judicial orders or decrees and all permits, licenses, approvals and other entitlements issued by governmental entities, and rules of common law, whether now existing or hereafter enacted (collectively, ***"Applicable Laws"***), relating to or affecting the Premises or the use, alteration, operation or occupancy of the Premises. Without limiting the foregoing, Tenant shall be solely responsible for compliance with and shall make or cause to be made all such improvements and alterations to and within the Premises (including, without limitation, removing barriers and providing alternative services) as shall be required to comply with all Applicable Laws relating to public accommodations, including the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12111 et seq. (the ***"ADA"***), and the ADA Accessibility Guidelines promulgated by the Architectural and Transportation Barriers Compliance Board, the public accommodations title of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000a et. seq., the Architectural Barriers Act of 1968, 42 U.S.C. §§ 4151 et. seq., as amended, Title V of the Rehabilitation Act of 1973, 29 U.S.C. §§ 790 et. seq., the Minimum Guidelines and Requirements for Accessible Design, 36 C.F.R. Part 1190, the Uniform Federal Accessibility Standards, and Title 24 of the California Code of Regulations, as the same may be amended from time to time, or any similar or successor laws, ordinances and regulations, now or hereafter adopted. Tenant's liability shall be primary and Tenant shall indemnify Landlord in accordance with Section 13.1 in the event of any failure or alleged failure of Tenant to comply with Applicable Laws. Any work or installations made or performed by or on behalf of Tenant or any person or entity claiming through or under Tenant pursuant to the provisions of this Section shall be made in conformity with and subject to the provisions of Article 9. Tenant shall deliver to Landlord within five (5) days of receipt, a copy of any notice from any governmental authority relating to any violation or alleged violation of any Applicable Law pertaining to the Premises or activities in, on or about the Premises.

11.2. Insurance Requirements. Tenant shall not do anything, or permit anything to be done, in or about the Premises that would: (a) invalidate or be in conflict with the provisions of or cause any increase in the applicable rates for any fire or other insurance policies covering the Premises or any property located therein (unless Tenant pays for such increased costs), or (b) result in a refusal by fire insurance companies of good standing to insure the Premises or any such property in amounts reasonably satisfactory to Landlord (which

amounts shall be comparable to the amounts required by comparable landlords of comparable buildings, or (c) subject Landlord to any liability or responsibility for injury to any person or property by reason of any business operation being conducted in the Premises. Tenant, at Tenant's expense, shall comply with all rules, orders, regulations or requirements of the American Insurance Association (formerly the National Board of Fire Underwriters) and with any similar body that shall hereafter perform the function of such Association.

12. HAZARDOUS MATERIALS

12.1. Definitions. As used in this Lease, the following terms shall have the following meanings:

(a) ***"Environmental Activity"*** means any use, treatment, keeping, storage, holding, release, emission, discharge, manufacturing, generation, processing, abatement, removal, disposition, handling, transportation, deposit, leaking, spilling, injecting, dumping or disposing of any Hazardous Materials from, into, on or under the Premises, and shall include the Exacerbation of the Pre-Existing Condition by Tenant or any of Tenant's Agents.

(b) ***"Environmental Laws"*** mean all Applicable Laws, now or hereafter in effect, relating to environmental conditions, industrial hygiene, Environmental Activity or Hazardous Materials on, under or about the Premises, including without limitation the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et seq., the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, et seq., the Solid Waste Disposal Act, 42 U.S.C. Section 6901, et seq., the Clean Water Act, 33 U.S.C. Section 1251, et seq., the Clean Air Act, 42 U.S.C. Section 7401, et seq., the Toxic Substances Control Act, 15 U.S.C. Section 2601 through 2629, the Safe Drinking Water Act, 42 U.S.C. Sections 300f through 300j, and any similar federal, state and local laws and ordinances and the regulations now or hereafter adopted and published and/or promulgated pursuant thereto.

(c) ***"Exacerbation"*** means any direct, material adverse impact on a Pre-Existing Condition. Exacerbation includes, without limitation, actions which speed, redirect or enhance the migration of groundwater contamination that is an element of the Pre-Existing Condition in a fashion that causes a material adverse impact (for example, by causing Hazardous Materials to migrate to deeper aquifers), and actions which cause damage to or limit the effectiveness of any existing remediation systems or equipment.

(d) ***"Hazardous Material"*** means any chemical, substance, medical or other waste, living organism or combination thereof which is or may be hazardous to the environment or human or animal health or safety due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects. Hazardous Materials shall include, without limitation, petroleum hydrocarbons, including MTBE, crude oil or any fraction thereof, asbestos, radon, polychlorinated biphenyls (PCBs), methane, lead, urea, formaldehyde foam insulation, microbial matter (including mold, fungus or spores) and all substances which now or in the future may be defined as "hazardous substances," "hazardous wastes," "extremely hazardous wastes," "hazardous materials," "toxic substances," "infectious wastes," "biohazardous wastes," "medical wastes," "radioactive wastes" or which are otherwise listed, defined or regulated in any manner pursuant to any Environmental Laws.

(e) ***"Tenant's Hazardous Materials"*** means any Hazardous Materials resulting from, or used in connection with, any Environmental Activity by Tenant or any of Tenant's Agents.

12.2. Environmental Releases.

(a) Landlord hereby informs Tenant that detectable amounts of Hazardous Materials have come to be located on, beneath and/or in the vicinity of the Premises, as more particularly described on the attached **Schedule 12.2(a)** (and together with the Remaining Materials, the ***"Pre-Existing Condition"***). Landlord has made available to Tenant all material documentation in Landlord's possession regarding the Pre-Existing Condition. Tenant has made such investigations and inquiries as it deems appropriate to ascertain the effects, if any, of the Pre-Existing Condition on its operations and persons using the Premises. Landlord makes no representation or warranty with regard to the environmental condition of the Premises. Except for Landlord's obligation to perform Landlord's Environmental Work and Landlord's obligations under Section 12.5(b), Tenant hereby releases Landlord and Landlord's officers, directors, trustees, agents and employees from any and all claims, demands, debts, liabilities, and causes of action of whatever kind or nature, whether known or unknown or suspected or unsuspected which Tenant or any of Tenant's Agents may have, claim to have, or which may hereafter accrue against the released parties or any of them, arising out of or relating to or in any way connected with Hazardous Materials presently in, on or under, or now or hereafter emanating from or migrating onto the Premises, including without limitation the Pre-Existing Condition. In connection with such release, Tenant hereby waives any and all rights conferred upon it by the provisions of Section 1542 of the California Civil Code, which reads as follows:

> A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

(b) Except to the extent of Tenant's indemnity as set forth in Section 12.5(a), Tenant's obligations under this Article 12, or any Exacerbation by Tenant or Tenant's Agents of the Pre-Existing Condition, Landlord hereby releases Tenant from any and all claims, demands, debts, liabilities and causes of action of whatever kind or nature, whether known or unknown or suspected or unsuspected which Landlord or any of Landlord's Agents may have, claim to have or which may hereafter accrue against the released parties or any of them, arising out of or relating to or in any way connected with Hazardous Materials presently in, on or under the Premises, including without limitation the Pre-Existing Condition. In connection with such release, Landlord hereby waives any and all rights conferred upon it by the provisions of Section 1542 of the California Civil Code, which reads as follows:

> A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

Landlord agrees that Tenant may request a "comfort" letter from the RWQCB confirming that the RWQCB will not hold Tenant liable for the Pre-Existing Condition; provided that Tenant's inability to obtain such a letter shall not result in any liability of Landlord to Tenant, or have any effect on the terms, conditions or enforceability of this Lease.

12.3. Use of Hazardous Materials. Tenant shall not cause or permit any Hazardous Materials to be used, treated, stored, transported, handled, discharged, released or disposed of in, on, from, under or about the Premises except in strict compliance with all Applicable Laws, including all Environmental Laws, and then only to the extent reasonably necessary for Tenant's permitted use of the Premises and in compliance with the provisions of this Article 12. Tenant shall not cause or permit any Hazardous Materials to be used, stored, discharged, released or disposed of in, on, from, under or about any other land or improvements

in the vicinity of the Premises. As of the Commencement Date, Tenant has provided and Landlord has approved Tenant's Hazardous Materials business plan filed with the City of Palo Alto Fire Department, a copy of which is attached as **Exhibit D** (the ***"Approved Plan"***). In no event shall Tenant bring onto the Premises any Hazardous Materials other than those listed on the Approved Plan. In the event Tenant desires to update or amend the Approved Plan, or to bring additional Hazardous Materials onto the Premises, Tenant shall obtain Landlord's prior written consent, which Landlord may withhold in its sole discretion. Landlord shall respond to Tenant's request for such consent within three (3) Business Days after receipt of such request. Without limiting the foregoing, (a) Tenant shall, at its own expense, procure, maintain in effect and comply with all conditions of any and all permits, licenses, and other governmental and regulatory approvals required for Tenant's use of Hazardous Materials at the Premises, including, without limitation, discharge of appropriately treated materials or wastes into or through any sanitary sewer serving the Premises; and (b) Tenant shall not be permitted to install any underground piping for delivery of any Hazardous Materials or other liquid or gaseous substances; it being the understanding of the parties that any such piping must be approved in writing by Landlord and must be installed above ground. Tenant shall in all respects handle, treat, deal with and manage any and all Tenant's Hazardous Materials in strict conformity with all Environmental Laws and prudent industry practices regarding management of such Hazardous Materials.

12.4. Remediation of Hazardous Materials. Tenant shall, upon demand of Landlord, and at Tenant's sole cost and expense, promptly take all actions to remediate the Premises from the effects of any Tenant's Environmental Activity. Such actions shall include, but not be limited to, the investigation of the environmental condition of the Premises (other than the Pre-Existing Condition), the preparation of any feasibility studies, reports or remedial plans, and the performance of any cleanup, remediation, containment, operation, maintenance, monitoring or restoration work with respect to Tenant's Environmental Activity, whether on or off of the Premises. Subject to the effects of the Pre-Existing Condition, Tenant shall take all actions necessary to remediate the Premises from the effects of such Tenant's Environmental Activity to a condition allowing unrestricted use of the Premises (i.e. to a level that will allow any future use of the Premises, including residential, hospital, or day care, without any engineering controls or deed restrictions), notwithstanding any lesser standard of remediation allowable under Applicable Laws. The foregoing sentence shall not be deemed to require that Tenant undertake any remediation of the Pre-Existing Condition; provided, however, that the existence of any restrictions on the use of the Premises due to the Pre-Existing Condition shall not excuse Tenant from its obligations under this Section with respect to Tenant's Environmental Activity.[1] All work shall be performed by one or more contractors selected by Tenant and reasonably approved in advance and in writing by Landlord. Tenant shall proceed continuously and diligently with such investigatory and remedial actions, provided that in all cases such actions shall be in accordance with all Applicable Laws. Any such actions shall be performed in a good, safe and workmanlike manner. Tenant shall pay all costs in connection with such investigatory and remedial activities, including but not limited to all power and utility costs, and any and all taxes or fees that may be applicable to such activities. Tenant shall promptly provide to Landlord copies of testing results and reports that are generated in connection with the above activities and any that are submitted to any governmental entity. Promptly upon completion of

[1] Tenant shall only be required to remediate any contamination resulting from Tenant's Hazardous Materials, and the standard of such remediation will be unrestricted use as defined in Section 12.4. By way of example, if Tenant 's lithium-ion cells catch fire and leak into the soil, Tenant is responsible for remediation activity to an unrestricted use standard. Tenant is not responsible for remediation of the Pre-Existing Condition, unless Tenant exacerbates the Pre-Existing Condition. If Tenant does not exacerbate the Pre-Existing Condition, Tenant has no restoration responsibilities with respect to the Pre-Existing Condition pursuant to the release set forth in Section 12.2(b) ("Environmental Release").

such investigation and remediation, Tenant shall permanently seal or cap all monitoring wells and test holes in accordance with sound engineering practice and in compliance with Applicable Laws, remove all associated equipment, and restore the Premises to the physical condition existing on the Commencement Date, which shall include, without limitation, the repair of any surface damage, including paving, caused by such investigation or remediation.

12.5. Indemnity; Reimbursement.

(a) Tenant shall indemnify, defend (by counsel reasonably acceptable to Landlord), protect and hold Landlord and Landlord's trustees, directors, officers, agents, contractors and employees and their respective successors and assigns (collectively, ***"Landlord's Agents"***), free and harmless from and against any and all claims, liabilities, penalties, forfeitures, losses or expenses (including reasonable attorneys' and consultants' fees and oversight and response costs) to the extent arising from (a) Environmental Activity by Tenant or Tenant's Agents; (b) failure of Tenant or Tenant's Agents to comply with any Environmental Law with respect to Tenant's Environmental Activity; or (c) Tenant's failure to remove Tenant's Hazardous Materials as required in Section 12.4. Tenant's obligations hereunder shall include, but not be limited to, the burden and expense of defending all claims, suits and administrative proceedings (with counsel reasonably approved by Landlord), even if such claims, suits or proceedings are groundless, false or fraudulent; conducting all negotiations of any description; and promptly paying and discharging when due any and all judgments, penalties, fines or other sums due against or from Landlord or the Premises related thereto. Prior to retaining counsel to defend such claims, suits or proceedings, Tenant shall obtain Landlord's written approval of the identity of such counsel, which approval shall not be unreasonably withheld, conditioned or delayed. In the event the presence of Tenant's Hazardous Materials at the Premises upon surrender of the Premises at the expiration or earlier termination of this Lease prevents Landlord from reletting the Premises, or reduces the fair market and/or rental value of the Premises or any portion thereof, Tenant's indemnity obligations shall include all losses to Landlord directly arising therefrom.

(b) In the event that Tenant is named in any enforcement action or litigation regarding the Pre-Existing Condition which is brought by a governmental entity with jurisdiction over the remediation of the Pre-Existing Condition (collectively, an ***"Action"***), Tenant will tender the defense of the Action to Landlord (whether or not Landlord is also named in the Action), and Landlord will seek Tenant's dismissal from the Action at Landlord's sole cost and expense.

(i) If the Action also involves alleged Exacerbation of the Pre-Existing Condition by Tenant, or contamination of the Premises by Tenant's Hazardous Materials or Environmental Activity (collectively, ***"Claims Against Tenant"***), Landlord shall have no responsibility for dismissal of such claims, which Tenant shall defend at its sole cost and expense, and which shall be subject to Tenant's indemnity set forth in Section 12.5(a).

(ii) If Landlord is not able to obtain Tenant's dismissal from the Action, Landlord will control the defense of Tenant in the Action with respect to Tenant's liability for the Pre-Existing Condition (including without limitation settlement of the Action in Landlord's sole discretion), but not for any Claims Against Tenant. If the Action includes Claims Against Tenant, Landlord and Tenant will mutually agree upon the process for jointly defending the Action in a manner that will give each party control over that portion of the Action for which it is responsible.

(iii) Landlord shall be responsible at its sole cost and expense for the costs of defense of Tenant as described in this Section, and shall reimburse Tenant for any documented out-of-pocket costs reasonably incurred by Tenant and arising out of the Action (including any fines, penalties, and remediation costs), except to the extent such costs

relate to Claims Against Tenant. Landlord shall have no liability to the extent any costs incurred by Tenant relate to Claims Against Tenant, and the provisions of this Section shall not modify or amend Tenant's indemnity of Landlord as set forth in Section 12.5(a). Landlord shall have no liability to Tenant for defense costs, legal fees, remediation costs, or any other cost or expense related to the Action if Tenant fails to tender defense of the Action to Landlord.

12.6. No Lien. Tenant shall not suffer any lien to be recorded against the Premises as a consequence of any Tenant's Hazardous Materials, including any so-called state, federal or local "super fund" lien related to the remediation of any Tenant's Hazardous Materials in or about the Premises.

12.7. Investigation. In the event Landlord reasonably believes that there has been a release of Tenant's Hazardous Materials at the Premises, Landlord shall have the right to enter and conduct an inspection of the Premises, including invasive tests, at any reasonable time and upon reasonable advance notice, to determine whether Tenant is complying with the terms of this Lease, including but not limited to the compliance of the Premises and the activities thereon with Environmental Laws with respect to Tenant's Environmental Activity (the ***"Environmental Investigation"***). Landlord shall have the right, but not the obligation, to retain at its expense an independent professional consultant to enter the Premises to conduct such an inspection, and to review any report prepared by or for Tenant concerning such compliance. In the event the Environmental Investigation identifies any deficiencies in the compliance of the Premises with Environmental Laws due to any Environmental Activity by Tenant or Tenant's Agents, Tenant shall promptly correct any such deficiencies identified in the Environmental Investigation, and document to Landlord that corrective action has been taken. In such event, Tenant shall also reimburse Landlord for the reasonable cost of the Environmental Investigation. If the Environmental Investigation identifies any such deficiency in compliance of the Premises with Environmental Laws due to any Environmental Activity by Tenant or Tenant's Agents, then, within nine (9) months of the date of the Environmental Investigation, Landlord may request a detailed review of the status of such violation by a consultant selected by Landlord (the ***"Supplemental Investigation"***). Tenant shall pay for the reasonable cost of any Supplemental Investigation. A copy of the Supplemental Investigation shall be promptly supplied to Landlord and Tenant when it becomes available.

12.8. Right to Remediate. Should Tenant fail to perform or observe any of its obligations or agreements pertaining to Hazardous Materials or Environmental Laws after notice from Landlord and a reasonable time to cure given to Tenant, then Landlord shall have the right, but not the obligation, without limitation of any other rights of Landlord hereunder, to enter the Premises personally or through Landlord's Agents and perform the same. Tenant agrees to indemnify Landlord for the costs thereof and liabilities therefrom as set forth above in this Article 12.

12.9. Notices. Tenant shall promptly notify Landlord of any inquiry, test, claim, investigation or enforcement proceeding by or against Tenant or the Premises known to Tenant concerning any of Tenant's Hazardous Materials or Tenant's Environmental Activity. Landlord shall promptly notify Tenant of any inquiry, test, claim, investigation, or enforcement proceeding by or against Landlord or the Premises known to Landlord concerning the Pre-Existing Condition. Tenant shall promptly notify Landlord of any release or discharge of Hazardous Materials on, in under or about the Premises due to Tenant's Environmental Activity. Tenant acknowledges that Landlord, as the owner of the Premises, shall have the sole right at its election and at Tenant's expense, to negotiate, defend, approve and appeal any action taken or order issued by any applicable governmental authority with respect to any remediation of the Premises pursuant to Section 12.4 due to Tenant's Environmental Activity.

12.10. Surrender. Tenant shall surrender the Premises to Landlord, upon the expiration or earlier termination of the Lease, with Tenant's Hazardous Materials removed from the Premises in accordance with the provisions of this Article 12.

12.11. Survival; Insurance. The provisions of this Article 12 shall survive the expiration or earlier termination of this Lease. The provisions of Article 13 (Insurance) shall not limit in any way Tenant's obligations under this Article 12.

13. INDEMNITY; INSURANCE

13.1. Indemnity. This indemnity shall not apply to Hazardous Materials, which instead, is covered in Section 12.5(a) above. Tenant shall indemnify, protect, defend and save and hold Landlord and Landlord's Agents harmless from and against any and all losses, costs, liabilities, claims, judgments, liens, damages (including consequential damages) and expenses, including, without limitation, reasonable attorneys' fees and costs (including Landlord's in-house counsel), and reasonable investigation costs (collectively, ***"Losses"***), incurred in connection with or arising from: (a) any default by Tenant in the observance or performance of any of the terms, covenants or conditions of this Lease on Tenant's part to be observed or performed, or (b) the use or occupancy or manner of use or occupancy of the Premises by Tenant and Tenant's Agents, (c) the condition of the Premises (other than the Pre-Existing Condition), and any occurrence on the Premises during the term of this Lease (including injury to or death of any person, or damage to property) from any cause whatsoever, except to the extent caused by the gross negligence or willful misconduct of Landlord or any third party not acting by or through Tenant, including but not limited to those third parties referenced in Article 12 above, and (d) any acts or omissions or negligence of Tenant or of Tenant's Agents, in, on or about the Premises. In case any action or proceeding be brought, made or initiated against Landlord relating to any matter covered by Tenant's indemnification obligations under this Section or under Section 12.5(a), Tenant, upon notice from Landlord, shall at its sole cost and expense, resist or defend such claim, action or proceeding by counsel approved by Landlord. Notwithstanding the foregoing, Landlord may retain its own counsel to defend or assist in defending any claim, action or proceeding involving potential liability in excess of Five Million Dollars ($5,000,000), and Tenant shall pay the reasonable fees and disbursements of such counsel unless such claim is reasonably within Tenant's liability policy limits as required under Section 13.2(a). Tenant's obligations under this Section shall survive the expiration or earlier termination of this Lease.

13.2. Insurance. Tenant shall procure at its sole cost and expense and keep in effect during the Term:

(a) commercial general liability insurance covering Tenant's operations in the Premises and the use and occupancy of the Premises and any part thereof by Tenant. Such insurance shall include broad form contractual liability insurance coverage insuring Tenant's obligations under this Lease. Such coverage shall be written on an "occurrence" form and shall have a minimum combined single limit of liability of not less than Five Million Dollars ($5,000,000.00). Tenant's policy shall be written to apply to all bodily injury, property damage, personal injury and other covered loss (however occasioned) occurring during the policy term, with at least the following endorsements to the extent such endorsements are generally available: (i) deleting any employee exclusion on personal injury coverage, (ii) including employees as additional insureds, (iii) providing broad form property damage coverage and products completed operations coverage (where applicable), and (iv) deleting any liquor liability exclusions. Such insurance shall name Landlord, Landlord's Agents and any other party designated by Landlord as an additional insured, shall specifically include the liability assumed hereunder by Tenant, shall provide that it is primary insurance, shall provide for severability of interests, shall further provide that an act or omission of one of the named insureds which would void or otherwise reduce coverage shall not reduce or void the coverage

as to any insured, shall afford coverage for claims based on acts, omissions, injury or damage which occurred or arose (or the onset of which occurred or arose in whole or in part during the policy period), and shall provide that Landlord will receive thirty (30) days' written notice from the insurer prior to any cancellation or material change of coverage or ten (10) days written notice for cancellation for failure to pay premiums;

(b) commercial property insurance, including sprinkler leakages, vandalism and malicious mischief and plate glass damage covering all the items specified as Tenant's Property and all other property of every description including stock-in-trade, furniture, fittings, installations, alterations, additions, partitions and fixtures or anything in the nature of a leasehold improvement made or installed by or on behalf of the Tenant in the Premises in an amount of not less than one hundred percent (100%) of the full replacement cost thereof as shall from time to time be determined by Tenant in form reasonably satisfactory to Landlord;

(c) Worker's Compensation Insurance in the amounts and coverages required under worker's compensation, disability and similar employee benefit laws applicable to Tenant and/or the Premises from time to time, and Employer's Liability Insurance, with limits of not less than One Million Dollars ($1,000,000) or such higher amounts as may be required by law;

(d) business income insurance with extra expense insurance in an amount sufficient to insure payment of Rent for a period of not less than twelve (12) months during any interruption of Tenant's business by reason of the Premises or Tenant's Property being damaged by casualty; and

(e) any other form or forms of insurance as Landlord may reasonably require from time to time in amounts and for insurable risks against a prudent tenant would protect itself to the extent landlords of comparable buildings in the vicinity of the Premises require their tenants to carry such other form(s) of insurance.

13.3. Policies. All policies of insurance required of Tenant shall be issued by insurance companies with general policyholders' rating of not less than A-, as rated in the most current available "Best's Insurance Reports," and not prohibited from doing business in the State of California, and shall, with the exception of Workers Compensation Insurance, include as additional insureds Landlord, Landlord's Agents, and such other persons or entities as Landlord specifies from time to time. Such policies, with the exception of Worker's Compensation Insurance and property insurance, shall be for the mutual and joint benefit and protection of Landlord, Tenant and others specified by Landlord. Executed copies of Tenant's policies of insurance or certificates thereof, including additional insureds endorsements, shall be delivered to Landlord within ten (10) days prior to the delivery of possession of the Premises to Tenant. Thereafter, Tenant shall provide evidence of renewal of its insurance prior to the expiration of the term of each policy, and executed copies of Tenant's renewal policies or certificates thereof within thirty (30) days after the expiration of the term of each such policy. All commercial general liability and property damage policies shall contain a provision that Landlord and any other additional insured, although named as additional insureds, shall nevertheless be entitled to recover under said policies for a covered loss occasioned by it, its servants, agents and employees, by reason of Tenant's negligence. As often as any policy shall expire or terminate, renewal or additional policies shall be procured and maintained by Tenant in like manner and to like extent. All such policies of insurance shall provide that the company writing said policy will give to Landlord thirty (30) days notice in writing in advance of any cancellation or lapse or of the effective date of any reduction in the amounts of insurance, or ten (10) days written notice for failure to pay premiums All commercial general liability, property damage and other casualty policies shall be written on an occurrence basis. Landlord's coverage shall not be contributory. No policy shall have a deductible in excess of $25,000 for any one occurrence.

13.4. Landlord's Rights. Should Tenant fail to take out and keep in force each insurance policy required under this Article 13, or should such insurance not be approved by Landlord and should the Tenant not rectify the situation within two (2) Business Days after written notice from Landlord to Tenant, Landlord shall have the right, without assuming any obligation in connection therewith, to purchase such insurance at the sole cost of Tenant, and all costs incurred by Landlord shall be payable to Landlord by Tenant within twenty (20) days after demand as Additional Rent and without prejudice to any other rights and remedies of Landlord under this Lease.

13.5. Landlord's Insurance. Landlord will obtain and keep in force during the Term of this Lease a policy of all risk property insurance on the structural components of the Buildings (but not the Tenant Improvement Work, Tenant's Property or any Alterations). The amount of such insurance shall be Ten Million Dollars ($10,000,000), with a Twenty-Five Thousand Dollar ($25,000) deductible, subject to such modifications as are reasonably required due to insurance industry market conditions. Such policy shall be in the name of Landlord with loss payable to Landlord. Landlord's policy will insure against all risks of direct physical loss or damage subject to customary exclusions; may be endorsed to cover loss caused by such additional perils against which landlord may elect to insure, including earthquake and/or flood, and may provide coverage for loss of rents for a period of up to twelve (12) months.

13.6. Waiver of Subrogation. Notwithstanding anything to the contrary contained herein, to the extent of insurance proceeds received (or which would have been received had the party carried the insurance required by this Lease) with respect to the loss, Landlord and Tenant each hereby waive any right of recovery against the other party and against any other party maintaining a policy of insurance with respect to the Premises or any portion thereof or the contents of the Premises or the Buildings for any loss or damage sustained by such other party with respect to the Premises or the Buildings, or any portion thereof, or the contents of the same or any operation therein, whether or not such loss is caused by the fault or negligence of such other party. Either party shall notify the other party if the policy of insurance carried by it does not permit the foregoing waiver.

13.7. No Liability. No approval by Landlord of any insurer, or the terms or conditions of any policy, or any coverage or amount of insurance, or any deductible amount shall be construed as a representation by Landlord of the solvency of the insurer or the sufficiency of any policy or any coverage or amount of insurance or deductible and Tenant assumes full risk and responsibility for any inadequacy of insurance coverage or any failure of insurers.

14. ASSIGNMENT, SUBLETTING AND FINANCING

14.1. No Right to Assign or Sublease. Tenant shall not directly or indirectly, voluntarily or by operation of law, sell, assign, encumber, pledge or otherwise transfer or hypothecate all or any part of its interest in or rights with respect to the Premises or its leasehold estate (collectively, ***"Assignment"***), or permit all or any portion of the Premises to be occupied by anyone other than itself or sublet all or any portion of the Premises (collectively, ***"Sublease"***) without Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding anything in this Article 14 to the contrary, but subject to the provisions of Section 14.7 below, Landlord's prior written consent shall not be required for any Assignment or Sublease to (a) any entity resulting from a merger or consolidation with Tenant (by asset acquisition or otherwise) or (b) an Affiliate of Tenant (collectively, a "***Permitted Transferee***"). As used in this Lease, the term "***Affiliate***" shall mean an individual, partnership, corporation, unincorporated association or other entity controlling, controlled by or under common control with Tenant and for the purposes of the foregoing, "control" shall mean ownership of fifty percent (50%) or more of the legal and beneficial interest

in such corporation or other entity coupled with the power to direct the management and affairs thereof.

14.2. Notice. If Tenant desires to enter into a Sublease of all or any portion of the Premises or Assignment of this Lease, it shall give written notice (the ***"Transfer Notice"***) to Landlord of its intention to do so, which notice shall contain (a) the name and address of the proposed assignee, subtenant or occupant (the ***"Transferee"***), (b) the nature of the proposed Transferee's business to be carried on in the Premises, (c) the terms and provisions of the proposed Assignment or Sublease, and (d) such financial information as Landlord may reasonably request concerning the proposed Transferee.

14.3. Terms of Approval. Landlord shall respond to Tenant's request for approval within fifteen (15) Business Days after receipt of the Transfer Notice. If Landlord approves the proposed Assignment or Sublease, Tenant may, not later than thirty (30) days thereafter, enter into the Assignment or Sublease with the proposed Transferee upon the terms and conditions set forth in the Transfer Notice and subject to any other conditions imposed by Landlord. Without limiting any other reasonable basis for denial of consent to an Assignment or Sublease, Tenant agrees that it shall be conclusively presumed to be reasonable for Landlord to consider the following requirements in determining whether or not to consent to a proposed Assignment or Sublease: (a) no Event of Default shall have occurred and remain uncured; (b) Tenant shall have complied with all provisions of this Article 14, (c) the use of the Premises by the Transferee shall comply with the provisions of this Lease and shall not materially increase the presence of Hazardous Materials arising from any Environmental Activity to be conducted by the Transferee at the Premises, and (d) the Transferee shall be capable financially of performing Tenant's obligations under this Lease and all other obligations relating to the Premises.

14.4. Excess Rent. For any Assignment or Sublease (including an Assignment or Sublease to a Permitted Transferee), fifty percent (50%) of the Excess Rent received by Tenant shall be paid to Landlord as and when received by Tenant. ***"Excess Rent"*** means the gross revenue received from the Transferee during the Sublease term or with respect to the Assignment, less (a) the gross revenue received by Landlord from Tenant during the period of the Sublease term (prorated based on the Rentable Area of the Sublease premises) or concurrently with or after the Assignment; (b) any reasonably documented tenant improvement allowance or other economic concession (planning allowance, moving expenses, etc.), paid by Tenant to or on behalf of the Transferee; (d) customary and reasonable external brokers' commissions to the extent paid and documented; (e) reasonable attorneys' fees; and (f) reasonable costs of advertising the space for Sublease or Assignment (collectively, ***"Transfer Costs"***). Tenant shall not be required to pay to Landlord any Excess Rent until Tenant has recovered its Transfer Costs.

14.5. Right of First Refusal. Except for an Assignment or Sublease to a Permitted Transferee, if Tenant desires to assign Tenant's interest in the Premises or to sublease the entire Premises for the remainder of the Term (collectively, a ***"Transfer"***), Tenant's Transfer Notice shall also include a written offer that includes all of the substantial business terms that Tenant has offered to a Transferee and shall offer to Transfer to Landlord, Tenant's interest in the portion of the Premises offered to the Transferee on such terms and conditions (the ***"Offer"***). Landlord shall have ten (10) days from Landlord's receipt of the Offer to accept the Offer by written notice to Tenant or to approve or disapprove the Transfer as provided in Section 14.3. If Landlord accepts the Offer, Landlord and Tenant shall consummate the Transfer within fifteen (15) days after Landlord's written notice of acceptance. The Transfer shall be consummated by Tenant's delivery to Landlord of a good and sufficient assignment of lease or sublease. If Landlord does not accept the Offer, but approves the Transfer, then in the event the terms of the Transfer are materially changed during subsequent negotiations to be more favorable to the Transferee, Tenant shall again deliver to Landlord an Offer in accordance

with this Section, offering the interest to Landlord on such more favorable terms. Landlord shall then have another period of ten (10) days after receipt of such Offer to accept such Offer.

14.6. No Release. No Sublease or Assignment by Tenant nor any consent by Landlord thereto shall relieve Tenant of any obligation to be performed by Tenant under this Lease. Any Sublease or Assignment that is not in compliance with this Article shall be null and void and, at the option of Landlord, shall constitute an Event of Default by Tenant under this Lease, and Landlord shall be entitled to pursue any right or remedy available to Landlord under the terms of this Lease or under the laws of the State of California. The acceptance of any Rent or other payments by Landlord from a proposed Transferee shall not constitute consent to such Sublease or Assignment by Landlord or a recognition of any Transferee, or a waiver by Landlord of any failure of Tenant or other Transferor to comply with this Article.

14.7. Assumption of Obligations. Any Transferee shall, from and after the effective date of the Assignment, assume all obligations of Tenant under this Lease with respect to the Transferred Space and shall be and remain liable jointly and severally with Tenant for the payment of Base Rent and Additional Rent, and for the performance of all of the terms, covenants, conditions and agreements herein contained on Tenant's part to be performed for the Term. No Assignment shall be binding on Landlord unless Tenant delivers to Landlord a counterpart of the Assignment and an instrument that contains a covenant of assumption reasonably satisfactory in substance and form to Landlord, and consistent with the requirements of this Section.

14.8. Financing. Landlord agrees and acknowledges that Tenant is required under the terms of its Advance Technology Vehicle Manufacturing Loan to grant to the United States Department of Energy and the Federal Funding Bank a first priority security interest in Tenant's leasehold interest in the Premises. In no event shall any interest of Landlord in the Premises, including without limitation, Landlord's fee interest in the Premises or interest under this Lease, be subject or subordinate to such financing.

15. DEFAULT

15.1. Event of Default. The occurrence of any of the following shall be an ***"Event of Default"*** on the part of Tenant:

(a) Failure to pay any part of the Base Rent or Additional Rent, or any other sums of money that Tenant is required to pay under this Lease where such failure continues for a period of three (3) days after written notice of default from Landlord to Tenant. Landlord's notice to Tenant pursuant to this subsection shall be deemed to be the notice required under California Code of Civil Procedure Section 1161.

(b) Failure to perform any other covenant, condition or requirement of this Lease when such failure shall continue for a period of thirty (30) days after written notice thereof from Landlord to Tenant; provided that if the nature of the default is such that more than thirty (30) days are reasonably required for its cure, then an Event of Default shall not be deemed to have occurred if Tenant shall commence such cure within said thirty (30) day period and thereafter diligently and continuously prosecute such cure to completion. Landlord's notice to Tenant pursuant to this subsection shall be deemed to be the notice required under California Code of Civil Procedure Section 1161.

(c) The abandonment of the Premises by Tenant.

(d) Tenant shall admit in writing its inability to pay its debts generally as they become due, file a petition in bankruptcy, insolvency, reorganization, dissolution or liquidation under any law or statute of any government or any subdivision thereof either now or

hereafter in effect, or Tenant shall make an assignment for the benefit of its creditors, consent to or acquiesce in the appointment of a receiver of itself or of the whole or any substantial part of the Premises.

(e) A court of competent jurisdiction shall enter an order, judgment or decree appointing a receiver of Tenant or of the whole or any substantial part of the Premises and such order, judgment or decree shall not be vacated, set aside or stayed within thirty (30) days after the date of entry of such order, judgment, or decree, or a stay thereof shall be thereafter set aside.

(f) A court of competent jurisdiction shall enter an order, judgment or decree approving a petition filed against Tenant under any bankruptcy, insolvency, reorganization, dissolution or liquidation law or statute of the federal or state government or any subdivision of either now or hereafter in effect, and such order, judgment or decree shall not be vacated, set aside or stayed within thirty (30) days from the date of entry of such order, judgment or decree, or a stay thereof shall be thereafter set aside.

15.2. Remedies. Upon the occurrence of an Event of Default, Landlord shall have the following rights and remedies:

(a) The right to terminate this Lease upon written notice to Tenant, in which event Tenant shall immediately surrender possession of the Premises in accordance with Article 20.

(b) The right to bring a summary action for possession of the Premises.

(c) The rights and remedies described in California Civil Code Section 1951.2, pursuant to which Landlord may recover from Tenant upon a termination of the Lease, (i) the worth at the time of award of the unpaid rent which has been earned at the time of termination; (ii) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; (iii) the worth at the time of the award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that Tenant proves could be reasonably avoided; and (iv) any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of events would be likely to result therefrom. The "worth at the time of award" of the amounts referred to in (i) and (ii) above is computed by allowing interest at the rate of twelve percent (12%) per annum or the highest rate permitted by law, whichever is lower (the ***"Interest Rate"***). The "worth at the time of award" of the amount referred to in (iii) above shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%). The detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of events would be likely to result therefrom includes, without limitation, (1) the unamortized portion of any brokerage or real estate agent's commissions paid in connection with the execution of this Lease, (2) any direct costs or expenses incurred by Landlord in recovering possession of the Premises, maintaining or preserving the Premises after such default, (3) preparing the Premises for reletting to a new tenant, (4) any repairs or alterations to the Premises for such reletting, (5) leasing commissions, architect's fees and any other costs necessary or appropriate either to relet the Premises or, if reasonably necessary in order to relet the Premises, to adapt them to another beneficial use by Landlord and (6) such amounts in addition to or in lieu of the foregoing as may be permitted from time to time by Applicable Law to the extent that such payment would not result in a duplicative recovery.

(d) The rights and remedies described in California Civil Code Section 1951.4 which allow Landlord to continue this Lease in effect and to enforce all of Landlord's rights and remedies under this Lease, including the right to recover Base Rent, Additional Rent and other charges payable hereunder as they become due. Acts of maintenance or preservation, efforts to relet the Premises or the appointment of a receiver upon Landlord's initiative to protect its interest under this Lease shall not constitute a termination of Tenant's right to possession.

(e) The right and power, as attorney-in-fact for Tenant, to sublet the Premises, to collect rents from all subtenants and to provide or arrange for the provision of all services and fulfill all obligations of Tenant under any permitted subleases. Landlord is hereby authorized on behalf of Tenant, but shall have absolutely no obligation, to provide such services and fulfill such obligations and to incur all such expenses and costs as Landlord deems necessary. Landlord is hereby authorized, but not obligated, to relet the Premises or any part thereof on behalf of Tenant, to incur such expenses as may be necessary to effect a relet and make said relet for such term or terms, upon such conditions and at such rental as Landlord in its reasonable discretion may deem proper. Tenant shall be liable immediately to Landlord for all costs and expenses Landlord incurs in reletting the Premises including, without limitation, brokers' commissions, expenses of remodeling the Premises required by the reletting, and the cost of collecting rents and fulfilling the obligations of Tenant to any subtenant. If Landlord relets the Premises or any portion thereof, such reletting shall not relieve Tenant of any obligation hereunder, except that Landlord shall apply the rent or other proceeds actually collected by it as a result of such reletting against any amounts due from Tenant hereunder to the extent that such rent or other proceeds compensate Landlord for the nonperformance of any obligation of Tenant hereunder. Such payments by Tenant shall be due at such times as are provided elsewhere in this Lease, and Landlord need not wait until the termination of this Lease, by expiration of the Term or otherwise, to recover them by legal action or in any other manner. Landlord may execute any sublease made pursuant to this Section in its own name, and the tenant thereunder shall be under no obligation to see to the application by Landlord of any rent or other proceeds, nor shall Tenant have any right to collect any such rent or other proceeds. Landlord shall not by any reentry or other act be deemed to have accepted any surrender by Tenant of the Premises or Tenant's interest therein, or be deemed to have otherwise terminated this Lease, or to have relieved Tenant of any obligation hereunder, unless Landlord shall have given Tenant express written notice of Landlord's election to do so as set forth herein.

(f) The right to enjoin, and any other remedy or right now or hereafter available to a Landlord against a defaulting tenant under the laws of the State of California or the equitable powers of its courts, and not otherwise specifically reserved herein.

15.3. Cumulative Remedies. The various rights and remedies reserved to Landlord, including those not specifically described herein, shall, to the extent that the exercise of such right and/or remedy does not result in a duplicative recovery, be cumulative and shall be in addition to every other right or remedy provided for in this Lease or now or hereafter existing at law or in equity and the exercise of the rights or remedies provided for in this Lease or now or hereafter existing at law or in equity shall not preclude the simultaneous or later exercise by Landlord of any or all other rights and remedies.

15.4. Waiver of Redemption by Tenant. Tenant hereby waives any right to relief against forfeiture of this Lease pursuant to California Code of Civil Procedure Section 1179.

15.5. Landlord's Right to Cure. If Tenant shall fail or neglect to do or perform any covenant or condition required under this Lease and such failure shall not be cured within any applicable grace period, Landlord may, on five (5) days notice to Tenant, but shall not be required to, make any payment payable by Tenant hereunder, discharge any lien, take out,

pay for and maintain any insurance required hereunder, or do or perform or cause to be done or performed any such other act or thing (entering upon the Premises for such purposes, if Landlord shall so elect), and Landlord shall not be or be held liable or in any way responsible for any loss, disturbance, inconvenience, annoyance or damage resulting to Tenant on account thereof. Tenant shall repay to Landlord within twenty (20) days after demand the entire out-of-pocket cost and expense incurred by Landlord in connection with the cure, including, without limitation, compensation to the agents, consultants and contractors of Landlord and reasonable attorneys' fees and expenses. Landlord may act upon shorter notice or no notice at all if necessary in Landlord's reasonable judgment to meet an emergency situation or governmental or municipal time limitation or to protect Landlord's interest in the Premises. Landlord shall not be required to inquire into the correctness of the amount of validity or any tax or lien that may be paid by Landlord and Landlord shall be duly protected in paying the amount of any such tax or lien claimed and in such event Landlord also shall have the full authority, in Landlord's sole judgment and discretion and without prior notice to or approval by Tenant, to settle or compromise any such lien or tax. Any act or thing done by Landlord pursuant to the provisions of this Section shall not be or be construed as a waiver of any such failure by Tenant, or as a waiver of any term, covenant, agreement or condition herein contained or of the performance thereof.

15.6. Landlord's Default. Landlord shall be in default under this Lease if Landlord fails to perform obligations required of Landlord within thirty (30) days after written notice by Tenant to Landlord and to the holder of any first mortgage or deed of trust covering the Premises whose name and address shall have heretofore been furnished to Tenant in writing, specifying wherein Landlord has failed to perform such obligations; provided, however, that if the nature of Landlord's obligations is such that more than thirty (30) days are required for performance, then Landlord shall not be in default if Landlord commences performance within such thirty (30) day period and thereafter diligently prosecutes the same to completion. Tenant shall be entitled to actual (but not consequential) damages in the event of an uncured default by Landlord, but the provisions of Article 17 shall apply to any Landlord default and Tenant shall not have the right to terminate this Lease as a result of a Landlord default.

16. LANDLORD'S RESERVED RIGHTS

16.1. Access. Landlord reserves (for itself and its Agents, consultants, contractors and any third parties Landlord deems to reasonably require access) the right to enter the Premises at all reasonable times and, except in cases of emergency, after giving Tenant reasonable notice, to inspect the Premises; to supply any service to be provided by Landlord hereunder; to show the Premises to prospective purchasers or mortgagees; to show the Premises to prospective tenants during the last year of the Term; to post notices of nonresponsibility; and to perform it obligations and exercise its rights under the Conservation Easement (as defined in Section 16.3). In addition to the foregoing, Landlord reserves (for itself and its Agents, consultants, contractors and any third parties Landlord deems to reasonably require access) the right to enter the Premises at all reasonable times and, except in cases of emergency, after giving Tenant reasonable notice, to perform any environmental testing, monitoring, cleanup, remediation, containment or restoration work, and may for that purposes erect, use and maintain necessary structures and equipment in the Premises where reasonably required by the character of the work to be performed. Without limiting the foregoing, Tenant agrees and acknowledges that Landlord has entered into that certain Access Agreement with Hewlett-Packard Company dated as of November 15, 2007, a copy of which is attached as **Exhibit E** (the ***"H-P Access Agreement"***), pursuant to which H-P has the right of access to the Premises as set forth therein. Tenant hereby waives any claim for damages for any injury or inconvenience to or interference with Tenant's business, any loss of occupancy or quiet enjoyment of the Premises or any other loss occasioned thereby, except to the extent caused by the gross negligence or willful misconduct of Landlord in the exercise of its rights and provided that Landlord shall use reasonable efforts not to materially adversely affect Tenant's

use of the Premises. All locks for all of the doors in, upon and about the Premises, excluding Tenant's vaults and safes or special security areas (designated in advance in writing by Tenant) shall at all times be keyed to a master system and Landlord shall at all times have and retain a key with which to unlock all of said doors. Landlord shall have the right to use any and all means that Landlord may deem necessary or proper to open said doors in an emergency in order to obtain entry to any portion of the Premises, and any such entry to the Premises or portions thereof obtained by Landlord by any of said means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction, actual or constructive, of Tenant from the Premises or any portion thereof.

16.2. Easements. Landlord reserves the right to grant or relocate all easements and rights of way which Landlord in its sole discretion may deem necessary or appropriate; provided that Tenant's rights to use the Premises for the operation of its business is not materially impeded. Without limiting the foregoing, Tenant acknowledges that Landlord is developing and delineating future easements that are identified on **Exhibit A-1**.

16.3. Conservation Easement. Landlord hereby reserves a conservation easement (***"Conservation Easement"***) over the Premises, in the area identified on **Exhibit A-1** (the ***"Conservation Easement Area"***), for purposes of protecting endangered species and their habitats in and adjacent to Deer Creek. Section 9 of the Federal Endangered Species Act prohibits the "taking" of wildlife species listed as threatened or endangered, which is defined as an act which kills or injures wildlife, including those activities that cause significant habitat or behavioral modification or degradation. Tenant acknowledges that Landlord has applied for a Habitat Conservation Plan (***"HCP"***) with federal agencies that will, when and if approved, set forth protective measures that will minimize the taking of endangered species on Stanford lands. The Conservation Easement Area is a component of this broader HCP.

(a) Tenant will provide Landlord, any grantee of the Conservation Easement, and applicable state and federal agencies, unrestricted access to the Conservation Easement Area for purposes of surveying, monitoring, maintaining, restoring and enhancing vegetation and habitat, including the right to install new vegetation or landscape or structures for the purpose of implementing and maintaining the HCP, and the removal of existing structures or vegetation that degrade the habitat.

(b) Without limiting the foregoing, Landlord will have the right to impose from time to time site specific rules and regulations (***"Conservation Rules"***) for the Conservation Easement Area that set forth Tenant's permitted and non-permitted uses of the Conservation Easement Area, so long as such Conservation Rules will not materially increase the costs to Tenant to manage the Premises. The Conservation Rules may restrict Tenant's access and possibly even intermittently or exclusively prohibit access by Tenant or Tenant's Agents in the Conservation Easement Area. However, Landlord will use best efforts to preserve for Tenant some access and use of the Conservation Easement Area for passive recreation, if Landlord deems that such use would not lead to an actual or potential taking of an endangered species or jeopardize the goals and objectives of the HCP. Tenant acknowledges that as of the Commencement Date of this Lease, the initial Conservation Rules shall be as set forth in **Exhibit F**, and that Landlord may modify or change these rules as necessary to comply with its obligations under the HCP. Any such change or modification shall require at least ten (10) Business Days prior notification to Tenant.

(c) If and when the HCP is approved and an Incidental Take Permit is issued to Landlord, Landlord shall offer Tenant the right to secure a Certificate of Inclusion which shall afford Tenant those protections provided to Landlord by the HCP.

16.4. Use of Additional Areas. Landlord reserves the exclusive right to use any air space above the Premises, and the land beneath the Premises; provided that such use shall not materially impede Tenant's use of and access to the Premises.

16.5. Subordination. This Lease shall be subject and subordinate at all times to: (a) all reciprocal easement agreements, environmental access agreements (including the H-P Access Agreement), the Conservation Easement and the HCP, and any ground leases or underlying leases which may now exist or hereafter be executed affecting the Premises, and (b) the lien of any mortgage or deed of trust which may now exist or hereafter be executed in any amount for which the Premises, or any ground leases or underlying leases, or Landlord's interest or estate in any of said items, is specified as security. Notwithstanding the foregoing, Landlord shall have the right to subordinate or cause to be subordinated to this Lease any of the items referred to in clause (a) or (b) above, subject to compliance with the condition precedent set forth below. In the event that any ground lease or underlying lease terminates for any reason or any mortgage or deed of trust is foreclosed or a conveyance in lieu of foreclosure is made for any reason, (i) no person or entity which as a result of the foregoing succeeds to the interest of Landlord under this Lease, (a ***"Successor"***) shall be liable for any default by Landlord or any other matter that occurred prior to the date the Successor succeeded to Landlord's interest in this Lease, and (ii) Tenant shall, notwithstanding any subordination, attorn to and become the tenant of the Successor and Tenant will not be disturbed in its use of the Premises pursuant to the terms of this Lease. Tenant covenants and agrees, however, to execute and deliver, upon demand by Landlord and in the form reasonably requested by Landlord, any additional documents evidencing the priority or subordination of this Lease with respect to any such ground leases, underlying leases, reciprocal easement agreements or similar documents or instruments, or with respect to the lien of any such mortgage or deed of trust and Tenant's failure to execute and deliver any such document within ten (10) Business Days after such demand by Landlord shall constitute an Event of Default without further notice so long as such subordination is accompanied by a non-disturbance agreement that states that so long as an Event of Default by Tenant is not in existence, neither this Lease nor any of Tenant's rights hereunder shall be terminated or modified, nor shall Tenant's possession of the Premises be disturbed or interfered with, by any trustee's sale or by an action or proceeding to foreclose said mortgage, deed of trust or other encumbrance.

17. LIMITATION OF LANDLORD'S LIABILITY

17.1. Limitation. Landlord shall not be responsible for or liable to Tenant and Tenant hereby releases Landlord, waives all claims against Landlord and assumes the risk for any injury, loss or damage to any person or property in or about the Premises by or from any cause whatsoever (other than Landlord's gross negligence or willful misconduct) including, without limitation, (a) acts or omissions of persons occupying adjoining premises, (b) theft or vandalism, (c) burst, stopped or leaking water, gas, sewer or steam pipes, (d) loss of utility service, (e) accident, fire or casualty, or (f) nuisance, and also for work done by Landlord in the Premises other than Landlord's active negligence. There shall be no abatement of Rent and no liability of Landlord by reason of any injury to or interference with Tenant's business arising from the making of any repairs, alterations or improvements to any portion of the Premises or to fixtures, appurtenances and equipment in the Premises; provided, however, that in the event Landlord fails to perform its obligations to make repairs, alterations or improvements or performs such obligations in a negligent manner in each case which results in Tenant being unable to operate its business at the Premises for a period of more than five (5) days, then Tenant shall be entitled to an abatement of Rent commencing on the sixth (6th) business day Tenant is unable to operate and continuing until the Premises are again available for operation of Tenant's business. Such Rent abatement shall be Tenant's only remedy in the event of a negligent interference with Tenant's business and Tenant shall not be entitled to damages or to termination of this Lease arising from Landlord's repairs, alterations or improvements. No interference with Tenant's operations in the Premises shall constitute a constructive or other

eviction of Tenant. Tenant hereby waives and releases any right it may have to make repairs at Landlord's expense under Sections 1941 and 1942 of the California Civil Code, or under any similar law, statute or ordinance now or hereafter in effect.

17.2. Sale of Premises. It is agreed that Landlord may at any time sell, assign or transfer its interest as landlord in and to this Lease, and may at any time sell, assign or transfer its interest in and to the Premises. In the event of any transfer of Landlord's interest in this Lease or in the Premises, the transferor shall be automatically relieved of any and all of Landlord's obligations and liabilities accruing from and after the date of such transfer; provided that the transferee assumes all of Landlord's obligations under this Lease. Tenant hereby agrees to attorn to Landlord's assignee, transferee, or purchaser from and after the date of notice to Tenant of such assignment, transfer or sale, in the same manner and with the same force and effect as though this Lease were made in the first instance by and between Tenant and the assignee, transferee or purchaser.

17.3. No Personal Liability. In the event of any default by Landlord hereunder, Tenant shall look only to Landlord's interest in the Premises and rents therefrom and any available insurance proceeds for the satisfaction of Tenant's remedies, and no other property or assets of Landlord or any trustee, partner, member, officer or director thereof, disclosed or undisclosed, shall be subject to levy, execution or other enforcement procedure for the satisfaction of Tenant's remedies under or with respect to this Lease.

18. DESTRUCTION

18.1. Landlord's Repair Obligation. If the Premises or any portion thereof is damaged by fire or other casualty, Landlord shall undertake the repair and restoration of the Premises, subject to the terms and conditions of this Article 18.

18.2. Termination by Landlord. Notwithstanding Section 18.1, in the event (a) the repair and restoration of the Premises will require an out-of-pocket expenditure by Landlord in excess of One Hundred Thousand Dollars ($100,000), or (b) the out-of-pocket cost to Landlord of repair and restoration when added to the out-of-pocket cost of any previous casualty expenditures with respect to the Premises will exceed a cumulative total of One Hundred Thousand Dollars ($100,000), or (c) the repair will take longer than two hundred seventy (270) days after the date of the casualty, then Landlord shall have the option, exercisable within sixty (60) days after the date of such damage, either to: (i) notify Tenant of Landlord's intention to repair such damage, in which event this Lease shall continue in full force and effect (unless terminated by Tenant pursuant to Section 18.3 below), or (ii) notify Tenant of Landlord's election to terminate this Lease as of the date of the damage. If such notice to terminate is given by Landlord, this Lease shall terminate as of the date of such damage, unless Tenant elects by written notice to Landlord delivered within ten (10) Business Days after receipt of Landlord's termination notice to pay for all excess repair costs. In the event Tenant so elects, Tenant shall pay such excess repair costs within ten (10) Business Days after receipt of a reasonably detailed estimate of such costs, and Landlord's obligation to commence repairs shall be conditioned on receipt of such funds. Excess repair costs shall be deemed to include all soft and hard costs of the repair and restoration, less (A) any insurance proceeds actually received by Landlord, and (B) a contribution to the cost by Landlord not to exceed the lesser of (x) $100,000, and (y) the sum that when added to all other casualty expenditures previously made by Landlord would equal $100,000.

18.3. Termination by Tenant. If Landlord elects to repair the damage and any such repair (a) is not or cannot practicably be substantially completed by Landlord within two hundred seventy (270) days after the occurrence of such damage or destruction (or in the case of damage occurring in the last twelve (12) months of the Term, within sixty (60) days), and (b) such damage has a material adverse impact on Tenant's business operations at the

Premises, then in such event Tenant may, at its option, upon written notice to Landlord to be delivered within fifteen (15) days after receipt of Landlord's notice, elect to terminate this Lease as of the date of the occurrence of such damage or destruction.

18.4. Rent Adjustment. In case of termination pursuant to Sections 18.2 or 18.3 above, the Rent shall be reduced by a proportionate amount based upon the Rentable Area of the Premises rendered unusable, and Tenant shall pay such reduced Rent up to the date of vacation of the Premises. If Landlord elects to make repairs, and Tenant does not terminate this Lease pursuant to Section 18.3, this Lease shall remain in full force and effect except that Tenant shall be entitled to a proportionate reduction of Rent from the date of such casualty and during the period such repairs are being made by a proportionate amount based upon the Rentable Area of the Premises rendered unusable; provided that any such Rent reduction shall be limited to the amount of insurance proceeds actually received by Landlord pursuant to Section 13.2(d), and Tenant shall remain liable for any excess Rent. The full amount of Rent shall again become payable immediately upon the completion of such work of repair, reconstruction or restoration. The repairs to be made by Landlord under this Article shall not include, and Landlord shall not be required to repair, any casualty damage to the Tenant Improvement Work, Tenant's Property or any Alterations.

18.5. Tenant Obligations. If Landlord elects to repair, reconstruct or restore the Premises after any damage or destruction, Tenant shall be responsible at its own expense for the repair and replacement of any of the Tenant Improvement Work, Tenant's Property and any Alterations which Tenant elects to replace.

18.6. No Claim. Tenant shall have no interest in or claim to any portion of the proceeds of any property insurance or self-insurance maintained by Landlord in connection with the damage. If Landlord elects not to rebuild the Premises, Landlord shall relinquish to Tenant such claim as Landlord may have for any part of the proceeds of any insurance maintained by Tenant under Section 13.2 of this Lease.

18.7. No Damages. If Landlord elects to make any repairs, reconstruction or restoration of any damage or destruction to the Premises under any of the provisions of this Article 18, Tenant shall not be entitled to any damages by reason of any inconvenience or loss sustained by Tenant as a result thereof. Except as expressly provided in Section 18.4 there shall be no reduction, change or abatement of any rental or other charge payable by Tenant to Landlord hereunder, or in the method of computing, accounting for or paying the same. Tenant hereby waives the provisions of Section 1932(2) and Section 1933(4) of the California Civil Code, or any other statute or law that may be in effect at the time of a casualty under which a lease is automatically terminated or a tenant is given the right to terminate a lease due to a casualty.

19. EMINENT DOMAIN

19.1. Taking. If all or any part of the Premises shall be taken as a result of the exercise of the power of eminent domain or any transfer in lieu thereof, this Lease shall terminate as to the part so taken as of the date of taking or as of the date of final judgment, whichever is earlier, and, in the case of a partial taking, Landlord shall have the right to terminate this Lease as to the balance of the Premises by written notice to Tenant within thirty (30) days after such date.

19.2. Award. In the event of any taking, Landlord shall be entitled to any and all compensation, damages, income, rent, awards, or any interest therein whatsoever which may be paid or made in connection therewith, and Tenant shall assign to Landlord any right to compensation or damages for the condemnation of its leasehold interest. Nothing contained herein shall be deemed to prohibit Tenant from making a separate claim against the

condemning authority for the value of Tenant's Property and moving expenses, provided such claim does not delay or diminish Landlord's claim or award.

19.3. Partial Taking. In the event of a partial taking of the Premises which does not result in a termination of this Lease, the Base Rent shall be adjusted as follows:

(a) In the event of a partial taking, if this Lease is not terminated pursuant to this Article 19, Landlord shall repair, restore or reconstruct the Premises to a useable state; provided that Landlord shall not be required to expend any sums other than those received pursuant to Section 19.2, and in the event Tenant does not elect to reimburse Landlord for such excess costs within thirty (30) days after notice from Landlord as to the amount of such excess cost, Landlord may elect to terminate this Lease;

(b) During the period between the date of the partial taking and the completion of any necessary repairs, reconstruction or restoration, Tenant shall be entitled to a reduction of Base Rent by a proportionate amount based upon the extent of interference with Tenant's operations in the Premises; and

(c) Upon completion of said repairs, reconstruction or restoration, and thereafter throughout the remainder of the Term, the Base Rent shall be recalculated based on the remaining total number of square feet of Rentable Area of the Premises.

19.4. Temporary Taking. Notwithstanding any other provision of this Article, if a taking occurs with respect to all or any portion of the Premises for a period of six (6) months or less, this Lease shall remain unaffected thereby and Tenant shall continue to pay Base Rent and Additional Rent and to perform all of the terms, conditions and covenants of this Lease, provided that Tenant shall have the right to terminate this Lease if the taking continues beyond six (6) months by giving Landlord notice of such termination within twenty (20) days following the expiration of such six (6) month period. If Tenant exercises such termination right, this Lease and the estate hereby granted shall terminate as of the thirtieth (30th) day following the giving of such notice. In the event of any such temporary taking, and if this Lease is not terminated, Tenant shall be entitled to receive that portion of any award which represents compensation for the use or occupancy of the Premises during the Term up to the total Base Rent and Additional Rent owing by Tenant for the period of the taking, and Landlord shall be entitled to receive the balance of any award.

19.5. Sale in Lieu of Condemnation. A voluntary sale by Landlord of all or any part of the Premises to any public or quasi-public body, agency or person, corporate or otherwise, having the power of eminent domain, either under threat of condemnation or while condemnation proceedings are pending, shall be deemed to be a taking under the power of eminent domain for the purposes of this Article.

19.6. Waiver. Except as provided in this Article, Tenant hereby waives and releases any right it may have under any Applicable Law to terminate this Lease as a result of a taking, including without limitation Sections 1265.120 and 1265.130 of the California Code of Civil Procedure, or any similar law, statute or ordinance now or hereafter in effect.

20. SURRENDER

20.1. Surrender. On or before the ninetieth (90th) day preceding the Expiration Date, Tenant shall notify Landlord in writing of the precise date (the ***"Move-Out Date"***) upon which Tenant plans to surrender the Premises to Landlord. At least sixty (60) days prior to the Move-Out Date, Landlord and Tenant shall walk through the Premises to identify any repair and removal work to be performed by Tenant pursuant to Sections 9.6 or 9.7, or due to Tenant's failure to perform any other obligation set forth in this Lease; provided that failure by

any party to participate in the walk-through shall not relieve Tenant of any of its obligations hereunder. Prior to the Termination Date, Tenant shall repair at Tenant's sole cost, all damage to the Premises that causes material damage to the Building Structure or Building Systems, impairs access to the Premises, or poses a threat to worker safety, to the extent such damage was caused by removal of Tenant's Property, the Tenant Improvement Work and any Alterations as required under this Lease. Upon the Termination Date, Tenant shall surrender the Premises to Landlord in as good order and repair as on the Commencement Date, reasonable wear and tear and damage by casualty excepted, free and clear of all letting and occupancies and with Tenant's Hazardous Materials removed as required pursuant to Article 12. Subject to Article 9, upon any termination of this Lease all improvements, except for Tenant's Property, shall automatically and without further act by Landlord or Tenant, become the property of Landlord, free and clear of any claim or interest therein by Tenant, and without payment therefore by Landlord. If the Premises are not surrendered as of the end of the Term in the manner and condition described in this Section 20.1, Tenant shall indemnify, defend, protect and hold Landlord harmless from and against any and all Losses resulting from or caused by Tenant's delay or failure in so surrendering the Premises, including, without limitation, any lost rents and any claims made by any succeeding tenant due to such delay or failure and any loss or damage incurred by Landlord as a result of any delay in Landlord's redevelopment plans for the Premises.

20.2. Holding Over. Any holding over after the expiration of the Term with the consent of Landlord shall be construed to automatically extend the Term on a month-to-month basis at a Base Rent equal to the greater of (a) one and one-half times the then-current Base Rent, and (b) prevailing rate at which Landlord is then offering space in buildings reasonably determined by Landlord to be comparable to the Premises, and shall otherwise be on the terms and conditions of this Lease to the extent applicable. Any holding over without Landlord's consent shall entitle Landlord to exercise any or all of its remedies provided in Article 15, notwithstanding that Landlord may elect to accept one or more payments of Base Rent and Additional Rent from Tenant.

20.3. Quitclaim. At the expiration or earlier termination of this Lease, Tenant shall execute, acknowledge and deliver to Landlord, within ten (10) days after written demand from Landlord to Tenant, any quitclaim deed or other document required by any reputable title company, licensed to operate in the State of California, to remove the cloud or encumbrance created by this Lease from the Premises.

21. FINANCIAL STATEMENTS

Tenant shall tender to Landlord within ten (10) Business Days after receipt of a written request any information reasonably requested by Landlord regarding the financial stability, credit worthiness or ability of Tenant to pay the Rent due under this Lease. Landlord shall be entitled to rely upon the information provided in determining whether or not to enter into this Lease or for the purpose of any financing or other transaction subsequently undertaken by Landlord. Tenant hereby represents and warrants to Landlord the following: (a) that all documents provided by Tenant to Landlord in connection with the negotiation of this Lease are true and correct copies of the originals, (b) Tenant has not withheld any information from Landlord that is material to Tenant's credit worthiness, financial condition or ability to perform its obligations hereunder, (c) all information supplied by Tenant to Landlord is true, correct and accurate, (d) no part of the information supplied by Tenant to Landlord contains any misleading or fraudulent statements, and (e) Tenant has secured a Series E financing commitment of at least $50,000,000. A default under this Article shall be a non-curable default by Tenant and Landlord shall be entitled to pursue any right or remedy available to Landlord under the terms of this Lease or available to Landlord under the laws of the State of California. Landlord shall be entitled to disclose Tenant's financial information to (i) its agents, employees and consultants, (ii) potential purchasers of an interest in the Premises, and (iii) lenders contemplating making a

loan to the Landlord to be secured by the Premises, provided that such recipients are advised of the confidential nature of such information and agree to maintain such confidentiality.

22. TENANT CERTIFICATES

Tenant, at any time and from time to time within ten (10) Business Days after receipt of written notice from Landlord, shall execute, acknowledge and deliver to Landlord or to any party designated by Landlord (including prospective lenders, purchasers, ground lessees and others similarly situated), a certificate of Tenant stating, to the best of Tenant's knowledge: (a) that Tenant has accepted the Premises, (b) the Commencement Date and Expiration Date of this Lease, (c) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that same is in full force and effect as modified and stating the modifications), (d) whether or not there are then known to exist any defenses against the enforcement of any of the obligations of Tenant under this Lease (and, if so, specifying same), (e) whether or not there are then known to exist any defaults by Landlord in the performance of its obligations under this Lease (and, if so, specifying same), (f) the dates, if any, to which the Base Rent and Additional Rent have been paid, and (g) any other factual information relating to the rights and obligations under this Lease that may reasonably be required by any of such persons. Failure to deliver such certificate when due shall constitute an Event of Default. At the request of Tenant, Landlord shall execute, acknowledge and deliver to Tenant a certificate with similar types of information and in the time period set forth above. Failure by either Landlord or Tenant to execute, acknowledge and deliver such certificate shall be conclusive evidence that this Lease is in full force and effect and has not been modified except as may be represented by the requesting party. If any term in any certificate conflicts with the terms of this Lease, the terms of this Lease shall govern.

23. RULES AND REGULATIONS; SIGNS

23.1. Rules and Regulations. Tenant shall faithfully observe and comply with all reasonable rules and regulations, and all reasonable modifications thereof and additions thereto from time to time put into effect by Landlord (the ***"Rules and Regulations"***). Landlord shall not enforce such Rules and Regulations in an unreasonable or discriminatory manner. In the event of any conflict between the terms of this Lease and the terms, covenants, agreements and conditions of the Rules and Regulations, this Lease shall control.

23.2. Signs. Tenant shall have the right, at Tenant's sole cost and expense, to install Tenant's name on one existing road-side monument. Tenant shall also have the right to place signage on the Buildings. All signage to be installed by Tenant pursuant to this Section 23.2 shall comply with Applicable Law, the Stanford Research Park Handbook and shall be subject to the prior written consent of Landlord, not to be unreasonably withheld, and, if required, the approval of the City of Palo Alto.

24. INABILITY TO PERFORM

If Landlord is unable to fulfill or is delayed in fulfilling any of Landlord's obligations under this Lease, by reason of acts of God, accidents, breakage, repairs, strikes, lockouts, other labor disputes, inability to obtain utilities or materials or by any other reason beyond Landlord's reasonable control, then such inability or delay by Landlord shall excuse the performance of Landlord for a period equal to the duration of such prevention, delay or stoppage, and no such inability or delay by Landlord shall constitute an actual or constructive eviction, in whole or in part, or entitle Tenant to any abatement or diminution of Base Rent or Additional Rent, or relieve Tenant from any of its obligations under this Lease, or impose any liability upon Landlord or Landlord's Agents by reason of inconvenience, annoyance, interruption, injury or loss to or interference with Tenant's business or use and occupancy or quiet enjoyment of the Premises or any loss or damage occasioned thereby. If Tenant is unable to fulfill or is delayed in fulfilling

any of Tenant's obligations under this Lease (other than the payment of Rent), by reason of acts of God, accidents, breakage, repairs, strikes, lockouts, other labor disputes, inability to obtain utilities or materials or by any other reason beyond Tenant's reasonable control, then such inability or delay by Tenant shall excuse the performance of Tenant for a period equal to the duration of such prevention, delay or stoppage. Tenant hereby waives and releases any right to terminate this Lease under Section 1932(1) of the California Civil Code, or any similar law, statute or ordinance now or hereafter in effect.

25. NOTICES

Notices or other communications given or required to be given under this Lease shall be effective only if rendered or given in writing, sent by certified mail with a return receipt requested, or delivered in person or by reputable overnight courier (e.g., Federal Express, DHL, etc.): (a) to Tenant (i) at Tenant's address set forth in Article 1, if sent prior to the Commencement Date, or (ii) at the Premises and at the "copy to" address specified in Article 1 if sent subsequent to the Commencement Date, or (iii) at the place where Tenant designates subsequent to Tenant's vacating, deserting, abandoning or surrendering the Premises; or (b) to Landlord at Landlord's address set forth in Article 1; or (c) to such other address as either Landlord or Tenant may designate as its new address for such purpose by notice given to the other in accordance with the provisions of this Article. Any such notice or other communication shall be deemed to have been rendered or given five (5) days after the date mailed, if sent by certified mail, or upon the date of delivery in person or by courier, or when delivery is attempted but refused.

26. QUIET ENJOYMENT

Landlord covenants that so long as an Event of Default by Tenant is not in existence, upon paying the Base Rent and Additional Rent and performing all of its obligations under this Lease, Tenant shall peaceably and quietly enjoy the Premises, subject to the terms and provisions of this Lease.

27. AUTHORITY

27.1. Tenant's Authority. If Tenant is a corporation, limited liability company or a partnership, Tenant represents and warrants as follows: Tenant is an entity as identified in Article 1, duly formed and validly existing and in good standing under the laws of the state of organization specified in Article 1 and qualified to do business in the State of California. Tenant has the power, legal capacity and authority to enter into and perform its obligations under this Lease and no approval or consent of any person is required in connection with the execution and performance hereof. The execution and performance of Tenant's obligations under this Lease will not result in or constitute any default or event that would be, or with notice or the lapse of time would be, a default, breach or violation of the organizational instruments governing Tenant or any agreement or any order or decree of any court or other governmental authority to which Tenant is a party or to which it is subject. Tenant has taken all necessary action to authorize the execution, delivery and performance of this Lease and this Lease constitutes the legal, valid and binding obligation of Tenant. Upon Landlord's request, Tenant shall provide Landlord with evidence reasonably satisfactory to Landlord confirming the foregoing representations and warranties.

27.2. Landlord's Authority. Landlord represents and warrants as follows: Landlord has the power, legal capacity and authority to enter into and perform its obligations under this Lease and no approval or consent of any person is required in connection with the execution and performance hereof. The execution and performance of Landlord's obligations under this Lease will not result in or constitute any default or event that would be, or with notice or the lapse of time would be, a default, breach or violation of the organizational instruments

governing Landlord or any agreement or any order or decree of any court or other governmental authority to which Landlord is a party or to which it is subject. Landlord has taken all necessary action to authorize the execution, delivery and performance of this Lease and this Lease constitutes the legal, valid and binding obligation of Landlord.

28. BROKERS

Tenant and Landlord warrant that they have had dealings with only the real estate brokers or agents listed in Article 1 in connection with the negotiation of this Lease and that they know of no other real estate broker or agent who is entitled to a commission in connection with this Lease. Landlord shall pay for the brokerage commission earned in connection with this transaction by Tenant's Broker pursuant to the terms of a separate agreement between Landlord and Tenant's Broker. Tenant and Landlord shall indemnify, defend and hold the other harmless from and against all liabilities arising from any other claims of brokerage commissions or finder's fees based on Tenant's or Landlord's, as applicable, dealings or contacts with brokers or agents other than those listed in Article 1.

29. MISCELLANEOUS

29.1. Entire Agreement. This Lease, including the exhibits which are incorporated herein and made a part of this Lease and that certain letter agreement dated May 22, 2009 from Annette Walton to Craig Harding regarding environmental reports, contains the entire agreement between the parties and all prior negotiations and agreements are merged herein. Tenant hereby acknowledges that neither Landlord nor Landlord's Agents have made any representations or warranties with respect to the Premises or this Lease except as expressly set forth herein, or therein, and no rights, easements or licenses are or shall be acquired by Tenant by implication or otherwise unless expressly set forth herein or therein.

29.2. No Waiver. No failure by Landlord or Tenant to insist upon the strict performance of any obligation of Tenant or Landlord under this Lease or to exercise any right, power or remedy consequent upon a breach thereof, no acceptance of full or partial Base Rent or Additional Rent during the continuance of any such breach by Landlord, or payment of Base Rent or Additional Rent by Tenant to Landlord, and no acceptance of the keys to or possession of the Premises prior to the expiration of the Term by any employee or agent of Landlord shall constitute a waiver of any such breach or of such term, covenant or condition or operate as a surrender of this Lease. No waiver of any breach shall affect or alter this Lease, but each and every term, covenant and condition of this Lease shall continue in full force and effect with respect to any other then-existing or subsequent breach thereof. The consent of Landlord or Tenant given in any instance under the terms of this Lease shall not relieve Tenant or Landlord, as applicable, of any obligation to secure the consent of the other in any other or future instance under the terms of this Lease.

29.3. Modification. Neither this Lease nor any term or provisions hereof may be changed, waived, discharged or terminated orally, and no breach thereof shall be waived, altered or modified, except by a written instrument signed by the party against which the enforcement of the change, waiver, discharge or termination is sought.

29.4. Successors and Assigns. The terms, covenants and conditions contained in this Lease shall bind and inure to the benefit of Landlord and Tenant and, except as otherwise provided or limited herein, their respective personal representatives and successors and assigns.

29.5. Validity. If any provision of this Lease or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons, entities or circumstances other than

those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and be enforced to the full extent permitted by law.

29.6. Jurisdiction. This Lease shall be construed and enforced in accordance with the laws of the State of California. Any action that in any way involves the rights, duties and obligations of the parties under this Lease may (and if against Landlord, shall) be brought in the courts of the State of California or the United States District Court for the District of California, and the parties hereto hereby submit to the personal jurisdiction of said courts.

29.7. Attorneys' Fees. In the event that either Landlord or Tenant fails to perform any of its obligations under this Lease or in the event a dispute arises concerning the meaning or interpretation of any provision of this Lease, the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder, including, without limitation, court costs, costs of arbitration and reasonable attorneys' fees.

29.8. Waiver of Jury Trial. Landlord and Tenant each hereby voluntarily and knowingly waive and relinquish their right to a trial by jury in any action, proceeding or counterclaim brought by either against the other on any matter whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord with Tenant, or Tenant's use or occupancy of the Premises, including any claim of injury or damage, and any emergency and other statutory remedy with respect thereto.

29.9. Intentionally Omitted

29.10. Light and Air. Tenant covenants and agrees that no diminution of light, air or view by any structure that may hereafter be erected (whether or not by Landlord) shall entitle Tenant to any reduction of the Base Rent or Additional Rent under this Lease, result in any liability of Landlord to Tenant, or in any other way affect this Lease or Tenant's obligations hereunder.

29.11. Lease Memorandum. If required to do so in connection with the funding described in Section 5.4(d), Landlord will execute and acknowledge a memorandum of lease for recordation in the Official Records of Santa Clara County in a form reasonably acceptable to Landlord.

29.12. Confidentiality. The parties agree that neither of them shall make public the terms and conditions of this Lease or the fact that they have entered into this Lease to any person other than a party's accountants, attorneys, brokers, prospective ground lessees, investors, consultants or financial advisors without first obtaining the written permission from the other party, except to the extent otherwise required by Applicable Law. In addition, Landlord agrees that all financial information provided to Landlord by Tenant pursuant to Section 21 shall be subject to the foregoing confidentiality requirements.

29.13. Terms. The term "Premises" includes the space leased hereby and any improvements now or hereafter installed therein or attached thereto. The words "Landlord" and "Tenant" as used herein shall include the plural as well as the singular. If there is more than one Tenant or Landlord, the obligations under this Lease imposed on Tenant or Landlord shall be joint and several. The captions preceding the articles of this Lease have been inserted solely as a matter of convenience and such captions in no way define or limit the scope or intent of any provision of this Lease.

29.14. Review and Approval. The review, approval, inspection or examination by Landlord of any item to be reviewed, approved, inspected or examined by

Landlord under the terms of this Lease or the exhibits attached hereto shall not constitute the assumption of any responsibility by Landlord for either the accuracy or sufficiency of any such item or the quality of suitability of such item for its intended use. Any such review, approval, inspection or examination by Landlord is for the sole purpose of protecting Landlord's interests in the Premises and under this Lease, and no third parties, including, without limitation, Tenant or any person or entity claiming through or under Tenant, or the contractors, agents, servants, employees, visitors or licensees of Tenant or any such person or entity, shall have any rights hereunder with respect to such review, approval, inspection or examination by Landlord.

29.15. No Beneficiaries. This Lease shall not confer or be deemed to confer upon any person or entity other than the parties hereto, any right or interest, including without limitation, any third party status or any right to enforce any provision of this Lease.

29.16. Time of the Essence. Time is of the essence in respect of all provisions of this Lease in which a definite time for performance is specified.

29.17. Modification of Lease. In the event of any ruling or threat by the Internal Revenue Service, or opinion of counsel, that all or part of the Rent paid or to be paid to Landlord under this Lease will be subject to the income tax or unrelated business taxable income, Tenant agrees to modify this Lease to avoid such tax; provided that such modifications will not result in any increase in Rent, or any increased obligations of Tenant under this Lease. Landlord will pay all Tenant's reasonable costs incurred in reviewing and negotiating any such lease modification, including reasonable attorneys' and accountants' fees.

29.18. Construction. This Lease has been negotiated extensively by Landlord and Tenant with and upon the advice of their respective legal counsel, all of whom have participated in the drafting hereof. Consequently, Landlord and Tenant agree that no party shall be deemed to be the drafter of this Lease and in the event this Lease is ever construed by a court of law, such court shall not construe this Lease or any provision of this Lease against any party as the drafter of the Lease.

29.19. Use of Name. Tenant acknowledges and agrees that the names ***"The Leland Stanford Junior University," "Stanford"*** and ***"Stanford University,"*** and all variations thereof, are proprietary to Landlord. Re: Davis Bacon Act Letter Agreement

Ladies and Gentlemen:

This letter agreement is being executed by Tesla Motors, Inc. (the "Borrower") and delivered to the United States Department of Energy ("DOE"), in connection with the Loan Arrangement and Reimbursement Agreement (the "Loan Agreement") being entered into, on the date hereof, between the Borrower and DOE. Unless otherwise defined herein, all capitalized terms used herein shall have the respective meanings ascribed to such terms in the Loan Agreement.

As an inducement to DOE entering into the Loan Agreement, the Borrower hereby agrees to comply fully with the following terms of this letter agreement until the date that all of the Note P Obligations and the Note S Obligations have been paid in full and the Loan Commitment Amounts have been reduced to zero:

(a) General. The Borrower shall insert in any contract for construction, alteration, or repair of a building or work financed in whole or in part by a loan under 42 U.S.C. sec. 17013 the clauses contained in 29 C.F.R. 5.5(a)(1)-(10) (which are set forth in Section (a) of the Attachment hereto). The Borrower shall insert in any contract in an amount in excess of $100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act the clauses contained in 29 C.F.R. 5.5(b) (which are set forth in Section (b) of the Attachment hereto).

(b) Retention and Review of Payrolls. The Borrower shall be responsible for systematically reviewing certified payroll records and other evidence of payment of the required wages set forth in the wage determination(s) of the Secretary of Labor ("Davis-Bacon Act wages") for the laborers and mechanics of any contractor or

subcontractor awarded a contract for construction, alteration, or repair of a building or work financed in whole or in part by a loan under 42 U.S.C. sec. 17013. The Borrower shall promptly notify DOE in writing when it receives any complaint related to non-compliance with the Davis-Bacon Act or discovers in the course of its systematic review of the certified payroll records and other evidence of payment of Davis-Bacon Act wages an incident that the Borrower reasonably believes to be a case of such non-compliance and which, in each case, the Borrower cannot resolve on its own. In such a case, the Borrower shall forward to DOE (1) the complaint or a written summary of the non-compliant incident, (2) a summary of the Borrower's investigation into such complaint or such incident, and (3) the relevant certified payroll records and other evidence of payment of Davis-Bacon Act wages. Certified payroll records and other evidence of payment of Davis-Bacon Act wages maintained by the Borrower on DOE's behalf shall be preserved for 3 years after completion of work. Notwithstanding anything to the contrary in subparagraph (a)(3)(ii)(A) of the Attachment hereto, the Borrower, on DOE's behalf, shall maintain such certified payroll records and other evidence of payment of Davis-Bacon Act wages at a site designated by the Borrower and shall make such records available to DOE and the U.S. Department of Labor when necessary, and upon request, for purposes of an investigation or audit of compliance with prevailing wage requirements. Certified payroll records and other evidence of payment of Davis-Bacon Act wages maintained by the Borrower shall be considered federal government records for the purposes of the Freedom of Information Act, 5 U.S.C. § 552. The Borrower shall provide such records to DOE within five (5) business days of receipt of any request for such records from DOE.

(c) Information Required for Wage Determinations. Without limiting the Borrower's obligations under the Loan Agreement or under the Davis-Bacon Act, the Borrower shall provide DOE (i) a detailed written description of the work to be performed by any contractors or subcontractors which will perform construction, alteration, or repair of a building or work financed in whole or in part by a loan under 42 U.S.C. § 17013 and (ii) any other information requested by DOE, for the purpose of enabling DOE to ensure that (x) the appropriate wage determination(s) are incorporated into bid solicitations and contract specifications and (y) the appropriate wage determination(s) are designated specifically to the contract or subcontract work. Any such description or other information requested by DOE for the purpose of this paragraph shall be provided to DOE (i) at least ten (10) Business Days prior to the execution of a contract (or a modification thereto) for construction, alteration or repair of a building or work financed in whole or in part by a loan under 42 U.S.C. § 17013 or (ii) in the case of any such contract entered into pursuant to competitive bidding procedures, at least twenty (20) Business Days prior to the opening of bids.

ATTACHMENT

SECTION (a) MINIMUM WAGES, ETC.

(1) Minimum wages.

(i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in Sec. 5.5(a)(4) [paragraph (a)(4) below]. Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph (a)(1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) The work to be performed by the classification requested is not

performed by a classification in the wage determination; and
(2) The classification is utilized in the area by the construction industry; and
(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(ii)(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(ii)(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(ii)(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(2) Withholding.

The Department of Energy ("DOE") shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, DOE may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) Payrolls and basic records.

(i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)(A) The contractor shall submit weekly for each week in which any contract

work is performed a copy of all payrolls to the DOE) if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant, sponsor, or owner, as the case may be, for transmission to DOE. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at http://www.dol.gov/esa/whd/forms/wh347instr.htm or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to DOE if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit them to the applicant, sponsor, or owner, as the case may be, for transmission to DOE, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the sponsoring government agency (or the applicant, sponsor, or owner).

(ii)(B) Each payroll submitted shall be accompanied by a ``Statement of Compliance,'' signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under Sec. 5.5 (a)(3)(ii) of Regulations, 29 CFR part 5, the appropriate information is being maintained under Sec. 5.5 (a)(3)(i) of Regulations, 29 CFR part 5, and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(ii)(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the ``Statement of Compliance'' required by paragraph (a)(3)(ii)(B) of this section.

(ii)(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of DOE or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) Apprentices and trainees

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's

registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment

opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

(5) Compliance with Copeland Act requirements.

The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) Subcontracts.

The contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as DOE may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

(7) Contract termination: debarment.

A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) Compliance with Davis-Bacon and Related Act requirements.

All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) Disputes concerning labor standards.

Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(10) Certification of eligibility.

(i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of

section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

SECTION (b) CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

(1) Overtime requirements.

No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages.

In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) Withholding for unpaid wages and liquidated damages.

The DOE shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) Subcontracts.

The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

(ii) After the full payment of the Series F Preferred Stock liquidation preference described in Section 2(a)(i) of this Article IV(B), the holders of the Series E Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets or funds of the Corporation to the holders of the Series D Preferred Stock, holders of the Series C Preferred Stock, Series B Preferred Stock, Series A Preferred Stock or Common Stock, by reason of their ownership thereof, an amount per share equal to $2.5124 per share (as adjusted for stock splits, stock dividends, reclassification and the like) for each share of Series E Preferred Stock then held by them, plus declared but unpaid dividends. If, upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series E Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then the entire assets and funds of the Corporation legally available for distribution shall be distributed ratably among the holders of the Series E Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive.

(iii) After the full payment of the Series F Preferred Stock liquidation preference and the Series E Preferred Stock liquidation preference described in Sections 2(a)(i) and 2(a)(ii) of this Article IV(B), the holders of the Series D Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets or funds of the Corporation to the holders of the Series C Preferred Stock, Series B Preferred Stock, Series A Preferred Stock or Common Stock, by reason of their ownership thereof, an amount per share equal to $2.4403 per share (as adjusted for stock splits, stock dividends, reclassification and the like) for each share of Series D Preferred Stock then held by them, plus declared but unpaid dividends. If, upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series D Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then the entire assets and funds of the Corporation legally available for distribution shall be distributed ratably among the holders of the Series D Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive.

(iv) After the full payment of the Series F Preferred Stock liquidation preference, the Series E Preferred Stock liquidation preference, and the Series D Preferred Stock liquidation preference described in Sections 2(a)(i), 2(a)(ii) and 2(a)(iii) of this Article IV(B), the holders of the Series C Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets or funds of the Corporation to the holders of Series B Preferred Stock, Series A Preferred Stock or Common Stock, by reason of their ownership thereof, an amount per share equal to $1.135 per share (as adjusted for stock splits, stock dividends, reclassification and the like) for each share of Series C Preferred Stock then held by them, plus declared but unpaid dividends. If, upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series C Preferred Stock shall be insufficient

to permit the payment to such holders of the full aforesaid preferential amounts, then the entire assets and funds of the Corporation legally available for distribution shall be distributed ratably among the holders of the Series C Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive.

(v) After the full payment of the Series F Preferred Stock liquidation preference, the Series E Preferred Stock liquidation preference, the Series D Preferred Stock liquidation preference and the Series C Preferred Stock liquidation preference described in Sections 2(a)(i), 2(a)(ii), 2(a)(iii), and 2(a)(iv) of this Article IV(B), the holders of the Series B Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets or funds of the Corporation to the holders of any Series A Preferred Stock or the holders of any Common Stock by reason of their ownership thereof, an amount per share equal to $0.74 per share (as adjusted for stock splits, stock dividends, reclassification and the like) for each share of Series B Preferred Stock then held by them, plus declared but unpaid dividends. If, upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series B Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then the entire assets and funds of the Corporation legally available for distribution shall be distributed ratably among the holders of the Series B Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive.

(vi) After the full payment of the Series F Preferred Stock liquidation preference, the Series E Preferred Stock liquidation preference, the Series D Preferred Stock liquidation preference, the Series C Preferred Stock liquidation preference and the Series B Preferred Stock liquidation preference described in Sections 2(a)(i), 2(a)(ii), 2(a)(iii), 2(a)(iv), and 2(a)(v) of this Article IV(B), the holders of the Series A Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets or funds of the Corporation to the holders of any Common Stock by reason of their ownership thereof, an amount per share equal to $0.493 per share (as adjusted for stock splits, stock dividends, reclassification and the like) for each share of Series A Preferred Stock then held by them, plus declared but unpaid dividends. If, upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series A Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then the entire assets and funds of the Corporation legally available for distribution shall be distributed ratably among the holders of the Series A Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive.

(vii) In the event of any liquidation, dissolution or winding up of the Corporation, either voluntary or involuntary, under Section 2(a) of this Article IV(B), the amount of assets and funds of the Corporation available for distribution shall be computed in a manner consistent with Section 2(c)(ii) of this Article IV(B).

(b) **Remaining Assets.** Upon the completion of the distribution required by Section 2(a) of this Article IV(B) and any other distribution that may be required with respect to series of Preferred Stock that may from time to time come into existence, if assets

remain in the Corporation, the holders of the Common Stock of the Corporation shall ratably receive all of the remaining assets of the Corporation.

(c) **Certain Acquisitions.**

(i) **Deemed Liquidation.** For purposes of this Section 2 of Article IV(B), a liquidation, dissolution, or winding up of the Corporation shall be deemed to occur if the Corporation shall, directly or indirectly, in one or a series of related transactions, sell, convey, or otherwise dispose of all or substantially all of its property or business or merge with or into or consolidate with any other corporation, limited liability company or other entity (other than a wholly-owned subsidiary of the Corporation) or effect any other transaction in which fifty percent (50%) or more of the voting power of the Corporation is disposed of or converted into securities of another corporation, limited liability company or other entity (other than a wholly-owned subsidiary of the Corporation), provided that this Section 2(c)(i) of Article IV(B) shall not apply to (A) a merger effected exclusively for the purpose of changing the domicile of the Corporation or (B) a transaction in which the stockholders of the Corporation immediately prior to the transaction own 50% or more of the voting power of the surviving corporation following the transaction (provided that the stockholders of the Corporation immediately prior to such transaction continue to hold at least 50% of the voting power of the surviving corporation in substantially the same proportions immediately after such transaction).

(ii) **Valuation of Consideration.** In the event of a deemed liquidation as described in Section 2(c)(i) of this Article IV(B), if the consideration received, or to be received, by the Corporation or its stockholders is other than cash, such consideration shall be valued as follows:

(A) Securities not subject to investment letter or other similar restrictions on free marketability:

(1) If traded on a national securities exchange, the value shall be deemed to be the average of the closing prices of the securities on such exchange over the thirty trading-day period ending one (1) day prior to the date of the consummation of the transaction deemed a liquidation (or liquidation, dissolution or winding up, as applicable);

(2) If actively traded over-the-counter, the value shall be deemed to be the average of the closing bid or sale prices (whichever is applicable) over the thirty trading-day period ending one (1) day prior to the date of the consummation of the transaction deemed a liquidation (or liquidation, dissolution or winding up, as applicable); and

(3) If there is no active public market, the value shall be the fair market value thereof, as mutually determined in good faith by the Corporation and the holders of at least two-thirds of the voting power of all then outstanding shares of Preferred Stock (voting together as a single class and not as separate series, and on an as-converted basis).

(B) The method of valuation of securities subject to investment letter or other restrictions on free marketability (other than restrictions arising solely by virtue of a stockholder's status as an affiliate or former affiliate) shall be to make an appropriate discount from the market value determined as above in Section 2(c)(ii)(A) of this Article IV(B) to reflect the approximate fair market value thereof, as mutually determined in good faith by the Corporation and the holders of at least two-thirds of the voting power of all then outstanding shares of Preferred Stock (voting together as a single class and not as separate series, and on an as-converted basis).

(C) Any other non-cash consideration shall be valued at its fair market value, as mutually determined in good faith by the Board of Directors and the holders of at least two-thirds of the voting power of all then outstanding shares of Preferred Stock (voting together as a single class and not as separate series, and on an as-converted basis).

(iii) **Notice of Transaction.** The Corporation shall give each holder of record of Preferred Stock written notice of such impending liquidation, dissolution or winding up (or deemed liquidation, dissolution or winding up) not later than the earlier of (x) ten (10) days prior to the stockholders' meeting called to approve such liquidation, dissolution or winding up (or deemed liquidation, dissolution or winding up) and (y) ten (10) days prior to the consummation of such liquidation, dissolution or winding up (or deemed liquidation, dissolution or winding up), and shall thereafter promptly notify such holders in writing of any stockholder approval of such liquidation, dissolution or winding up (or deemed liquidation, dissolution or winding up). The first of such notices shall describe the material terms and conditions of the impending liquidation, dissolution or winding up (or deemed liquidation, dissolution or winding up) and the provisions of this Section 2 of Article IV(B), and shall include a copy of all definitive agreements relating to such liquidation, dissolution or winding up (or deemed liquidation, dissolution or winding up) (including all schedules and exhibits thereto), and the Corporation shall thereafter give such holders prompt notice of any material changes to such liquidation, dissolution or winding up (or deemed liquidation, dissolution or winding up) or agreement (including a copy of such agreements). The liquidation, dissolution or winding up (or deemed liquidation, dissolution or winding up) shall in no event take place sooner than ten (10) days after the Corporation has given the first notice provided for herein or sooner than ten (10) days after the Corporation has given notice of any material changes provided for herein; provided, however, that such periods may be shortened upon the written consent of the holders of Preferred Stock that are entitled to such notice rights or similar notice rights and that represent at least two-thirds of the voting power of all then outstanding shares of such Preferred Stock (voting together as a single class and not as separate series, and on an as-converted basis); provided further, however, that notwithstanding the foregoing, prior to the consummation of any such liquidation, dissolution or winding up, the holders of Preferred Stock shall be given notice thereof.

(iv) **Effect of Noncompliance.** In the event the requirements of this Section 2(c) of Article IV(B) are not complied with, the Corporation shall forthwith either cause the closing of the transaction to be postponed until such requirements have been complied with, or cancel such transaction, in which event the rights, preferences and privileges of the holders of the Preferred Stock shall revert to and be the same as such rights, preferences and

privileges existing immediately prior to the date of the first notice referred to in Section 2(c)(iii) of this Article IV(B).

3. **Redemption.** The Preferred Stock is not redeemable at the option of the holders thereof or at the option of the Corporation.

4. **Conversion.** The holders of the Preferred Stock shall have conversion rights as follows (the "Conversion Rights"):

(a) **Right to Convert.** Subject to Section 4(c) of this Article IV(B), each share of Preferred Stock shall be convertible, at the option of the holder thereof and without the payment of additional consideration, at any time and from time to time after the date of issuance of such share, at the office of the Corporation or any transfer agent for such stock, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing the applicable Original Issue Price by the Conversion Price applicable to such share, determined as hereafter provided, in effect on the date the certificate is surrendered for conversion. The initial Conversion Price per share of Preferred Stock shall be equal to the applicable Original Issue Price of the Preferred Stock; provided, however, that the Conversion Price per share of Series C Preferred Stock shall be $1.0809128. Such Conversion Prices shall be subject to adjustment as set forth in Section 4(d) of this Article IV(B). The holder of such shares of Preferred Stock may convert such stock in whole or in part.

(b) **Automatic Conversion.** Each share of Preferred Stock shall automatically be converted into shares of Common Stock in accordance with Section 4(a) of this Article IV(B) immediately upon the earlier of (i) except as provided below in Section 4(c) of this Article IV(B), the closing of the sale by the Corporation of its Common Stock in a firm commitment underwritten public offering pursuant to a registration statement under the Securities Act of 1933, as amended (the "Securities Act"), in which (A) the pre-public offering market capitalization of the Corporation is at least $250,000,000 (as determined by multiplying the number of all shares outstanding common stock of the Corporation immediately prior to the public offering (on an as-converted basis) by the price per share offered to the public as of the closing of the public offering) and (B) which results in aggregate cash proceeds to the Corporation of not less than $50,000,000 (net of underwriting discounts and commissions) or (ii) the date specified by written consent or agreement of the holders of at least two-thirds of the then outstanding shares of Preferred Stock (voting together as a single class on an as-converted basis).

(c) **Mechanics of Conversion.** Before any holder of Preferred Stock shall be entitled to receive shares of Common Stock upon conversion of Preferred Stock, he, she or it shall surrender the certificate or certificates therefor, duly endorsed, at the office of the Corporation or of any transfer agent for such series of Preferred Stock, and shall give written notice to the Corporation at its principal corporate office, of the election to convert the same and shall state therein the name or names in which the certificate or certificates for shares of Common Stock are to be issued. The Corporation shall, as soon as practicable thereafter, issue and deliver at such office to such holder of Preferred Stock, or to the nominee or nominees of such holder, a certificate or certificates for the number of shares of Common Stock to which such

holder shall be entitled as aforesaid. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the shares of such series of Preferred Stock to be converted, and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock as of such date. If the conversion is in connection with an underwritten offering of securities registered pursuant to the Securities Act the conversion may, at the option of any holder tendering such Preferred Stock for conversion, be conditioned upon the closing with the underwriters of the sale of securities pursuant to such offering, in which event the holder of such Preferred Stock (and, if a different person(s), the person(s) entitled to receive Common Stock upon conversion of such Preferred Stock) shall not be deemed to have converted such Preferred Stock (or received the shares of Common Stock issuable upon such conversion) until immediately prior to the closing of such sale of securities. Upon surrender of certificates of Preferred Stock to be converted in part, the Corporation shall issue to the holder of such Preferred Stock a balance certificate representing the number of full shares of Preferred Stock not so converted.

(d) **Conversion Price Adjustments of Preferred Stock for Certain Dilutive Issuances, Splits and Combinations.** The Conversion Price of the Preferred Stock shall be subject to adjustment from time to time as follows:

(i) **Issuance of Additional Stock below Purchase Price.** If the Corporation shall issue or sell, after the date of the filing of the Sixth Amended and Restated Certificate of Incorporation (the "Filing Date"), any Additional Stock (as defined below) without consideration or for per share consideration less than the Conversion Price for any series in effect immediately prior to the issuance or sale of such Additional Stock, the Conversion Price for such series in effect immediately prior to each such issuance or sale shall automatically be adjusted as set forth in this Section 4(d)(i) of Article IV(B), unless otherwise provided in this Section 4(d)(i) of Article IV(B).

(A) **Adjustment Formula.** Whenever the Conversion Price is adjusted pursuant to this Section (4)(d)(i) of Article IV(B), the new Conversion Price shall be determined by multiplying the Conversion Price then in effect by a fraction, (x) the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such issuance (the "Outstanding Common") plus the number of shares of Common Stock that the aggregate consideration received by the Corporation for such issuance would purchase at such Conversion Price; and (y) the denominator of which shall be the number of shares of Outstanding Common plus the number of shares of such Additional Stock (on an as converted basis). For purposes of the foregoing calculation, the term "Outstanding Common" shall include shares of Common Stock deemed issued pursuant to Section 4(d)(i)(E) of this Article IV(B)

(B) **Definition of "Additional Stock".** For purposes of this Section 4(d)(i), "Additional Stock" shall mean any shares of Common Stock issued (or deemed to have been issued pursuant to Section 4(d)(i)(E) of this Article IV(B)) by the Corporation after the Original Issue Date) other than

(1) shares of Common Stock (or options therefor) issued to employees, consultants, directors or other service providers pursuant to plans, agreements or arrangements approved by the Board of Directors;

(2) shares of Common Stock issued in connection with or after consummation of a firm commitment underwritten public offering by the Corporation of shares of its Common Stock pursuant to a registration statement on Form S-1 under the Securities Act of 1933, as amended, in which the pre-public offering market capitalization of the Corporation is at least $250,000,000 (as determined by multiplying all outstanding common stock of the Corporation immediately prior to the public offering (on an as converted basis) by the price per share offered to the public as of the closing of the public offering) and which results in aggregate cash proceeds to the Corporation of $50,000,000 (net of underwriting discounts and commissions);

(3) securities issued pursuant to the conversion or exercise of convertible or exercisable securities;

(4) securities issues pursuant to stock splits, stock dividends or like transactions (provided that this clause (4) shall in no event affect Sections 4(d)(ii) or 4(d)(iii) of this Article IV(B)); and

(5) securities issued that, with unanimous approval of the Board of Directors of the Corporation, are not offered to any existing stockholder of the Corporation.

(C) **No Fractional Adjustments.** No adjustment of the Conversion Price for each series of Preferred Stock shall be made in an amount less than one cent per share, provided that any adjustments which are not required to be made by reason of this sentence shall be carried forward and shall be either taken into account in any subsequent adjustment made prior to three years from the date of the event giving rise to the adjustment being carried forward, or shall be made at the end of three years from the date of the event giving rise to the adjustment being carried forward. Any adjustment to the Conversion Price carried forward and not theretofore made shall be made immediately prior to the conversion of any shares of Preferred Stock.

(D) **Determination of Consideration.** In the case of the issuance of Common Stock for cash, the consideration shall be deemed to be the amount of cash paid therefor before deducting any reasonable discounts, commissions or other expenses allowed, paid or incurred by the Corporation for any underwriting or otherwise in connection with the issuance and sale thereof. In the case of the issuance of the Common Stock for a consideration in whole or in part other than cash, the consideration other than cash shall be deemed to be the fair value thereof as determined by the Board of Directors in good faith irrespective of any accounting treatment.

(E) **Deemed Issuances of Common Stock.** In the case of the issuance (whether before, on or after the Filing Date) of options to purchase or rights to subscribe for Common Stock, securities by their terms convertible into or exchangeable for Common Stock or options to purchase or rights to subscribe for such convertible or exchangeable securities, the following provisions shall apply for all purposes of this Section 4(d)(i) of Article IV(B):

(1) The aggregate maximum number of shares of Common Stock deliverable upon exercise (assuming the satisfaction of any conditions to exercisability, including without limitation, the passage of time, but without taking into account potential antidilution adjustments) of such options to purchase or rights to subscribe for Common Stock shall be deemed to have been issued at the time such options or rights were issued and for a consideration equal to the consideration (determined in the manner provided in Section 4(d)(i)(D) of Article IV(B)), if any, received by the Corporation upon the issuance of such options or rights plus the minimum exercise price provided in such options or rights (without taking into account potential antidilution adjustments) for the Common Stock covered thereby.

(2) The aggregate maximum number of shares of Common Stock deliverable upon conversion of or in exchange (assuming the satisfaction of any conditions to convertibility or exchangeability, including, without limitation, the passage of time, but without taking into account potential antidilution adjustments) for any such convertible or exchangeable securities or upon the exercise of options to purchase or rights to subscribe for such convertible or exchangeable securities and subsequent conversion or exchange thereof shall be deemed to have been issued at the time such securities were issued or such options or rights were issued and for a consideration equal to the consideration, if any, received by the Corporation for any such securities and related options or rights (excluding any cash received on account of accrued interest or accrued dividends), plus the minimum additional consideration, if any, to be received by the Corporation (without taking into account potential antidilution adjustments) upon the conversion or exchange of such securities or the exercise of any related options or rights (the consideration in each case to be determined in the manner provided in Section 4(d)(i)(D) of Article IV(B)).

(3) In the event of any change in the number of shares of Common Stock deliverable or in the consideration payable to the Corporation upon exercise of such options or rights or upon conversion of or in exchange for such convertible or exchangeable securities, including, but not limited to, a change resulting from the antidilution provisions thereof, the Conversion Price of each series of Preferred Stock, to the extent in any way affected by or computed using such options, rights or securities, shall be recomputed to reflect such change, but no further adjustment shall be made for the actual issuance of Common Stock or any payment of such consideration upon the exercise of any such options or rights or the conversion or exchange of such securities.

(4) Upon the expiration of any such options or rights, the termination of any such rights to convert or exchange or the expiration of any options or rights related to such convertible or exchangeable securities, the Conversion Price of each

series of Preferred Stock, to the extent in any way affected by or computed using such options, rights or securities or options or rights related to such securities, shall be recomputed to reflect the issuance of only the number of shares of Common Stock (and convertible or exchangeable securities which remain in effect) actually issued upon the exercise of such options or rights, upon the conversion or exchange of such securities or upon the exercise of the options or rights related to such securities.

(5) The number of shares of Common Stock deemed issued and the consideration deemed paid therefor pursuant to Sections 4(d)(i)(E)(1) and 4(d)(i)(E)(2) of this Article IV(B) shall be appropriately adjusted to reflect any change, termination or expiration of the type described in either Section 4(d)(i)(E)(3) or 4(d)(i)(E)(4) of this Article IV(B).

(F) **No Increased Conversion Price.** Notwithstanding any other provisions of this Section (4)(d)(i) of this Article IV(B). except to the limited extent provided for in Sections 4(d)(i)(E)(3) and 4(d)(i)(E)(4) of this Article IV(B), no adjustment of the Conversion Price pursuant to this Section 4(d)(i) of Article IV(B) shall have the effect of increasing the Conversion Price above the Conversion Price in effect immediately prior to such adjustment.

(ii) **Stock Splits and Dividends.** In the event the Corporation should at any time or from time to time after the Filing Date fix a record date for the effectuation of a split or subdivision of the outstanding shares of Common Stock, or combination or reclassification, or the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in additional shares of Common Stock or other securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly, additional shares of Common Stock (hereinafter referred to as "Common Stock Equivalents") without payment of any consideration by such holder for the additional shares of Common Stock or the Common Stock Equivalents (including the additional shares of Common Stock issuable upon conversion or exercise thereof), then, as of such record date (or the date of such dividend, distribution, split, subdivision, combination or reclassification if no record date is fixed), the Conversion Price of each series of Preferred Stock shall be appropriately decreased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be increased in proportion to such increase of the aggregate of shares of Common Stock outstanding and those issuable with respect to such Common Stock Equivalents with the number of shares issuable with respect to Common Stock Equivalents determined from time to time in the manner provided for deemed issuances in Section 4(d)(i)(E) of this Article IV(B).

(iii) **Reverse Stock Splits.** If the number of shares of Common Stock outstanding at any time after the Filing Date is decreased by a combination, consolidation or reclassification of the outstanding shares of Common Stock, then, as of such record date (or the date of such combination, consolidation or reclassification if no record date is fixed), the Conversion Price for each series of Preferred Stock shall be appropriately increased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be

decreased in proportion to such decrease of the aggregate of shares of Common Stock outstanding.

(e) **Other Distributions.** In the event the Corporation shall declare a distribution payable in securities of other persons, evidences of indebtedness issued by the Corporation or other persons, assets (excluding cash dividends) or options or rights not referred to in Section 4(d)(ii) of this Article IV(B), then, in each such case for the purpose of this Section 4(e) of Article IV(B), the holders of Preferred Stock shall be entitled to a proportionate share of any such distribution as though they were the holders of the number of shares of Common Stock of the Corporation into which their shares of Preferred Stock are convertible as of the record date fixed for the determination of the holders of Common Stock of the Corporation entitled to receive such distribution.

(f) **Recapitalizations.** If at any time or from time to time there shall be a recapitalization of the Common Stock (other than a subdivision, combination or merger or sale of assets transaction provided for elsewhere in this Section 4 of Article IV(B) or Section 2 of this Article IV(B)), then provision shall be made so that the holders of the Preferred Stock shall thereafter be entitled to receive upon conversion of such Preferred Stock the number of shares of stock or other securities or property of the Corporation or otherwise, to which a holder of Common Stock deliverable upon conversion would have been entitled on such recapitalization. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4 of Article IV(B) with respect to the rights of the holders of such Preferred Stock after the recapitalization to the end that the provisions of this Section 4 of Article IV(B) (including adjustment of the Conversion Price then in effect and the number of shares purchasable upon conversion of such Preferred Stock) shall be applicable after that event and be as nearly equivalent as practicable.

(g) **No Fractional Shares and Certificate as to Adjustments.**

(i) No fractional shares shall be issued upon the conversion of any share or shares of the Preferred Stock, and the number of shares of Common Stock to be issued shall be rounded down to the nearest whole share (in lieu of any fractional share to which a holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the fair market value of the Common Stock on the date of conversion as determined in good faith by the Board of Directors). The number of shares issuable upon such conversion shall be determined on the basis of the total number of shares of Preferred Stock the holder is at the time converting into Common Stock and the number of shares of Common Stock issuable upon such aggregate conversion.

(ii) Upon the occurrence of each adjustment or readjustment of the Conversion Price of each series of Preferred Stock pursuant to this Section 4 of Article IV(B), the Corporation, at its expense, shall promptly compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to each holder of such Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, upon the written request

at any time of any holder of Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (A) such adjustment and readjustment, (B) the Conversion Price for such series of Preferred Stock at the time in effect, and (C) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the conversion of a share of the Preferred Stock.

(h) **Notices of Record Date.** In the event of any taking by the Corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend or other distribution, any right to subscribe for, purchase or otherwise acquire any shares of stock of any class or any other securities or property, or to receive any other right, the Corporation shall mail to each holder of Preferred Stock, at least ten (10) days prior to the date specified therein, a notice specifying the date on which any such record is to be taken for the purpose of such dividend, distribution or right, and the amount and character of such dividend, distribution or right.

(i) **Reservation of Stock Issuable Upon Conversion.** The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of the Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of all series of Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of all series of Preferred Stock, in addition to such other remedies as shall be available to the holder of such Preferred Stock, the Corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes, including, without limitation, engaging in best efforts to obtain the requisite stockholder approval of any necessary amendment to this Sixth Amended and Restated Certificate of Incorporation.

(j) **Notices.** Any notice or certificate required by the provisions of this Section 4 of Article IV(B) to be given to the holders of shares of Preferred Stock shall be deemed given if deposited in the United States mail, postage prepaid, and addressed to each holder of record at his address appearing on the books of the Corporation; provided, however that if the Corporation and any such holder (or assignor or transferor to such holder) have agreed to a manner of giving notices in the agreement pursuant to which the Corporation has sold to such holder (or assignor or transferor to such holder) the Preferred Stock, then such contractual notice provision shall instead apply to the Corporation with respect to giving notices or certificates to such holder (or assignees or transferees of such holder) under this Section 4 of Article IV(B).

5. **Voting Rights.**

(a) Except as otherwise expressly provided herein or by law, the holder of each share of Preferred Stock shall have the right, in person or by proxy, to one vote for each share of Common Stock into which such Preferred Stock could then be converted in accordance with Section 4 of this Article IV(B), and with respect to such vote, such holder shall have full

voting rights and powers equal to the voting rights and powers of the holders of Common Stock, and shall be entitled, notwithstanding any provision hereof, to notice of any stockholders' meeting in accordance with the bylaws of the Corporation, and shall be entitled to vote, together with holders of Common Stock, with respect to any question upon which holders of Common Stock have the right to vote. Fractional votes shall not, however, be permitted and any fractional voting rights available on an as-converted basis (after aggregating all shares into which shares of Preferred Stock held by each holder could be converted) shall be rounded to the nearest whole number (with one-half being rounded upward). Except as otherwise expressly provided herein or as required by law, the holders of Preferred Stock and the holders of Common Stock shall vote together and not as separate classes.

(b) The Board of Directors shall consist of eleven (11) members. At each meeting of stockholders at which members of the Board of Directors are to be elected, or whenever members of the Board of Directors are to be elected by written consent of the stockholders, so long as at least (i) a majority of the Series A Preferred Stock and Series B Preferred Stock originally issued remain outstanding (as adjusted for stock splits, stock dividends, reclassification and the like), the holders of a majority of the then issued and outstanding shares of Series A Preferred Stock and the Series B Preferred Stock (voting together as a single class and not as separate series, and on an as converted basis) shall be entitled to elect three (3) members of the Board of Directors; (ii) 10,500,000 shares of Series C Preferred Stock remain outstanding (as adjusted for stock splits, stock dividends, reclassification and the like), the holders of a majority of the then issued and outstanding shares of Series C Preferred Stock (voting together as a separate series) shall be entitled to elect one (1) member of the Board of Directors; (iii) 6,000,000 shares of Series D Preferred Stock remain outstanding (as adjusted for stock splits, stock dividends, reclassification and the like), the holders of a majority of the then issued and outstanding shares of Series D Preferred Stock (voting together as a separate series) shall be entitled to elect two (2) members of the Board of Directors and (iv) 10,000,000 shares of Series F Preferred Stock remain outstanding (as adjusted for stock splits, stock dividends, reclassification and the like), the holders of a majority of the Series F Preferred Stock shall be entitled to elect one (1) member of the Board of Directors. The holders of a majority of the then issued and outstanding shares Common Stock, voting together as a separate class, shall be entitled to elect three (3) members of the Board of Directors. The holders of a majority of the then issued and outstanding shares of Common Stock and Preferred Stock, voting together as a single class, shall be entitled to elect one (1) member of the Board of Directors.

Section 2. Other Offices. The corporation shall also have and maintain an office or principal place of business at such place as may be fixed by the Board of Directors, and may also have offices at such other places, both within and without the State of Delaware, as the Board of Directors may from time to time determine or the business of the corporation may require. (Del. Code Ann., tit. 8, § 122(8))

ARTICLE II

CORPORATE SEAL

Section 3. Corporate Seal. The corporate seal shall consist of a die bearing the name of the corporation and the inscription, "Corporate Seal-Delaware." Said seal may be used by causing it or a facsimile thereof to be impressed or affixed or reproduced or otherwise. (Del. Code Ann., tit. 8, § 122(3))

ARTICLE III

STOCKHOLDERS' MEETINGS

Section 4. Place of Meetings. Meetings of the stockholders of the corporation may be held at such place, either within or without the State of Delaware, as may be determined from time to time by the Board of Directors. The Board of Directors may, in its sole discretion, determine that the meeting shall not be held at any place, but may instead be held solely by means of remote communication as provided under the Delaware General Corporation Law ("***DGCL***"). (Del. Code Ann., tit. 8, § 211(a))

Section 5. Annual Meeting.

(a) The annual meeting of the stockholders of the corporation, for the purpose of election of directors and for such other business as may lawfully come before it, shall be held on such date and at such time as may be designated from time to time by the Board of Directors. Nominations of persons for election to the Board of Directors of the corporation and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders: (i) pursuant to the corporation's notice of meeting of stockholders, (ii) by or at the direction of the Board of Directors, or (iii) by any stockholder of the corporation who was a stockholder of record at the time of giving of notice provided for in the following paragraph, who is entitled to vote at the meeting and who complied with the notice procedures set forth in Section 5. (Del. Code Ann., tit. 8, § 211(b))

(b) At an annual meeting of the stockholders, only such business shall be conducted as shall have been properly brought before the meeting. For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (c) of Section 5(a) of these Bylaws, (i) the stockholder must have given timely notice thereof in writing to the Secretary of the corporation; (ii) such other business must be a proper matter for stockholder action under the DGCL; (iii) if the stockholder, or the beneficial owner on whose

behalf any such proposal or nomination is made, has provided the corporation with a Solicitation Notice (as defined in this Section 5(b)), such stockholder or beneficial owner must, in the case of a proposal, have delivered a proxy statement and form of proxy to holders of at least the percentage of the corporation's voting shares required under applicable law to carry any such proposal, or, in the case of a nomination or nominations, have delivered a proxy statement and form of proxy to holders of a percentage of the corporation's voting shares reasonably believed by such stockholder or beneficial owner to be sufficient to elect the nominee or nominees proposed to be nominated by such stockholder, and must, in either case, have included in such materials the Solicitation Notice; and (iv) if no Solicitation Notice relating thereto has been timely provided pursuant to this section, the stockholder or beneficial owner proposing such business or nomination must not have solicited a number of proxies sufficient to have required the delivery of such a Solicitation Notice under this Section 5. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the corporation not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is advanced more than thirty (30) days prior to or delayed by more than thirty (30) days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made. In no event shall the public announcement of an adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth: (A) as to each person whom the stockholder proposed to nominate for election or reelection as a director all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "1934 Act") and Rule 14a-11 thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (B) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (C) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such stockholder, as they appear on the corporation's books, and of such beneficial owner; (ii) the class and number of shares of the corporation which are owned beneficially and of record by such stockholder and such beneficial owner; and (iii) whether either such stockholder or beneficial owner intends to deliver a proxy statement and form of proxy to holders of, in the case of the proposal, at least the percentage of the corporation's voting shares required under applicable law to carry the proposal or, in the case of a nomination or nominations, a sufficient number of holders of the corporation's voting shares to elect such nominee or nominees (an affirmative statement of such intent, a "***Solicitation Notice***").

(c) Notwithstanding anything in the second sentence of Section 5(b) of these Bylaws to the contrary, in the event that the number of directors to be elected to the Board of Directors of the corporation is increased and there is no public announcement naming all of the nominees for director or specifying the size of the increased Board of Directors made by the corporation at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by this Section 5 shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the corporation not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the corporation.

(d) Only such persons who are nominated in accordance with the procedures set forth in this Section 5 shall be eligible to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 5. Except as otherwise provided by law, the Chairman of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made, or proposed, as the case may be, in accordance with the procedures set forth in these Bylaws and, if any proposed nomination or business is not in compliance with these Bylaws, to declare that such defective proposal or nomination shall not be presented for stockholder action at the meeting and shall be disregarded.

(e) Notwithstanding the foregoing provisions of this Section 5, in order to include information with respect to a stockholder proposal in the proxy statement and form of proxy for a stockholders' meeting, stockholders must provide notice as required by the regulations promulgated under the 1934 Act. Nothing in these Bylaws shall be deemed to affect any rights of stockholders to request inclusion of proposals in the corporation proxy statement pursuant to Rule 14a-8 under the 1934 Act.

(f) For purposes of this Section 5, "public announcement" shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the 1934 Act.

Section 6. Special Meetings.

(a) Special meetings of the stockholders of the corporation may be called, for any purpose or purposes, by (i) the Chairman of the Board of Directors, (ii) the Chief Executive Officer, or (iii) the Board of Directors pursuant to a resolution adopted by a majority of the total number of authorized directors (whether or not there exist any vacancies in previously authorized directorships at the time any such resolution is presented to the Board of Directors for adoption) or (iv) by the holders of shares entitled to cast not less than ten percent (10%) of the votes at the meeting, and shall be held at such place, on such date, and at such time as the Board of Directors shall fix. At any time or times that the corporation is subject to Section 2115(b) of the California General Corporation Law ("CGCL"), stockholders holding five percent (5%) or more of the outstanding shares shall have the right to call a special meeting of stockholders as set forth in Section 18(c) herein.

(b) If a special meeting is properly called by any person or persons other than the Board of Directors, the request shall be in writing, specifying the general nature of the business proposed to be transacted, and shall be delivered personally or sent by certified or registered mail, return receipt requested, or by telegraphic or other facsimile transmission to the Chairman of the Board of Directors, the Chief Executive Officer, or the Secretary of the corporation. No business may be transacted at such special meeting other than specified in such notice. The Board of Directors shall determine the time and place of such special meeting, which shall be held not less than thirty-five (35) nor more than one hundred twenty (120) days after the date of the receipt of the request. Upon determination of the time and place of the meeting, the officer receiving the request shall cause notice to be given to the stockholders entitled to vote, in accordance with the provisions of Section 7 of these Bylaws. Nothing contained in this paragraph (b) shall be construed as limiting, fixing, or affecting the time when a meeting of stockholders called by action of the Board of Directors may be held.

Section 7. Notice of Meetings. Except as otherwise provided by law or the Certificate of Incorporation, notice, given in writing or by electronic transmission, of each meeting of stockholders shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to vote at such meeting; such notice to specify the place, if any, date and hour and purpose or purposes of the meeting and the means of remote communications, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at such meeting. Notice of the time, place, if any, and purpose of any meeting of stockholders may be waived in writing, signed by the person entitled to notice thereof or by electronic transmission by such person, either before or after such meeting, and will be waived by any stockholder by his or her attendance thereat in person, by remote communication, or by proxy, except when the stockholder attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Any stockholder so waiving notice of such meeting shall be bound by the proceedings of any such meeting in all respects as if due notice thereof had been given. (Del. Code Ann., tit. 8, §§ 222, 229)

Section 8. Quorum. At all meetings of stockholders, except where otherwise provided by statute or by the Certificate of Incorporation, or by these Bylaws, the presence, in person, by remote communication, or by proxy duly authorized, of the holders of a majority of the outstanding shares of stock entitled to vote shall constitute a quorum for the transaction of business. In the absence of a quorum, any meeting of stockholders may be adjourned, from time to time, either by the chairman of the meeting or by vote of the holders of a majority of the shares represented thereat, but no other business shall be transacted at such meeting. The stockholders present at a duly called or convened meeting at which a quorum is present may continue to transact business until adjournment,

notwithstanding the withdrawal of enough stockholders to leave less than a quorum. Except as otherwise provided by statute, or by the Certificate of Incorporation, or by these Bylaws, in all matters other than the election of directors, the affirmative vote of a majority of shares present in person, by remote communication, if applicable, or represented by proxy duly authorized at the meeting and entitled to vote generally on the subject matter shall be the act of the stockholders. Except as otherwise provided by statute, the Certificate of Incorporation or these Bylaws, directors shall be elected by a plurality of the votes of the shares present in person, by remote communication, if applicable, or represented by proxy duly authorized at the meeting and entitled to vote generally on the election of directors. Where a separate vote by a class or classes or series is required, except where otherwise provided by the statute, or by the Certificate of Incorporation, or by these Bylaws, a majority of the outstanding shares of such class or classes or series, present in person, by remote communication, if applicable, or represented by proxy duly authorized, shall constitute a quorum entitled to take action with respect to that vote on that matter. Except where otherwise provided by statute, the Certificate of Incorporation or these Bylaws, the affirmative vote of the majority (plurality, in the case of the election of directors) of shares of such class or classes or series present in person, by remote communication, or represented by proxy at the meeting shall be the act of such class or classes or series. (Del. Code Ann., tit. 8, § 216)

Section 9. Adjournment and Notice of Adjourned Meetings. Any meeting of stockholders, whether annual or special, may be adjourned from time to time either by the chairman of the meeting or by the vote of a majority of the shares present in person, by remote communication, or represented by proxy. When a meeting is adjourned to another time or place, if any, notice need not be given of the adjourned meeting if the time and place, if any, thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the corporation may transact any business, which might have been transacted at the original meeting. If the adjournment is for more than thirty (30) days or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. (Del. Code Ann., tit. 8, § 222(c))

Section 10. Voting Rights. For the purpose of determining those stockholders entitled to vote at any meeting of the stockholders, except as otherwise provided by law, only persons in whose names shares stand on the stock records of the corporation on the record date, as provided in Section 12 of these Bylaws, shall be entitled to vote at any meeting of stockholders. Every person entitled to vote or execute consents shall have the right to do so either in person, by remote communication, if applicable, or by an agent or agents authorized by a proxy granted in accordance with Delaware law. An agent so appointed need not be a stockholder. No proxy shall be voted after three (3) years from its date of creation unless the proxy provides for a longer period. (Del. Code Ann., tit. 8, §§ 211(e), 212(b))

Section 11. Joint Owners of Stock. If shares or other securities having voting power stand of record in the names of two (2) or more persons, whether fiduciaries, members of a partnership, joint tenants, tenants in common, tenants by the entirety, or otherwise, or if two (2) or more persons have the same fiduciary relationship respecting the same shares, unless the Secretary is given written notice to the contrary and is furnished with a copy of the instrument or order appointing them or creating the relationship wherein it is so provided, their acts with respect to voting shall have the following effect: (a) if only one (1) votes, his act binds all; (b) if more than one (1) votes, the act of the majority so voting binds all; (c) if more than one (1) votes, but the vote is evenly split on any particular matter, each faction may vote the securities in question proportionally, or may apply to the Delaware Court of Chancery for relief as provided in the DGCL, Section 217(b). If the instrument filed with the Secretary shows that any such tenancy is held in unequal interests, a majority or even-split for the purpose of subsection (c) shall be a majority or even-split in interest. (Del. Code Ann., tit. 8, § 217(b))

Section 12. List of Stockholders. The Secretary shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at said meeting, arranged in alphabetical order, showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or during ordinary business hours, at the principal place of business of the corporation. In the event that the corporation determines to make the list available on an electronic network, the corporation may take reasonable steps to ensure that such information is available only to stockholders of the corporation. The list shall be open to examination of any examination of any stockholder during the time of the

meeting, as provided by law, produced and kept at the time and place of meeting during the whole time thereof and may be inspected by any stockholder who is present. (Del. Code Ann., tit. 8, § 219)

Section 13. Action Without Meeting.

(a) Unless otherwise provided in the Certificate of Incorporation, any action required by statute to be taken at any annual or special meeting of the stockholders, or any action which may be taken at any annual or special meeting of the stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, or by electronic transmission setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. (Del. Code Ann., tit. 8, § 228)

(b) Every written consent or electronic transmission shall bear the date and signature of each stockholder who signs the consent, and no written consent or electronic transmission shall be effective to take the corporate action referred to therein unless, within sixty (60) days of the earliest dated consent delivered to the corporation in the manner herein required, written consents or electronic transmissions signed by a sufficient number of stockholders to take action are delivered to the corporation by delivery to its registered office in the State of Delaware, its principal place of business or an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to a corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. (Del. Code Ann., tit. 8, § 228)

(c) Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing or by electronic transmission and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of stockholders to take action were delivered to the corporation as provided in Section 228(c) of the DGCL. If the action, which is consented to, is such as would have required the filing of a certificate under any section of the DGCL if such action had been voted on by stockholders at a meeting thereof, then the certificate filed under such section shall state, in lieu of any statement required by such section concerning any vote of stockholders, that written consent has been given in accordance with Section 228 of the DGCL.

(d) A telegram, cablegram or other electronic transmission consenting to an action to be taken and transmitted by a stockholder or proxyholder, shall be deemed to be written, signed and dated for the purposes of this section, provided that any such telegram, cablegram or other electronic transmission sets forth or is delivered with information from which the corporation can determine (i) that the telegram, cablegram or other electronic transmission was transmitted by the stockholder or proxyholder or by a person or persons authorized to act for the stockholder; and (ii) the date on which such stockholder or proxyholder or authorized person or persons transmitted such telegram, cablegram or electronic transmission. The date on which such telegram, cablegram or electronic transmission is transmitted shall be deemed to be the date on which such consent was signed. No consent given by telegram, cablegram or other electronic transmission shall be deemed to have been delivered until such consent is reproduced in paper form and until such paper form shall be delivered to the corporation by delivery to its registered office in the state of Delaware, its principal place of business or an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to a corporation's registered office shall be made by hand or by certified or registered mail, return receipt requested. Notwithstanding the foregoing limitations on delivery, consents given by telegram, cablegram or other electronic transmission may be otherwise delivered to the principal place of business of the corporation or to an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded if, to the extent and in the manner provided by resolution of the board of directors of the corporation. Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in lieu of the original writing for any and all purposes for which the original writing could be used, provided that such copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing. (Del. Code Ann., tit. 8 § 228(d))

Section 14. Organization.

(a) At every meeting of stockholders, the Chairman of the Board of Directors, or, if a Chairman has not been appointed or is absent, the President, or, if the President is absent, a chairman of the meeting chosen by a majority in interest of the stockholders entitled to vote, present in person or by proxy, shall act as chairman. The Secretary, or, in his absence, an Assistant Secretary directed to do so by the President, shall act as secretary of the meeting.

(b) The Board of Directors of the corporation shall be entitled to make such rules or regulations for the conduct of meetings of stockholders as it shall deem necessary, appropriate or convenient. Subject to such rules and regulations of the Board of Directors, if any, the chairman of the meeting shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are necessary, appropriate or convenient for the proper conduct of the meeting, including, without limitation, establishing an agenda or order of business for the meeting, rules and procedures for maintaining order at the meeting and the safety of those present, limitations on participation in such meeting to stockholders of record of the corporation and their duly authorized and constituted proxies and such other persons as the chairman shall permit, restrictions on entry to the meeting after the time fixed for the commencement thereof, limitations on the time allotted to questions or comments by participants and regulation of the opening and closing of the polls for balloting on matters which are to be voted on by ballot. The date and time of the opening and closing of the polls for each matter upon which the stockholders will vote at the meeting shall be announced at the meeting. Unless and to the extent determined by the Board of Directors or the chairman of the meeting, meetings of stockholders shall not be required to be held in accordance with rules of parliamentary procedure.

ARTICLE IV

DIRECTORS

Section 15. Number.

The authorized number of directors of the corporation shall be fixed by the Board of Directors from time to time.

Directors need not be stockholders unless so required by the Certificate of Incorporation. If for any cause, the directors shall not have been elected at an annual meeting, they may be elected as soon thereafter as convenient. (Del. Code Ann., tit. 8, §§ 141(b), 211(b), (c))

Section 16. Powers. The powers of the corporation shall be exercised, its business conducted and its property controlled by the Board of Directors, except as may be otherwise provided by statute or by the Certificate of Incorporation. (Del. Code Ann., tit. 8, § 141(a))

Section 17. Term of Directors.

(a) Subject to the rights of the holders of any series of Preferred Stock to elect additional directors under specified circumstances, directors shall be elected at each annual meeting of stockholders for a term of one year. Each director shall serve until his successor is duly elected and qualified or until his death, resignation or removal. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

(b) No person entitled to vote at an election for directors may cumulate votes to which such person is entitled, unless, at the time of such election, the corporation is subject to Section 2115(b) of the CGCL. During such time or times that the corporation is subject to Section 2115(b) of the CGCL, every stockholder entitled to vote at an election for directors may cumulate such stockholder's votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which such stockholder's shares are otherwise entitled, or distribute the stockholder's votes on the same principle among as many candidates as such stockholder thinks fit. No stockholder, however, shall be entitled to so cumulate such stockholder's votes unless (i) the names of such candidate or candidates have been placed in nomination prior to the voting; and (ii) the

stockholder has given notice at the meeting, prior to the voting, of such stockholder's intention to cumulate such stockholder's votes. If any stockholder has given proper notice to cumulate votes, all stockholders may cumulate their votes for any candidates who have been properly placed in nomination. Under cumulative voting, the candidates receiving the highest number of votes, up to the number of directors to be elected, are elected.

Section 18. Vacancies.

(a) Unless otherwise provided in the Certificate of Incorporation, and subject to the rights of the holders of any series of Preferred Stock, any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other causes and any newly created directorships resulting from any increase in the number of directors shall, unless the Board of Directors determines by resolution that any such vacancies or newly created directorships shall be filled by stockholders, be filled only by the affirmative vote of a majority of the directors then in office, even though less than a quorum of the Board of Directors. Any director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the director for which the vacancy was created or occurred and until such director's successor shall have been elected and qualified. A vacancy in the Board of Directors shall be deemed to exist under this Bylaw in the case of the death, removal or resignation of any director. (Del. Code Ann., tit. 8, § 223(a), (b))

(b) At any time or times that the corporation is subject to Section 2115(b) of the CGCL, if, after the filling of any vacancy, the directors then in office who have been elected by stockholders shall constitute less than a majority of the directors then in office, then

(i) any holder or holders of an aggregate of five percent (5%) or more of the total number of shares at the time outstanding having the right to vote for those directors may call a special meeting of stockholders; or

(ii) the Superior Court of the proper county shall, upon application of such stockholder or stockholders, summarily order a special meeting of the stockholders, to be held to elect the entire board, all in accordance with Section 305(c) of the CGCL, the term of office of any director shall terminate upon that election of a successor. (CGCL §305(c))

Section 19. Resignation. Any director may resign at any time by delivering his or her notice in writing or by electronic transmission to the Secretary, such resignation to specify whether it will be effective at a particular time, upon receipt by the Secretary or at the pleasure of the Board of Directors. If no such specification is made, it shall be deemed effective at the pleasure of the Board of Directors. When one or more directors shall resign from the Board of Directors, effective at a future date, a majority of the directors then in office, including those who have so resigned, shall have power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective, and each Director so chosen shall hold office for the unexpired portion of the term of the Director whose place shall be vacated and until his successor shall have been duly elected and qualified. (Del. Code Ann., tit. 8, §§ 141(b), 223(d))

Section 20. Removal.

(a) Subject to any limitations imposed by applicable law (and assuming the corporation is not subject to Section 2115 of the CGCL), the Board of Directors or any director may be removed from office at any time (i) with cause by the affirmative vote of the holders of a majority of the voting power of all then-outstanding shares of capital stock of the corporation entitled to vote generally at an election of directors; or (ii) without cause by the affirmative vote of the holders of a majority of the voting power of all then-outstanding shares of capital stock of the corporation, entitled to vote generally at an election of directors.

(b) During such time or times that the corporation is subject to Section 2115(b) of the CGCL, the Board of Directors or any individual director may be removed from office at any time without cause by the affirmative vote of the holders of at least a majority of the outstanding shares entitled to vote on such removal; provided, however, that unless the entire Board is removed, no individual director may be removed when the votes cast against such director's removal, or not consenting in writing to such removal, would be sufficient to elect that director if voted cumulatively at an election which the same total number of votes were cast (or, if such action is

taken by written consent, all shares entitled to vote were voted) and the entire number of directors authorized at the time of such director's most recent election were then being elected.

Section 21. Meetings.

(a) Regular Meetings. Unless otherwise restricted by the Certificate of Incorporation, regular meetings of the Board of Directors may be held at any time or date and at any place within or outside the State of Delaware, which has been designated by the Board of Directors and publicized among all directors, either orally or in writing, including a voice-messaging system or other system designated to record and communicate messages, facsimile, telegraph or telex, or by electronic mail or other electronic means. No further notice shall be required for a regular meeting of the Board of Directors. (Del. Code Ann., tit. 8, § 141(g))

(b) Special Meetings. Unless otherwise restricted by the Certificate of Incorporation, special meetings of the Board of Directors may be held at any time and place within or outside the State of Delaware whenever called by the Chairman of the Board, the President or any two of the directors. (Del. Code Ann., tit. 8, § 141(g))

(c) Meetings by Electronic Communications Equipment. Any member of the Board of Directors, or of any committee thereof, may participate in a meeting by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting by such means shall constitute presence in person at such meeting. (Del. Code Ann., tit. 8, § 141(i))

(d) Notice of Special Meetings. Notice of the time and place of all special meetings of the Board of Directors shall be orally or in writing, by telephone, including a voice messaging system or other system or technology designed to record and communicate messages, facsimile, telegraph or telex, or by electronic mail or other electronic means, during normal business hours, at least twenty-four (24) hours before the date and time of the meeting, or sent in writing to each director by first class mail, postage prepaid, at least three (3) days before the date of the meeting. Notice of any meeting may be waived in writing or by electronic transmission at any time before or after the meeting and will be waived by any director by attendance thereat, except when the director attends the meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. (Del. Code Ann., tit. 8, § 229)

(e) Waiver of Notice. The transaction of all business at any meeting of the Board of Directors, or any committee thereof, however called or noticed, or wherever held, shall be as valid as though, had a meeting duly held after regular call and notice, if a quorum be present and if, either before or after the meeting, each of the directors not present who did not receive notice shall sign a written waiver of notice or shall waive notice by electronic transmission. All such waivers shall be filed with the corporate records or made a part of the minutes of the meeting. (Del. Code Ann., tit. 8, § 229)

Section 22. Quorum and Voting.

(a) Unless the Certificate of Incorporation requires a greater number, a quorum of the Board of Directors shall consist of a majority of the exact number of directors fixed from time to time by the Board of Directors in accordance with the Certificate of Incorporation; *provided, however*, at any meeting, whether a quorum be present or otherwise, a majority of the directors present may adjourn from time to time until the time fixed for the next regular meeting of the Board of Directors, without notice other than by announcement at the meeting. (Del. Code Ann., tit. 8, § 141(b))

(b) At each meeting of the Board of Directors at which a quorum is present, all questions and business shall be determined by the affirmative vote of a majority of the directors present, unless a different vote be required by law, the Certificate of Incorporation or these Bylaws. (Del. Code Ann., tit. 8, § 141(b))

Section 23. Action Without Meeting. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all members of the Board of Directors or committee, as the

case may be, consent thereto in writing or by electronic transmission, and such writing or writings or transmission or transmissions are filed with the minutes of proceedings of the Board of Directors or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form. (Del. Code Ann., tit. 8, § 141(f))

Section 24. Fees and Compensation. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; *provided, however*, that the Board of Directors may fix a new record date for the adjourned meeting.

(b) In order that the corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. The Board of Directors shall promptly, but in all events within ten (10) days after the date on which such a request is received, adopt a resolution fixing the record date. If no record date has been fixed by the Board of Directors within ten (10) days of the date on which such a request is received, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board of Directors is required by applicable law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the corporation by delivery to its registered office in the State of Delaware, its principal place of business or an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by law, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

(c) In order that the corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty (60) days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto. (Del. Code Ann., tit. 8, § 213)

Section 38. Registered Stockholders. The corporation shall be entitled to recognize the exclusive right of a person registered on its books as the owner of shares to receive dividends, and to vote as such owner, and shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of Delaware. provided, however, that where any such bond, debenture or other corporate security shall be authenticated by the manual signature, or where permissible facsimile signature, of a trustee under an indenture pursuant to which such bond, debenture or other corporate security shall be issued, the signatures of the persons signing and attesting the corporate seal on such bond, debenture or other corporate security may be the imprinted facsimile of the signatures of such persons. Interest coupons appertaining to any such bond, debenture or other corporate security, authenticated by a trustee as aforesaid, shall be signed by the Treasurer or an Assistant Treasurer of the corporation or such other person as may be authorized by the Board of Directors, or bear imprinted thereon the facsimile signature of such person. In case any officer who shall have signed or attested any bond, debenture or other corporate security, or whose facsimile signature shall appear thereon or on any such interest coupon, shall have ceased to be such officer before the bond, debenture or other corporate security so signed or attested shall have been delivered, such bond, debenture or other corporate security nevertheless may be adopted by the corporation and issued and delivered as though the person who signed the same or whose facsimile signature shall have been used thereon had not ceased to be such officer of the corporation.

(Del. Code Ann., tit. 8, § 171)

ARTICLE X

FISCAL YEAR

Section 42. Fiscal Year. The fiscal year of the corporation shall be fixed by resolution of the Board of Directors.

ARTICLE XI

INDEMNIFICATION

Section 43. Indemnification of Directors, Executive Officers, Other Officers, Employees and Other Agents.

(a) Directors and Executive Officers. The corporation shall indemnify its directors and executive officers (for the purposes of this Article XI, "executive officers" shall have the meaning defined in Rule 3b-7 promulgated under the 1934 Act) to the fullest extent not prohibited by the DGCL or any other applicable law; *provided, however*, that the corporation may modify the extent of such indemnification by individual contracts with its directors and executive officers; and, *provided, further*, that the corporation shall not be required to indemnify any director or executive officer in connection with any proceeding (or part thereof) initiated by such person unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Board of Directors of the corporation, (iii) such indemnification is provided by the corporation, in its sole discretion, pursuant to the powers vested in the corporation under the Delaware General Corporation Law or any other applicable law or (iv) such indemnification is required to be made under subsection (d).

(b) **Other Officers, Employees and Other Agents.** The corporation shall have power to indemnify its other officers, employees and other agents as set forth in the DGCL or any other applicable law. The Board of Directors shall have the power to delegate the determination of whether indemnification shall be given to any such person except executive officers to such officers or other persons as the Board of Directors shall determine.

(c) **Expenses.** The corporation shall advance to any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director or executive officer, of the corporation, or is or was serving at the request of the corporation as a director or executive officer of another corporation, partnership, joint venture, trust or other enterprise, prior to the final disposition of the proceeding, promptly following request therefor, all expenses incurred by any director or executive officer in connection with such proceeding, provided, however, that, if the DGCL requires, an advancement of expenses incurred by a director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon delivery to the corporation of an undertaking, by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that such indemnitee is not entitled to be indemnified for such expenses under this Section 43 or otherwise.

Notwithstanding the foregoing, unless otherwise determined pursuant to paragraph (e) of this Bylaw, no advance shall be made by the corporation to an executive officer of the corporation (except by reason of the fact that such executive officer is or was a director of the corporation, in which event this paragraph shall not apply) in any action, suit or proceeding, whether civil, criminal, administrative or investigative, if a determination is reasonably and promptly made (i) a majority vote of a quorum consisting of directors who were not parties to the proceeding, even if not a quorum; or (ii) by a committee of such directors designated by a majority of such directors, even though less than a quorum; or (iii) if there are no such directors, or such directors so direct, by independent legal counsel in a written opinion, that the facts known to the decision-making party at the time such determination is made demonstrate clearly and convincingly that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the corporation.

(d) **Enforcement.** Without the necessity of entering into an express contract, all rights to indemnification and advances to directors and executive officers under this Bylaw shall be deemed to be contractual rights and be effective to the same extent and as if provided for in a contract between the corporation and the director or executive officer. Any right to indemnification or advances granted by this Bylaw to a director or executive officer shall be enforceable by or on behalf of the person holding such right in any court of competent jurisdiction if (i) the claim for indemnification or advances is denied, in whole or in part; or (ii) no disposition of such claim is made within ninety (90) days of request therefor. The claimant in such enforcement action, if successful in whole or in part, shall be entitled to be paid also the expense of prosecuting the claim. In connection with any claim for indemnification, the corporation shall be entitled to raise as a defense to any such action that the claimant has not met the standards of conduct that make it permissible under the DGCL or any other applicable law for the corporation to indemnify the claimant for the amount claimed. In connection with any claim by an executive officer of the corporation (except in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such executive officer is or was a director of the corporation) for advances, the corporation shall be entitled to raise a defense as to any such action clear and convincing evidence that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the corporation, or with respect to any criminal action or proceeding that such person acted without reasonable cause to believe that his conduct was lawful. Neither the failure of the corporation (including its Board of Directors, independent legal counsel or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he has met the applicable standard of conduct set forth in the DGCL or any other applicable law, nor an actual determination by the corporation (including its Board of Directors, independent legal counsel or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that claimant has not met the applicable standard of conduct. In any suit brought by a director or executive officer to enforce a right to indemnification or to an advancement of expenses hereunder, the burden of proving that the director or executive officer is not entitled to be indemnified, or to such advancement of expenses, under this Article XI or otherwise shall be on the corporation.

(e) **Non-Exclusivity of Rights.** The rights conferred on any person by this Bylaw shall not be exclusive of any other right, which such person may have or hereafter acquire under any applicable statute, provision of the Certificate of Incorporation, Bylaws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding office. The corporation is specifically authorized to enter into individual contracts with any or all of its directors, officers, employees or agents respecting indemnification and advances, to the fullest extent not prohibited by the DGCL or any other applicable law.

(f) **Survival of Rights.** The rights conferred on any person by this Bylaw shall continue as to a person who has ceased to be a director, or executive officer, employee or other agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

(g) **Insurance.** To the fullest extent permitted by the DGCL, or any other applicable law, the corporation, upon approval by the Board of Directors, may purchase insurance on behalf of any person required or permitted to be indemnified pursuant to this Bylaw.

(h) **Amendments.** Any repeal or modification of this Bylaw shall only be prospective and shall not affect the rights under this Bylaw in effect at the time of the alleged occurrence of any action or omission to act that is the cause of any proceeding against any agent of the corporation.

(i) **Saving Clause.** If this Bylaw or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the corporation shall nevertheless indemnify each director and executive officer to the full extent not prohibited by any applicable portion of this Bylaw that shall not have been invalidated, or by any other applicable law. If this Section 43 shall be invalid due to the application of the indemnification provisions of another jurisdiction, then the corporation shall indemnify each director and executive officer to the full extent under applicable law.

(j) **Certain Definitions.** For the purposes of this Bylaw, the following definitions shall apply:

(1) The term "proceeding" shall be broadly construed and shall include, without limitation, the investigation, preparation, prosecution, defense, settlement, arbitration and appeal of, and the giving of testimony in, any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative.

(2) The term "expenses" shall be broadly construed and shall include, without limitation, court costs, attorneys' fees, witness fees, fines, amounts paid in settlement or judgment and any other costs and expenses of any nature or kind incurred in connection with any proceeding.

(3) The term the "corporation" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Bylaw with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued.

(4) References to a "director," "executive officer," "officer," "employee," or "agent" of the corporation shall include, without limitation, situations where such person is serving at the request of the corporation as, respectively, a director, executive officer, officer, employee, trustee or agent of another corporation, partnership, joint venture, trust or other enterprise.

(5) References to "other enterprises" shall include employee benefit plans; references to "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to "serving at the request of the corporation" shall include any service as a director, officer,

employee or agent of the corporation which imposes duties on, or involves services by, such director, officer, employee, or agent with respect to an employee benefit plan, its participants, or beneficiaries; and a person who acted in good faith and in a manner he reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of the corporation" as referred to in this Bylaw.

ARTICLE XII

(b) **Notice to Directors.** Any notice required to be given to any director may be given by the method stated in subsection (a), or as provided for in Section 21 of these Bylaws. If such notice is not delivered personally, it shall be sent to such address as such director shall have filed in writing with the Secretary, or, in the absence of such filing, to the last known post office address of such director.

(c) **Affidavit of Mailing.** An affidavit of mailing, executed by a duly authorized and competent employee of the corporation or its transfer agent appointed with respect to the class of stock affected or other agent, specifying the name and address or the names and addresses of the stockholder or stockholders, or director or directors, to whom any such notice or notices was or were given, and the time and method of giving the same, shall in the absence of fraud, be prima facie evidence of the facts therein contained. (Del. Code Ann., tit. 8, § 222)

(e) **Notice to Person with Whom Communication Is Unlawful.** Whenever notice is required to be given, under any provision of law or of the Certificate of Incorporation or the Bylaws of the corporation, to any person with whom communication is unlawful, the giving of such notice to such person shall not be required and there shall be no duty to apply to any governmental authority or agency for a license or permit to give such notice to such person. Any action or meeting which shall be taken or held without notice to any such person with whom communication is unlawful shall have the same force and effect as if such notice had been duly given. In the event that the action taken by the corporation is such as to require the filing of a certificate under any provision of the DGCL, the certificate shall state, if such is the fact and if notice is required, that notice was given to all persons entitled to receive notice except such persons with whom communication is unlawful.

ARTICLE XIII

AMENDMENTS

Section 45. Amendments. The Board of Directors is expressly empowered to adopt, amend or repeal Bylaws of the corporation. The stockholders shall also have power to adopt, amend or repeal the Bylaws of the corporation; provided, however, that, in addition to any vote of the holders of any class or series of stock of the corporation required by law or by this Certificate of Incorporation, the affirmative vote of the holders of at least a majority of the voting power of all of the then-outstanding shares of the capital stock of the corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required to adopt, amend or repeal any provision of the Bylaws of the corporation.

ARTICLE XIV

RIGHT OF FIRST REFUSAL

Section 46. Right of First Refusal. No stockholder shall sell, assign, pledge, or in any manner transfer any of the shares of stock, of the corporation or any right or interest therein, whether voluntarily or by operation of law, or by gift or otherwise, except by a transfer which meets the requirements hereinafter set forth in this Bylaw:

(a) If the stockholder desires to sell or otherwise transfer any of his shares of stock, then the stockholder shall first give written notice thereof to the corporation. The notice shall name the proposed transferee and state the number of shares to be transferred, the proposed consideration, and all other terms and conditions of the proposed transfer.

(b) For thirty (30) days following receipt of such notice, the corporation shall have the option to purchase all (but not less than all) of the shares specified in the notice at the price and upon the terms set forth in such notice; *provided, however,* that, with the consent of the stockholder, the corporation shall have the option to purchase a lesser portion of the shares specified in said notice at the price and upon the terms set forth therein. In the event of a gift, property settlement or other transfer in which the proposed transferee is not paying the full price for the shares, and that is not otherwise exempted from the provisions of this Section 46, the price shall be deemed to be the fair market value of the stock at such time as determined in good faith by the Board of Directors. In the event the corporation elects to purchase all of the shares or, with consent of the stockholder, a lesser portion of the shares, it shall give written notice to the transferring stockholder of its election and settlement for said shares shall be made as provided below in paragraph (d).

(c) The corporation may assign its rights hereunder.

(d) In the event the corporation and/or its assignee(s) elect to acquire any of the shares of the transferring stockholder as specified in said transferring stockholder's notice, the Secretary of the corporation shall so notify the transferring stockholder and settlement thereof shall be made in cash within thirty (30) days after the Secretary of the corporation receives said transferring stockholder's notice; provided that if the terms of payment set forth in said transferring stockholder's notice were other than cash against delivery, the corporation and/or its assignee(s) shall pay for said shares on the same terms and conditions set forth in said transferring stockholder's notice.

(e) In the event the corporation and/or its assignees(s) do not elect to acquire all of the shares specified in the transferring stockholder's notice, said transferring stockholder may, within the sixty-day period following the expiration of the option rights granted to the corporation and/or its assignees(s) herein, transfer the shares specified in said transferring stockholder's notice which were not acquired by the corporation and/or its assignees(s) as specified in said transferring stockholder's notice. All shares so sold by said transferring stockholder shall continue to be subject to the provisions of this Bylaw in the same manner as before said transfer.

(f) Anything to the contrary contained herein notwithstanding, the following transactions shall be exempt from the provisions of this Bylaw:

(1) A stockholder's transfer of any or all shares held either during such stockholder's lifetime or on death by will or intestacy to such stockholder's immediate family or to any custodian or trustee for the account of such stockholder or such stockholder's immediate family or to any limited partnership of which the stockholder, members of such stockholder's immediate family or any trust for the account of such stockholder or such stockholder's immediate family will be the general of limited partner(s) of such partnership. "Immediate family" as used herein shall mean spouse, lineal descendant, father, mother, brother, or sister of the stockholder making such transfer.

(2) A stockholder's bona fide pledge or mortgage of any shares with a commercial lending institution, provided that any subsequent transfer of said shares by said institution shall be conducted in the manner set forth in this Bylaw.

(3) A stockholder's transfer of any or all of such stockholder's shares to the corporation or to any other stockholder of the corporation.

(4) A stockholder's transfer of any or all of such stockholder's shares to a person who, at the time of such transfer, is an officer or director of the corporation.

(5) A corporate stockholder's transfer of any or all of its shares pursuant to and in accordance with the terms of any merger, consolidation, reclassification of shares or capital reorganization of the corporate stockholder, or pursuant to a sale of all or substantially all of the stock or assets of a corporate stockholder.

(6) A corporate stockholder's transfer of any or all of its shares to any or all of its stockholders.

(7) A transfer by a stockholder which is a limited or general partnership to any or all of its partners or former partners.

In any such case, the transferee, assignee, or other recipient shall receive and hold such stock subject to the provisions of this Bylaw, and there shall be no further transfer of such stock except in accord with this Bylaw.

(g) The provisions of this Bylaw may be waived with respect to any transfer either by the corporation, upon duly authorized action of its Board of Directors, or by the stockholders, upon the express written consent of the owners of a majority of the voting power of the corporation (excluding the votes represented by those shares to be transferred by the transferring stockholder). This Bylaw may be amended or repealed either by a duly authorized action of the Board of Directors or by the stockholders, upon the express written consent of the owners of a majority of the voting power of the corporation.

(h) Any sale or transfer, or purported sale or transfer, of securities of the corporation shall be null and void unless the terms, conditions, and provisions of this Bylaw are strictly observed and followed.

(i) The foregoing right of first refusal shall terminate on either of the following dates, whichever shall first occur:

(1) On July 1, 2013; or

(2) Upon the date securities of the corporation are first offered to the public pursuant to a registration statement filed with, and declared effective by, the United States Securities and Exchange Commission under the Securities Act of 1933, as amended.

(j) The certificates representing shares of stock of the corporation shall bear on their face the following legend so long as the foregoing right of first refusal remains in effect:

> ."THE SHARES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO A RIGHT OF FIRST REFUSAL OPTION IN FAVOR OF THE CORPORATION AND/OR ITS ASSIGNEE(S), AS PROVIDED IN THE BYLAWS OF THE CORPORATION."

ARTICLE XV

LOANS TO OFFICERS

Section 47. Loans to Officers. The corporation may lend money to, or guarantee any obligation of, or otherwise assist any officer or other employee of the corporation or of its subsidiaries, including any officer or employee who is a Director of the corporation or its subsidiaries, whenever, in the judgment of the Board of Directors, such loan, guarantee or assistance may reasonably be expected to benefit the corporation. The loan, guarantee or other assistance may be with or without interest and may be unsecured, or secured in such manner as the Board of Directors shall approve, including, without limitation, a pledge of shares of stock of the corporation.

Nothing in these Bylaws shall be deemed to deny, limit or restrict the powers of guaranty or warranty of the corporation at common law or under any statute. (Del. Code Ann., tit. 8, §143)

ARTICLE XVI

MISCELLANEOUS

Section 48. Annual Report.

(a) Subject to the provisions of paragraph (b) of this Bylaw, the Board of Directors shall cause an annual report to be sent to each stockholder of the corporation not later than one hundred twenty (120) days after the close of the corporation's fiscal year. Such report shall include a balance sheet as of the end of such fiscal year and an income statement and statement of changes in financial position for such fiscal year, accompanied by any report thereon of independent accounts or, if there is no such report, the certificate of an authorized officer of the corporation that such statements were prepared without audit from the books and records of the corporation. When there are more than 100 stockholders of record of the corporation's shares, as determined by Section 605 of the CGCL, additional information as required by Section 1501(b) of the CGCL shall also be contained in such report, provided that if the corporation has a class of securities registered under Section 12 of the 1934 Act, the 1934 Act shall take precedence. Such report shall be sent to stockholders at least fifteen (15) days prior to the next annual meeting of stockholders after the end of the fiscal year to which it relates.

(b) If and so long as there are fewer than 100 holders of record of the corporation's shares, the requirement of sending of an annual report to the stockholders of the corporation is hereby expressly waived.

(a) Litigation, arbitration, investigations or other proceedings pending or threatened

Vespremi, et al	In July 2008 former employee David Vespremi filed a complaint against the Applicant, Darryl Siry, Ze'ev Drori, and Elon Musk in Superior Court of California in San Mateo County alleging failure to pay wages, waiting time penalties, breach of contract, libel, slander, public disclosure of private facts, breach of covenant of good faith, and unfair business practices. The complaint was amended on August 21, 2008 to include two additional plaintiffs (Glaudell and LiVigni) and the third amended complaint added a claim for false light invasion of privacy. Tesla demurred to six of the nine claims and prevailed; in April 2009, the Superior Court of California ruled in the Applicant's favor and dismissed the following claims without leave to amend: breach of contract, breach of the covenant of good faith and fair dealing, libel, slander, public disclosure of private facts and false light invasion of privacy. The Applicant settled the remaining three claims in October 2009. Plaintiffs Vespremi and Glaudell filed a notice of appeal of the dismissed claims on December 3, 2009.

Fisker I

Tesla Motors, Inc. filed claims against Fisker Coachbuild, LLC, Fisker Automotive, Inc., Henrik Fisker, and Bernhard Koehler (collectively, "Fisker") on April 14, 2008 in California Superior Court, San Mateo County. The dispute was moved to arbitration, and concluded in October 2008. The arbitrator ruled for Fisker and awarded Fisker reimbursement of Fisker's attorney's fees and expenses in the amount of $1.1 million (as part of the arbitrator's ruling, the arbitrator found that the Applicant's claims were neither brought nor pursued in good faith). On February 6, 2009 the Applicant paid the judgment award of $1,169,067.40 to Fisker Automotive and Fisker Coachbuild for reimbursement of Fisker's attorney's fees and expenses.

(c) **Settlement or Forbearance Agreements**

Magna Powertrain

Magna Powertrain USA, Inc. filed a claim for breach of contract against Tesla Motors, Inc. on April 3, 2008 in California Superior Court in San Mateo County, California. On December 12, 2008 both parties had executed a settlement agreement requiring the Applicant to pay undisclosed amounts to Magna in two installments. The Applicant paid the first installment on January 12, 2009 and the case was stayed pending payment of the second installment, which was paid in June 2009. The case was dismissed with prejudice on July 6, 2009.

SCHEDULE D-9

Environmental Matters

(a)

The Applicant did not receive a Clean Air Act (the "CAA") Certificate of Conformity (a "CAA Certificate") for 2009 from the Environmental Protection Agency (the "EPA") for its Tesla Roadster until December 21, 2009. This CAA Certificate covered sales of Tesla Roadsters from December 21, 2009 through December 31, 2009. The Applicant received a CAA Certificate in 2008, and received a CAA Certificate for 2010 on December 31, 2009. Selling vehicles in states covered by Federal requirements under the CAA without a CAA Certificate is a violation of Section 203(a) and may subject a violator to penalties of up to $32,500 per violation and a requirement to recall and remedy any emissions exceedances for those vehicles. Prior to obtaining the CAA Certificate on December 21, 2009, the Company sold 637 vehicles in 2009 in states where a CAA Certificate is required for such sales.

The EPA's Self-Audit Policy provides the ability for companies to self-report violations of federal Environmental Laws and thereby mitigate potential penalties. The Applicant reported the failure to obtain a CAA Certificate for 2009 to the EPA on December 20, 2009, and was issued a CAA Certificate effective December 21, 2009. (b) (4) [redacted] The Applicant and the EPA entered into an Administrative Settlement Agreement and Audit Policy Determination on January 11, 2010 (the "Settlement Agreement") whereby the Applicant agreed to pay a civil administrative penalty in the sum of $275,000.00 and agreed to treat 2009 vehicles sold prior to the December 21, 2009 CAA Certificate as if they were covered by a valid CAA Certificate for warranty and emissions purposes. The EPA has closed the matter and considers the violations resolved as of the date of the Settlement Agreement. All vehicles sold prior to obtaining the CAA Certificate in 2009 are now considered lawfully sold with no impediments to further registration, use or subsequent sale.

In addition, failure to obtain a timely CAA Certificate had the potential to impact the ability of Applicant's customers to obtain $7500 in federal tax credits for electric vehicles sold between January 1, 2009 and December 20, 2009, which tax credits have been advertised as available to Applicant's customers. Upon discovery of the issue and in

concert with addressing the EPA violations, Applicant was in communication with the Internal Revenue Service (the "IRS") to determine whether Applicant's customers were able to utilize the tax credit despite Applicant not having obtained the CAA Certificate for 2009 at the time such customer purchased a Tesla Roadster. As of January 7, 2010, the IRS confirmed that the IRS would allow Applicant's customers to obtain the $7500 federal tax credit for vehicles purchased in 2008 and 2009.

Regulation by the National Highway Traffic Safety Administration

The Applicant is subject to and complies with numerous regulatory requirements established by the National Highway Traffic Safety Administration ("NHSTA") including all applicable federal motor vehicle safety standards ("FMVSS"). A manufacturer must self-certify that a vehicle meets all applicable FMVSSs, as well as the NHTSA bumper standard, before it can be imported into or sold in the United States.

There are numerous FMVSSs that apply to the Applicant's vehicles. Examples of these requirements include:

- Crash-worthiness requirements—including applicable and appropriate level of vehicle structure and occupant protection in frontal, side and interior impacts including through use of equipment such as seat belts and airbags which must satisfy applicable requirements;

- Crash avoidance requirements – including appropriate steering, braking, electronic stability control, and equipment requirements (e.g., headlamps, tail lamps, conspicuity requirements, which lighting must conform to various photometric and performance requirements)

- Electric vehicle requirements—limitations on electrolyte spillage, battery retention, and avoidance of electric shock following specified crash tests. (In addition to the FMVSS requirements, the Applicant has incorporated numerous other safety protections into the battery pack for the Tesla Roadster (the "Roadster") to assure the safety of that system, including isolating the high voltage system from the rest of the vehicle.)

- Windshield defrosting and defogging— defined zones of the windshield must be cleared within a specified timeframe;

- Rearview mirrors— rearward areas that must be visible to the driver via the mirrors;

- Controls and displays;

Several FMVSS regulations that NHTSA has promulgated or amended recently contain phase-in provisions requiring increasing percentages of a manufacturer's vehicles to comply over a period of several model years. Those FMVSSs generally allow low volume manufacturers (those who manufacture fewer than 5,000 vehicles annually for sale in the United States) and limited line manufacturers (those who sell three or fewer carlines in the United States) to defer compliance until the end of the phase-in period. The Applicant currently qualifies as both a low volume manufacturer and a limited line manufacturer, and as a result, the Applicant is currently exempt from certain requirements, such as some new advanced airbag requirements, the advanced side impact requirements, and the electronic stability control requirements, until the end of the

applicable phase-in periods. In addition, the Applicant applied for, and was granted, an exemption from certain other advanced air bag requirements. Based on testing, engineering analysis, and other information, the Applicant has certified that the Roadster complies with all applicable NHTSA standards by affixing a certification label to each Roadster sold.

The Applicant is also required to comply with other NHTSA requirements, including the Corporate Average Fuel Economy standards, consumer information labeling requirements, Early Warning Reporting requirements regarding warranty claims, field reports, death and injury reports and foreign recalls, and owner's manual requirements. The Applicant complies with all applicable NHTSA requirements.

The Applicant's Roadsters sold in Europe are subject to European Union safety testing regulations. Many of those regulations, referred to as European Union Whole Vehicle Type Approval ("WVTA"), are different from the federal motor vehicle safety standards applicable in the United States and may require redesign and/or retesting. The Applicant's Roadsters are currently approved for sale on a limited basis in the European Union via the Small Series WVTA, which permits the manufacture and sale in the European Union of no more than 1,000 vehicles per year. The Applicant plans to keep European sales of the Applicant's Roadsters at less than 1,000 vehicles per year, and has no plans to commence testing its Roadsters for the WVTA to assure compliance with the European Union requirements to permit unlimited sales. The Applicant also plans to keep Australian and Japanese sales of the Applicant's Roadsters at a low volume, and has no plans to comply with the Australian and Japanese requirements to permit high volume sales in these jurisdictions.

Regulation by the Environmental Protection Agency and the California Air Resources Board

The Environmental Protection Agency ("EPA") requires vehicles sold to be covered by a Certificate of Conformity (a "Certificate") or a California Executive Order (an "Executive Order") issued by the California Air Resources Board ("CARB") with respect to emissions. The Certificate is required for vehicles sold in states covered by the Clean Air Act's standards and the Executive Order is required for vehicles sold in states that have sought and received a "waiver" from the EPA to utilize California standards in lieu of Clean Air Act standards. The California standards for emissions control for certain regulated pollutants for new vehicles and engines sold in California are set by CARB. States that have adopted the California standards as approved by EPA also recognize the Executive Order for sales of vehicles.

The sale of the Applicant's Roadsters have been covered by an Executive Order issued by CARB, which permits sales in California and other states that have adopted California standards, and on January 7, 2010, an Executive Order was issued by CARB to cover the 2010 Model Year Roadster. With respect to vehicles sold in other states, the EPA has issued to the Applicant a Certificate for the 2008 Model Year Roadster, a Certificate for

the 2009 Model Year Roadster[3] for sales made between December 21, 2009 and December 31, 2009 and a Certificate for the 2010 Model Year Roadster. The Applicant did not obtain a Certificate for the period of January 1, 2009 through December 20, 2009; however, on January 11, 2010, the Applicant and the EPA entered into an Administrative Settlement Agreement and Audit Policy Determination, whereby EPA has agreed to resolve violations of sale of 2009 Model Year Roadster between January 1, 2009 and December 20, 2009 that were not covered by either a Certificate or an Executive Order, as described in Schedule D-9. These vehicles are now considered lawfully sold with no impediments to further registration, use or subsequent sale. Additional details as to the failure to obtain the Certificate for 2009 are set forth on Schedule D-9.

The EPA also requires that electric vehicles be subject to range testing to accurately determine the number of miles that a vehicle can be driven on a single charge. An independent lab retained by the Applicant performed the test in 2008, and it determined at that time that the Roadster has a combined city and highway range of approximately 244 miles on a single battery charge for combined city and highway driving. Pursuant to regulations issued by the Federal Trade Commission, the Applicant provides range information on a label affixed to each vehicle. The Applicant has been notified that the range testing methodology may change in 2010 so any range estimates may be adversely affected.

Regulation Regarding Battery Safety and Testing

The battery used in the Applicant's vehicles conforms to regulations that govern safety and commerce for a variety of "dangerous goods" (which includes Li-ion batteries) that may present a risk in transportation. The governing regulations adopted by the U.S. Department of Transportations' Pipeline and Hazardous Materials Safety Administration ("PHMSA") are based on the UN Recommendations on the Safe Transport of Dangerous Goods Model Regulations, and related UN Manual Tests and Criteria. The regulations vary by mode of transportation when these items are shipped (for example, ocean vessel, rail, truck, or aircraft). To the best of the Applicant's knowledge, the Applicant is in compliance with all applicable regulations of the PHMSA. Additionally, the Applicant received permission from PHMSA in 2007 to fly the production battery and cars containing it on cargo aircraft.

The Applicant has completed the applicable tests for its prototype and production batteries, including:

- Altitude simulation: simulating air transport;
- Thermal cycling: assessing cell and battery seal integrity;

[3] Note that certain vehicles sold in 2009 were marketed as 2010 Model Year Roadsters, but these vehicles were labeled and had approvals as 2009 Model Year Roadsters for purposes of compliance with EPA and CARB regulations.

- Vibration: simulating vibration during transport;
- Shock: simulating possible impacts during transport;
- External short circuit: simulating an external short circuit; and
- Overcharge: evaluating ability of a rechargeable battery to withstand overcharging (test performed on the Metro battery pack for the SMART vehicle, but not the Tesla Roadster battery pack).

In addition, the Applicant has conducted other internal tests and observations on its batteries, including impact, penetration and exposure to open flame. Based upon its tests and observations, the Applicant believes that the likelihood of any field failures of the battery will be low.

The cells in the Roadster battery are composed mainly of lithium metal oxides. The cells meet the requirements set forth by the Directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment 2002/95/EC (commonly referred to as the Restriction of Hazardous Substances Directive). The cells do not contain any lead, mercury, cadmium, hazardous materials, heavy metals, or toxic materials.

The battery pack is also recyclable. The Applicant has adopted a recycling plan to maximize the amount of materials that can be reused; maximize the amount of materials that can be recycled; and minimize energy consumption utilized during the transportation and recycling process. The recycling process is primarily a mechanical and chemical one. As a result, the Applicant believes it will be able to recycle about 60% of the battery materials and reuse a further 10% (by weight), and landfill the plastics, which comprises about 25% of the battery.

In addition, the Applicant's battery packs include packaging for the lithium ion cells. This packaging includes trace amounts of various hazardous chemicals whose use, storage and disposal is regulated under federal law.

Regulation Regarding Automakers and Dealers

Dealer Registration

State law regulates the manufacture and sale of automobiles, and most states require automakers and dealers to register with the state. The Applicant is registered as both a manufacturer and dealer in Florida, Washington State, California, Colorado and Illinois (where it is also registered as a repairer), and its New York subsidiary is registered as a dealer in New York. The Applicant currently makes all sales to residents of other states from California.

The Applicant plans to register and engage in activities as a dealer in other states as appropriate and to the extent possible as it opens additional Tesla Locations (as defined below).

U.S. state laws have varying requirements relating to the sales of vehicles. Because the state motor vehicle industry laws were written with the traditional model of motor vehicle distribution in mind, the Applicant's new model of vehicle distribution subjects the Applicant to potential inquiries and investigations from state motor vehicle regulators who may question whether the Applicant's model complies with applicable state motor vehicle industry laws.

Some of these state laws clearly apply to, and prohibit certain aspects of the Applicant's distribution model. For example, in those states that prohibit a manufacturer from owning, operating or acting as a dealer, the Applicant would be prohibited from operating a motor vehicle dealership or otherwise selling vehicles directly to consumers from locations within the state.

Another area of the Applicant's new distribution model that may be questioned under state motor vehicle industry laws relates to states in which the Applicant establishes a Gallery location instead of a dealership. Based upon the broad and sometimes unclear definitions in the state statutes of what constitutes "dealership activities", a regulator may question whether the Applicant's activities at Gallery locations constitute acting as a Motor Vehicle Dealer. The Applicant currently operates its location in Boulder, Colorado as a Gallery. The Applicant may choose to operate as a Gallery while the dealer license or zoning variance is pending. Such operation as a Gallery may impede the Applicant's ability to do business in that state.

Other motor vehicle industry laws designed for the old model may, on their face, present issues relative to the Applicant's model. Many states, for example, require that a manufacturer of goods sold in a state must provide service and repair facilities within the state. Notwithstanding this requirement, considering the accommodations the Applicant is offering its customers with its mobile service, and the fact that the Applicant's dealership locations will contain service capabilities, it is likely that the Applicant could structure its mobile service model to the satisfaction of states with these types of provisions. (California, for example, expressly provides that "The provisions of this chapter shall not preclude a manufacturer making express warranties from suggesting methods of effecting service and repair, in accordance with the terms and conditions of the express warranties, other than those required by this chapter.") Also, related to the Applicant's mobile service model, some of the states which prohibit a manufacturer from acting as a dealer specifically include a prohibition on a manufacturer providing service in that provision. (The Nevada and Louisiana statutes, for example, both provide that a manufacturer may not own or operate a facility for the repair or maintenance of vehicles). These states may require a revision to the Applicant's mobile service model (e.g. appointing independent service providers to provide mobile service).

The Applicant's plans to sell cars to residents of states where the Applicant is not registered as a dealer over the internet are another area of the Applicant's model in which the application of laws written for the traditional model of motor vehicle distribution to the Applicant's new model subjects us to potential inquiries and investigations from state motor vehicle regulators. The question of whether vehicles can be sold over the internet into a specific state is a largely untested area and is very fact specific, with the answer potentially varying depending upon numerous factors including whether the Applicant has a physical presence in the state, whether the Applicant has employees, advertises or conducts other activities in the state, how the transaction is structured, the volume of sales into the state, and whether the state in question prohibits manufacturers from acting as a dealer. As a result, it is possible that these practices will subject the Applicant to potential inquiries and investigations from state motor vehicle regulators who may question whether the Applicant's model complies with applicable state motor vehicle industry laws. Texas, for example, takes a very broad interpretation of what it means for a manufacturer to act as a dealer and is very proactive in investigating potential violations of these prohibitions in its statutes. Internet sales can also implicate other statutory provisions designed with the old model in mind (e.g. the Kansas statute provides that "no manufacturer may deliver a motor vehicle to a person in this state, unless such motor vehicle is delivered to the person by a vehicle dealer licensed to do business in the state of Kansas" and Indiana requires that "A dealer who sells a motor vehicle through the use of the Internet or other computer network shall deliver the motor vehicle to the customer at the place of business of the dealer in Indiana.") Provisions such as these may require that certain aspects of the Applicant 's model be restructured.

Ability to Collect and Use Reservation Payments

The Applicant has historically taken reservation fees for the Roadster and has begun taking reservation fees from customers to purchase the planned Model S. The Applicant also believes that such practice is permitted by the laws of California and other states, but has not sought clarification from applicable authorities.

For instance, California law restricts the ability of licensed auto dealers to advertise or take deposits for vehicles before they are available. In November 2007, the Applicant became aware that the New Motor Vehicle Board of the California Department of Transportation raised questions over whether the Applicant's reservation policies comply with these laws. Since that time, the Applicant has not received any communications on this topic from the New Motor Vehicle Board or the California Department of Motor Vehicles (the "DMV"), which has the power to enforce these laws. Based upon the advice of and consultation with regulatory counsel, the Applicant believes that its policies for the Roadster comply with these California laws, but the question is not free from doubt and there can be no assurance that the DMV would not review these practices or conclude that, in their view, the Applicant's vehicle reservation or advertising practices violate the law. If the Applicant's vehicle reservation or advertising practices were found to violate the law, the Applicant may be required, among other things, to refund the Applicant's customers' paid reservation fees, and the Applicant potentially could lose the Applicant's license as a dealer in California. Other states and jurisdictions may have similar laws.

The Applicant is currently soliciting and using reservation fees for working capital. In 2006 and 2007, the Applicant accepted membership fees for a Roadster Club; however the Roadster Club membership terms did not explicitly indicate that the Applicant can use the proceeds for operating capital. Current reservation agreements explicitly provide that the Applicant can use the reservation fees for working capital. At no time previously has the Applicant segregated reservation fees or Roadster Club or Model S membership fees into a separate account. However, Washington State requires that reservation fees or other payment received from residents in the State of Washington must be placed in a segregated account until delivery of the vehicle, which account must be unencumbered by any liens from creditors of the Applicant and may not be used for working capital. The Applicant established such account on January 7, 2009. If required by other applicable state law, the Applicant will establish and maintain a single account for all reservation fees received from customers in any state, which will be separated from the Applicant's capital accounts and not be used for operating capital. The applicant is currently not aware of any other state where such a separate account will have to be maintained for receipt of reservation fees.

Direct Retail Sales

The Applicant has established retail sales operations or gallery-type showrooms ("Tesla Locations") in Los Angeles, California, Menlo Park, California, Seattle, Washington, New York, New York, Boulder, Colorado, Chicago, Illinois, Dania Beach, Florida, London, England, Monte Carlo, Monaco, and Munich, Germany. The California, Florida, Washington, Colorado and New York Departments of Motor Vehicles and the Illinois Secretary of State have issued to the Applicant the manufacturers' and/or dealers' licenses required to sell its vehicles to retail purchasers in California, Florida, Washington, Colorado, New York and Illinois respectively. In Illinois, the Applicant must also be licensed in the county in which the Tesla Location is located.

The Applicant is also subject to various other laws and regulations, including those relating to consumer protection, including financing of automobiles, advertising, "lemon laws" and automobile warranties, and consumer privacy.

(b) Other Agreements or Arrangements with Governmental Authorities Relating to Incentives

State of California — In a letter dated June 23, 2008, the Governor of California encouraged the Applicant to locate its vehicle manufacturing facility in California in exchange for various benefits available to California-based manufacturers

- Tax-Free Investment in Manufacturing Equipment for ZEVs
- Clean Technology Workforce Development Funds
- Enterprise Zone (EZ) Tax Incentives

- Alternative and Renewable Fuel and Vehicle Technology Program

- Zero-Emission Vehicle Program

CAEATFA Arrangement

The Applicant has an arrangement with the California Alternative Energy and Advanced Transportation Financing Authority ("CAEATFA"), which is summarized as follows:

Background

- CAEATFA provides financial assistance for facilities needed to develop and commercialize advanced transportation technologies, including electric vehicles and ultralow emission vehicles, that conserve energy, reduce air pollution, and promote economic development and jobs.

- The Applicant manufactures electric, zero emissions vehicles and parts designed for electric zero emissions vehicles. The Applicant desires to equip at least two facilities located in California for the manufacturing of electric vehicles and electric vehicle parts.

- The Applicant will apply to CAEATFA for financial assistance for certain transactions.

- The transactions contemplated by and between the Applicant and CAEATFA are designed to be exempt from the State of California sales and use tax, pursuant to Revenue and Taxation Code § 6010.8.

- CAEATFA will provide reasonable assistance to the Applicant to ensure that the State Board of Equalization ("SBE") will agree that certain purchases by the Applicant from vendors of the Equipment are exempt from California state and local sales and use taxes under Article 13, Section 35(b) of the California Constitution, Revenue and Taxation Code § 6352 and SBE Regulation 1667 (18 Cal. Code Regs. § 1667).

Process

- Upon completion of the purchase by the Applicant of Equipment, the Applicant conveys and CAEATFA acquires, all right, title, and interest in such Equipment (the "Conveyance"). The Applicant will notice CAEATFA for the full purchase price for the equipment.

- Immediately following the conveyance to CAEATFA, but in any event not to exceed 10 days from the initial conveyance by the Applicant to CAEATFA, CAEATFA will convey such Equipment back to the Applicant (the "Reconveyance").

- The Parties agree that there will be no fees for the Conveyance or the Reconveyance other than those set forth in Section 10201 of Title 4 of the California Code of Regulations. The Equipment will remain in the possession of the Applicant. CAEATFA agrees that it will not impose or otherwise permit any liens on the Equipment. The Parties agree that there will be multiple Conveyance and Reconveyance transactions throughout the Term of this Agreement. The Parties also agree that in no event shall the aggregate asset price of assets so conveyed and re-conveyed under this agreement exceed $320 million.

SBE Opinion

- The Applicant has received written advice from the SBE satisfying the requirements of Revenue and Taxation Code § 6596 indicating that purchases of the Equipment from vendors are exempt from California state and local sales and use taxes under SBE Regulation 1667 (18 Cal. Code Regs. § 1667) and the Conveyance and Reconveyance of the Equipment are exempt from California state and local sales and use taxes under Article 13, Section 35(b) of the California Constitution, Revenue and Taxation Code § 6352 and Revenue and Taxation Code § 6010.8.

Approval

- The foregoing transaction was approved by CAEATFA's Board of Directors on October 28, 2009. The Title Conveyance Agreement was executed by the Applicant and CAEATFA's Board of Directors on December 23, 2009.
